## UNION-5 TRINITY-0.

### First score made against team this year.

The third football game of the season was played on Trinity Field Saturday afternoon with the heavier team of Union College and resulted in a victory for Union by the score of 5 to 0. The weather conditions, except for the brisk north wind that blew down the field, were ideal, and a good sized crowd witnessed the game.

The playing was snappy and free from unnecessary roughness. Union played a good offensive game but, except for a clever run of 20 yards by Dann, left tackle, were unable to gain more than three or four yards at the most on each down. The Trinity team put up a stubborn defence, but when it secured the ball in the first half seemed unable to keep it and showed the poor judgement of not punting on the third down with the ball on their 10 yard line.

Xanders, the new Freshman fullback, fulfilled the expectations of the most optimistic. In spite of the fact that he has been out for practice of but a few days he was in evidence in every interference and bucked the line like a cannon-ball. Capt. Landefeld played his usual steady stubborn game and made several good runs. Buck played a strong game, Donnelly, who was kept out at first on account of a bad knee, strengthened his side wonderfully when he came into the game, and when called upon to advance the ball always gained the necessary distance.

Landefeld kicked off for Trinity at 3.25 and Dent caught the ball. Union bucked Trinity's line persistently and worked the ball down the field for short but sure gains. When the ball was within 10 yards of Trinity's goal, Union fumbled and lost. Then Landefeld made a run of 25 yards down the field, but the ball was called back by the referee.

Union then got the ball on downs and rushed it this time within 5 yards of Trinity's goal, where they lost it. Xanders went through centre for 15 yards but no one else seemed able to gain, and Union secured the ball. This time they rushed it by hard line bucking over Trinity's goal line. Moore failed to kick the goal.

After the kickoff, Mason caught the ball and made a gain of 10 yards for Trinity. Donnelly then came into the game and braced Trinity's line. The ball was worked down the field by Trinity, but a fumble lost it to Union when there was less than 10 yards to go. The half ended with the ball in the center of the field.

Peck kicked off for Union in the second half and Morgan, who caught the punt, made a short gain. Xanders went through the line for 5 yards, but Union got the ball on downs. Union punted to get the ball out of danger and Landefeld and Xanders made good gains. Pond hurdled for a gain, but Union got the ball on a fumble. Union was penalized

15 yards for offside play and then punted to get the ball down the field. Hubbard made a good catch, but owing to poor interference his gain was short.

In a tackle, Capt. Landefeld was injured and the game was stopped for overtime. After play was resumed Landefeld made a gain of 7 yards by bucking the Union line, but there was only a minute left to play and Trinity's chance to score was slim. The game was called with the ball on Union's 45 yard line.

## TO ALUMNI.

THE TRIPOD is published for the Alumni even more than for the Undergraduates. With this in mind we are striving to produce a paper which shall be interesting and necessary to Graduates, and also to reach as large a number as possible. We are very largely dependent on financial support. If you are not on the Alumni both for our moral and already a subscriber will you kindly give this matter your attention?

Entered as second class matter Nov. 29, 1901, at the Post Office at Hartford, Conn.

The columns of THE TRIPOD are at all times open to Alumni, Undergraduates and others for the free discussion of matters of interest to Trinity men. To aid in this purpose THE TRIPOD mail box has been placed in the section entrance of Middle Jarvis. All communications, or material of any sort for Tuesday's issue must be in the Tripod box before 10 p.m. on Sunday; for Friday's issue before 10 a.m. on Thursday.

## "NOW THEN—TRINITY!"

### EDITORIAL.

There is no doubt that there existed much feeling in opposition to the new pursuit for evening classes, though not so wide-opened and intense as the sensational article in the *Hartford Sunday Globe* would lead outsiders to believe. It is very natural and not altogether unfortunate, as some persons seem to believe, that the actual putting into operation of such a plan should meet opposition. If there were no such outburst of feeling we would be led to infer either that the students had given much thought to the matter and were of uncommon foresight or that there is no college spirit; the first deduction entails no misfortune, and the second we are glad to have contradicted.

The dissatisfaction as indicated chiefly by bulletin board wit, has apparently come to the sense of certain members of the faculty as something entirely unlooked for. They have expressed themselves as not being able to understand such sentiment. On the other hand many students complain that the real character of the evening classes had not been explained to them. Many were at first bitterly opposed to the project, and later, upon being further informed of the nature of these lectures, expressed themselves strongly for it. Misunderstanding on both sides was the cause of

the dissatisfaction. It was a condition of affairs in which the Senior Class could have made itself extremely useful by conferring with faculty and students. The "Globe" article is much like the bursting of a bomb after the battle. But we are glad it gives us occasion to infer the responsibility of action by the Senior class in such affairs.

The first issue of Vol. XXXIX of the "Tablet" appeared on October 19th. The Tablet Board this year is made up as follows:

F. A. G. Cowper '06, Editor-in-Chief; B. C. Maercklein '06, Literary Editor; F. C. Hinkel '06, Secretary; C. G. Chamberlain '07, Business Manager; D. W. Grahame '06, Exchanges; T. S. Marlor '06, Athletics; M. Taylor '08, College and Campus.

Our contemporaries may feel assured that the *Tripod* wishes them a most successful year.

## MISSIONARY CONFERENCE.

The Third Connecticut-Valley Student Missionary Conference was held at the Mt. Holyoke College Chapel on October twentieth and twenty-first.

The Conference opened on Friday evening at seven-thirty o'clock with W. Blair Roberts, Trinity '05, in the chair. After singing a hymn, the address of welcome to Mt. Holyoke was given by Miss Harriet Allyn. The Rev. Dr. Arthur S. Lloyd then delivered an address on the great good that was being done in the Colleges by the Missionary Society and the importance of never underestimating the great value of the missionary to foreign climes. Upon his completing his exhortation the congregation sang a hymn and adjourned till the following morning at nine-thirty.

At the first session on Saturday morning Rev. S. M. Zwerner of Arabia delivered an address upon the importance of the mission field in Arabia and especially the great need that that great peninsula, in area equal to the United States East of the Mississippi River, had for medical missionaries, as at the present time there is only one physician for every one million and a half souls, and in this country there is one physician to every six hundred people.

Short addresses on various topics relative to missions were then given by student representatives from the various institutions which compose the Society. Mr. Graham of Trinity 1906, delivered the address assigned to our college upon the question, "Why do not more students join mission study classes,—where does the fault lie?"

After a short recess the Conference again resumed its business at eleven-thirty. The contents of a "Question box" containing queries of the members of the Society were discussed and as far as possible decided by Rev. Harlan P. Brach.

In the afternoon there were three addresses, one upon the "Philippines," one upon "China," and one concerning St. Pauls College in Tokio, Japan.

The Conference adjourned at four with a vote of thanks to Mt. Holyoke College for its delightful entertainment.

The following men comprised the contingent from Trinity undergraduates and active members of the Society in College: Prof. Brenton, Huet, Bowne, Graham, Maercklein, Cassetta, and Cameron.

## The Connecticut Mutual Life Insurance Company,

HARTFORD, CONN.,

### Why should I insure my life?

Because it is a debt you owe to those who are dependent upon your earnings for their support.

You admit that it is your duty to supply their needs from day to day, but forget that it is equally your duty to provide an ever ready and sufficient equivalent for your earning power, which your family stands in constant jeopardy to lose by your premature death.

Guard your family against disaster and yourself against dependency in old age.

### When should I insure my life?

Now! The cost will never be less, and tomorrow you may not be able to obtain insurance at any price.

Even if others are not now dependent upon you, take time by the forelock and you will be the better able to meet future responsibilities, and at a smaller premium.

### Where shall I insure my life?

In a purely Mutual Company.

In a company that earns, declares, and pays annual dividends.

In a company that is doing a conservative business.

Such a Company is The Connecticut Mutual Life Insurance Company of Hartford, Conn. It furnishes perfect protection at lowest cost.

For further information, address the Company, or any of its agents.
