MUSICAL CLUBS MEET.

Excellent Material in College this year.

A meeting of the Glee and Mandolin Clubs was held Tuesday evening in the Latin room, about thirty reporting. President Gateson called the meeting to order at 7 o'clock. His introductory remarks were in substance as follows: The purpose of the meeting was the desire of the officers to know what interest was to be taken in the clubs as shown by the number of students present. Some satisfaction was felt though it was thought a larger delegation should have been at the meeting. Mr. Gateson said that "efforts were being made to secure competent directors, and that the trials for places on the clubs would take place in about a week. The material in college this year gives promise of excellent musical clubs, if properly supported by the undergraduate body.

Mr. Gateson then asked Mr. DeMauriac, the leader of last year's Mandolin Club to review the past season and give his ideas on what course should be taken in respect to the future. Mr. DeMauriac laid great stress on the advertising qualities of college musical clubs and in comparing them with athletics proved that more can be gained for the college through good musical clubs than good athletic teams. Also money gained through the musical clubs can be used to advantage by the Athletic Association. Mr. DeMauriac urged the men to be more particular to attend all rehearsals promptly. Mr. Rehr, the club's manager, spoke of sundry trips of a few days which he had in mind, and ended by strongly seconding all of Mr. DeMauriac's arguments.

Mr. Curtiss, the next man called on to speak, assured those present of the fact that the leader was one of the best the clubs have had in some years, gave a short history of the club's past and told what he hoped they could do in the future.

Butler (ex-Cornell) spoke for some time on the value of musical organizations in general and related some of his experiences as a member of the Cornell club.

After the meeting the members of last year's clubs voted that the manager be allowed to appoint a second assistant to be voted on by the clubs.

The following are the officers: President, Mr. D. Wilmot Gateson; Manager, Mr. Victor E. Rehr; Leader of the Glee Club, D. W. Gateson; Leader of the Mandolin Club, H. deW. de Mauriac.

COLLEGE NOTES.

A meeting of the Tablet Board will be held Monday, at 6:45 P. M., for the consideration of material for the next number.

DEBATING CLUB.

Challenge received from Rutgers College.

Work in debating will begin, this year, much earlier than usual for the reason that last year the season was dragged out to an unreasonably late end.

A challenge has been received, already, from Rutgers, against whose team the College debated last year, and in all probability it will be accepted. If so, the debate will be held at New Brunswick, N. J., thus giving the men who make the team a chance for a good two days trip, a fact which ought to stimulate greatly competition for places on the squad.

As to prospects both for a successful team and for chances for new men, the outlook is very encouraging.

Of last year's team there are still in college Curtiss, '06, and De Mauriac, '07, both of whom have been on the Varsity team for two years, as well as Cunningham, who has been an alternate for the same length of time. But this does not mean that there is only one position left open. The four best debaters in college will be the men to fill the regular positions and the alternate's place and will be the men sent to Rutgers, no matter whether they have been in the team before or not. A large number of men should attend all of the meetings and be prepared to work.

HYGIENE LECTURES.

All Freshman must report next week.

Prof. Edwards will deliver the required lectures in anatomy, physiology and hygiene to the members of the Freshman Class commencing next week Monday. The lectures will be given in his rooms in the Natural History building. They will be given on the following days:

Monday, October 30, Tuesday, October 31, Thursday, November 2, Friday, November 3, Saturday, November 4.

The examination in the subject will be held Monday, November 6.

TOUCEY SCHOLARS APPOINTED.

The faculty have appointed the following Toucey scholars: In the Junior Class, H. deW. de Mauriac. In the Sophomore Class, Frederick Wamersley.

FRESHMAN BASKETBALL.

From all appearances the Freshmen intend to have a fast basket ball team. H. O. Hinkel has been elected manager of the team and is also acting captain for the present. There are about a dozen men out for the team and practice is being held every afternoon in the gymnasium. It is said that there is very good material for a team which will represent the class in a creditable manner.

Continued on page 3.

OFF FOR HAMILTON.

Team started in good condition this noon.

The foot ball team left Hartford this noon for Clinton, N. Y., where it will play the light but aggressive team of Hamilton College. The men who went on the trip were Landefeld, Pond, Cameron, Buck, Marlbor, Dougherty, Donnelly, Morgan, Hubbard, Maxson, Xanders, Willoughby, Butts, Gateson, Budd and Carpenter. Manager Fiske is unable to go and the trip is being conducted by Assistant Manager Bryant.

The team has been in poor condition ever since the Union game. Morgan has not been out at practice this week, owing to a stiff knee. Landefeld has a sore muscle in his left thigh which during the first part of the week made it nearly impossible for him to bend his knee. Donnelly has a case of water on the knee and Collins had his nose broken while tackling Maxson in the practice Wednesday afternoon.

Owing to this hospital list the practice has not been encouraging this week, but with these men back in the game Saturday the team should play with the confidence that has characterized their work all this season. Willoughby has been taking Morgan's place at end and Landefeld has gone in Hubbard's place at quarter, but otherwise the varsity line-up has been the same as usual.

The team left on the 12:02 train this noon for Springfield where they connect at 1:11 for Utica, arriving in Utica at 6:15. From Utica it is a ride of less than an hour to Clinton where the team will stay with headquarters at the Clinton Hotel. In returning the team leaves Utica at 9:00 a. m. Sunday and gets into Hartford that evening.

The Hamilton team averages 157 pounds.

DIRECT TO ASYLUM HILL.

Consolidated Railway Company Asks Permission to

DOUBLE TRACK BROAD STREET BETWEEN FARMINGTON AND NEW BRITAIN AVENUES.

The following appeared in the Hartford Times for October 23:

To Double Track Broad Street.

Alderman Hagarty presented the petition of the Consolidated Railway company for permission to lay a double track on Broad street from Farmington avenue to Park street, a single track on Broad from Park to Vernon street, and a double track on Broad street from Vernon street to New Britain avenue. The scheme is to double track Broad street its entire length, Farmington avenue to New Britain avenue, as there is already a single track with turnouts on the street, Park street to Vernon."

The closer connection with Asylum Hill will be of great value to the college.

TENNIS TOURNAMENT

Results of Preliminary Round.

The preliminary round of the Fall Inter-Class Tennis tournament was completed Tuesday afternoon.

The Senior and Freshman teams each won three out of the four matches and the scores are: Seniors 3 points, Juniors 1, Sophomores 1, Freshman 1.

Five out of the eight matches went to three sets, the Fiske-Bryant and Page-Coleman matches being particularly well played. It was unfortunate that Page and Coleman should have come together in the preliminaries as Page, who represented the college in the New England championship tournament last spring, on the day of his match was off his form.

The three Freshmen who have remained in, all have good form, especially Coleman, and with more experience should make good.

The second round should have been played off by last night and the scores of the semi-finals should be posted on the board by to-morrow night.

The scores of the preliminary round are:

Fiske '06, Bryant '07; Fiske 6-1, 6-8, 6-3.

Page '08, Coleman '09; Coleman 6-2, 4-6, 6-4.

Burgwin '06, Smith '07; Smith 6-2, 6-2.

Randall '08, Buchanan '09; Randall 6-2, 6-4.

Bowne '06, Cunningham '07; Bowne 6-1, 6-4.

Stevens '08, Carpenter '09; Carpenter 6-0, 4-6, 6-4.

Rehr '06, Ferguson '07; Rehr 6-3, 7-9, 6-1.

Morris '08, Elwell '09; Elwell 6-4, 3-6, 6-3.

TO ALUMNI.

THE TRIPOD is published for the Alumni even more than for the Undergraduates. With this in mind we are striving to produce a paper which shall be interesting and necessary to Graduates, and also to reach as large a number as possible. We are very largely dependent on the Alumni both for our moral and financial support. If you are not already a subscriber will you kindly give this matter your attention?

"NOW THEN—TRINITY!"

EDITORIAL.

We are glad to publish in this issue a new song, "Old Trinity," to the tune of "Bonnie Dundee." The contribution came to us anonymously and without note or comment. The sentiments are good and very well expressed, and the stanzas have a swing that should make the new song popular. We are perplexed, though, in trying to appreciate the picture suggested by the second verse of the first chorus, "One foot on the table, each Trinity man!" Perhaps the "foot" pushed in where the "hand" should be.

According to the official registration figures the total number of students at Harvard university this year is 3865, a decrease of 139 from 1904. The greatest loss is in the college which has 93 students less, while the law school shows a decrease of 24. On the other hand the graduate school has 21 more students than last year and the medical school 10 more.

MR. McNULTY COMING.

All those interested in the missionary work will soon have an opportunity to hear the Rev. Henry A. McNulty, general secretary of the Church Students' Missionary Association. He is to address the Missionary Society in the Latin Room on the evening of Monday, November 6th. Mr. McNulty will have something to say about the coming convention of the C. S. M. A. which is to be held in Cambridge within a few weeks. He is also to place before the men some helpful suggestions in regard to mission study. It is hoped that as many as possible will avail themselves of this opportunity. Students, members of the faculty and others are all cordially invited to attend.

The Consolidated Railway Company has petitioned the City of Hartford for permission to double track Broad Street between Farmington and New Britain Avenues. We hail the event with pleasure. Asylum Hill, which this system will make so much more accessible to the college, is very popular with the student body. It is very evident that in making the college more accessible to Hartford people the college is being greatly benefited. We shall watch the development of the plan with interest.

OLD TRINITY.

(To the tune of "Bonnie Dundee.")

Oh, it's back to the halls of our old Trinity,
From the West, from the North, from the South, that we flee,
With a warmth in our heart and a light in our eye,
And a hand for the friendships that never will die.

Chorus.

"Come fill up the cup, come fill up the can,"
One foot on the table, each Trinity man!
Here's the toast that will thrill us, where'er we may be,
Here's a health to the fame of our old Trinity!

Now whether we work or whether we play,
In the cool of the eve or the heat of the day,
We've an eye to her glory whose favor we wear,—
This our Mother, so brave, and so wise, and so fair.

Chorus.

Then put hand to the plough for the good of her name;
To the first who turns back we'll be swift to cry shame:
Let each man do his best, and, whatever it be,
It will strengthen the life of our old Trinity.

The Connecticut Mutual Life Insurance Company,

HARTFORD, CONN.,

Why should I insure my life?

Because it is a debt you owe to those who are dependent upon your earnings for their support.

You admit that it is your duty to supply their needs from day to day, but forget that it is equally your duty to provide an ever ready and sufficient equivalent for your earning power, which your family stands in constant jeopardy to lose by your premature death.

Guard your family against disaster and yourself against dependency in old age.

When should I insure my life?

Now! The cost will never be less, and tomorrow you may not be able to obtain insurance at any price.

Even if others are not now dependent upon you, take time by the forelock and you will be the better able to meet future responsibilities, and at a smaller premium.

Where shall I insure my life?

In a purely Mutual Company. In a company that earns, declares, and pays annual dividends. In a company that is doing a conservative business.

Such a Company is The Connecticut Mutual Life Insurance Company of Hartford, Conn. It furnishes perfect protection at lowest cost.

For further information, address the Company, or any of its agents. JOHN M. TAYLOR, Pres't. H. H. WHITE, Sec'y.
