Resistance to many forms of illegitimate authority is necessary to bring health to this country and make it a constructive force instead of a terror in the politics of nations.

REPORT FOR THE MAY MEETING

INCOME

Income for the month was just about the same as April, 1977, except for a large gift. This gift makes it certain that we can continue to give grants at the $2000/month level throughout the summer and fall.

Pledges (89) .................. $1415.50
Newsletter (43) ................. 542.00
Liberation mailing (16) ........ 157.00
Liberation rent .................. 100.00
Contributors mailing (1) ....... 50.00
Gift ............................ 2500.00
Mailings (27) ................. 384.00
Misc. .......................... 1.00
TOTAL (176) $5149.50

A. Pledges: 10 new pledges were added during April, averaging about $7/mo each.

B. Mailings: Some returns from the RA and Dollars and Sense mailings have continued to come in, and both of them have more than paid for themselves, while adding 106 new contributors and quite a few new pledges to our lists. The SR list is doing fairly well; but the Amnesty and Safe Return list has not done very well.

I have decided not to do any more mailings until the fall. NACLA and Working Papers are lined up for September. I want to take some time over the summer to design a more persuasive mailing than our present brochure.

EXPENSES have continued at the same monthly rate; i.e. a little under $1000 to pay Frank and run the office, and a little under $1000 per issue for the newsletter. The only new expense this month was that I hired Don Veach, an accountant recommended by Lee Goldstein of the Law Commune, for $50/month to oversee our bookkeeping.

LIBERATION: A back taxes problem has more or less cleaned out the Liberation bank account, so we can't delay any longer on this.

Agenda for May meeting: grants; summer meeting schedule; preliminary report from accountant; Frank's pay and vacation; Liberation decision.
