Campus Life

Parents' Weekend

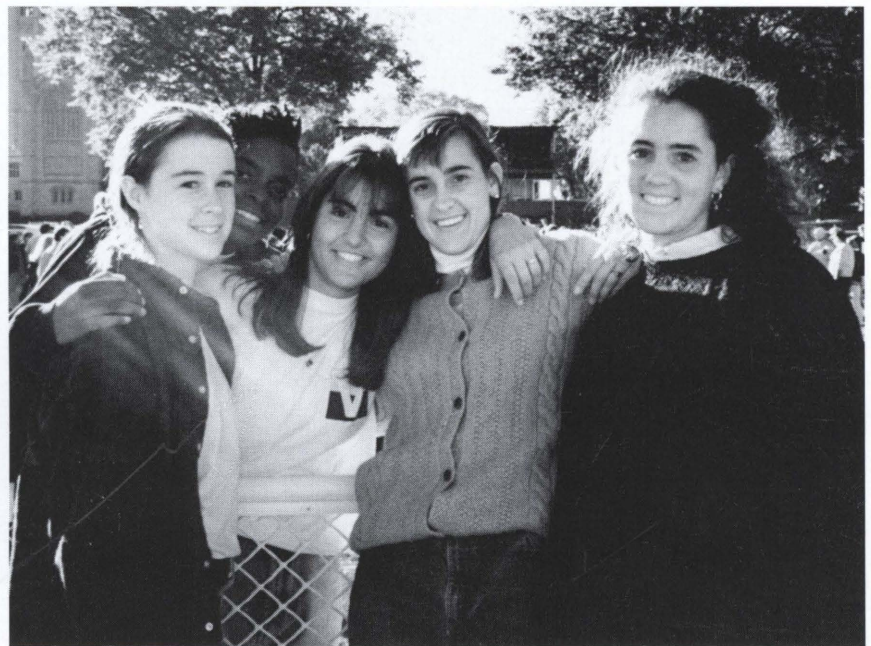

Homecoming Weekend

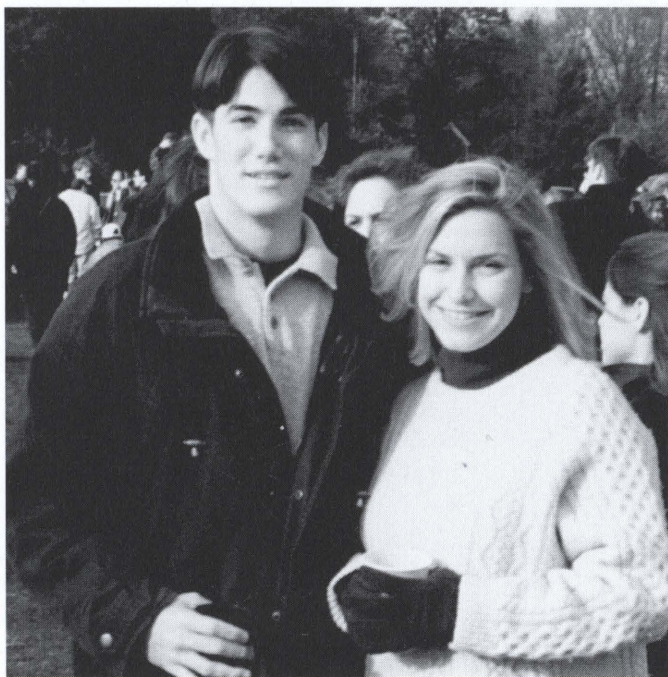

The tradition of Homecoming Weekend was strong in the fall of 1996. Returning alumni/ae were welcomed back to campus. After a night of entertainment including the pep rally and the burning of the Amherst 'A', all gathered around to witness the battle on the football field on Saturday afternoon. While the Bantams were unable to gain a victory against the mighty Lord Jeffs, the spirit of Trinity was not vanquished. Students and team members alike took the opportunity to enjoy the remainder of the weekend, and the company of the returning Trinity alums.

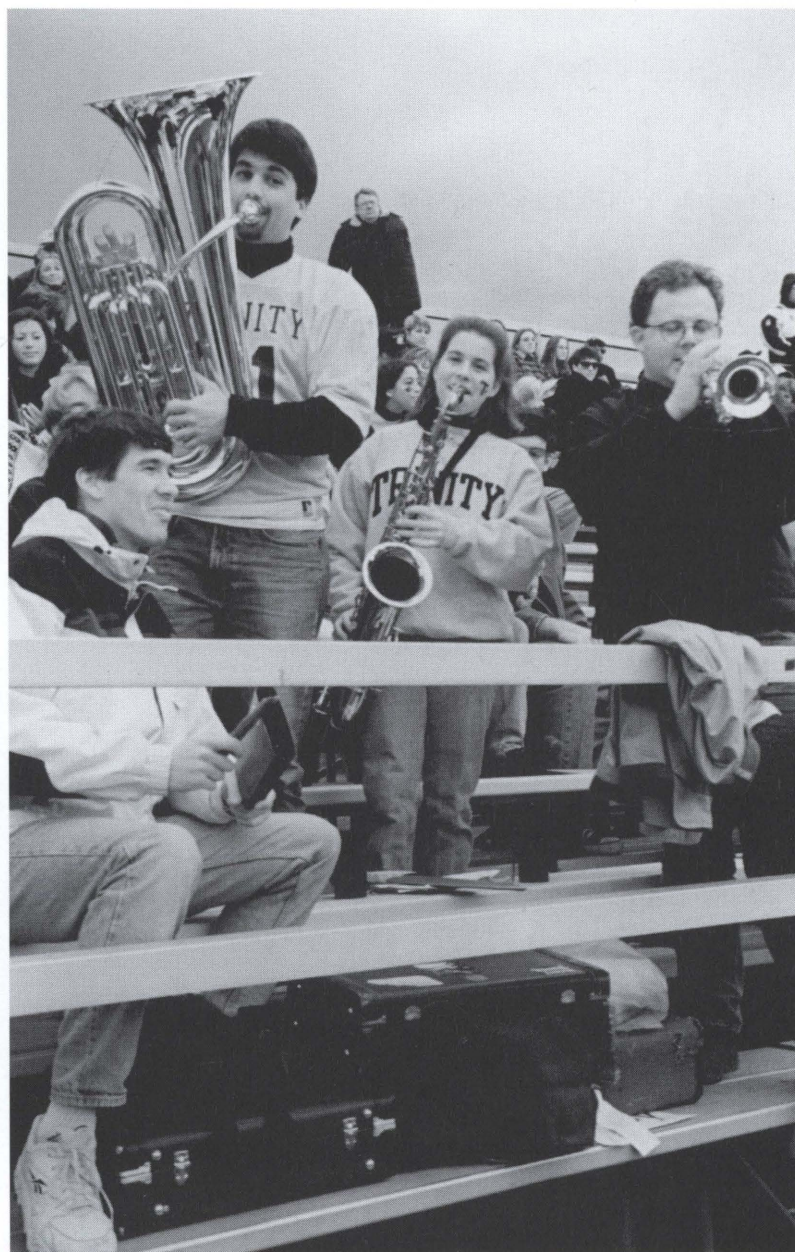

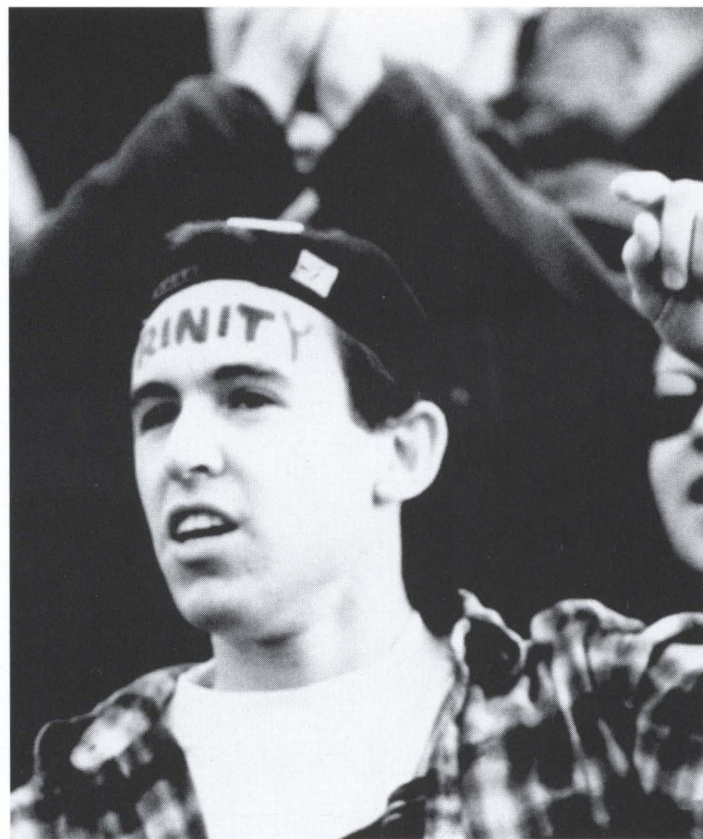

Top Right: Jeff Pyle cheered on the football team.

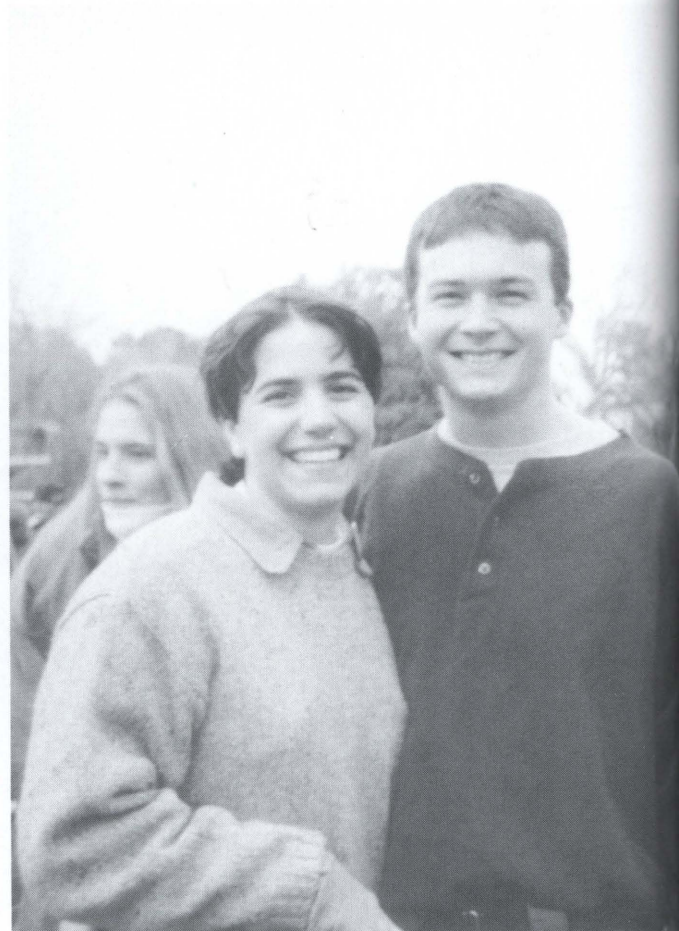

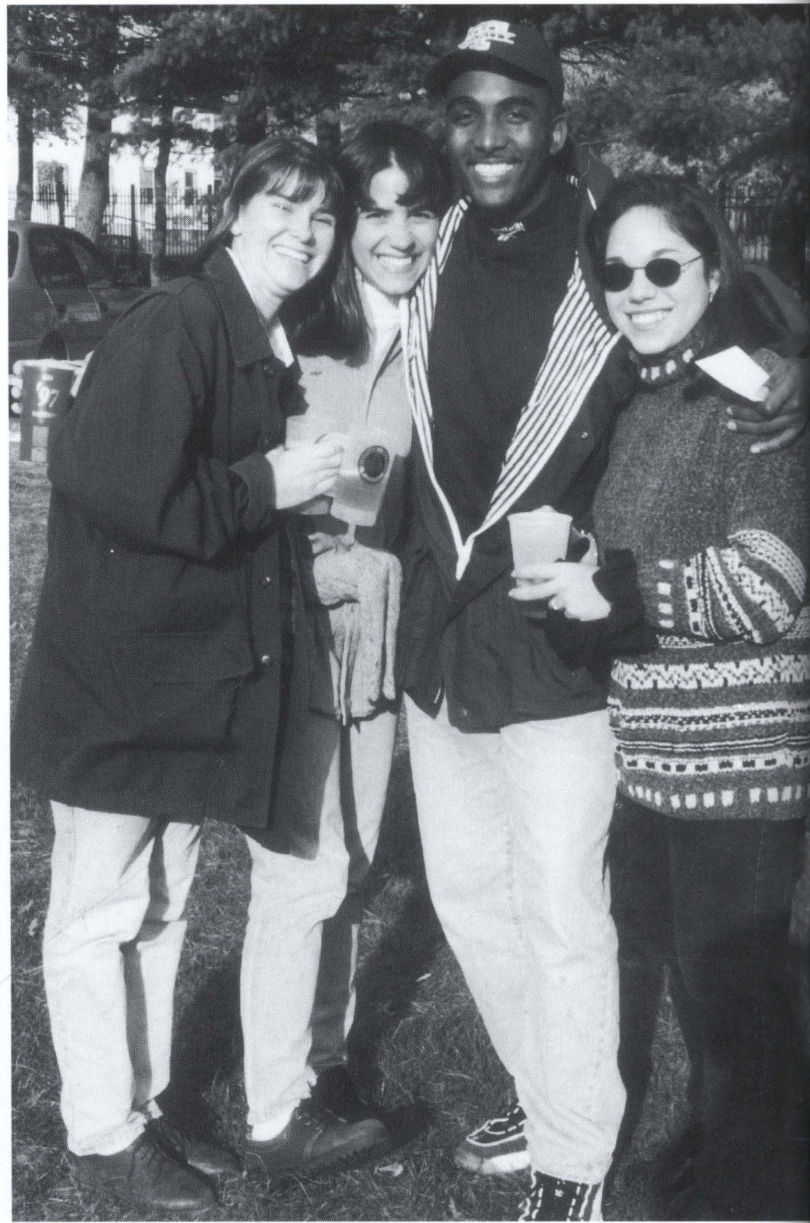

Bottom Right: Carmela Mazzotta and Meridith Shelly enjoy the game with the Bantam.

Organizations

Psychology Club

The Psychology Club was formed to unify and expand activities related to psychology at Trinity. The purpose of the club is essentially two fold. First to help those already within the major so that they may realize and opportunities Trinity has to offer. Also the club sponsors events on campus to provide additional education not found in the classroom and to expand interest in psychology within the entire student body.

The Senior Challenge is a committee of seniors who raise funds for a departing gift to the College. This year the class of 1997 set a record by raising \$10,540.

The junior class sponsored festivities at Parents' Weekend and Homecoming and promoted spirit by selling class cups. They also participated in Halloween on Vernon Street, planned study breaks and a trip to New York City.

Senior Class Committee

The senior class committee organizes events to bring classmates together to celebrate the final year. Traditional highlights included Senior Snowball, Senior Brunch, '97 Days til Graduation, and Senior Week.

Women's Rugby

The women's rugby club is part of the New England Rugby Football Union, NERFU. The women are led by coach Terrance Healey, '95.

Community Outreach

Community Outreach is the largest student organization on campus. Led by a staff of students and two full-time community service personnel, Community Outreach believes that students have the power to transform their idealism, energy, and concern into meaningful partnerships with the people of Hartford.

Habitat for Humanity

Habitat for Humanity, a chapter of the national organization, provides housing for those in need. Students continually work on the renovation and construction of homes in the Hartford area. Their efforts are continued over spring break in places like Florida and Mississippi.

College Republicans

The College Republicans have been an active organization on campus since 1979. Open to all Trinity students, its purpose is to provide members with an opportunity to get involved with the Republican Party on local, state, and national levels. Events on campus include guest speakers, debates, and Cave discussions.

The Jazz Club

The Jazz Band is a half-credit class taught by Bob Carabillo that meets twice a week to jam, mostly playing jazz standards. This year the group was a jazz combo rather than a Big Band. The jazz band played on the quad at Parents' Weekend and performed throughout the year in the Underground Coffeehouse.

Out of Uniform

Throughout the year the Spanish Club, in conjunction with other organizations, sponsors various lectures and a Latin American Film Series. The Spanish Club and La Voz Latina worked closely together to provide the students with both cultural recreational activities.

It gives us such great pleasure to
see you complete your four years of
secondary education. Doesn't it feel
great! See what you can do when
you set your goals and focus? In
words of parting, reach up, reach in

YEARS!

CONGRATULATIONS, WITH LOVE, FROM:
MOM, DAD, and NICK

Congratulations!
Today is your day
You're off to Great Places!
You're off and away!

You have brains in your head.
You have feet in your shoes
You can steer yourself
any direction you choose.
You're on your own.
And you know what you know.
And YOU are the girl who'll decide where
to go.

You'll look up and down streets.
Look'em over with care.
About some you will say, "I don't choose
to go there."
With your head full of brains and your
shoes full of feet,
you're too smart to go down any no-so-
good street.

And you may not find any you'll want to
go down.
In that case, of course,
you'll head straight out of town.

It's opener there
in the wide open air.

Out there things can happen
and frequently do
to people as brainy
and footsy as you.

And when things start to happen,
don't worry. Don't stew,
Just go right along.
You'll start happening too.

OH!
THE PLACES YOU'LL GO!
