A discussion was held about the state of office finances. It was noted that declining income and rising office expenses had resulted in a smaller proportion of money being given out in grants. It was decided that at the next Steering Committee meeting we will talk about what should happen in Resist - in terms of finances, staff, fundraising, political programs, how to relate to organizing projects, etc.

A meeting of Boston people--ex-staff, area people, SC people--will be held on January 4 to talk about the office, and to try to get Boston people more involved in its doings.

The staff report -
Mass mailings going out now or in the past month--Pentagon Papers, Denise Levertov's poets, McGovern contributors, former Resist contributors; Mass mailings planned for the next month or so--the second half of the Pentagon Papers list, War Resisters League list, swap with Medical Aid for Indochina. (If anybody knows of a list we should use, please tell us about it.)
Kevin Shafer is working in the office temporarily until Una returns from Ireland in mid-to-late January.

Our present balance plus projected income minus expenses gives us approximately $2200 to grant at this meeting. Income for last month includes $1132.55 from the sale of our IBM stock. In addition to the $2200 of our own money available for grants, we have $4250.00 remaining of the $6000.00 granted anonymously to us through Bob Zevin. The grants we make from Zevin's $6000 pool must be at least $500 each.
