ALMA MATER

"'NEATH THE ELMS"

'Neath the elms of our old Trinity,
'Neath the elms of our dear old Trinity,
Oh it's seldom we'll meet,
In the moonlight so sweet
'Neath the elms of our old Trinity.

College days are from care and sorrow free,
And oft will we seek in memory
Those days that are past,
Far too joyous to last,
'Neath the elms of our old Trinity.

'Neath the elms of our old Trinity,
'Neath the elms of our dear old Trinity,
No more shall we meet,
Our classmates to greet,
'Neath the elms of our old Trinity.

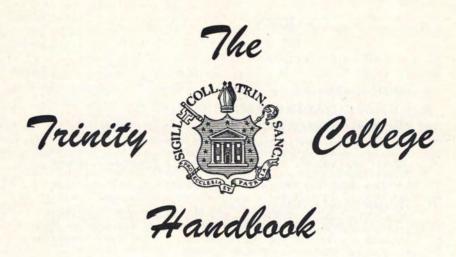

FIGHT TRINITY

Fight Trinity,

Keep up the fight for fame and glory, Fight Trinity,

We pledge our strength and loyalty, Keep fighting,

Old Blue and Gold,
Shall ever flaunt the skies in victory,
Raise your voice and shout the praise of Trinity!

TO THE COLLEGE STUDENT

The Handbook staff has collected, inside one cover, all material which will prove useful as handy reference for the student body. We hope that it will serve throughout the year as point of reference for the many questions that arise concerning various campus organizations, their officers; the academic, social, and athletic calendars; the College Regulations; and the Fraternity Rushing Rules.

A directory of officers of the clubs and organizations has been inserted in the back of the Handbook. It is alphabetized according to the title of the club or group, not according to the officer's name.

TO THE FRESHMAN CLASS

It is a privilege to welcome you to Trinity College. I hope sincerely that your years "Neath the Elms" will mean much to you. It is our dedicated purpose to see that they do. Our curriculum and the life at the College have been carefully planned to provide you with the finest training and education.

Trinity, as a Christian college, is concerned, not with mass production, but with the unique potentialities of each individual. No new truth was ever discovered by the automatic repetition of old patterns. A Christian college has an obligation to encourage variety and to nourish individual talent, for it sees every student as a unique creation of God.

You alone, however, can determine how meaningful will be your years at Trinity. You will learn that real values in life are gained only following hard and serious work. I urge that you devote your best efforts to your class work; that you take an active part in the extra-curricular activities which are described in this booklet. In this way you will become an integral part of Trinity College.

We proudly welcome your class. We have high expectations for you. Live up to them. To each and every one of you I extend my best wishes for good luck and success.

ALBERT C. JACOBS, President.

On behalf of the Committee on Admissions may I extend you a warm welcome to Trinity College.

In the early weeks of your freshman year you will be confronted with wholly different situations and you will experience entirely new adjustments. It is our sincerest hope, though, that above all else you develop the full awareness of your purpose for being here. A liberal education, which Trinity will help you to achieve, will fit you for meeting the broad spectrum of responsibilities in a life's experience, and we urge you to take advantage of the opportunities offered by the College to achieve the worthy goals you have set for yourself.

In selecting you for admission as a Freshman, the College has had to deny many young men the chance of becoming members of the Trinity family. Since it is a privilege to have won your places in the class, it is well to remember that you have a real responsibility to your former schools, to your families, and most of all to your-selves—a responsibility to accomplish a level of work which is commensurate with your abilities and to partake actively in the life of the College to further its success.

We desire to be of service to you in your freshman year, and if you feel we can assist you, we hope you will not hesitate to come to our office to discuss your work or any problems you face. It is our hope that your freshman year is a most promising one, and we wish you much success and happiness throughout your years at Trinity.

F. GARDINER F. BRIDGE, Director of Admissions.

GENERAL INFORMATION

The College Heritage

Trinity College (called Washington College until 1845) was founded in 1823 upon the petition of "sundry inhabitants of the State of Connecticut, of the denomination of Christians called the Protestant Episcopal Church." Although Trinity College was founded by a church group, its charter was one of the first to state that the ordinances of the College "shall not make the religious tenets a condition of admission to any privilege in the said college." Thus Trinity was a leader in the fight for religious tolerance.

The first President of the College was the Rt. Rev. Thomas Church Brownell, Bishop of Connecticut. In the first year there were nine students.

Originally, the College buildings were located on the site now occupied by the State Capitol. The College was moved to its present location in 1878, when Jarvis Hall and Seabury Hall were completed.

Since its founding, the College has had only fourteen presidents. Famous among these is Bishop Williams who served as President, Vice-Chancellor and Chancellor from 1848 to 1899. The longest term as President was that of Dr. Remsen B. Ogilby who was head of the College from 1920 until his death in 1943. The only living past president (1944-51) is G. Keith Funston '32, now President of the New York Stock Exchange. It is also interesting to note that President Albert C. Jacobs is the third layman to be President of Trinity.

The College Plant

If one enters the campus from the parking area through the main arch in Downes Memorial Clock Tower, one will pass beneath the Trustees' room. An entrance in the arch to the right leads to the offices of the Treasurer and Comptroller, of Placement, of Alumni, and of Admissions. An information desk is located in the main hallway.

Leading from the arch to the left is a Cloister which connects Downes Memorial with the College Chapel, one of the finest examples of Gothic architecture in the United States. The rose window, the stained glass window over the altar, the carvings, the Chapel of Perfect Friendship, and the Crypt Chapel are all worth careful study.

To the right of Downes is Williams Memorial. Here are the offices of the President, the Dean of the College, the Dean of Students, the Dean of Graduate Studies, the Registrar, the Cashier, Central Services, Public Relations, Buildings and Grounds, and certain Faculty members.

Turning left in front of Williams Memorial you have the first seven sections of Jarvis Hall (1878), then Northam Towers (1881), and finally the section of Seabury Hall (1878). Jarvis Hall and Northam Towers are dormitories.

Seabury Hall contains a number of classrooms, the Post Office, Bookstore, faculty offices and a lounge for day students.

Continuing down the walk you will find at the South end of the Quadrangle the Hamlin Dining Hall and Cook Lounge. In the basement of this building is the "Cave," containing a small cafeteria and soda fountain. Upstairs are the Cook-A Dormitories and the College Guest Room. The southern extremity of this building is occupied by the Medical office and the Infirmary. The new Student Center is being constructed at the southern end of Hamlin Hall.

Adjoining this building and forming the south side of the Quadrangle are Cook-B and Cook-C Dormitories, Woodward Dormitory and Lounge, and Goodwin Dormitory. The Chemistry Building, considered one of the best equipped in the country, adjoins Goodwin and includes the College Auditorium.

The college's modern library, located adjacent to the Chemistry Building, houses Trinity's valuable collection, the scholarly 130,000 volume Watkinson Collection, and the AFROTC offices.

Passing through the Bancroft Arch, which separates Goodwin Dormitory from the Chemistry Building, you will find in front of you Boardman Hall which contains the Museum of Natural History and the laboratories and classrooms of the Departments of Biology, Geology, Mathematics, Drawing, and Psychology. To the right is the dormitory quadrangle with the New Dormitory (1953) and Elton Hall (1948).

To your left is Jarvis Laboratory in which are the classrooms and laboratories of the Physics Department.

Behind Jarvis Laboratory is the Hallden Engineering Laboratory, the gift of Karl W. Hallden of the Class of 1909. Recently the Laboratory was enlarged by an addition of two classrooms and more laboratory space.

Still farther to your left are the tennis courts and, in the southeast corner of the campus, Trowbridge Memorial. Trowbridge houses the swimming pool and the six championship squash courts. Adjoining the eastern end of Trowbridge is the new Field House which provides facilities for many indoor sports.

Returning across campus from the field house toward the Chapel, you find the soccer, football, and practice athletic fields to the right; in the center is the Mall, bisecting the campus east to west; and to your left is the statue of Bishop Brownell, the flagpole, and the Long Walk on the far left.

Beyond the Chapel toward Vernon Street is Alumni Hall, which contains the gymnasium for intramural sports. Down the walk from Alumni Hall is the house of the President of the College.

The fraternity houses with one exception are also on Vernon Street. Situated on the corner of Vernon and Summit Streets is Ogilby Hall, a dormitory and dining hall. Located on Allen Place, beyond Vernon Street to the north, are two apartment houses, Allen East and Allen West, which have been recently acquired by the College and converted for use as dormitories.

The Hartford Community

Capital and largest city of Connecticut, county seat and center of a chartered metropolitan district, Hartford is situated midway between New York and Boston. It is at the head of navigation on the Connecticut River, against which it is protected by dikes.

Started as a Dutch trading post in 1623, Hartford was founded in 1636 by Thomas Hooker and his followers from Massachusetts. The Fundamental Orders adopted by the Hartford Colony in 1639, the first instrument of its kind in modern history, was the model for the federal Constitution. The city was incorporated in 1784. Its present form of government, starting January 1, 1948, is council-manager.

In the evolution from an agricultural to an industrial economy, Hartford was the scene of the early experiments in interchangeability of parts that laid the foundations of modern American industry, and ultimately made the community a recognized center for precision manufacturing

Concerning transportation, Hartford is served by the New Haven Railroad. Bradley Field, just north of the City, offers excellent connections to major cities. There is bus service to all nearby cities from the Railroad Station.

Hartford has five broadcasting stations, three television stations and two daily newspapers. Telephone service is supplied by SNET. Western Union also has offices located in the city.

The city has 27 parks, aggregating 2,700 acres. Widely known is Elizabeth Park's Rose Garden. The city maintains two municipal golf courses of 27 and 18 holes respectively. There are six golf courses (private and commercial) in Metropolitan Hartford and three others close by.

STUDENT ADVISORY SERVICES

Dean of Students

Dr. O. W. Lacy, the Dean of Students, is generally responsible for the welfare, health, and discipline of the student body. He is available for counseling of a personal or vocational nature with students and constitutes the liaison between the students and the President, the Dean of the College, and the Faculty. In charge of all student housing and boarding, he supervises all extra-curricular activities except athletics. He oversees and fosters student participation in the government of the College and is responsible for the observance of all requirements legally imposed on the students, i.e., attendance at Class, Chapel, and Physical Education.

Registrar, Freshman Adviser, and Veterans' Counselor

Mr. Thomas A. Smith '44, the Registrar, maintains all College academic records, directs all registrations and examinations, and coordinates the upperclass advisory system. He serves as assistant to the Dean of the College in the financial aid program and in academic counseling.

As Freshman Adviser, he supervises the Freshman Advisory Council composed of 21 members of the Faculty. Freshmen meet with their Faculty Advisers in September to plan their courses of study, and during the year at regular intervals.

As Veterans Counselor, he handles all inquiries regarding Veterans Administration and other veterans problems.

Director of Placement

The office of Mr. John F. Butler '33, Director of Placement, is in Downes Memorial. The Director holds periodic interviews with the student throughout his college career to encourage him in thinking about possible choices of careers after graduation. A "Career Counseling" program is sponsored by this office. This program is for seniors and all undergraduates, with speakers from such fields as law, medicine, teaching, industry, insurance, advertising, merchandising, etc. The purpose of this program is to provide the students with information as to necessary qualifications, what may be expected in their chosen careers, and at the same time eliminate misinformation. The Placement Bureau is in touch with many firms throughout the country and arranges recruiting visits by these companies to the campus as well as visits by deans of various graduate schools.

Students interested in part-time or summer employment may register in the Placement Office. A number of part-time jobs are available on the campus, such as dining hall waiters, messengers, clerical office workers, and reference workers in the library, but freshmen have priority on these jobs. Some part-time jobs are available in the City of Hartford, and the Placement Office serves as a liaison agent between students and employers. However, it is believed that the average Freshman should not expect to take upon himself much in the way of employment, so as to maintain his studies satisfactorily.

Chaplain

The College Chaplain, The Rev. J. Moulton Thomas, is available to every student for discussions, talks, or counseling in his Chapel office or in his home at 69 Vernon Street.

The College supplements the religious activities of the Chaplain by encouraging religious clubs, of which there are four, and offering elective courses in religion. This is not to surround one in an "overly religious" environment, but to develop meaning of the spiritual, as well as increasing the intellectual and physical capacities of the student.

Medical Director

The office of Dr. Francis L. Lundborg '24, the Medical Director, is in Hamlin Hall. In case of illness or injury, full-time, regularly-enrolled students should report to his office between 8:30 and 10 a.m. or 1 and 2 p.m., Monday through Friday, and Saturday between 8:30 and 10:00 A.M. At other times, student aides are stationed in the Infirmary (also in Hamlin Hall) to handle emergencies.

Junior Advisers

Each year 30 juniors are selected to serve as Advisers to the Freshman Class. Assigned to rooms adjacent to those of the Freshmen, they attempt in a friendly manner, through personal contact, to help new students with their personal problems and with their adjustment to college life. Names of the Junior Advisers for this year appear in the Directory in the back of the book.

Other Student Services The Library

The Library, under Mr. Donald B. Engley, is open daily during term time Monday through Friday from 8:30 A.M. to 10:00 P.M. On Saturday it is open from 8:30 A.M. to 5:00 P.M., and on Sunday from 2 to 10 P.M.

The Library makes available a booklet of information concerning use and rules of the Library.

The Post Office

The Post Office, under the supervision of Mr. Francis "Cap" Horan, is located in the basement of Middle Seabury. Students have access to their mailboxes at all times but the office is open for sale of stamps, postal information, etc., only between 9:00 A.M. and 4:00 P.M. Mondays through Fridays, and between 8:00 and 11:00 A.M. Saturdays.

There are two incoming mails (8:30 A.M. to 2:30 P.M.), and there are four outgoing mails (9:00 A.M., 12 Noon, 5:00 P.M., and 7:00 P.M.). Outgoing mail deposited in the box outside the Post Office will be picked up three times daily (9:00 A.M., 5:00 P.M., and 7:00 P.M.).

The Union-Bookstore

The Union-Bookstore, operated by the College and managed by Mr. Penn Hargrove, is across the hall from the Post Office in the basement of Middle Seabury. It is open five days a week from 9:00 A.M. to 12:00 Noon and 1:00 to 4:00 P.M., and Saturday morning from 9:00 A.M. to 12:00 Noon. The Bookstore carries texts for all courses. In addition, toiletries, stationery and classroom supplies, candy, smokers' supplies, and sporting goods are carried.

The Laundry

The College laundry operates under the direction of Mr. Joseph Blume. It is located next to the "Cave," and is open Monday through Friday from 12 Noon to 5 P.M. It handles regular laundry, shirts, and dry-cleaning.

Bulletin Boards

Official notices are posted on the Bulletin Board to the right of Middle Jarvis. General notices are posted on the Bulletin Boards to the left of the entrance of Middle Jarvis, in the north archway, and at Cook dormitory archway.

STUDENT REGULATIONS

Wherever people live together, each individual must learn to respect the rights of other individuals and to moderate his own conduct with a view toward the welfare of the community as a whole. The patterns of social conduct developed within each society are sometimes unwritten proprieties and customs. Others are written down and called regulations or laws. Society sets up courts to judge conduct and imposes penalties for societal misconduct. This is true in a society composed of a family, a religion, a city, or a nation. It is just as necessary within the community of a college.

Since Trinity College is attempting to promote the intellectual and moral growth of its students so that they will become self-reliant, responsible and enlightened citizens and leaders of democracy, there is double significance in the community rules of the College. First, the rights of all the individuals in the community must be protected from violation by any individual or minority. Second, there is an educational value in developing in students the same responsibility and self-restraint which they must demonstrate throughout life if they are to become good citizens.

Trinity attempts to develop in each student a sense of personal responsibility for good order not only in the classroom, but also in his general attitude and standard of conduct on the campus. Students are expected to behave as gentlemen and reliable citizens of the community. Every effort is made to stimulate students to honest, conscientious effort; but the College is not willing to undertake the problem of disciplining a student who is not in sympathy with its purpose. If a student refuses to cooperate with College authorities, either student, faculty, or administrative, the College specifically reserves the right to dismiss him without making definite charges whenever in its judgment the general welfare seems to demand such action.

It is assumed, however, that a Trinity student will at all times conduct himself in a way that will be a credit to his family and to his College. The following rules and regulations cover specific situations and all students are asked to familiarize themselves with them.

Student Government

The Statutes of the College assign responsibility for conduct of students to the Faculty which administers this responsibility through a Committee on Administration, the Dean, and the Dean of Students. Every effort is made to encourage the students to govern themselves and to assume greater responsibility in the conduct of their affairs. To this end, certain responsibilities for dealing with offenses against regulations or against law and order have been delegated to student government as follows:

SENATE: The Senate, the elected representatives of the Student Body, acting on behalf of all the students of Trinity College shall control all funds as allocated to it by the Administration, supervise student extracurricular activities, and maintain a high level of conduct among the students of the College. It has the authority to deal with violations, subject to the policies and regulations established by the Faculty and its Committee on Administration. Any student subject to one of the major forms of discipline (censure, suspension, dismissal, or expulsion) may appeal to the Senate if he feels an injustice is being done. Such an appeal must be made in writing within forty-eight hours of the notification of sentence.

MEDUSA: The Medusa, the Senior Honorary Society, is responsible for the maintenance of college traditions and by agreement with the Senate is responsible for the enforcement of college regulations. Penalties involving suspension, dismissal, or expulsion must receive the approval of the Dean of Students or the Faculty Committee on Administration before becoming final.

THE INTERFRATERNITY COUNCIL: The purpose of this Council is (1) to promote amicable relationships among fraternities at Trinity, and (2) to promote the standards expressed in the Fraternity Criteria promulgated by the National Interfraternity Conference.

Personal Conduct

Gambling is forbidden.

Intoxication and disorderly conduct resulting from the use of alcoholic beverages are particularly serious offences and may result in dismissal from College. The consuming or bringing on college property of any alcoholic beverage, liquor, beer, or wine is prohibited except that beer and wine may be served by an authorized group for a particular occasion approved in writing in advance by the Committee on Student Organizations. College publications may not carry liquor advertising. Beer and wine advertising may be carried by the Tripod, Ivy, and Review, but not by the College Handbook or College Radio Station.

The penalty for a first instance of cheating in academic work shall be the required dropping of the course in which the cheating occurred or suspension from college for a period of time to be determined by the Committee on Administration or both. A second offense incurs a mandatory sentence of required withdrawal without the privilege of return.

Dormitories

Unmarried students not residing with their parents or guardian must live in buildings owned or controlled by the College and must board only in such places as are approved by the President. Petitions for exceptions to this rule may be submitted to the Dean of Students and may be approved for periods not exceeding one year.

Rooms in the college buildings are assigned to students under the supervision of the Treasurer. Students must obtain the Treasurer's permission before moving from one room to another. Students moving during a semester from dormitories to fraternity houses or to other locations (permission must be obtained from the Dean of Students to move off campus while still in attendance) will not receive any refund of their dormitory rent unless prior arrangements have been made with the Treasurer.

Freshmen rooms are assigned by the Director of Admissions. Other rooms are assigned on a priority system with seniors getting first choice, juniors second, and sophomores third choice.

Each student is personally accountable for all improper conduct occurring in his room and is responsible both for damage done to his room and furniture and for damage which he may do, or participate in doing, to other property. College furniture may not be moved from one room to another without the permission of the Director of Buildings and Grounds and each student is held accountable for the original furniture assigned to his room. Costs of damage to or loss of college property are charged to students in addition to appropriate penalties for misconduct.

Officers of the College or a member of the College Senate or Medusa may visit a room at any time for any examination which he thinks proper. Students must admit these authorized persons whenever requested to do so. Janitors are required to report any evidence of misconduct and damage to, or loss of, college property.

Women are permitted in the dormitories only during the following hours: between Noon and 10 p.m. on Friday, Saturday, and Sunday. At no other time are women allowed in the dormitories unless special permission to do so is granted by the Dean or Dean of Students. Exceptions to this rule are parents of the students, and their parties, who are allowed in the dormitories at any time.

In order to provide a meeting place for the students Goodwin Lounge and New Dorm Lounge shall be open Monday through Thursday from 9 a.m. to 8 p.m. and 9 a.m. to midnight Friday through Sunday. Women will be allowed in these lounges during these hours.

Solicitors, canvassers, salesmen, peddlers, and unauthorized persons are not permitted to enter the college buildings. Students should not negotiate with such persons or admit them to their rooms; but should report their presence to the watchman or an Officer of the College. (See below.)

Dogs and other animals may not be kept in college buildings.

Permission must be obtained from the Dean of Students to reside at the College during vacation periods. Dormitory rooms are not ready for occupancy until the opening of Freshman Week in the Fall and must be vacated at the end of the examination period in June except for Seniors who may remain until the day after Commencement.

Radios, phonographs, razors, and clocks may be operated in Dormitory rooms but special permission must be obtained from the Director of Buildings and Grounds to operate or keep in the room other electrical appliances. The playing of musical instruments, phonographs, and radios should be done with generous regard for the privacy of others. Television sets may not be installed in Dormitory rooms.

No firearms, weapons, ammunition, or explosives may be brought or kept on college property.

City fire regulations prohibit the use of fireplaces in dormitory rooms. Tampering with lights or fire extinguishers is prohibited. A Connecticut State law prohibits smoking in bed.

Bicycles may not be brought or left in dormitory or classroom buildings, including basements. Adequate storage for them is provided outside.

Students who are locked out of their rooms may obtain another key from the Office of Buildings and Grounds or the night watchman upon payment of a \$1.00 deposit which is refundable upon return of the key.

Rules Regarding Student Businesses

The campus is not open to anyone soliciting, selling, or buying; except to Trinity College Undergraduates, who may act as agents of outside concerns.

There are two groups of concessions; closed and open. 1. Closed—Those which have such a limited market that one man is granted the right of monopoly. 2. Open—All other concessions which are general in nature. The question of open or closed concessions shall be left to the discretion of the Treasurer's Office and the Dean of Students.

These concessions are open solely to the Trinity College Undergraduates.

Written permits must be obtained from the Treasurer's Office in order to conduct business. These permits must be renewed annually. Failure to obtain a permit before conducting business, or failure to adhere to the rules herein will result in administrative action.

Fraternities shall handle the problem of solicitation in any manner they see fit Concessions may not be sold.

Fraternities

The serving or consuming of liquor by any fraternity or on the premises of any fraternity during the week is forbidden. "During the week" shall be construed to mean from Sunday through Friday inclusive, except during house party weekends when it shall mean between Sunday and Thursday inclusive. The drinking of beer and wine in moderation is permitted during the week. Liquor, beer, and wine may be served or consumed in moderation in the fraternity houses as noted above only when college is in session. There shall be no excessive drinking at any time.

The selling of liquor, beer, or wine without a license is forbidden by law. The selling of chits for the procurement of liquor, beer, or wine, is considered the same as selling the product and is illegal.

Women are permitted in the fraternity houses only during the following hours: Monday through Thursday, noon to 8 p.m.; Friday through Sunday, noon to 10 p.m., except when party petitions have been granted, when the hours will be 11 a.m. to 1 a.m. on Saturday and 10 a.m. to 10 p.m. on Sunday. In no case are women permitted in the fraternity houses during vacations.

Parents and their parties are allowed in the fraternity houses at any time. Other exceptions to the rule may be made by the Dean or the Dean of Students.

Members of fraternities shall be individually and collectively responsible for all conduct in the fraternities.

The heads of houses must present to the Dean's Office before a vacation period begins the names of men authorized to live in the house during the period. Men so authorized are responsible for the observation of the regulations in this bulletin. All fraternity houses shall be closed during the Summer vacation.

Social Affairs

Dances, house parties, and other social affairs held by students on college property, in the fraternity houses or elsewhere are under the general supervision of the Dean of Students and the Faculty Committee on Student Organizations. It is the responsibility of the president of a student organization to see that guests conform to the following rules:

House parties are limited to the weekends of the Sophomore Hop, Interfraternity Weekend, Junior Promenade, and Senior Ball.

Extra dances or parties are to be given only with the sanction of the Faculty Committee and are limited to six per semester (including house parties) for any organization. At least ten days previous to any house party, tea dance, informal dance, or other social function, the head of the organization must submit to the Dean of Students, for his approval, a statement concerning plans for conducting the affair, its nature and duration, and the names of the chaperones who have consented to serve. This is to be done on the official blank provided for that purpose.

All dances must be terminated not later than 1:00 a.m.

The Faculty Committee shall approve the place where dances or parties are to be held.

There must be sufficient lighting in each room.

No women are permitted upstairs in fraternity houses except to the ladies room, or except when the upper floors are reserved exclusively for girls.

All rooms in fraternity houses which are to be used during a party must be shown to the chaperones and approved by them. There shall be free access to these rooms at all times.

Bars must close at midnight.

All women must be out of the house no later than 15 minutes after official closing time.

On house party weekends all women sleeping in fraternity houses must be in the house within a reasonable time after the dance and all men must be out of the house not later than 1:15 a.m.

Chaperones will be notified of the beginning and ending time of a party and it will be the duty of the organization to see that there are chaperones present at all times and until all guests have left the party. Married students or recent graduates are not acceptable as chaperones. Every effort should be made to secure Faculty members as chaperones. One couple will be adequate for chaperoning the average informal party; however, two couples are advisable, but not required, for the large house party weekends. At least one lady should remain overnight when girls sleep in the house.

The head of the organization must make himself known to the chaperones at the beginning of the evening and be prepared to do the chaperone's bidding at all times. It shall be the responsibility of the head of the organization to see that the rules of conduct are followed. However, the chaperones are expected to observe violations and take appropriate action. Chaperones have full right to end a party at any time they see fit if the situation warrants it.

At the close of each party it is the responsibility of the organization officers to persuade the departers to leave quietly and expeditiously. The chaperones should assist in this procedure. Men returning to dormitory rooms should show consideration of others by being as quiet as possible. The organization president is responsible for departure conduct outside the building as well as for the conduct of the party.

Penalties for Misconduct

Penalties authorized by the College are fines, pensums, admonition, censure, suspension, dismissal, and expulsion.

Fines are imposed, for example, for late payment of college bills, late enrollment, damage to college property, and the like.

Pensums are assignments of extra work, often imposed in an effort to give punishment a constructive function.

Admonition is formal warning to the student that he has incurred serious blame and that continuance of such conduct, or of similarly serious misbehaviour, will result in suspension or dismissal. Notice of admonition is sent to the student's parent or guardian.

Censure is the result of more serious misconduct than that for which admonition is given. Censure includes loss of unexcused cut allotment, loss of the privilege to participate in any extracurricular activity of the College. Notice of censure is posted on the college bulletin board and is also sent to the student's parent or guardian. A second censure incurs automatic suspension from College. Students on censure are not eligible for honorable dismissal until restored to good standing.

Suspension is temporary separation from College and may involve the performance of specified tasks. Suspension is the result of very serious misconduct or the accumulation of two censures.

Dismissal is the permanent separation of a student from the College.

Expulsion is dishonorable dismissal.

Students liable to dismissal or expulsion will be notified before final action is taken. They may be given a hearing before the Senate, Medusa, or Committee on Administration.

In an effort to codify the rules and make them more explicit the following is a list of violations and the punishments which are normally given for each violation. It should be noted that each case is tried on its own merits and therefore punishments may be meted out other than these stated norms. Each violation is judged as an offense against the community and the College, and is judged on the seriousness of this offense.

Any student sentenced by the Medusa shall have the right to appeal this decision to the Student Senate. The procedure for this appeal will be as follows:

Written statement of appeal must be submitted to the President of the Senate within forty-eight hours of the student's notification of sentence by the Medusa.

The Senate President will then notify the student of a date on which he shall be required to present a written brief asking the Senate for an appellate hearing of his case. This brief is to contain:

- 1. A well defined statement of the student's reasons for appeal.
- 2. Any new evidence or pertinent facts that support this statement.
- All new material not presented in the Medusa trial. This must be clearly defined and itemized.

After reading this brief and a similar one submitted by the Medusa, the Senate, as a body, shall judge the validity of the request for appellate hearing. If this request is granted there shall then be a special trial in which the Senate shall act as the jury, the Medusa as the prosecutor and the student can once more plead his case.

Registration and Enrollment

All students are required to register on or before the first day of the term. A fee of five dollars must be paid by each student who does not register at the time appointed.

Students in regular standing are normally expected to take 15 hours each semester, exclusive of Physical Education. No student in regular standing is allowed to enroll during any one term in less than 13, or more than 22 semester hours of work.

Payment of the tuition fee entitles a student to register for a program of five courses. With the consent of his faculty adviser and the Registrar, a student may enroll in a program containing more than five courses. However, for each course in excess of five, a fee must be paid. Instructors may enroll students in their classes only after notice that registration has been completed. College credit will be allowed only for courses in which students are regularly enrolled.

Changes in electives ordinarily can be made only during the first four days of a term. Procedure for making changes is as follows:

- A. To drop a course: fill out a Change of Course Card, obtain the adviser's initials, and present the completed card to the Registrar.
- B. To add a course: fill out a Change of Course Card, obtain the adviser's and instructor's initials, and present the completed card to the Registrar.

Regular students may, with the permission of the instructors, audit courses for which they are not enrolled. No examinations or credit will be given to such auditors.

Undergraduates may not take courses in the Graduate division without special permission from the Director of the Graduate School and the Registrar.

The privilege of membership in the College body is extended to undergraduates after they have demonstrated by at least a semester's attendance at the College that they can meet the standards of Trinity men, both scholastically and in their personal conduct. Formal acceptance of new students who qualify for membership in the College is performed annually in February in the historic Matriculation Service.

At this service, each new member of the College takes the following Matriculation Oath: "I promise to observe the Statutes of Trinity College, to obey all its Rules and Regulations; to discharge faithfully all scholastic duties imposed upon me, and to maintain and defend all the rights, privileges, and immunities of the College, according to my station and degree in the same."

Payment of College Bills

Term bills are payable on or before Registration day of each term. Supplementary and miscellaneous bills are payable within 10 days. A Deferred Payment Charge of \$5.00 will be added to all bills which are not paid when due. Non-payment of bills is cause for suspension from college.

Motor Vehicles and Parking

Attendance

I. Unexcused Absences

All students are expected to attend regularly and promptly all their College appointments and exercises. While the College recognizes some absences may, on occasion, be necessary, these should be held to a minimum.

In order to provide for exceptional personal circumstances and emergencies, and to place the responsibility of his learning squarely on the student, the following regulations apply:

The Freshmen are permitted up to three unexcused absences from classes in each course during the Christmas Term. Those who have completed five courses during the first semester will be classified for the privilege of unexcused absence from class the second semester as follows:

Average grade of 85 or more: Dean's List; unlimited number of cuts.

Average grade of 78 to 84 inclusive: five cuts per course.

Average grade from 70 to 77 inclusive: four cuts per course.

Average grade below 70, except men on probation: three cuts per course.

Academic probation: no unexcused class cuts.

Freshmen who complete less than five courses are automatically put in one or the other of the last two categories above.

Freshmen who overcut will be placed on academic probation for the following semester.

No unexcused absences may be taken on the day of an announced test or examination. Unexcused absences on the two days immediately preceding and the two days immediately following recesses and holidays are counted double. Tardiness or early egress may be reported by instructors as one-quarter, one-half, or a full absence.

Upperclassmen are held to no limited number of absences, but are responsible for all the work required in course including reading, papers, reports, tests, and examinations.

All students are required to attend all meetings of seminars, laboratories, tests, and examinations.

Transfer students in their first semester are permitted three unexcused class cuts per course. After their first semester they are subject to rules governing the upperclassmen.

On the recommendation of the instructor, any student may be required to drop, with failing grade, a course from which he has absented himself excessively, and faculty members may consider excessive absences in computing grades.

The absence privileges detailed above do not apply to attendance requirements for Chapel and Physical Education.

II. Excused Absences

In general, no excuse from academic appointments will be granted except for illness or for other extraordinary reasons.

Applications for excuses, other than medical excuses, should be made to the Dean of Students in *advance of the absence*, since no absence may be excused unless notice is given at the beginning and end of absence.

Excuses for illness may be granted by the Medical Director. Resident students should report to the Medical Office between 8:30 and 10 a.m. or 1 and 2 p.m. for consultation with the Medical Director. Non-Resident students must notify the Medical Office of absence caused by illness at the beginning of the absence. This should be done by telephone (JA 7-1065) before 9 a.m. On the day of return and before attending class, a written notice of return must be left at the Medical Office on a blank form provided for this purpose. Within two weeks, a statement from physician or parent concerning the nature and duration of the illness must be presented. No excuse for illness may be granted for a period of less than one day.

Instructors may require any work omitted because of excused or unexcused absences to be made up. Absences incurred by non-payment of college bills are counted as unexcused absences unless excused by the Dean of Students.

III. Attendance at Chapel

Each student is required in each college term to attend a total of nine Sabbath services either at the College Chapel or at a church or synagogue of his own choice.

In order to foster regular religious habits, attendance will be credited for only one service on a given Sabbath.

Students who attend Trinity Chapel will fill out attendance statements at the close of the service and return them to the monitors.

Students who attend off-campus Sabbath services and desire credit must, within six days of that attendance, complete the proper form and submit it to the monitors.

Students who fail to acquire the nine credits before the last Monday of classes in a given term will be placed on Chapel Probation for the following term. The penalty for a second successive Chapel Probation is automatic suspension from College for one term. Students on probation will be required to make up any deficiency during the next term they are in attendance. Non-resident students are subject to the same requirements as resident students.

Students deficient in credit for the Chapel Requirement at the end of their senior year are not eligible for a degree. No student is entitled to honorable dismissal if, at the time of dismissal, he is deficient in meeting the Chapel Requirement.

IV. Attendance at Physical Education

A student must satisfy all the requirements in Physical Education before he can be recommended for his degree.

All students carrying a full academic schedule must fulfill the following requirements:

Eight quarters credit (two years) taken consecutively. In any quarter, three unexcused absences are allowed. In addition, three medical excuses are allowed. In no case where the total number of medical excuses and cuts exceed six, or where more than three unexcused absences are taken, will credit be given.

Students overcutting a quarter of Physical Education shall be placed on "Warning." Eligibility for a second successive warning involves automatic suspension from college. Students who are liable for a third warning whether in successive quarters or not shall be suspended from college. Suspension in all cases shall be for a period of one semester.

Promotion in Class

For promotion in class, students must satisfactorily complete three courses to become a sophomore, eight to become a junior, 13 to become a senior and at least 20 to be graduated. Every student must attain a grade of at least 70 in five full-courses or the equivalent in half-courses before being admitted to his third year.

The official estimate of the work of each student in each course of study is indicated on the basis of 100. Grades below 60 denote failure.

Penalties for Academic Deficiency

PROBATION — Any student whose work completed at the end of a term is less than four courses with seventy or better in at least two of these courses will be placed on probation for the following term. Any student, for neglect of work, may be placed on probation at any time. When an unmarried minor student is placed on probation, notice of this action will be sent to his parent or guardian.

A student on probation is not eligible to manage any college organization, or to take part in any public musical or dramatic performance, or in any public athletic contest, except as follows:

- (1) Freshmen. Upon the recommendation of the Freshman Advisory Council, Freshmen placed on Probation at midyears may participate in one extracurricular activity for a period of six weeks at which time their academic record will be reviewed. If passing in a minimum of four courses the privilege of participating will be continued for the balance of the semester.
- (2) Upperclassmen on probation for the first time may take part in one extracurricular activity provided written permission is received by the Dean of Students from the student's parent or guardian.

Students on probation may participate in intramural sports.

Students on probation may not elect more than 5 courses a term.

Students may be removed from probation only at the end of a term.

REQUIRED WITHDRAWAL — Students who are liable to probation for the third time will be required to withdraw from College, without the privilege of return.

Students are usually required to withdraw (apart from the third probation rule) only when they have been on probation the preceding term. Students required to withdraw as a consequence of two successive probations may apply for re-admission after a year has passed. Individual applications are considered on their merits by the Committee on Administration and re-admission is not automatic.

Students who fail to secure a minimum of grades of 70 or better in five full courses or the equivalent in half courses by the end of the second year will not be admitted to the third year.

The Dean of the College, the Dean of Students, or the Registrar will summon any student who, at any final marking period passes a total of less than nine semester hours to determine the reasons for such failure and to make recommendation to the Committee on Administration. Required withdrawal may be recommended.

Scholarships

Scholarships are granted on the basis of financial need, the grade of academic work, character, influence over fellow students, and for upperclassmen, participation in extracurricular activities.

Students who are in college must have a passing mark in 5 courses for the term immediately preceding their application, with the following average: Freshmen, 70; Sophomores, 75; Juniors at midyears, 75; at finals, 80; Seniors, 80.

(The pamphlet, Financial Aid, which explains in detail the financial aid program, may be obtained at the Admissions Office.)

ATHLETICS

Athletic activities at Trinity College are divided into three classifications: Intercollegiate athletics, intramural athletics, and required physical education. All three

divisions are under the supervision of the Physical Education Department.

Intercollegiate Athletics: Schedules are arranged for varsity and freshman teams in the following sports: football and soccer in the fall; basketball, swimming, and squash racquets in the winter; and baseball, track, golf and tennis in the spring. In addition, an informal intercollegiate schedule is arranged in dinghy racing, lacrosse and fencing. The governing body for intercollegiate athletics is the athletic advisory council composed of three undergraduates elected by the students, three alumni, and three members of the faculty.

All students become members of the Trinity College Athletic Association when they pay their regular tuition at the College office. This entitles them to admission to all home athletic contests and permits them to try out for all athletics teams,

provided they are academically eligible.

All students who are successfully carrying a full academic schedule are eligible to participate on intercollegiate varsity or freshman teams representing the College. Trinity maintains a full-year freshman rule, and a three-year varsity rule in keeping with the practice in vogue in most of the colleges in our group. Trinity is a member of the National Collegiate Athletic Association and the Eastern College Athletic Conference.

A system of student managerships for the various varsity and freshman teams makes it possible for students to gain valuable organizing and business experience. Application for managerships should be made to the Director of Physical Education or

to the coach of the sport involved.

Intramural Athletics: The aim of the intramural program is to provide athletic competition for as large a group as possible and is particularly for students not participating on freshman or varsity teams. The sports on the intramural program are basketball, swimming, touch football, volleyball, wrestling, table tennis, golf, squash racquets, track, tennis, and softball. A point system of scoring has been devised to determine the winner in all intramural competitions for the year and the Alumni Trophy is awarded to the team earning the greatest number of points. All fraternities, social groups, and the freshmen have intramural teams. The Intramural Board, consisting of a representative from each team, is responsible for arranging intramural contests and regulating the rules of the sporting events.

Physical Education: This is a required course for all freshmen and sophomores, reporting three times per week throughout the college year. Transfers in the freshman and sophomore year will meet this two-year requirement. Transfers in the junior year will be required to take one year of physical education at Trinity. A prescribed

physical education uniform is required.

The physical education program at Trinity is designed to secure and maintain a condition of good health and physical fitness to develop recreational skill which can be enjoyed while in college and leisure time after college, to establish habits of regular participation, and to develop favorable attitudes toward wholesome play.

Each school year is divided into four physical education quarters of approximately seven weeks in duration. To meet the graduation requirements, a student must pass to the satisfaction of the department eight of the courses listed below, of which gymnastics and a swimming course must be included:

OUTDOOR ACTIVITIES

Touch Football Soccer Softball Tennis (beginners) Tennis (advanced) Golf (beginners) Golf (advanced)

INDOOR ACTIVITIES

Gymnastics

Members of winter intercollegiate teams (basketball, swimming, squash, and fencing), during both the freshman and sophomore years, are excused for gymnastics and swimming, providing they can pass the minimum swimming test. Students showing Life Saving cards will be excused from all swimming requirements. Those students unable to pass the minimum swimming test (50 yards free style and 25 yards on the back) will be placed in a beginners' swimming class held during the first and fourth physical educational quarters, until this requirement is fulfilled.

One credit for physical education attendance is given to members of varsity and freshman intercollegiate teams for each physical education quarter the sport is in season. Only freshman and sophomore year participation in athletics may be credited toward the physical education requirement. Any student dropping or cut from a varsity sport before his physical education requirement is completed must be im-

mediately scheduled into a physical education class.

THE SPORTSMAN'S CODE

Sport is winning, if win you can
And keep to the Sportsman's Code.
Sport is beating the other man,
But giving him half the road;

Being content with an even break;
Scorning the trickster's art.
Sport is the game for the game's own sake,
And the love of a fighting heart.
