THE ACADEMIC PROCESSION

CENTENNIAL HYMN

Again we lift the song of praise To her who lightens all our ways And sends a splendor far abroad Along the future's darkling road. Life holds for us no brighter hours Than these beneath her clustered towers, No holier shrine of memory No dearer name than Trinity.	What are the seasons stealing by Across the dial of the sky, What are the drifting years to her Whom nought can hasten or defer? She smiles at time. Her pilgrimage Proceeds from changing age to age. Our names will fade. Eternally Endures the name of Trinity.
Wherever evil things are slain By flaming heart and eager brain, Her bivouac fires are blazing bright Upon the borders of the night. Wherever God's great mandate runs She counts the tally of her sons, Embattled, armed in panoply, Beneath the name of Trinity.	O Thou whose loving care appears In our victorious hundred years, May Thy great arm support and stay Our steps along the onward way. Exalt our love, make strong for good The bonds of our broad brotherhood, Preserving everlastingly The holy name of Trinity.
