WHAT IS TCGC?

The Trinity College Girls Club was organized for the purpose of uniting Trinity women office staff members in the promotion of comradery, fun and learning experiences.

Since the Club was founded in 1971, its members have participated in a variety of activities, including several fund raising projects, which resulted in contributions to the Hartford Community as well as the College.

WHEN DOES THE CLUB MEET?

Usually the third Tuesday of each month, except during the months of June, July, August, and December.

After each business meeting, normally an interesting program is presented.

HOW MAY I JOIN THE CLUB?

Just come to a meeting or call any member of the Membership Committee.

Club dues are \$5.00 per. year
\$2.50 for 1/2 year after Feb. 1st.
