# Trinity College,

HARTFORD, CONN.

**T**HIS College was chartered by the state of Connecticut in 1823, and as this result was chiefly due to the activity and sagacity of the Rt. Rev. Bishop Brownell, he may justly be regarded as its founder. This college does only college work. There is no divinity, law, medical or other professional school connected with it, as it is intended to give a liberal Education, adapted to fit young men to enter most advantageously upon the study of the Learned Professions or a business career after graduation. Its course of study is therefore conservative, adhering to that system which long experience has shown to be most effective. In all essential respects its course of study is similar to that of the leading American Colleges, its requirements for admission with those at Harvard and the twelve associated colleges, of which this college is one, according to the schedule adopted by them some years ago. Its situation is elevated, commanding a beautiful view, and very salubrious. Its buildings are new and unsurpassed for convenience and comfort.

## *COURSES OF INSTRUCTION.*

The college offers four courses of instruction, viz.: I. A COURSE IN ARTS; II. A COURSE IN LETTERS AND SCIENCE; III. A COURSE IN SCIENCE; IV. A COURSE IN LETTERS.

The courses extend over four years, with the exception of the Course in Science, which is completed in three years.

Students completing the Course in Arts receive the degree of Bachelor of Arts. Students completing the Course in Letters and Science, or the Course in Science, receive the degree of Bachelor of Science.

Students who do not propose to pursue all the studies of any of the regular courses are permitted, under the name of Special Students, to recite with any class in such studies as, upon examination, they are found qualified to pursue.

## *SCHOLARSHIPS.*

There are numerous Scholarships. These differ in value, some remitting the charge for tuition, and others both the charge for tuition and that for room-rent in whole or in part. For holders of Scholarships remitting the entire charges for tuition and room-rent, the Treasurer's bills are reduced to \$42.50; and the necessary expense of such students including board and other personal items will not exceed \$250, or \$300 a year.

For Catalogues apply to the President or Secretary of the Faculty.

**A WELL FURNISHED ROOM** is a source of education and refinement. One of the important features of College life is the cultivation of correct taste,—a lavish expenditure of money not necessary to produce the best results. Japanese Rugs, all the sizes. Carpets, Curtains and Portieres at Moderate Prices for popular styles. An examination solicited.

LIFE INSURANCE COMPANY.

SURPLUS, \$6,876,212.78.

The Connecticut Mutual stands by itself and occupies a thoroughly enviable position in life insurance. It was never before so strong or so deserving of confidence as it is to-day and never had more of the public confidence than it has now.

It offers plain life insurance, as protection to the family, and tries to make it attractive simply by making it perfect to that end and by keeping its costs down to the lowest possible point. It tries to realize the ideal results of a legitimate business; and it seeks to attract to its membership only those who want only such results, and do not want a speculation on their family's protection.

The conservative course of the company has brought to it a conservative constituency, and these people are the best risks, for they are the people who take care of themselves; and they are the best members, for they are stayers.
