Minutes of the September 26, 1976 meeting

RESIST

present; Louis, Grace, Madge, Carole, Mary Louise, Wayne, Frank, Paul, George Vickers.

Financial Report; Expenditures for the past month have been high because of fundraising mailings. This month we used mailing lists from the Radical Caucus of the Modern Language Association, and Radical Historians. In October we will be sending a mailing to the Marxist Literary Group mailing list, and in November we will be using URPE's mailing list (Union of Radical Political Economists). Future possibilities for mailing lists include Monthly Review, the Insurgent Sociologist, and the Center for Constitutional Rights. We were conservative on grants this month to save money for the mailings.

Office Report; We'll try to keep track of how much we spend on xeroxing the next few months to see whether it's worthwhile to get a copy machine when the present one conks out. Addressograph plates need to be redone, so people are invited to volunteer. We decided to write a letter to pledges we haven't heard from in a while to see whether they're still interested, asking people what they're doing now, and including the new draft of the Call. Donna Finn from Families and Friends of Prisoners, and someone from Radical America will be coming to our next meeting for consideration for the RESIST board... From now on the Boston people will meet before every national meeting to go over grants and make recommendations. They will also meet once a month to discuss political issues in relation to the Newsletter, since the Newsletter needs to be better planned. Paul suggested that we ask some of our pledges to write for the Newsletter. Madge and Wayne put together the most recent newsletter which included an article on Jamaica, the full employment bill, and the Midwest Military Counseling Center project piece. Carole and Wayne will be working on the Newsletter for next month. We had a discussion with George Vickers about his work, and possibility of participating on the RESIST board. Decided that we would like to invite him to work with the board. People will talk with Carlos Otero at the MLA meeting, and Mary Louise will write him a letter....
