STATEMENT
OF THE
COURSE OF INSTRUCTION, EXPENSES, ETC.

TERMS OF ADMISSION.

Candidates for the Freshman Class will be examined in the Grammars of the English, Latin, and Greek Languages ; in Geography and Arithmetic ; in Sallust, Cicero's Select Oration, Virgil, Latin Prosody, and the translation of English into Latin ; in Jacob's or Felton's Greek Reader, the Gospels of St. Luke and St. John, and the Acts of the Apostles. The admission of the candidate depends more upon the amount of knowledge acquired, than upon the particular books studied.

Candidates for an advanced standing must sustain a further examination, on those studies which have been read by the class they propose to enter.

Students who propose to attend to but a part of the regular course, must be qualified to recite with the regular classes, in the branches they pursue. They are admitted to the Lectures, and to the use of the Library ; and are subject to the College Laws.

No student can be admitted to the Freshman Class before he has completed his fifteenth year.

All candidates for admission must present satisfactory testimonials of good moral character ; and those who are from other Colleges must produce certificates of dismissal, in good standing.

COURSE OF INSTRUCTION.

FRESHMAN CLASS.

- 1st TERM.—Xenophon's *Anabasis*.
 Livy.
 Adams' *Roman Antiquities*.*
- 2d TERM.—Horace—(*Odes*).
 Xenophon's *Memorabilia*.
 Algebra—(*Totten's Introduction*.)
- 3d TERM.—Horace—(*Satires and Epistles*).
 Herodotus.
 Plane Geometry—(*Davies' Legendre*.)
 Declamations and Written Translations throughout the year.

SOPHOMORE CLASS.

- 1st TERM.—Cicero de Oratore.
 Solid and Spherical Geometry—(*Davies' Legendre*.)
 Rhetoric—(*Blair's Lectures*.)
- 2d TERM.—Juvenal.
 Homer.
 Algebra—(*Davies' Bourdon*.)
- 3d TERM.—Tacitus.
 Plane and Spherical Trigonometry and their applications—
 (*Davies' Legendre*.)
 Homer.
 Declamations and Compositions throughout the year.

JUNIOR CLASS.

- 1st TERM.—Tacitus.
 Navigation and Surveying.
 Analytic Geometry—(*Davies'*.)
 Rhetoric and Logic.
- 2d TERM.—Political Economy.
 Analytic Geometry finished.
 Natural Philosophy.
 Greek Tragedies, or Differential and Integral Calculus—
 (*Davies'*.)
- 3d TERM.—Intellectual Philosophy.
 Greek or Modern Languages.
 Natural Philosophy.
 Declamations, Forensic Debates, and Exercises in English
 Compositions, throughout the year.

* To be read with the Classic authors, throughout the course.

course, the following provision has been made in the College Statutes.

Students who do not propose to attend the whole course, may be permitted to recite with the regular classes, in such studies as, upon examination, they shall be found qualified to pursue. They shall enjoy all the privileges of the regular students, and shall be entitled to a certificate from the President, stating the time they were members of the College, and the studies pursued during that time.*

GOVERNMENT AND DISCIPLINE.

The Government is administered by the President and Professors. It is designed to be mild and paternal—appealing to the better feelings of the heart, and aiming to prevent, rather than punish misconduct. Punishments involving public disgrace, are resorted to with reluctance. If a student does not conduct himself to the satisfaction of the Faculty, his parent or guardian will be promptly informed of it, and if it is judged necessary, requested to remove him from the Institution. In cases where despatch is important, the delinquent will be privately dismissed.

An accurate daily account of the delinquencies of every student, and also of his proficiency in his studies, is kept; an abstract of which is transmitted to his parent or guardian at the close of each term.

PUBLIC WORSHIP.

Prayers are attended every morning and evening in the Col-

* The partial course is intended for students who are designed for pursuits, in which a knowledge of the classics is less important, than in the learned professions. Care has been taken, so to arrange the studies, that a student who enters this course with a knowledge of plane Geometry and Algebra, equal to that acquired by the students of the regular course during the Freshman year, may complete, in two years, the whole mathematical and English course; comprising

Geometry, Algebra, Trigonometry and its applications to mensuration, navigation and surveying; Analytic Geometry, Natural Philosophy, Optics, Astronomy, Rhetoric, Elements of Criticism, Chemistry, Political Economy, Moral and Intellectual Philosophy, Logic, Butler's Analogy of Natural and Revealed Religion, and Kent's Commentaries on the Law of Nations, and the Constitution and Judiciary of the United States.

Should the student be unable to devote more than one year to study, he could, in that time, make himself acquainted with the following studies: Rhetoric, Chemistry, Elements of Criticism, Political Economy, Logic, Moral and Intellectual Philosophy, Kent's Commentaries, or Butler's Analogy; and also attend the Lectures delivered to the Senior class.

lege Chapel, with reading of the Scriptures, when all the students are required to be present. They are also required to attend public worship on the Lord's day, either in the Chapel, or at such places as their parents or guardians may desire.

EXPENSES.

For Tuition, \$11 per term ; for room rent, \$3.50 per term ; for the use of the Library, \$1.00 per term ; for sweeping rooms, ringing the bell, fuel for recitation rooms, and printing, \$2.00 per term : all payable in advance. Besides the above, there will be occasional assessments for damages, extra printing, or other common expenses.

Students admitted to an advanced standing, unless from other Colleges, are required to pay \$10 for each year of such advancement ; and for a shorter time than one year, in proportion.

The students reside in the College, and provide for themselves bed and bedding, furniture for their rooms, fire-wood, candles, stationery, and washing. Books and furniture may be sold, when the student has no farther use for them, at a moderate reduction from the original cost.

No Commons are established, as it is preferred that the students should board in private families, in the neighborhood of the College. The price of board must necessarily depend upon the price of provisions. Good board can now be procured for \$2.00 per week.

An association of students has been formed for the purpose of boarding themselves. Their steward provides for the table, and the meals are prepared by a family residing on the premises. The price of board in the FRANKLIN CLUB is from \$1.25 to \$1.50 per week.

By a late regulation of the Trustees, the tuition is remitted to Beneficiaries of the Church Scholarship Society, and to such other necessitous students as design to enter the ministry. The necessary College expenses of such, exclusive of personal expenses, for clothing, fuel, furniture, &c., are as follows :—

Board in Franklin Club, from \$50.00 to \$60.00 per year.		
Room rent,	10.50	"
Use of Library,	3.00	"
Attendance, printing, &c.	6.00	"
Assessment for public damage, &c.	4.50	"
Total,	<u>\$74.00</u>	"

To prevent extravagant or improper expenditures, all funds designed for the use of students are placed in the hands of the College Bursar, who superintends their expenses with a parental discretion. The present Bursar is Duncan L. Stewart, A. M., Professor of Ancient Languages.

EXAMINATIONS.

At the close of each term, all the classes are examined on the studies pursued during the term, in the presence of a committee appointed by the Board of Trustees, and such other literary gentlemen as may choose to attend.

COMMENCEMENT.

The annual Commencement is on the first Thursday in August.

VACATIONS.

1. Seven weeks from Commencement.
2. Two weeks from the Thursday before the 25th of December.
3. Four weeks from the Thursday before the 12th of April.
