Jacobs Arrives in March; Inaugural Set for 130th Anniversary, May 16

Left to right: Dean Arthur H. Hughes, President Albert C. Jacobs, and A. Northey Jones, '17, met on January 23 when Dr. Jacobs visited the campus after President Eisenhower's inauguration.

Dr. Albert C. Jacobs will arrive on campus from Denver during the first week of March and will be formally inaugurated fourteenth President on Saturday, May 16, which is the 130th anniversary of the chartering of the college.

He will succeed G. Keith Funston, '32, who left in September 1951 to become president of the New York Stock Exchange. During this interim Dean Arthur H. Hughes has again served as Acting President.

For the past three years Dr. Jacobs has been Chancellor of the University of Denver and is credited with restoring the University to a position of leadership in the West. From 1928 to 1942 Dr. Jacobs taught law at Columbia and then was commissioned a Lieutenant Commander in the Naval Reserve. Upon his return to Columbia in 1946 he was named assistant to the president, and under President Eisenhower he was appointed Provost of the University. Dr. Jacobs asked President Eisenhower to deliver the principal address at his inauguration, but pressure of business has prevented the President's acceptance although he hopes to visit Trinity at another time.

A committee is already at work planning the details of Dr. Jacobs' inauguration which will be held in front of Northam Towers or in Memorial Field House. Delegates from state, city, church, and other colleges will be invited.

Lyman C. Ogilby is Consecrated Bishop

The Right Reverend Walter H. Gray, H'41, Bishop of Connecticut, flew to Manila on February 2 where he was co-consecrator of the Rev. Lyman B. Ogilby as Suffragan Bishop of the Philippines. Many alumni will remember Lyman, the late Dr. Remsen B. Ogilby's oldest son, as a young boy playing around the campus and later as a student for his Master's degree.

Lyman prepared for the ministry at Episcopal Theological School in Cambridge, Massachusetts, and was a candidate for Holy Orders from Trinity Church, Hartford. He has been teaching at the Brent School in Baguio, P. I., and was elected Suffragan Bishop at the Episcopal Church's General Convention in Boston last September.

Hillel Alumni Organize

Under the leadership of Mark Levy, '47, a group of alumni who were former Hillel members met at the College on February 4 to assist the undergraduate Hillel group and cooperate with the College authorities in any way that it can.

Arrangements are being made to offer assistance to undergraduate Hillel members with their vocational problems. Plans are being made to add books to the College Library to fill certain gaps in its collection of Judaica. Louis Feldman, '46, is in charge of the latter project and will be assisted by Fred Neusner, '47, and Alex Goldfarb, '46.

Sam Goldstein, '48, was appointed chairman of the arrangements committee for a dinner to be held on reunion weekend, June 5-7.

Commencement June 5-7

The Reunion Committee under the chairmanship of Edwin J. Donnelly, '08, has been busy preparing plans for the Commencement Weekend June 5, 6 and 7. His committee consists of Jack Wilcox, '39; Ed Paige, '33; Syd Pinney, '18; Sumner Shepard, Jr., '19; and Bill Peelle, '44.

All alumni are urged to note that Commencement is one week earlier this year. Save the dates, and plan to return. You will not be sorry.

Seven on All-Teams

Captain Hum DelMastro of last fall's football team was chosen defensive half-back on the All New England first team. Del also was selected both offensive full-back and defensive half-back on the Connecticut small college team which is picked by the Sports Writers Alliance. Captain-elect Bill Crenson; Rog St. Pierre; Bernie Bogoslofski, and Frank Lentz were all selected for the All-State team.

In soccer Captain Neil Mutschler and George Lunt received honorable mention for the All-America team. Incidentally Neil was re-elected Captain for next season.

Alumni to Receive Seven Publications

With this issue, the College introduces a new magazine publishing policy. The Bulletin, first published in April 1900, will now include three general circulation magazines of which this is the first, three alumni newspapers, the President's Report and three catalogues of regular, evening, and summer study programs.

The change from an alumni magazine to one edited for parents and friends as well is prompted by our realization that Trinity's area of influence and interest has vastly broadened in recent years and that there is a wide community of active supporters of the College in addition to alumni. There will be no subscription charge to the magazine, for all of those who receive it are helping the College in one way or another, and we are confident that their continued help will return to the College the cost of the publication many times over. In the meantime, we will save our friends the trouble of subscribing and our own staff the labor of bookkeeping. Actually, the increased circulation represents no increase in the college publishing budget, for with the help of alumnus Oliver Johnson, '35, of the Bond Press, we are effecting a great economy in publishing news of interest only to alumni in an alumni newspaper.

All friends will now receive four Trinity publications annually: the three magazines and the President's Report. Alumni in addition will receive the alumni newspaper. Parents will occasionally receive news of particular interest to them in "The Trinity Parent." Hartford area friends and alumni will receive notices of public events about three times a year.

Hartford Alumni Found Book Prizes

Fifteen members of the Trinity Club of Hartford have generously contributed book prizes to outstanding Juniors of local schools who have achieved high scholastic standing and who have contributed the greatest service to their respective schools. The idea of the Hartford Alumni sponsoring book prizes was first suggested by Cliff Morse, '31, and it is hoped that other Alumni Associations will adopt the scheme and so keep the name of the College before prospective students.

John Mason, '34, accepted the Chairmanship of the Book Prize Committee. It was decided that this year the prize will be an especially designed edition of Webster's New Collegiate Dictionary.

The fifteen sponsors are William B. Starkey (Bulkeley High School), John L. Bonce (Hartford High School), Benjamin Silverberg (Weaver High School), James E. Bent (William Hall High School), Dr. Nils A. C. Anderson (Kent School), John W. Coote (Loomis), Mark W. Levy (Cheshire), Robert A. Werdelin (Berlin High School), J. Ronald Regnier (Glastonbury), Samuel J. Turkington, Jr. (Manchester High School), John F. Phelan, (Meriden High School), Frank J. Brainerd, Jr. (Portland High School), Clifford L. Morse (Wethersfield High School), James Jackson, III (Westminster School), and Robert D. Bowden (Bristol High School).

Glee Club Concert For Scholarship Fund

The Trinity Club of Hartford is sponsoring a joint Bryn Mawr-Trinity College Glee Club concert on Saturday March 14 at 8:15 in the college auditorium. Tickets are one dollar each with the proceeds going to the Club's scholarship program. Bill Starkey, '44, is in charge of the arrangements while Dr. Nils A. C. Anderson, '25, is handling the sale of tickets and Don Viering, '42, hospitality.

On Tuesday, April 14 the College Glee Club will again join forces with Bryn Mawr for a concert at Town Hall on West 43rd Street in New York City. The major work will be Vivaldi's "Gloria," with several songs by Hindemith and Randall Thompson. Tickets are \$1.00; \$1.80; and \$2.40.

344 in Service

As of February 11 the Alumni Office reports 334 Trinity men in active military service all over the world. The Army with 129 officers and men is closely followed by the Air Force with 103 and the Navy with 78. The Marines and the Coast Guard have 16 and 8 members respectively.

Alumni Secretary, Bill Peelle, makes every effort to keep in touch with all Trinity service men and already has sent out eight mimeographed Armed Forces letters since November 1951. Incidentally the first letter went to 137 service members.

The Alumni Office appreciates the cooperation of the many families who have supplied service addresses; and requests those alumni who are drafted to keep in touch with the College.

Mazurek 35-Pt. Scoring Record Highlights Basketball Season

A resounding 80-60 victory over Amherst with Charlie Mazurek setting a new college mark of 35 points was the high point of the first half of the season as the hoopsters turned in four wins against five losses. With virtually the same team returning which racked up an excellent 14-5 record last winter, veteran coach Ray Oosting had high hopes for another successful season when his squad reported for practice last November. Lack of height was Ray's chief concern, and his worry proved correct in the Columbia and Williams games when the opposition had such a towering height advantage that they completely controlled both backboards.

Captain Charlie Wrinn took personal charge of M.I.T. in the opening game as his pet hook shot scored 16 points in the 60-45 victory. Bruno Chistolini and Charlie Mazurek displayed some fancy shooting against powerful Columbia. The Lions' height with four players over six feet four and their all-round team play were too much for the Blue and Gold as they swept to a 75-55 win.

A road trip to Dickinson and Upsala found the Hilltoppers turned back twice. In the Dickinson contest the lead changed hands several times before the Red Devils pulled ahead 68-60, but Upsala could not miss the hoop as they scored 104 points to the Bantams' 74.

Trin battled Williams all the way and in the hectic final period came within three points of the tall visitors. Charlie Mazurek led the Blue and Gold attack with 16 points while the Eph's six foot seven center Tony Moro was most effective in his all-round play under both backboards.

After the holidays the Blue and Gold snapped its losing streak with a 66-54 win over Worcester Tech. Chistolini led the attack with 25 points. Paced by Charlie Mazurek, favored Amherst was upset 80-60. Charlie's 15 baskets and five foul shots plus his grabbing of rebounds and stealing the ball forced the Jeffs to call time when Trin swept to 38-11 lead in the second quarter. Captain Wrinn, Chistolini, Matt Wallace and Don Johnston, who substituted for the injured Wally Novak, all gave a sparkling display of team play and Coach Oosting's strategy of a zone defense completely bottled up the Lord Jeffs. Incidentally it was against Amherst that Ron Watson, '50, set the former Trinity scoring record of 32 points in 1949.

After midyears the Blue and Gold convincingly defeated Middlebury 71-56 with Wrinn and Chistolini scoring 18 and 13 points respectively. Underdog Wesleyan using only five players upset the Blue and Gold 53-48 before 1,200 fans. The Bantams simply could not find the basket and had one of its poorest shooting performances in recent seasons. The Cardinals had a two point lead at half time and managed to hold this margin until Chistolini tied the score with five minutes remaining. The visitors' brilliant Captain Ed May then scored a hoop and a free throw and the Hilltoppers could never close the margin.

Speedy Bruno Chistolini led the team with 149 points in 9 games for an average of 16.5 followed by Wrinn with 132 and Mazurek 123. The squad's foul shooting average is 69 percent at the half way mark.

Wes Eustis and Jack Barton, formerly of Hall High in West Hartford, have been the mainstays of Fred Booth's speedy freshman team which had a 5-2 record

at the half way mark. Victories have been scored over M.I.T., Trinity J. V.'s, Worcester Tech, Monson and St. Thomas with the losses coming from Yale and Amherst.

The Junior Varsity basketball team under the direction of Roy Dath has defeated Nichol Jr. College and has been beaten by the Trinity and Wesleyan freshmen.

Swimmers Split Four

The swimmers under new head coach Art Christ opened their season with wins over Tufts, 58-26, and Boston University, 45-39. The Blue and Gold won eight firsts against Tufts, but had to come from behind and win the final relay to nose out the Terriers.

On January 10 the team journeyed to Brunswick, Maine, losing to Bowdoin 45-39 in the final relay. Moe Thomas, Jim Gladwin and Ray Parrott captured the sprints and the breaststroke, and Gladwin won the 440 by two strokes.

In the first meet after midyears Amherst defeated the Blue and Gold 46-38 despite the return of Captain Bud Toole, star sprinter. Bud lost the 50 by inches and tied for first in the 100. Charlie Esler, powerful backstroke, also returned to the squad for his first competition this season.

In the only freshman meet Williston overpowered the Bantam yearlings 57-17 and set three new pool records. Aubrey of the visitors turned in 51.8 in the 100; Fitzsimmons' time in the 200 yard free style was 2:01.3; and the Williston 200 yard relay team made the fast time of 1:37.2.

Wes Falls in Squash

Captain Dick Stewart's squash team has defeated Wesleyan while losing to Navy, Army and Amherst. This year Dan Jessee has a better balanced squad, and several of the lower ranking players have developed very well.

Captain Stewart won his matches against Army and Wesleyan. He played number one on the Hartford team in the tri-city matches against Providence and New Haven.

John Mason, '34, has offered a squash racquet award to be given each year to that varsity squad player who has shown the greatest improvement during the season and who has also displayed good sportmanship along with his all-around playing ability.

The freshman team defeated Wesleyan and lost to Deerfield School in its only matches so far.

The new building will form a court with Elton Hall and house 137 men. It will be finished by the opening of college in September and will relieve over-crowding in the present dormitories and bring the on-campus living capacity up to 700.
