AGENDA FOR RESIST BOARD MEETING

NEXT RESIST BOARD MEETING IS APRIL 8, 1984 at WAYNE O'NEIL'S:
31 GOVERNOR STREET, DORCHESTER, MA at 11 AM. PHONE # 617-288-1017

**New Board Members:** Some progress is being made in acquiring new board members although none so far are women of color. Louis has approached Tess Ewing a Boston labor activist and Ken has contacted a Latin American activist who is also interested. More names have come up and we should continue our discussion at the meeting. In the meantime we're still waiting to hear from the rest of you. Let's get the ball rolling!

**Office Report:** The revised brochure is at the printer (finally). We decided to print 5,000 copies since it will save us several pennies per brochure and we plan to mail all of these by the beginning of the summer if all goes as planned. Despite the overall cost of mailing this many pieces, some bills have been paid in advance and we should still have about $5,000 to give at this meeting. Remember when reading over the grant proposals that our maximum grant is now $600.

**Proxies forms are enclosed for all of you who can't make it to Boston board meetings. We want to hear from you. Please take a couple of hours to read over the packet and let us know your opinions where these proposals are concerned.

Meredith
MINUTES- Resist Meeting April 9, 1984

Present: Meredith, Pam, Wayne, Ken T. Proxies: Louie, Amanda

* BOARD MEMBERS

At present we are making recommendations for two new board members:

Tess Ewing - Tess is president of the Boston School Bus Drivers Union, Local 8751, United Steel Workers of America. She has been a longtime activist working on women's, gay/lesbian, anti-war and tenants issues over the years. Louie, Pam, Meredith and Ken have interviewed her. (There is an extensive interview with her in the latest issue of Radical America)

Renee - is a Salvadoran activist who has been organizing in the U.S. since he went into exile two and a half years ago. He is a staff person at CASA Salvador Farabundo Marti's Boston chapter. We have received very good recommendation about him from trusted friends and Meredith, Pam and Ken have interviewed him and feel very positively. Louie and Wayne will try to meet with him soon. We plan to invite both of them to the next board meeting unless someone on the board has major objections, so if you have any hesitations or want more info, give the office a call.

The search for new board members will continue. We are still looking for women of color, especially.

Wayne mentioned that he was unsure about an Asian prospective board member, Peter, because of several issues, including the fact that he is affiliated with a sectarian group. We decided that at the next board meeting, we'll discuss the whole issue of sectarian groups and what that means as we look for new board members, especially.

*OFFICE

Several mailings have just gone out including Radical America, Dolars and Sense and our own list. We have several more mailings planned for the spring and some major ones for the fall. Before the meeting we had about $10,000 and we gave away about $5000. Money, hopefully, will come rolling in over the next several weeks from the recent mailings.
