In Retrospect

204

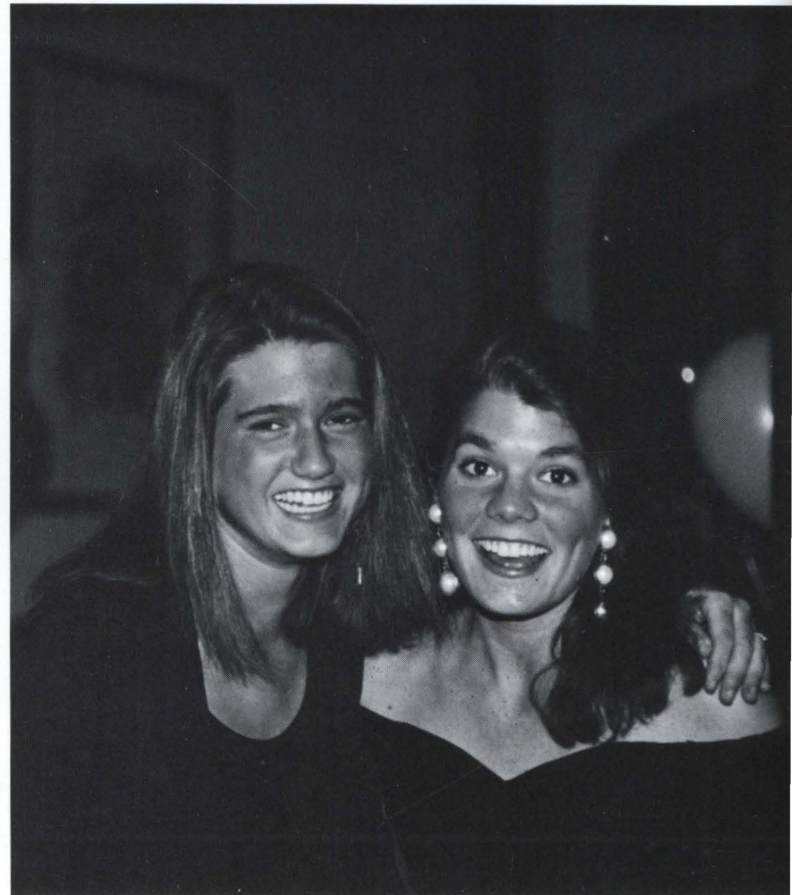

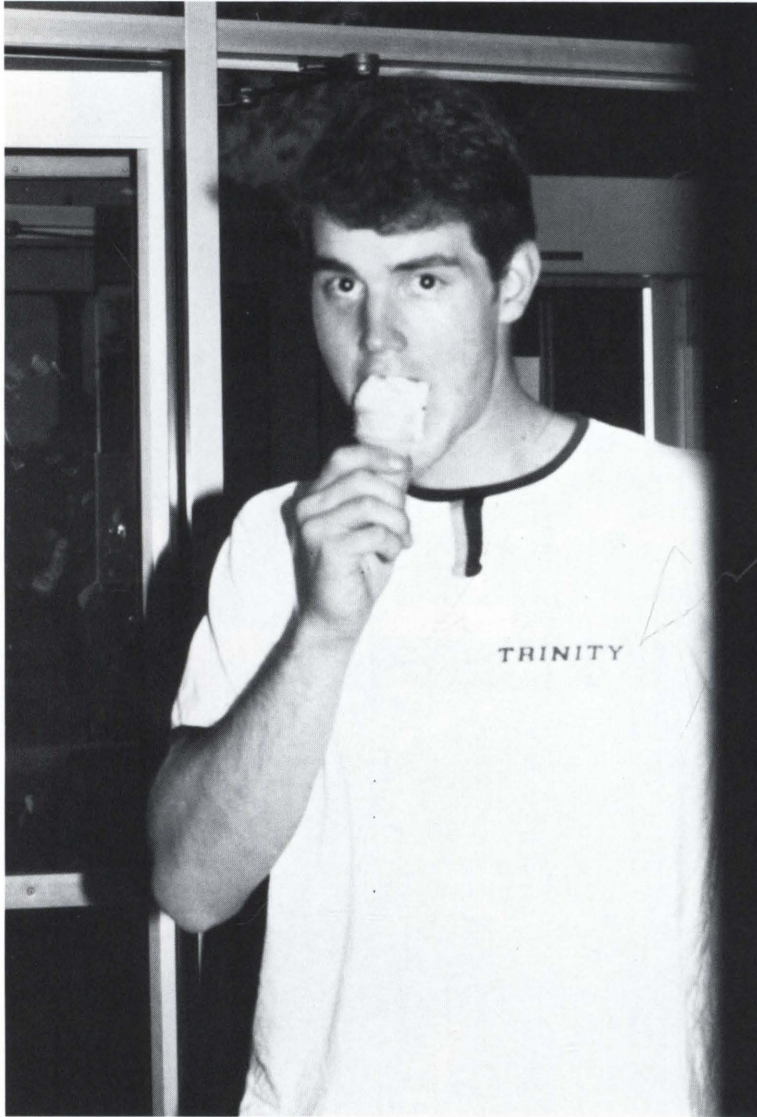

Proud alma mater thou hast been
of scores of earth's successful sons
who, in life's broad arena, win
The plaudits of less favored ones;
Who toy with fame, and are beset
By honor and prosperity-
But never, never quite forget
Their love and reverence for thee.

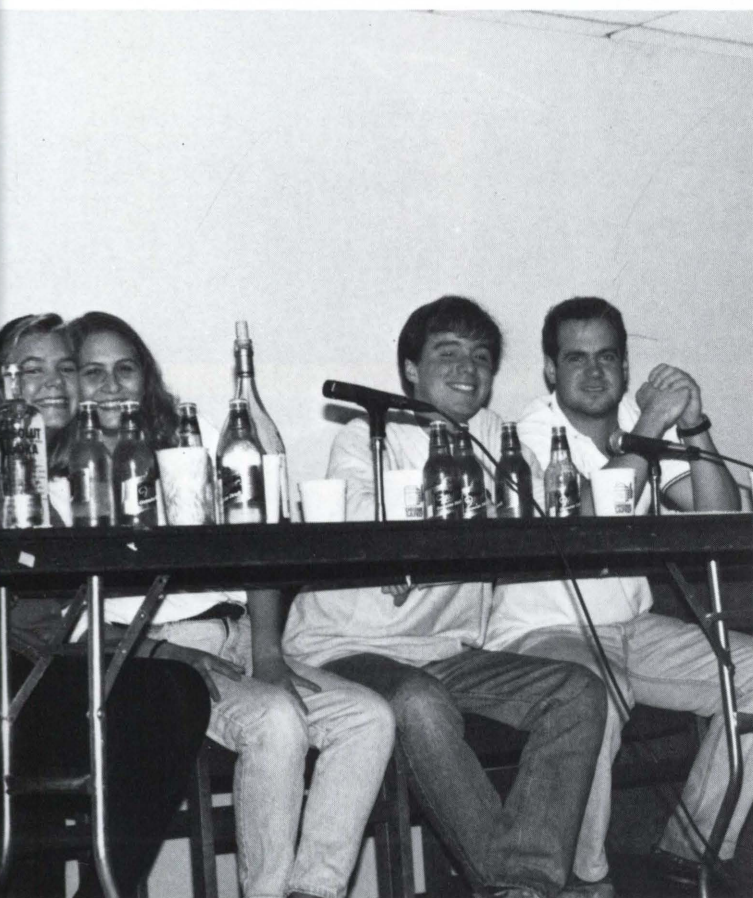

Within thy portals year by year,
From every clime beneath the sun,
May those assemble who revere
The majesty of "Three in One",
Thus, o'er the daisied fields around
Where student-feet shall press the sod;
With nature's worship shall resound
The voice of praise to nature's God.

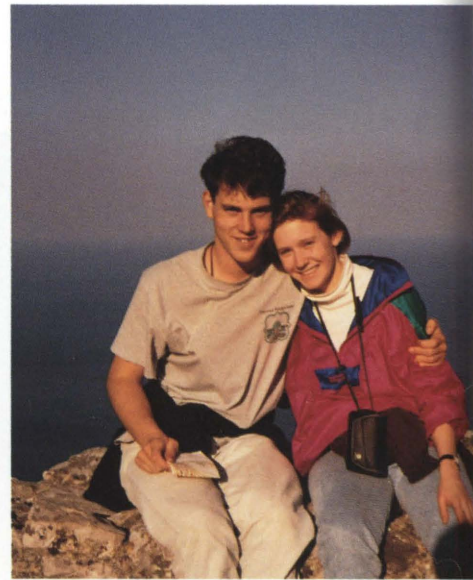

Hattie Howard
Hartford Poetess
Excerpt from a 1878 poem

TCAC TRINITY COLLEGE ACTIVITIES COUNCIL

The Trinity College Activities Council, known generally as TCAC is a student-run organization which plans, organizes and presents a variety of social activities throughout the year. All members of the student body are welcomed and encouraged to join TCAC. Furthermore, any interested individual or group may present proposals for co-sponsored events to the committee as a whole at any time. All programming decisions are determined by full-group consensus.

In recent years, TCAC has brought several popular regional comedians and bands to campus, as well as well-known national acts, and has organized DJ dances, movie nights and lectures. The events TCAC is best known for are the annual Spring Weekend activities. After months of planning, TCAC sponsors a weekend of campus-wide entertainment that has become a tradition at Trinity. Friday night of Spring Weekend,

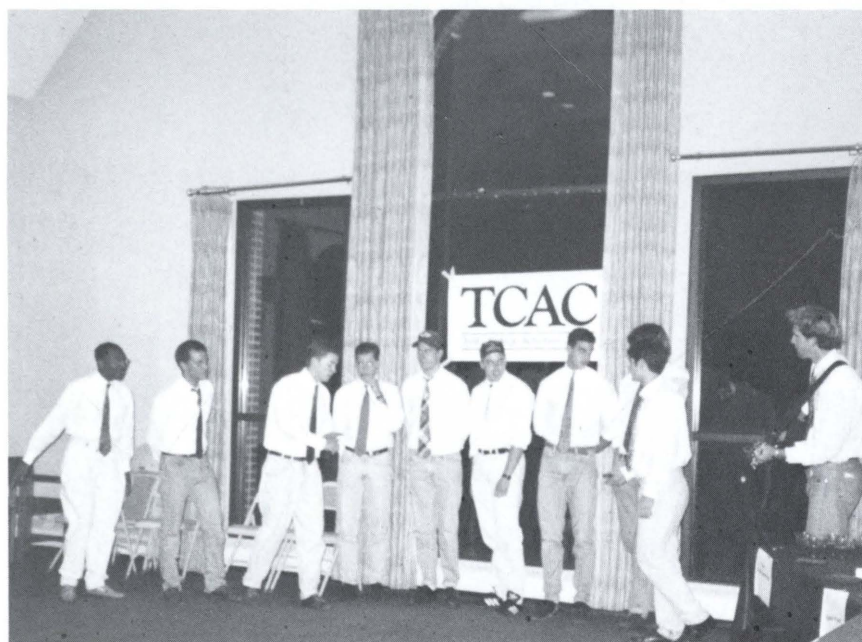

TCAC organizes an outdoor showcase of student bands followed on Sunday by a full-scale concert by nationally-known bands, featuring over the past few years blues rock (The Jeff Healy Band, Robert Cray), folk (Jonathan Edwards), alternative rock (The Psychedelic Furs), rap (Tribe Called Quest), and reggae (One People, The Wailers). In 1990, TCAC added to its Spring Weekend schedule the FunFair for kids from the Hartford community. TCAC recruits and coordinates a variety of student organizations, from cultural clubs to fraternities, which each organize their own activity booth ranging from sponge-tosses to balloon decorating. The 1991 FunFair was an overwhelming success, with over 30 student groups participating and over 500 children in attendance. The FunFair is now an essential component of Spring Weekend, bringing the community to campus to interact with the students in a wholly positive and entertaining setting.

The members of TCAC are a hard-working and dedicated group of students, who devote hours to planning, publicizing and putting together the exciting activities TCAC brings to campus. From attending weekly meetings to building the stage and moving the sound equipment at 7 o'clock in the morning for the Spring Weekend concert, the members of TCAC prove their commitment to the betterment of student life on the Trinity campus.

The Gambler

There's a place in the world
For a gambler
There's a burden that only
He can bear
There's a place in the world
For a gambler

And he sees
Oh yes he sees
And he sees
Oh yes he sees

There's a song in the heart
Of a woman
That only the truest of loves
Can release
There's a song in the heart
Of a woman

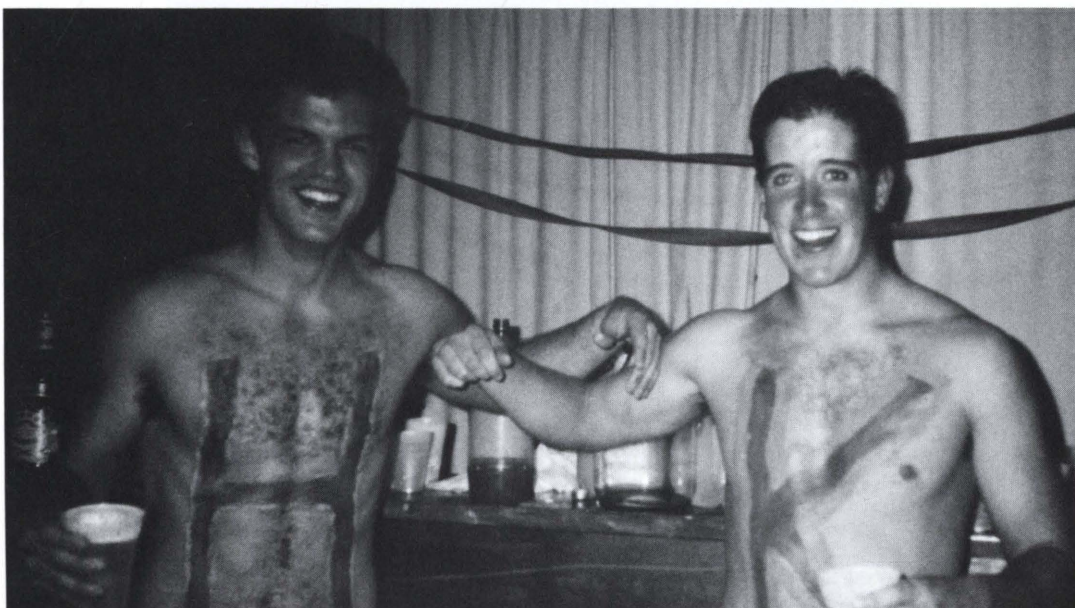

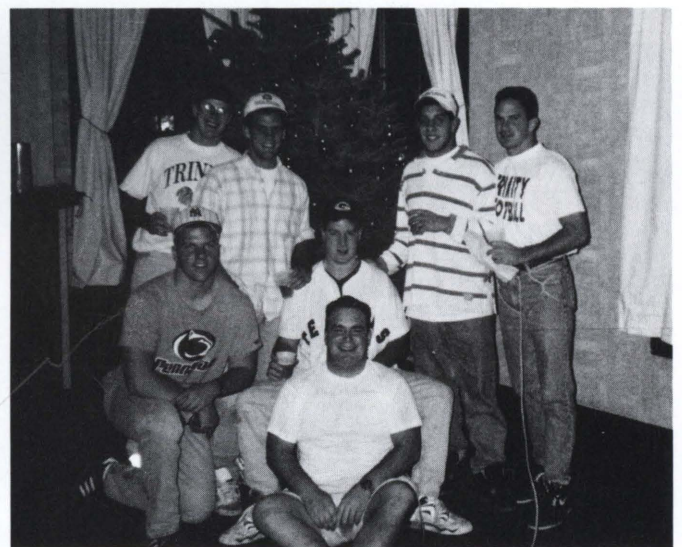

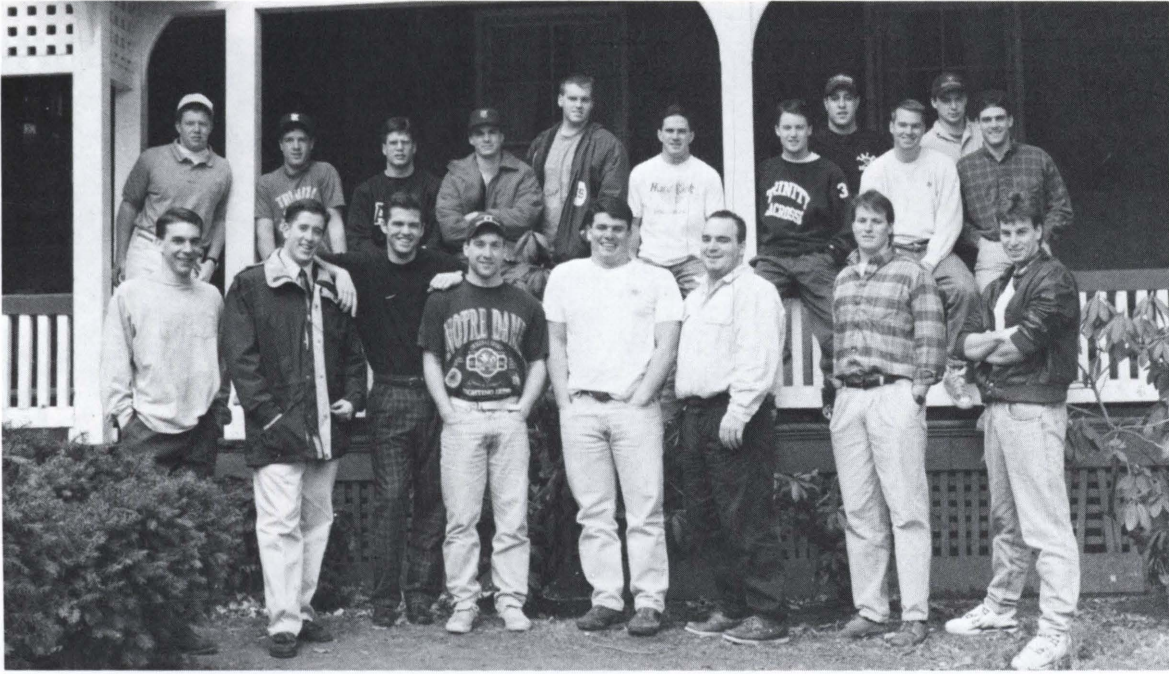

Set it free
Oh set it free
Set it free
Oh set it free
Set it free
Oh set it free

There's light in the depths
Of your darkness
There's a calm at the eye
Of every storm
There's a light in the depths
Of your darkness

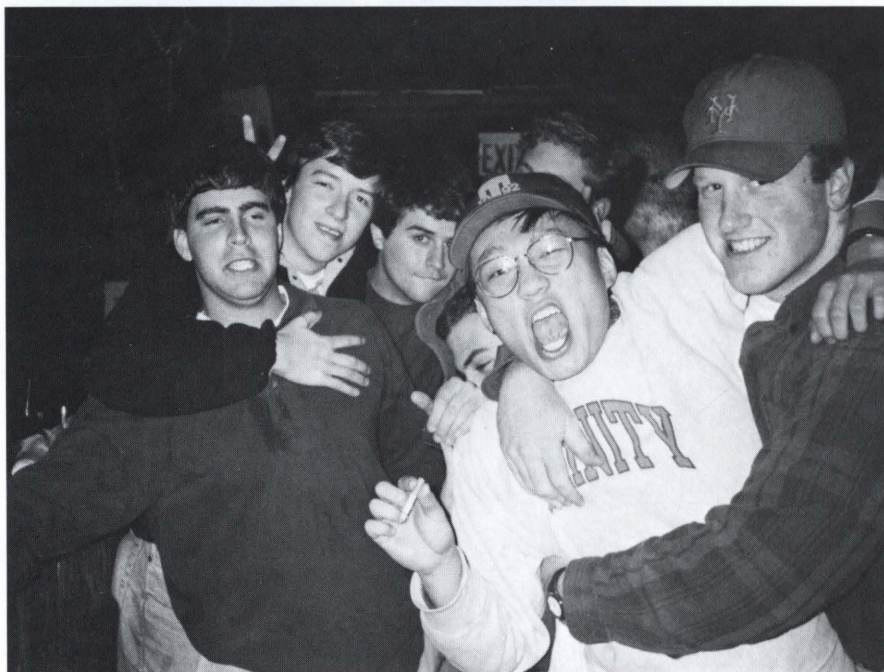

Let it shine
Oh let it shine
Let it shine
Oh let it shine

Let it shine

Sigma Nu

Since Sigma Nu's founding at Trinity College in 1918, the Delta Chi Chapter has proven to be a strong, committed group of men dedicated to their fraternity's ideals of love, truth, and honor. This continues to be the case, and the current brotherhood is working hard to live up to the high standards set for them by their predecessors. With thirty brothers and fourteen candidates this year, the chapter has maintained its membership, while strengthening the bonds of brotherhood which bind them together.

Sigma Nu Delta Chi continues its dedication to involvement in the community, a tradition that has been the central value of the brotherhood since the chapter's reactivation in 1984. Volunteering in local schools as assistants and instructors, working in homeless shelters and food distribution centers, along with participating in such projects as Habitat for Humanity and Hartford Hunger Cleanup has afforded the brothers an opportunity to gain perspective on the larger community, and hopefully help a little to improve the lives of some of its members. Delta Chi eagerly looks forward to continuing their active involvement and leadership in these efforts, as well as expanding to include new areas.

End Piece

President Gerety, Members of the Faculty, Honored Guests, Parents, Friends, and Fellow Classmates. It was over four years ago that all of us received our letters of acceptance from Trinity College and decided to matriculate as proud members of the Class of 1992. As you may recall, we were instructed to arrive at Trinity on a Sunday back in August of 1988. This was an anxious and exciting day for all of us, but it was also one of the most humid and sweltering days that I can remember. Here we all were embarking upon what people call the greatest four years of our lives, not knowing what to expect from our roommates, professors, and other relationships. Wow, what a day that was.

Remember meeting with your R.A. who informed you of his or her counseling abilities and how he or she would be providing food for a study break on every Sunday? Remember attending your first social gathering on that Sunday evening in the basement of Clemens, or wherever else? Remember attending your first meal in the dining hall with your roommate and not knowing where to sit? Remember trekking off to your first Philosophy class and after a 45 minute discussion on Nietzsche still wondering whether Nietzsche was a breakfast cereal or a small fishing village in Japan? These experiences marked the beginning of our short stay here at Trinity. It is these memories which define our Trinity careers and which will be with us forever.

Despite our diverse backgrounds including race, religion, and culture; we will always be members of the Trinity Class of 1992. Although our class is composed of a diverse group of individuals, we have found unity within our class. We all have a common bond. Each of us is a unique and contributing member of the Class of 1992. This is special.

Whether it be a few years or a few months from now, all of us will reflect over the various experiences that we have encountered in our years at Trinity. Trinity fosters a spirit of camaraderie. Let us capture this spirit and help it to thrive through the many years that we all have before us. I extend best wishes to everyone in the class for success in their lives after Trinity. I am confident that we have the ability to contribute to society as no other class has before us. We already have. Let it continue.

Thank you administrators and faculty members for believing in us and being integral parts of our Trinity experience. And thank you to our families who have provided us with the opportunity to study at Trinity and for always being there in support of our every endeavor. Trinity, thank you for the memories and everything you have to offer. You will never be forgotten.
