Preface

The Trinity College **Handbook** is designed for use both as a general introduction to campus activity for the class of 1954 during its first few weeks at Trinity and as a permanent source of reference to the entire student body.

We have attempted to acquaint the Freshmen with the high points of the Hartford community, and towards this end the inserted map of the city should serve as a convenient guide around town.

In our selection of advertising, we have attempted to incorporate a representative cross section of Hartford business. With this in view we hope that our advertising section will supplement the guide value of this booklet.

THE EDITORS.

For the Class of 1954, An Opportunity

Education, like Caesar's Gaul, may be divided into three parts — intellectual, social, and spiritual. Only a man learned in all three dimensions may achieve the ultimate rewards of self-satisfaction, good will with his fellow men, and peace with the unknown.

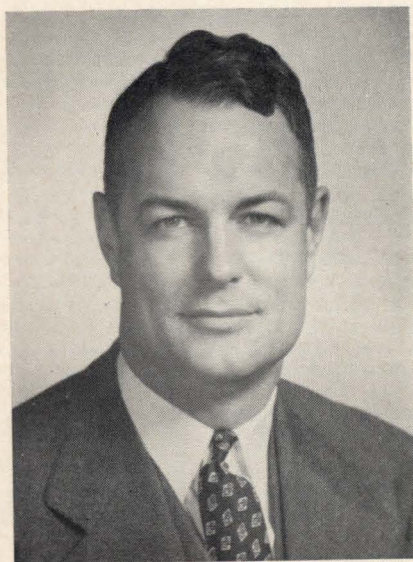

Trinity is peculiarly well equipped to offer opportunity for development of this "complete man." In Trinity's outstanding faculty of scholarly teachers, in its fraternal system of daily life, in its traditions of a gracious college community, and in its pervading atmosphere of tolerant Christianity are the elements which can mould an integrated personality.

Although the college has increased its pre-war size, that growth has not changed the spirit, tradition, or opportunities of Trinity. The Class of 1954 will find few discomforts caused by increased numbers, for Trinity has expanded, not diluted.

You have, then, the same opportunity that started Trinity men of the past toward leadership in the Nation's business, industry, government, and humane service. As you seek the three R's of education, "reason, resourcefulness, and reliability," remember that in formal education, scholarship comes first. But a successful man must also round out his complete character by personality development on the playing field, in the fraternity house, in student activities, in the concert and lecture hall, and in the church.

Welcome to Trinity. Welcome to Opportunity. Make the most of it!

G. KEITH FUNSTON,
President.

Message from the Dean

There is always an obvious need for a convenient and serviceable recapitulation of the rules and traditions of the College. A compendium such as this **Handbook** must try to be all things to all men, and it is unreasonable to expect that it will anticipate every question which may occur to the minds of new students or of returning students. I know something of the time and thought devoted to this compilation by its editors, and I am glad to express the appreciation of the College.

You are planning to spend four very important years of your life on this Hilltop campus. During that time you will become an integral part of one or more of the organizations described in this booklet and, eventually, the Class of 1954 will have to take over the responsibility for supervising our activities and upholding our traditions. Even now you are Trinity men. Learn more about your College by using this **Handbook** and realize that we want you to feel as much at home here in September of 1950 as in the years to come.

Good luck to all of you!

ARTHUR H. HUGHES,

Dean

To the Class of 1954

You have all asked yourselves at one time or another: Why do I want to go to college? The answers have usually brought out the fact that college training can prepare you for work in the field in which you are most interested: medicine, law, engineering, business administration, education or the ministry.

While it is true that a college will prepare you for these vocations, it has a far greater purpose: to prepare you for leadership and its obligations. The great question today is whether we can establish lasting peace or whether we must from now on live in constant fear of annihilation. The answer to this question depends in part on you and how you make use of what you learn here at Trinity. You will come, I know, to consider your years at college as a dedication of yourself to the service of your fellow-man, regardless of his race, color, creed or nationality. This is the real purpose of a college education.

As a Trinity graduate, I know what wonderful years lie ahead of you. You will find adventure in your studies, enjoyment in your extra-curricular activities, and great happiness in new and enduring friendships. Enjoy all these things greatly!

We shall meet at various times during your Freshman year to discuss your work and your college program. But do not feel that you must wait for these regularly scheduled appointments. I shall be glad to see you at any time if you think that I can be of help to you.

A. E. HOLLAND,

Adviser to the Freshman Class.

A Short History of the College

Trinity College (called Washington College until 1845), was founded in 1823 upon the petition of "sundry inhabitants of the State of Connecticut, of the denomination of Christians called the Protestant Episcopal Church." Although Trinity College was founded by a church group, its charter was one of the first to state that the ordinances of the College "shall not make the religious tenets a condition of admission to any privilege in the said college." Thus Trinity was a leader in the fight for religious tolerance.

The first President of the College was the Rt. Rev. Thomas Church Brownell, Bishop of Connecticut. In the first year there were nine students.

Originally, the College buildings were located on the site now occupied by the State Capitol. The College was moved to its present location in 1878, when Jarvis Hall and Seabury Hall were completed.

During its 127 years, the College has had only twelve presidents. Famous among these is Bishop Williams who served as President, Vice-Chancellor and Chancellor from 1848 to 1899. The longest term as President was that of Dr. Remsen B. Ogilby who was head of the College from 1920 until his death in 1943. It is also interesting to note that President Funston is the second layman to be President of Trinity.

The College Buildings

If you start at the Chapel and walk west, toward Summit Street, the first building you pass is the Williams Memorial. This building contains the offices of the President, Dean and Treasurer. On the second floor are the Library Stacks and reading room, and under the Arch is the Property Manager's and Superintendent's office.

Turning left in front of the entrance to the Library, you have on your right the other buildings on the campus: first, the seven sections of Jarvis Hall (1878), then Northam Towers (1881), and finally the sections of Seabury Hall (1878). Jarvis Hall contains the following offices: Veterans' Counselor, Extension Division, Secretary of Admissions, Adviser to the Freshman Class, Director of Publications, Director of Public Relations, Director of Placement and Director of Alumni Relations. The remainder of Jarvis Hall and all of Northam Towers are given over to suites of rooms for students. Seabury Hall contains a number of classrooms, the Post Office, the Union Bookstore, the Infirmary, faculty offices, a lounge for day students, and the rooms of the Tau Alpha Colony.

Continuing down the walk, you will find at the south end of the Quadrangle the Hamlin Dining Hall, Cook Lounge, and in the basement, the cafeteria and soda fountain. Upstairs are the Cook-A Dormitories and the College Guest Room.

Adjoining this building and forming the south side of the Quadrangle are Cook-B and Cook-C Dormitories, Woodward Dormitory and Lounge, and Goodwin Dormitory. The Chemistry Building, considered one of the best-equipped in the country, adjoins Goodwin and includes the College Auditorium.

Passing through the Bancroft Arch which separates Goodwin Dormitory from the Chemistry Building, you will find in front of you Boardman Hall which contains the Museum of Natural History and the laboratories and classrooms of the Departments of Biology, Geology, Mathematics, Drawing and Psychology. To the right is Elton Hall, the new dormitory, built during the 125th Anniversary Development Program of the College.

To your left is Jarvis Laboratory in which are the classrooms and laboratories of the Physics Department.

Behind Jarvis Laboratory is the Hallden Engineering Laboratory, the gift of Karl W. Hallden of the Class of 1909.

Still farther to your left are the tennis courts and, in the southeast corner of the campus, Trowbridge Memorial. Trowbridge houses the swimming pool and the six championship squash courts. Adjoining the eastern end of Trowbridge is the new Field House which provides facilities for many indoor sports.

Coming back through the Bancroft Arch across the campus towards the Chapel, you will find on your right the Mall; the statue of Bishop Brownell, the Founder of Trinity; and the athletic fields.

The Chapel is one of the finest examples of Gothic architecture in the United States. The rose window, the stained glass window over

the altar, the carvings, the Chapel of Perfect Friendship, and the Crypt Chapel are all worth careful study.

Beyond the Chapel towards Vernon Street is Alumni Hall, which contains the gymnasium for intramural sports and the Air ROTC offices.

At the corner of Vernon and Summit Streets is Ogilby Hall, a dormitory and dining hall. On Vernon Street are the homes of President Funston, Dean Hughes and various members of the Faculty. The fraternity houses, with one exception, are also located on Vernon Street.

Hartford

Capital and largest city of Connecticut, county seat and center of a chartered metropolitan district, Hartford is situated midway between New York and Boston via highway, rail or air. It is at the head of navigation on the Connecticut River, against which it is protected by dikes.

Started as a Dutch trading post in 1623, Hartford was founded in 1836 by Thomas Hooker and his followers from Massachusetts. The Fundamental Orders adopted by the Hartford Colony in 1639, the first instrument of its kind in modern history, was the model for the federal Constitution. The city was incorporated in 1784. Its present form of government, starting January 1, 1948, is council-manager.

In the evolution from an agricultural to the industrial economy, Hartford was the scene of the early experiments in interchangeability of parts that laid the foundations of modern American industry, and ultimately made the community a recognized center for precision manufacturing.

Concerning transportation, Hartford has 19 trains daily to New York, with minimum running time of just over two hours, and 8 trains to Boston.

American Airlines, using Bradley Field, has 6 flights south daily to New York and 5 flights east to Boston, while United Airlines has 3 daily flights in both directions between Hartford and Cleveland. Eastern Airlines, also using Bradley Field, offers 2 flights each north and south daily.

There is bus service to all nearby cities from Union Terminal at the railroad station.

Hartford has five broadcasting stations and two daily newspapers. Telephone service is supplied by the Southern New England Telephone Company. Western Union maintains three offices in the city proper with additional direct wire operated stations in nearby towns.

The city has 27 parks, aggregating 2,700 acres. Widely known is Elizabeth Park's Rose Garden. The city maintains two municipal golf courses of 27 and 18 holes respectively. There are six golf courses (private and commercial) in Metropolitan Hartford and three others close by.

Points of cultural or historic significance are State Library and Supreme Court Building, containing the Charter granted by Charles II, and collections of historic documents; State Capitol, Morgan Memorial, with art treasures, gift of J. Pierpont Morgan; Wadsworth Atheneum, housing the Hartford Public Library, Watkinson Library (soon to be merged with the Williams Memorial Library at Trinity) and Connecticut Historical Society, with early Connecticut records; Avery Memorial, containing paintings and a "Little Theater"; Old State House, designed by Charles Bulfinch and completed in 1796; homes of Mark Twain, Charles Dudley Warner and Harriet Beecher Stowe, author of "Uncle Tom's Cabin."

GENERAL INFORMATION

The Placement Bureau

The office of Mr. Butler, Director of the Placement Bureau, is in Jarvis 2. The Director holds periodic interviews with the student throughout his college career to encourage him in thinking about possible choices of careers after graduation. A "Career Counseling" program is sponsored by this office. This program consists of a series of meetings for seniors and all undergraduates, with speakers from such fields as industry, insurance, advertising, merchandising, State Department, etc. The purpose of these meetings is to provide the students with information as to necessary qualifications, what may be expected in their chosen careers, and, at the same time, eliminate misinformation. These meetings are small and informal so as to provide a maximum of discussion. The Placement Bureau is in contact with many firms throughout the country and arranges recruiting visits by these companies to the campus.

Students interested in part-time or summer employment may register in the Placement Office. A number of part-time jobs are available on the campus, such as dining hall waiters, messengers, clerical office workers, and reference workers in the library, but naturally, upperclassmen have priority on these jobs. Some part-time jobs are available in the City of Hartford, and the Placement Office serves as a liaison agent between students and employers. However, it is believed that the average Freshman should not expect to take upon himself much in the way of employment, so as to maintain his studies satisfactorily.

Advisers

The Adviser to the Freshman Class is Mr. Holland. His offices are in Jarvis 19. He supervises the eleven-member faculty Freshman Advisory Council who act as advisers for the Class. Freshmen meet with their advisers in September to go over their course of study, and during the year at regular intervals.

Upperclassmen are assigned to special Faculty advisers, usually to those who teach in the field in which the student is majoring. Dean Clarke is the general adviser to upperclassmen. The names of advisers are posted on the bulletin board on the North Archway.

Veterans' Counselor

Mr. Candelet is the Veterans' Counselor, and all inquiries regarding the Veterans' administration and other veterans' problems should be handled through his office in Jarvis 1.

Matriculation

All students who have completed successfully their Christmas Term are made members of the College at a matriculation service at the beginning of the Trinity Term. Non-matriculated students may be permitted to matriculate at any time by vote of the faculty.

At the Matriculation service each student promises: "to observe the Statutes of TRINITY COLLEGE; to obey all its Rules and Regulations; to discharge faithfully all scholastic duties imposed upon me; and to maintain and

defend all the rights, privileges, and immunities of the College, according to my station and degree in the same."

Each matriculated student signs his name in the College Register in the Library.

The College Regulations Book

Upon registration, each new student is given a book of Trinity College Regulations. The Regulations contained therein pertain to Enrollment, Attendance, Conduct of Students, Penalties, Grading, Degrees and Standing. It is expected that all members of the college community will abide by these Regulations.

The Union Bookstore

The Union Bookstore, operated by the College, is across the hall from the Post Office in the basement of Middle Seabury. It is open five days a week from 9:00 a. m. to 5:00 p. m. and Saturday morning from 9:00 a. m. to 12 noon. The Bookstore carries texts for all courses. In addition, toiletries, stationery and classroom supplies, candy, smokers' supplies, and sporting goods are carried. For the convenience of the undergraduate, the bookstore will cash checks.

The Post Office

The Post Office is located in the basement of Middle Seabury. Students have access to their mailboxes at all times, but the office is open for sale of stamps, postal information, etc., only between 9:00 A. M. and 4:30 P. M.

(12 noon Saturday). It is a fully equipped postal substation and can take care of registered mail, parcel post, money orders, etc.

There are two incoming mails (8:30 A. M. and 2:30 P. M.), and there are four outgoing mails (12 noon, 1:30 P. M., 5:00 P. M., and 7:00 P. M.). Outgoing mail deposited in the box outside the Post Office will be picked up three times daily (1:30 P. M., 5:00 P. M., and 7:00 P. M.).

The Library

The Library is in Williams Memorial, erected in 1914 in memory of a famous nineteenth century Trinity President, Bishop John Williams, with funds presented by the late J. P. Morgan.

The Library is open daily during term time Monday through Friday from 8:15 A. M. to 10 P. M. On Saturday it is open from 8:15 A. M. to 5 P. M., and on Sunday from 2 to 10 P. M.

Bulletins

Official notices are posted on the Bulletin Board to the right of Middle Jarvis. General notices are posted on the Bulletin Board to the left of the entrance of Middle Jarvis, the Bulletin Board in the north archway and at Cook dormitory archway.

UNDERGRADUATE ORGANIZATIONS

PUBLICATIONS

The Tripod

The **Tripod** is the college newspaper and is published weekly throughout the academic year. The subscription fee of \$3.00 is included with tuition costs.

Any student is eligible to compete for positions on either the editorial or business staffs. Former newspaper experience is desirable but not necessary, and freshmen, especially, are encouraged to try out. The present Editor-in-Chief is John W. Coote, '51. John McGaw, '51, is Business Manager. Either of these men may be seen concerning staff positions.

The Review

The **Review** is the campus literary publication appearing three times a year. Nomination by the Editor-in-Chief, election by the board, and at least two contributions published in the **Review** are requirements for membership on the editorial board. Manuscripts are welcomed from all undergraduates. A subscription is included in the tuition.

The present Editor-in-Chief is Jacque Hopkins, '52; the Executive Editor, Ogden Plumb, '52; and the Business Manager, Robert Krogman, '52, any of whom may be seen concerning contributions.

The Ivy

MUSICAL ACTIVITIES

Glee Club

Trials for the Trinity Glee Club are held immediately after the beginning of the college year. Any member of the student body may try out, and the selected group of approximately forty men which forms the club gives concerts in Hartford and in neighboring cities. In the past, the Glee Club has held joint concerts with the Glee Clubs of Connecticut College, Mount Holyoke, and Pembroke. Professor J. Lawrence Coulter is the faculty director of the Club and John Petrinovic, '51, president for 1950-51.

Chapel Choir

Membership in the Chapel Choir is open to all undergraduates who successfully complete the voice trials and competitions held in September.

The functions of the Choir include the leading of congregational singing, and the development of music for liturgical use. The choir sings on Sunday at the services of Morning Prayer and Evening Vespers. Two rehearsals a week are required. Payment is based upon length of service. Professor Watters is director.

Intramural Sing

This contest is held yearly each spring between the various social organizations. It was started by Robert S. Morris, '16, in 1939, to promote group singing on campus. Thus far there have been six contests. Three wins claim the cup donated by Mr. Morris and Alpha Chi Rho retired the cup in 1948 and won the second competition on a new cup last May.

The Bishop's Men

The **Bishop's Men** are eight selected voices who, during the past academic year, have organized themselves into another campus octet. Their popularity and success was quickly and firmly established by radio broadcasts, appearances with the Glee Club, and engagements during the prom weekends. The **Bishop's Men** look forward to a continued presentation of college songs, Negro spirituals, humorous numbers and modern harmony. The octet is directed and managed by members of the group and will seek replacements among experienced and enthusiastic upperclassmen. The present student director of the **Bishop's Men** is Arthur O'Hanlon, '51.

The Pipes

The **Pipes of Trinity**, the older of the two campus octets, was first organized as a quartet in 1938 by four Trinity students. The group was enlarged into its present octet form in 1941. Although a relatively young organization, the **Pipes** have established for themselves an enviable reputation not only among their followers at Trinity, but with lovers of fine singing throughout New England.

The **Pipes** draw their members from the entire student body, and the present members of the group were selected through competitive voice trials. Richard Garrison, '51, is the **Pipes'** director.

College Band

The College Band, organized as a student activity in 1947, appears at all major home athletic events and at many games away from home. A basic library of marches and a program of college songs comprise its repertoire. Several instruments have already been purchased by the college for the use of the band.

Membership in the Band is open to all students who play musical instruments. Prospective Band members are asked to contact Ray Lang, '51, Drum Major, or Mr. J. Lawrence Coulter, faculty director of the group.

RELIGIOUS CLUBS

The Canterbury Club

The Canterbury Club is an active, chartered organization of students who are members of the Episcopal Church and affiliated branches of the Anglican Communion. The Club is committed to a definite program of worship, study, service, prayer, giving, and evangelism, through which it is hoped the spiritual life of the members will be increased and developed.

Robert Richmond, '51, is the Club's Senior Warden.

The Protestant Fellowship

Founded in the fall of 1947, the Fellowship is open to everyone. The activities have centered around religious and ethical lectures to

the Fellowship by representatives of various Protestant Churches. Henry Kipp, '53, is president of the organization.

Newman Club

The Newman Club is an organization that fosters the religious and intellectual interests of the Roman Catholic students of Trinity. Father Robert A. Callahan of St. Thomas Seminary, Bloomfield is the chaplain and advisor of the club. The Newman Club's activities include a lecture series, two communion breakfasts and dances at St. Joseph's College. The president of the club for 1950-1951 is John Klinger, '51.

The Hillel Foundation

The Hillel Foundation, for Jewish students, carries on a program designed to include the religious, cultural, and social aspects of college life. Guest speakers, debates, and dances are included in the year's program. Hillel is sponsored by the B'nai B'rith of Hartford, with Rabbi Paul Siegel of Rockville its adviser. Morton Rosenberg, '51, is the Foundation's president.

HONOR SOCIETIES

Honor Fraternities

There are three Honor Fraternities at Trinity: Phi Beta Kappa, Pi Gamma Mu, and Sigma Pi Sigma.

The Trinity Chapter of Phi Beta Kappa, known as the Beta of Connecticut, is the eighth oldest in the country. The Chapter stipulates that persons elected to membership shall be

men of honor, probity and learning. Election to Phi Beta Kappa is widely regarded as a mark of high distinction in scholarship.

The Trinity Chapter of Pi Gamma Mu, the national social science honor society, is known as Connecticut Alpha. Candidates must have at least 87% in Social Sciences with diversification. Faculty and students may be elected to membership.

Sigma Pi Sigma, a national physics honor society, was chartered at Trinity last May. The object of the Society is to serve as a means of awarding distinction to students having high scholarship and promise of achievement in physics.

The Sophomore Dining Club

Organized in 1897, the Sophomore Dining Club is an honor society, new members of which are elected from among the students of the Sophomore Class. The function of the Club is to act as host for the College, and its members are active throughout the year in entertaining official visitors to the campus.

Thomas DePatie, '52, is president of the Club.

Medusa

Medusa is the Senior Honorary Society at Trinity. To be tapped for Medusa is the greatest honor a Trinity undergraduate can attain.

The tapping ceremony takes place in the spring. All members of the Junior Class gather around the statue of Bishop Brownell, and the outgoing members tap those Juniors who have especially distinguished themselves during their first three years at college.

Medusa has the function of maintaining traditions at Trinity as well as discipline and order.

The present members are Michael Billingsley, Richard Garrison, Benjamin Jenkins, Fredrick Kirschner, Edward Ludorf, Donald Surgenor, and Edward Taylor.

STUDENT GOVERNMENT

The Senate

The Senate, which is the student governing body, has charge of all class and club funds, and supervises the student organizations. It is composed of one representative from each fraternity and one representative from each of the following: The Commons Club, the on-campus independent group, and the off-campus independent group.

The officers for 1950-51 are Fredrick Kirschner, president; Raymond Lang, secretary; Louis Maradie, treasurer.

The Inter-Dormitory Council

The Council, composed of one representative from each entry on the campus, one representative from Ogilby, and one from each floor of Elton Dormitory, works with the Senate in all matters concerning dormitory life including conduct and discipline. Elections for representatives are held at the beginning of the Trinity Term with the exception of 9 members who are held over from the previous year to form the nucleus of the new council.

Brian Dorman, '51, is the chairman.

Interfraternity Council

The purpose of this Council which is composed of one graduate and one undergraduate member of each fraternity is to promote amicable relationships among fraternities at Trinity, and to promote the standards expressed in the Fraternity Criteria promulgated by the National Interfraternity Conference.

Robert Bacon, '51, is the Council's president and Horace Vaile, '52, the secretary.

Section 3: At no time during the rushing period shall any fraternity member, including alumni members, carry on off-campus rushing. This shall be construed to include any off-campus entertainment from the time of a man's entrance into College until the end of his Rush Week. Section 5: Between 9 a.m. and 12 noon Sunday following the conclusion of the rushing period each prospective pledge shall have the opportunity to deposit in a box provided by the Interfraternity Council, and on the blank forms provided for that purpose, his choice of fraternities with which he desires to be affiliated. He may indicate first, second, and third choices. At 1 p. m. on that day statements of choice shall be examined by a Committee consisting of the heads of the active chapters and a Chairman appointed by the Interfraternity Council, and the results shall be reported to each Chapter for action.

Before 5 p. m. on that day the head of each active chapter shall report to the committee its acceptance of such men as may please it from the list of those making that fraternity their first choice. Of those not accepted, the Fraternity receiving the second choice may make selection. The same procedure shall be followed in case of a third choice.

Section 6: In the event of infraction of this agreement, whether by an active chapter or its alumni, the offending fraternity shall be liable for such penalties as the Interfraternity Council shall determine.

Article VII — Board

Fraternities must submit a list of their pledges to the College Treasurer's Office immediately following pledging in order to enable the men to receive reimbursement for board. Such reimbursement will be made effective as of the first Monday after receipt of this list.

Fraternities

Alpha Chi Chapter of Delta Kappa Epsilon, 98 Vernon Street. The Delta Kappa Epsilon Fraternity, whose name is better known as D. K. E., was organized at Yale University, 1844. There are now forty-seven active chapters. The Alpha Chi Chapter was chartered in 1879 at Trinity.

Alpha Chi Chapter of Theta Xi, 79 Vernon Street. In 1864 the first chapter of Theta Xi was formed at R. P. I. in Troy, New York. At present there are 44 active chapters. The Alpha Chi Chapter was organized in March, 1947, and was chartered in May of 1949.

Beta Beta Chapter of Psi Upsilon, 81 Vernon Street. The Psi Upsilon Fraternity was founded at Union College in 1833—one of the oldest college fraternities in the country. The Beta Beta Chapter was founded here in 1880, being organized from the local society known as Beta Beta.

Delta Chi Chapter of Sigma Nu, 78 Vernon Street. Sigma Nu was founded at Virginia Military Institute in 1869, and now has ninety-

eight chapters. The Delta Chi Chapter was chartered here in 1918. The first members included the membership of a local fraternity known as Sigma Psi, formed in 1911.

Epsilon Chapter of Delta Psi, 340 Summit Street. In 1847, two chapters of Delta Psi or St. Anthony Hall were founded simultaneously, one at Columbia College and the other at New York University. There are now nine active chapters. The Epsilon Chapter was established at Trinity on October 17, 1850, and is the oldest of all the resident fraternities.

Phi Kappa Chapter of Alpha Delta Phi, 122 Vernon Street. The Alpha Delta Phi Fraternity was founded at Hamilton College in 1832, and now consists of twenty-six active chapters in this country and Canada. The Phi Kappa Society at Trinity was the parent organization out of which the Phi Kappa Chapter was founded here in 1877.

Phi Psi Chapter of Alpha Chi Rho, 114 Vernon Street. In 1896 the Fraternity of Alpha Chi Rho was founded here at Trinity College in Northam 11 by the Rev. Paul Ziegler, '72, and four Trinity undergraduates. There are now eighteen chapters in the major colleges in this country.

Sigma Chapter of Delta Phi, 70 Vernon Street. Delta Phi, third in order of establishment of American college fraternities, was founded in 1827 at Union College. There are now sixteen chapters. A charter was granted to the Sigma Chapter in 1917, and the fraternity merged with the old local I. K. A. Society which was formed here in 1829. I. K. A. was the oldest local fraternity in the country.

Tau Alpha Fraternity was founded in March, 1949, by alumni groups from former Trinity

Chapters of Phi Gamma Delta and Alpha Tau Kappa. The fraternity is at present local to the Trinity campus, but has applied for admission to the national fraternity of Phi Gamma Delta. Recently Tau Alpha has taken an option on the property located at 94 Vernon Street, and has hopes of occupying its new house soon. For 1950-51 Tau Alpha will be located at 84 Vernon Street.

C. T. C.

The Trinity Commons Club is a local non-Greek letter fraternity, founded at Trinity in 1931. Membership is by invitation and in accordance with the rules of the Interfraternity Council. A full section in Jarvis (rooms 13-18) is given over to the Club by the College and one room is set aside for recreational purposes. Financial obligations of members are reduced by the fact that there is no off-campus house.

Brownell Club

The Brownell Club, founded at Trinity early in 1949, is a social organization whose object it is to provide athletic and social activities for on-campus and off-campus non-fraternity students.

By 1949-50, the club, having gained Senate representation as well as placing high in intramural activities, had firmly established itself in campus activities. The club's quarters are on the first floor of the Campus Cottage.

The Brownell Club meets each Wednesday evening with the first meeting each month being a business meeting. Robert Wilson, '51, is Brownell president for 1950.

Freshman Lounge

The new Freshman Lounge is located on the second floor of the Campus Cottage and is under the supervision of the Freshman Executive Committee.

OTHER CAMPUS ACTIVITIES

Radio Station WRTC

WRTC, the radio voice of Trinity College, broadcasts at 620 kilocycles on the standard radio band. The station is on the air eight hours a day, six days a week, providing the college and surrounding area with music, news, sports, and special features.

The station is entirely staffed and managed by student personnel from all college classes. Technical facilities comparable to many small commercial stations are maintained, and all programming and transmission follows standard broadcast procedure. Recently, WRTC became affiliated with the Pioneer Broadcasting System whereby programs are interchanged with five other New England college stations.

Men interested in announcing, engineering, advertising, publicity, poster printing, script writing, and radio dramatics are urged to see either Byard Bridge, '51, Station Manager, or James Stanley, '52, Chief Announcer, in WRTC's Cook-B studios.

The Jesters

The dramatic organization at Trinity, the Jesters, is one of the College's oldest and most active clubs and has maintained and fostered the Dramatic Arts at Trinity with a high degree of interest and ability. The group will present three plays this year, all to be held on

the campus in Alumni Hall where the group has constructed an area-type stage which provides a novel approach for both participant and spectator who is interested in dramatics. The Jesters welcome all who would like to participate in any phase of play production. H. Michael Billingsley, '51, is president of the Jesters and Mr. Nichols is the newly-appointed faculty adviser.

Political Science Club

The Political Science Club, organized for the purpose of stimulating political awareness and activity on the Trinity campus, has a program planned for the current academic year which will stress intra and inter-group discussion, the importing of outside speakers, and actual legislative practice. Its members form the nucleus of the Trinity delegation to the Annual Intercollegiate Student Legislative session at the state capitol. Last spring, the outgoing president, Richard Schultz, '50, presided over the "Mock Legislature" at which all of Connecticut's colleges were represented. Joseph Kane, '51, is the club's president.

Atheneum Society

The Atheneum Society, one of the oldest organizations at Trinity, debates current economic and political questions in intercollegiate circles. At the present time the schedule includes debates with Amherst, Harvard, Wesleyan, Worcester Tech, and the University of Connecticut. Membership in this society is open to students of all classes who are interested in speech work. Prospective members should see the president, John Wynne, '52.

Varsity "T" Club

This organization is composed of all men who have earned their letters in Varsity athletics. The club promotes good sportsmanship on campus, helps in the intramural activities, sponsors social activities such as all-college smokers, and cooperates with the Athletic department in many ways. This year's president is Edward Ludorf, '51.

Outing Club

The Trinity Outing Club offers the undergraduates a chance to "get away from it all," put on a pair of dungarees and hike, ski, rock climb, canoe, and square dance with students here at Trinity and with outing club members from Smith, Amherst, Wellesley, and Mount Holyoke. The TOC is affiliated with the IOCA (Intercollegiate Outing Club Association) which unites some 60 eastern college outing clubs through a newsletter, a spring conference, and College Week, a week of camping and hiking held in September in the Adirondacks. The president of the TOC is John E. Taylor, '52.

Trinity Corinthian Yacht Club

Since 1938 the Trinity Corinthian Yacht Club has provided an excellent opportunity for sailing enthusiasts to compete with other colleges and universities in both fall and spring dinghy racing.

The club now has two "Tempest" class dinghies and facilities for yacht racing at Wethersfield Cove on the Connecticut River about a mile and a half from campus. As a member

of the Intercollegiate Yacht Racing Association, the club has been able to realize a broad scope of sailing competition.

Frederick Jackson, '51, is Commodore and Joseph Clarke, Honorary Rear-Commodore.

Engineering Club

The Trinity Engineering Club is organized to give the students majoring in engineering an opportunity to become better acquainted, to foster a spirit of fellowship, to bring to their attention current topics of interest, and to promote interest in the field of engineering. This is accomplished by the sponsoring of a series of lectures, by the showing of motion pictures, and by the organizing of field trips to neighboring industrial plants. Students majoring in engineering are automatically made members of the club. However, membership is open to all interested students on campus. The faculty adviser of the organization is Professor Pederson and Richard Osborne, '51, is president.

Chemistry Club

The Trinity College Chemistry Club was founded in the fall of 1949 and has featured a program including analysis of student papers, field trips to industrial plants, and visiting speakers. To interested undergraduates, the Chemistry Club also offers the opportunity to participate in a few of the national collegiate chemistry conferences. Trinity was represented at such an intercollegiate panel at Barnard College last spring. John Weikel, '51, is the club's president.

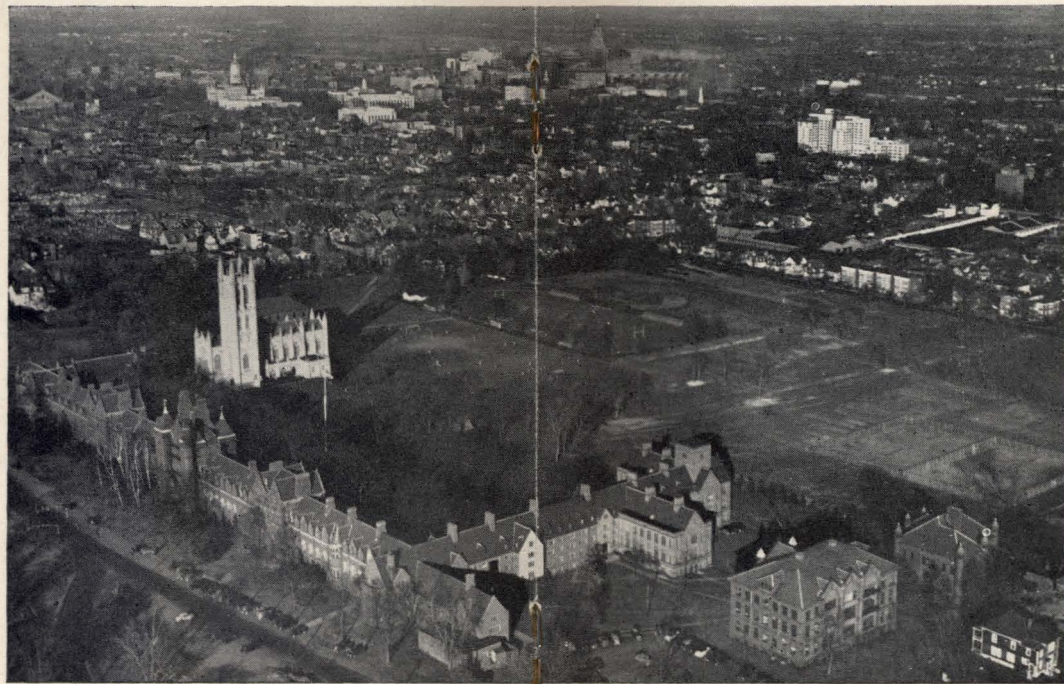

Alpha Phi Omega

Alpha Phi Omega is a national service fraternity, composed of college and university men who are or have previously been affiliated with the Boy Scouts. Students of all classes are eligible on a basis of desire to render service to the college and community in accordance with the function of the group. The Trinity Colony was founded in the spring of 1950 and is now actively engaged in campus service projects. Candidates for membership are asked to contact Peter MacLean, '52, president.

Cheerleaders' Association

The Trinity Cheerleaders, reactivated since the war, have expanded from a team of two men into a squad of twelve. This group, under the supervision of Dean Clarke, leads college cheering at football and basketball contests and are in charge of, and lead all pep rallies.

Cheerleaders are chosen from the undergraduate body on a competitive basis by those cheerleaders who have completed at least one year of active membership. Students wishing to join Cheerleaders should see either Finley Schaefer, '52, captain, or Tony Stever, '52, manager.

AIR VIEW OF TRINITY COLLEGE

Nearby Women's Colleges

Weekends find many Trinity students passing pleasant hours at the various girls' colleges throughout New England. Perhaps the most popular among the students during the past few years have been Connecticut College, Mount Holyoke, Smith, Vassar, Wellesley, and Wheaton. It is thought that the following information will prove valuable to the neophyte weekender.

Connecticut College for Women. 45 miles from Hartford, Connecticut College is best reached in a car by taking Route No. 2 to Colchester, and Route No. 85 from Colchester to New London where the College is situated. Buses travel regularly to New London from the Bus Terminal at the Hartford Railroad Station. A number of hotels and boarding houses are available in New London for those who wish to remain overnight. Excellent recreational facilities are available in the vicinity.

Upperclassmen at the College may stay out until midnight on weekday nights and until 1:30 on Saturdays. Freshmen must be in by 10:00 P. M. every night before Thanksgiving. After Thanksgiving, midnight is the deadline.

Mount Holyoke College is in South Hadley, Massachusetts, about 47 miles from Hartford. The best way to get there by car is to take Route No. 5 by way of Springfield. Trains leave regularly from Hartford for Springfield, and there are good connections in Springfield for Holyoke. Buses and taxis are available at Holyoke for the ride into South Hadley. South Hadley offers a number of overnight accommo-

dations. Amherst is close enough to offer sleeping accommodations and Fraternity parties.

At Mount Holyoke College the girls are required to be in their rooms by 11:00 on weekdays and by 1:00 on Saturday nights. Church attendance on Sundays is required, but seven cuts are allowed per term.

Smith College is located in Northampton, Massachusetts, 58 miles from Hartford. If driving, Route No. 5 is again the best bet—going directly to Northampton by way of Springfield. If you are going by train, take one from Hartford to Springfield and there change for a Northampton local. Rooms are available at the many boarding houses near the Smith campus, or at Northampton's two hotels. Reservations should be made in advance, however. There are many places in the vicinity for Saturday night dancing.

Smith girls must be in on weekday nights by 10:15, on Friday nights by 12 o'clock, and on Saturdays by 1:00 A. M.

Vassar College is in Poughkeepsie, N. Y., about 85 miles from Hartford. It may be said that every mode of travel between Hartford and Poughkeepsie is unsatisfactory, but perhaps the least unsatisfactory is to take the bus from the Terminal at the Hartford Railroad Station. If you are driving, follow Route No. 44 to Collinsville, then pick up Route No. 4 to Sharon. At Sharon, Route No. 44 will be resumed to Poughkeepsie. Poughkeepsie is a large enough town and has all the necessary accommodations.

Vassar girls must be in at midnight on Saturday nights and 10:00 on weekday nights. Juniors and seniors may be absent from the College at their own discretion.

Wellesley College, situated in Wellesley, Mass., is about 90 miles from Hartford. Although automobile is the best means of transportation to Wellesley, train or Greyhound bus from the Hartford Terminal will also get you there in a roundabout way. The best automobile route is State Route 15 to a point just past Sturbridge, Mass., at which point you enter U. S. Highway 20, remaining on that road until it intersects State Highway 9. Take Route No. 9 to an intersection with Route No. 27. Follow this to Natick and then turn left on Route No. 135 which leads directly to Wellesley. The Wellesley Inn is the only hotel in Wellesley, but there are a number of boarding houses. It should also be noted that Boston is only about 15 miles from town, and that buses between Boston and Wellesley run regularly.

Despite the 10:00 P. M. curfew at Wellesley, Juniors and Seniors are allowed unlimited 1 o'clock permissions while Sophomores can have two 1 o'clocks a week. Freshmen are allowed only one "late date" a week.

Wheaton College is a popular weekend point of interest for Trinity students despite its out of the way location in Norton, Mass., over 85 miles from Hartford. Unless you are prepared to hitchhike or taxi over the indirect 15 mile route from Providence to Norton, your best transportation bet would be to drive to Wheaton. The most direct route, although perhaps not the shortest, is to take Highway No. 6 from Hartford to Providence. At the intersection of Highways 6 and 1 in Providence, take No. 1 out of Providence to the point just south of South Attleboro where Route No. 1 meets Route No. 123. Route No. 123 runs right into Norton, but be sure to look for it. The room situation might appear discouraging because of the virtual absence of a town, but

the girls seem to have little trouble in finding bunks for their guests. Adequate recreation can be found at nearby Taunton for those too restless to make use of the juke-box dancing facilities in Wheaton's own "Alum" building.

Wheaton girls have to be in by 10:30 on weekday nights and by a risque 1 o'clock on Saturdays.

ATHLETIC ACTIVITIES

Athletic activities at Trinity College are divided into three classifications: Intercollegiate athletics, intramural athletics, and required physical education. All three divisions are under the supervision of the Physical Education Department.

Intercollegiate Athletics: Schedules are arranged for varsity and freshman teams in the following sports: football and soccer in the fall; basketball, swimming, and squash racquets in the winter; and baseball, track, and tennis in the spring. In addition, an informal intercollegiate schedule is arranged in dinghy racing, golf, lacrosse and fencing. The governing body for intercollegiate athletics is the athletic advisory council composed of three undergraduates elected by the students, three alumni, and three members of the faculty.

All students become members of the Trinity College Athletic Association when they pay their regular tuition at the College office. This entitles them to admission to all home athletic contests and permits them to try out for all athletic teams, provided they are academically eligible.

All students who are successfully carrying a full academic schedule are eligible to participate on intercollegiate varsity or freshman teams representing the College. Trinity maintains a full-year freshman rule, a full-year transfer rule, and a three-year varsity rule in keeping with the practice in vogue in most of the colleges in our group. Trinity is a member of the National Collegiate Athletic Association and the Eastern College Athletic Conference.

A system of student managerships for the various varsity and freshman teams makes it possible for students to gain valuable organizing and business experience. Application for managerships should be made to the Director of Physical Education or to the coach of the sport involved.

Intramural Athletics: The aim of the intramural program is to provide athletic competition for as large a group as possible and is particularly for students not participating on freshman or varsity teams. The sports on the intramural program are basketball, swimming, touch football, volleyball, wrestling, bowling, table tennis, golf, squash racquets, track, tennis and softball. A trophy is in competition in most sports. A point system of scoring has been devised to determine the winner in all intramural competitions for the year and the Alumni Trophy is awarded to the team earning the greatest number of points.

Physical Education: This is a required course for all freshmen, sophomores, and juniors, reporting three times per week throughout the college year. A regulation uniform is required. The new physical education program is designed to develop athletic interests which students will carry over to a life-time program of physical fitness. Credit for Physical Education attendance is given to members of varsity or freshman intercollegiate teams during the season they are actively engaged on these teams. No attendance credit is given for intramural athletics except in the Junior year.

Anyone cutting classes will be required to attend until all requirements have been completed. Three years' credit in Physical Education are necessary for graduation. The freshman and sophomore years are divided in-

In the Junior year Physical Education credit may be obtained by earning fifty points by participation in intramural activities. Participation on a varsity sport squad for a full season during the Junior year will count twenty-five points toward the necessary fifty.

Athletic Trophies

The George Sheldon McCook Trophy

This prize is probably the most coveted of all athletic prizes at Trinity College. The award is given annually to a member of the senior class who has gained distinction in athletics and has shown qualities of leadership, sportsmanship, honor, courtesy, and general dependableness. William Pitkin, '50, won the trophy in June.

The "1935" Award

The Class of 1935 has annually presented this prize to the player who has been of "most value" to the football team. The qualifications for this award are leadership, sportsmanship, team spirit, loyalty, and love of the game. Roger Hall, '50, captain and star fullback, was awarded the trophy for 1949.

The Peter S. Fish Soccer Trophy

This trophy is presented annually to the senior on the Soccer team who best fulfills the following qualifications: (1) Makes the greatest contribution to the team's success, and (2) demonstrates gentlemanly conduct, good sportsmanship, and inspiring leadership. This trophy was awarded to Robert Wood, '50, for the 1949 season.

The Coach's Foul Shooting Trophy

This award is given annually by the varsity basketball coach to the member of the varsity basketball team who has made the best foul shooting average during the season. Robert Jachens, '51, won this trophy last season.

The John Slowik Swimming Award

The teammates of John E. Slowik, '39, former swimming captain, who was killed in World War II, have donated an award to the college's outstanding swimmer. The first award winner is Frederick Kirschner, '51.

The Newton C. Brainard Squash Racquet Award

This award has been made annually to the winner of the college squash racquet championship tournament. John Burbank, '51, is the present holder. The winner's name is inscribed on a bronze plaque on the wall of the squash racquet section of Trowbridge Memorial Building.

The Outstanding Baseball Player Award

This prize is given annually on the same basis as the Peter S. Fish Soccer Award. A major trophy is kept in the college trophy case and a replica is presented to the winner. John Scully, '50, received the award in 1950.

Trinity Songs

"NEATH THE ELMS"

'Neath the elms of our old Trinity,
'Neath the elms of our dear old Trinity,
Oh it's seldom we'll meet,
In the moonlight so sweet,
'Neath the elms of our old Trinity.

College days are from care and sorrow free,
And oft will we seek in memory
Those days that are past,
Far too joyous to last,
'Neath the elms of our old Trinity.

'Neath the elms of our old Trinity,
'Neath the elms of our dear old Trinity,
No more shall we meet,
Our classmates to greet,
'Neath the elms of our old Trinity.

A SMART TRINITY MAN

A smart Trinity man conceived a mighty plan,
And straightway put the project into motion;
He built a lab'ratory boat
And he set the thing afloat,
Now Trinity's the gem of all the ocean.

Then hip! hip! hurray! We'll drink till dawn
of day,
And each to the other pledge devotion;
Here's a health to you and me,
May we ever happy be
For Trinity's the gem of all the ocean.

FIGHT TRINITY

Our warriors bold out on the field
Up and fight, up and fight, Trinity.
As men of old they never yield,
Up and fight, up and fight, Trinity.
To bring you fame our one endeavor,
Our ties to you we ne'er shall sever,
Our toast, "To Trinity forever,"
Up and fight, up and fight, Trinity.

Fight, Trinity,
Keep up the fight for fame and glory.
Fight, Trinity,
We pledge our strength and loyalty.
Keep fighting.
Old Blue and Gold
Shall ever flaunt the skies in victory;
Raise your voice and shout the praise of
Trinity.
Fight on, fight on, you men of Trinity;
Fight on, fight on you men to victory.
"Trinity" our cheer shall ever be,
So up and (Repeat chorus).
