# REPORT OF THE LIBRARIAN

July 1, 1938

*To the Trustees of Trinity College:*

In accordance with Section Three of Article Fifteen of the Statutes of the College, I submit herewith the report of the Librarian for the year ending June 30, 1938.

The Library has been kept open eighty-seven hours per week. The usual statistics in regard to attendance follow:

## ATTENDANCE CLASSIFIED

	Day	Evening	Faculty	Visitors	Total
1937-1938					
September	733	118	17	11	879
October	2677	168	97	21	2963
November	2674	224	63	18	2979
December	1784	257	56	16	2113
January	2435	294	66	22	2817
February	2268	332	54	23	2677
March	2823	478	84	19	3404
April	2037	433	98	15	2583
May	3158	415	85	18	3676
June	677	180	66	24	947
	<hr/> 21,266	<hr/> 2,899	<hr/> 686	<hr/> 187	<hr/> 25,038

## ATTENDANCE MONTHLY (1)

	September	October	November	December	January
1934-1935	563	2426	2253	1777	1803
1935-1936	1016	3937	3810	2413	3810
1936-1937	896	3150	3207	2369	2881
1937-1938	879	2963	2979	2113	2817

## ATTENDANCE MONTHLY (2)

	February	March	April	May	June
1934-1935	1636	2255	1444	3259	897
1935-1936	3883	3810	2286	3937	635
1936-1937	3087	3615	2980	2525	1427
1937-1938	2677	3404	2583	3676	947

## ATTENDANCE ANNUAL SUMMARY

Year	1933-34	1934-35	1935-36	1936-37	1937-38
	17,072	17,312	29,337	26,137	25,038

The decrease is to be accounted for, chiefly, by the opening of a study-hall for day-students. Indeed, the decrease is not so large as hoped for and expected. Without question, the study-hall has relieved somewhat the over-crowding during the early hours of the morning, but a fuller use of the new opportunity would be to the advantage of the users of the Library, and that, too, without detriment to those using the study-hall.

### INCREASE OF THE LIBRARY

During the year, there have been added to the Library 2630 volumes and 3701 pamphlets. Of these, 1428 were purchases. All the pamphlets and 1202 volumes were presented. Included in the purchases are 256 volumes of unbound periodicals. Of the volumes added to the Library, 1672 are bound and 958 unbound. Most of the periodicals and a considerable number of the other unbound volumes will be bound during the summer.

Among the more important purchases of the year may be mentioned: Beilstein, *Handbuch der Organischen Chemie*, vols. 26 and 27; Hitti, *History of the Arabs*; Oman, *History of the Art of War*, 2 vols; Cambridge *History of India*, Vol. 4; Macdougall, *Thermodynamics and Chemistry*; *Enciclopedia Italiana*, vols. 33, 34, and 35 (completing the work); Bonbright, *Valuation of Property*, 2 vols; *Handbuch der Experimentalphysik*, vol. 26; Mellor *Treatise on Inorganic Chemistry*, vol. 16; Michael Faraday's *Diary*, 8 vols; MacBride, *Text-book of Embryology*; Alexander, *Colloid Chemistry*, Vol. 1; Libanii, *Opera*, ed. Foerster, 12 vols; Harper's *Encyclopedia of Art*, 2 vols; *Suidae Lexicon*, ed. Adler, 4 vols; Broad, *Examination of McTaggart's Philosophy*, 2 vols; Der Grosse Brockhaus, 21 vols; Voigts, *Deutschland in der Weltpolitik*, 2 vols; Powell, *Lexicon to Herodotus*; *Source Records of the Great War*, 7 vols; and Nelson's *Complete Encyclopedia*, 24 vols.

### GIFTS

Appendix II gives the names of donors during the year; to them should be added the names of donors of current periodicals given in Appendix I.

No very large or important gifts have come to us during the year. On the other hand, many useful books have been given to us.

A few of the gifts, for one reason or another, are here mentioned.

The following members of the Faculty have given books to the Library: Arthur Adams, William Osgood Aydelotte—a copy of his "*Bismarck and British Colonial Policy, 1883-1885*"; Archie

Roy Bangs; Thomas Hume Bissonnette; Harry Todd Costello—seventeen bound volumes and several volumes of important periodicals; Gustav A. Kleene—sixty-eight volumes; President Remsen B. Ogilby; and Henry A. Perkins. Dr. Raphael Semmes, formerly of the Department of History, gave us a copy of his interesting and valuable book, "Captains and Mariners of Early Maryland."

Gifts have been received from the following alumni: Dr. Henry Gray Barbour, 1906—the manuscript of the Report of his father, the Rev. John Humphrey Barbour, '73, as Librarian for the year 1882-1883; George E. Beers, '86—a collection of letters of James B. Thornton; Verner W. Clapp, '22; Alfred B. Dixon, '34—an imperfect copy of the Geneva Bible; Thomas F. Flanagan, '12—our first phonograph records, three, having to do with the Hindenburg Disaster; Lewis F. Jefferson, '15—a scrap book kept by William F. French, '79; Woodforde H. Plant, '09; Heriberto Ramirez, '31; Clarence E. Sherman, '11,—a copy of his History of the Providence Public Library; Charles G. Woodward '98, eight volumes; and Richardson Wright, '10,—two of his latest books, "Gardner's Day Book" and "Revels in Jamaica."

From Grace Hale Blashfield, we received a copy of the Works of Edwin Howland Blashfield; from Mrs. Robert C. Buell, a set of Irving's "Life of Washington"; from the Rev. Kenneth Walter Cameron, a collection of autographs of American Bishops of the Episcopal Church; from the Rev. Edward M. Chapman, a copy of his delightful book, "New England Village Life"; from the Connecticut State Library, among other gifts, some sixty-nine volumes of Moody's and Poor's financial manuals and insurance handbooks; from Miss Florence S. M. Crofut, M.A., hon., 1938, a set of her valuable historical "Guide to Connecticut"; from Miss Edith Stiles Hale, four college bills of Frederick A. Hale, 1844-1846; from Mrs. Henry Martyn Morgan, a facsimile edition of the Black-letter Prayer Book of 1636, and a copy of Gibson's *Codex Juris Ecclesiasticæ*, 1761; from Mrs. Arthur L. Shipman, seventeen volumes having to do with modern drama; from Miss Annie E. Trumbull, two typed papers, one of a play, "Germs" by the late Professor Charles F. Johnson, the other a paper on the "Impulse of Concealment" by the late Hon. William Hamersley, '58; from Lemuel E. Welles, thirty volumes of the "Transactions of the Society of Naval Architects and Marine Engineers"; and from Henry A. Wolcott, Esquire, eighteen volumes of the Journal of the American Society of Mechanical Engineers.

We acknowledge gratefully the gifts of their publications by the Carnegie Endowment for International Peace, the Carnegie

Foundation for the Advancement of Teaching, the Carnegie Institution of Washington, the Smithsonian Institution, the State of Connecticut, and the Government of the United States.

## CATALOGUING

Mr. James G. Tobin, '32, left us at the close of the first semester to continue his studies at the School of Library Service of Columbia University. He had been connected with the Library from his undergraduate days, and his place is hard to fill. However, Mrs. Harold Schatz and Miss Katherine I. Many have worked hard and efficiently to carry on the work of the Cataloguing Department. They are overworked, and additional help is imperatively needed.

The work of the year may be thus summarized:

Books catalogued . . . . .	1541
Pamphlets catalogued . . . . .	105
Books recatalogued . . . . .	21
Books reclassified . . . . .	805
<hr/>	
Total of items handled . . . . .	2,472

Reviewing the work of the last twenty-two and one-half years, we have the following figures:

Books catalogued . . . . .	65,708
Pamphlets catalogued . . . . .	5,074
Books recatalogued . . . . .	31,992
Pamphlets recatalogued . . . . .	1,088
Books reclassified . . . . .	38,646
Pamphlets reclassified . . . . .	1,152
<hr/>	
New cards added to the catalogue . . . . .	143,660
Total number of old cards altered . . . . .	188,579
	64,770

## BINDING

As usual, the greatest part of the appropriation for binding has been spent in caring for current periodicals. However, the amount available has enabled us to bind a considerable number of other volumes. As the number of periodicals subscribed for increases and as the number of students and the consequent wear and tear of books increase, the expense of binding and of repairs and re-binding increases. It is obvious, then, that the appropriation for binding should be increased accordingly.

## FUNDS

Thirty thousand dollars has been received from the estate of the late Rev. Professor Isbon T. Beckwith, by far the largest of

our Library Funds. It is a great help, but of course is only a small part of what is needed to meet the increased needs of the College. It is to be hoped that others will follow Dr. Beckwith's example. The amount to be received from the estate of the late Professor Robert Baird Riggs and Mrs. Riggs is still uncertain. It promises, however, to be a substantial amount. It will help greatly to meet the ever mounting costs of books and periodicals in the field of Chemistry. All the officers and friends of the College feel the need of additional funds for the Library and the need of enlarged quarters keenly. We hope and believe that these needs will be met, as other pressing needs of the College have been and are being met.

### THE STAFF

Mr. James G. Tobin left us at the beginning of the Trinity Term to continue his studies at the Columbia University School of Library Service. He had served so long, so faithfully, and so well that his going is keenly felt. In April, Miss Katherine I. Many, a graduate of the New York State Library School, with long experience in the Vassar College Library, began her work in the Cataloguing Department. At least another worker is needed in this Department, and the need of a trained assistant for reference work is great. The Library is very inadequately staffed, and the best interests of all, both staff and users of the Library, demand additional help at the earliest possible minute. Mrs. Harold Schatz has been with us many years and her services are invaluable.

The Student Assistants during the year were: Ward Pendleton Bates, '39, John Daniel Brennan, '38, Roswell McLean Crane, '38, Paul Allen Goodwin, '40, Frank Andrew Hagarty, '38, Spencer Hall, '38, Alvin Raynham Nielsen, '38, Charles Hopkins, '40, Leslie William McWilliams, '39, John Robert Randall, '39, Roger Currie Schmuck, '39, and Charles Duncan Yetman, '40. Though comparisons may seem invidious, yet the intelligent and faithful work of Mr. Hagarty and Mr. Nielsen calls for a word of special commendation.

Eighteen other students were employed in the Library, receiving their compensation through the National Youth Administration Division of the W. P. A. of the Federal Government. Some of the tasks to which they were assigned were: acting as pages, assisting the student assistants at the charging desk in the Reading Room, dusting shelves and books, arranging Government documents, replacing books on the shelves, pasting pockets for charging cards in books, etc. They were of real assistance, and on the whole, the spirit in which they did their work was wholesome and creditable to them.

## THE LIBRARY COMMITTEE

The members of the Library Committee were: President Ogilby, *ex-officio*, Professor Harry Todd Costello, Chairman, Professor Odell Shepard, Professor Sterling B. Smith, and Arthur Adams, Secretary.

The Library Committee has met regularly twice a month throughout the year. The lists of books recommended for purchase have been carefully considered, and the special knowledge of the several members of the Committee has been of the greatest help. At the suggestion of the Committee, the number of members of the Committee appointed by the Faculty was much increased for the coming year. It is believed that interest in the Library will be developed increasingly and that the knowledge of special fields of the new members will be most helpful.

## NEEDS

The needs of the Library may be summed up in one word, namely, money. Money is needed for a new building or at least the enlargement of the present building, for books, periodicals, and last, but by no means, least, for service. All agree that the needs of the Library are of first importance, and we have faith to believe that they will be met in increasing degree at no very distant day.

All of which is respectfully submitted,

ARTHUR ADAMS, *Librarian.*
