TRINITY COLLEGE,

HARTFORD, CONN.

THIS College was chartered by the state of Connecticut in 1823, and as this result was chiefly due to the activity and sagacity of the Rt. Rev. Bishop Brownell, he may justly be regarded as its founder. This college does only college work. There is no divinity, law, medical or other professional school connected with it, as it is intended to give a liberal Education, adapted to fit young men to enter most advantageously upon the study of the Learned Professions or a business career after graduation. Its course of study is therefore conservative, adhering to that system which long experience has shown to be most effective. In all essential respects its course of study is similar to that of the leading American Colleges, its requirements for admission with those at Harvard and the twelve associated colleges, of which this college is one, according to the schedule adopted by them some years ago. Its situation is elevated, commanding a beautiful view, and very salubrious. Its buildings are new and unsurpassed for convenience and comfort.

COURSES OF INSTRUCTION.

The college offers four courses of instruction, viz.: I. A COURSE IN ARTS; II. A COURSE IN LETTERS AND SCIENCE; III. A COURSE IN SCIENCE; IV. A COURSE IN LETTERS.

The courses extend over four years, with the exception of the Course in Science, which is completed in three years.

Students completing the Course in Arts receive the degree of Bachelor of Arts. Students completing the Course in Letters and Science, of the Course in Science, receive the degree of Bachelor of Science, those completing the course in Letters receive the degree of Bachelor of Letters.

Students who do not propose to pursue all the studies of any of the regular courses are permitted, under the name of Special Students, to recite with any class in such studies as, upon examination, they are found qualified to pursue.

SCHOLARSHIPS.

There are numerous Scholarships. These differ in value, some remitting the charge for tuition, and others both the charge for tuition and that for room-rent in whole or in part. For holders of Scholarships remitting the entire charges for tuition and room-rent, the Treasurer's bills are reduced to \$42.50; and the necessary expense of such students including board and other personal items will not exceed \$250, or \$300 a year.

For Catalogues apply to the President or Secretary of the Faculty.
