CENTENNIAL HYMN

Again we lift the song of praise
To her who lightens all our ways
And sends a splendor far abroad
Along the future's darkling road.
Life holds for us no brighter hours
Than these beneath her clustered towers,
No holier shrine of memory,
No dearer name than Trinity.

Wherever evil things are slain
By flaming heart and eager brain,
Her bivouac fires are blazing bright
Upon the borders of the night.
Wherever God's great mandate runs
She counts the tally of her sons,
Embattled, armed in panoply,
Beneath the name of Trinity.

What are the seasons stealing by
Across the dial of the sky,
What are the drifting years to her
Whom nought can hasten or defer?
She smiles at time. Her pilgrimage
Proceeds from changing age to age.
Our names will fade. Eternally
Endures the name of Trinity.

O Thou whose loving care appears
In our victorious hundred years,
May Thy great arm support and stay
Our steps along the onward way.
Exalt our love, make strong for good
The bonds of our broad brotherhood,
Preserving everlastingly
The holy name of Trinity.
