This coloring book was produced as part of #ColorOurCollections, a national movement started by the New York Academy of Medicine to offer coloring book pages inspired by library collections.

The pages have been created by adapting images from Trinity College library's online digital collections. These materials originated in the library, Watkinson special collections, and Trinity College archives. They include campus archival photographs, architectural drawings, and images possibly drawn by Trinity alumni for the *Trinity Ivy*, *Tatler*, *Reporter*, and *Review*.

Also featured are original works by students who submitted to the "Color Our Collections 2023" Design Contest:

Reese San Diego '25
Tiana Sharpe '23
Charlie Taing '25
Saisha Uttamchandani '26, First Prize
