PRICE, FIVE CENTS.

ALL OUT FOR TRACK PRACTICE.

Captain Gateson Issues The Following Appeal:

On Monday next, March 19th, regular daily practice for the track team will begin. The hour will be 3:45.

Several things should be brought before the attention of the undergraduates. In the first place, there was little, if any, attention paid to the notice of a meeting of candidates which was posted for last Wednesday. And secondly, the notice for the indoor meet was disregarded. Better spirit than this should be forthcoming immediately.

We have an excellent schedule for this year with three, and a possibility of four, out of town meets. These trips certainly should appeal to everyone.

The following men, among others, ought to feel it their duty to respond, attend meetings and practice regularly: Bowne '06, Curtiss '06, Gateson '06, Fallow '07, Dougherty '07, Moody '07, Spier '07, Bailey '08, Buck '08, Collins '08, Donnelly '08, Ladd '08, Maplesden '08, Morris '08, Olmsted '08, Page '08, Pond '08, Porter '08, Reiche '08, Stevens '08, Taylor '08, Wamersley '08, Zoubeck '08, Barbour '09, Buck '09, Cadman '09, Coleman '09, Dwyer '09, Hamersley '09, Henshaw '09, Livingston '09, Mason '09, P. Roberts '09, Sherwood '09, Stafford '09, Willoughby '09 and Xanders '09.

This list by no means is intended to include all the freshmen who should try for the track team. Every freshman should come out if he is physically able, whether he has ever done anything before in this line or not. Many men have surprised themselves and made good track men, who never had on a running suit before entering college.

In closing, it should be said that the men on probation should make a strenuous effort to rid themselves of that hindrance. No valuable material should go to waste on that account.

Matters not mentioned here will be discussed next Monday, at 1:20 p. m., in the Latin Room. Everyone should be on hand.

D. W. GATESON.

RE-ARRANGEMENT OF PHYSICS LABORATORY.

Professor Perkins has been re-arranging the apparatus in his department and he now has a special dark room for work with the spectroscope and other light instruments and also a room fitted up with apparatus for high tension electrical experiments and x-ray work. Among the new pieces of apparatus added to this department recently are an electrolytic interrupter for x-ray work and a Michelson's interferometer, the most accurate measuring instrument ever devised. It measures in terms of the wave lengths of sodium light.

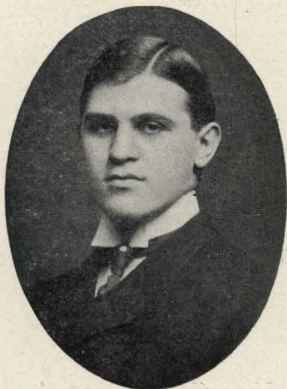

JUNIORS NOTICE.

OWEN MORGAN '06.

Elected Class-Day President—Harry Huet Chosen Treasurer.

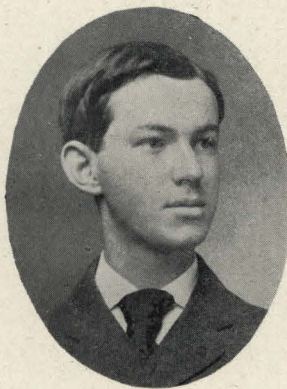

At a meeting of the Senior Class held in the Latin Room yesterday at 1:15 p. m. Owen Morgan was elected president for Class Day. Ever since freshman year Morgan has been one of the most prominent men in the class, and has played on both the football and base

ball teams in nearly every game since entering college. He was football captain in his junior year and at center field has always held the reputation of being the steadiest man on the base ball team. Morgan was class president the first term of freshman year. He was a member of the Sophomore Dining Club, the Junior Promenade Committee and belongs to the Senior Honorary Society. Morgan's home is Dallas, Texas.

For treasurer of the Class of 1906, Harry Huet of Grand Forks, North Dakota, was chosen. Huet was also president of the class in his freshman year,

HARRY HUET.

holding that office for the second term. He was a member of the Sophomore Dining Club and the Junior Promenade Committee, and one of the managing editors of the 1906 Ivy. Huet was one of the founders of the "Tripod" and is at present its editor-in-chief.

The Nominating Committee which will nominate men for the other Class Day offices and committees has been appointed as follows: Morgan, Huet, Bowne, Gateson, Hinkel, Powell and Winston. It was voted that this committee should nominate men for the office of Lemon Squeezer Presenter, in addition to the usual officers.

NOTICE.

Philadelphia Alumni.

As you no doubt know or have heard, the Musical Clubs this year are the best that have been in college for the last half a dozen years at least. In view of this fact the manager has been trying ever since Christmas time to arrange an Easter trip. As it now looks, this trip will fall through, unless the Philadelphia Alumni are able to do something towards securing a concert either in Philadelphia or a suburb. Two concerts in Brooklyn have been arranged and one in New York for the Alumni and their friends will be arranged. Arrangements for a concert in Wilmington will be possible if one can be secured in Philadelphia. Surely this will not be an impossible task to ask of you. The spirit of the Philadelphia Alumni is unquestionable in view of their recent activities. Confidence is felt, therefore, that this appeal will not be without some results. The following dates are open:—19th, 20th, 23d and 24th of April. It is customary to arrange the concert under the auspices of some organization. This would probably be necessary in view of the small number of Alumni in Philadelphia.

A guarantee of \$125.00 would be the lowest possible figure. Contributions by Alumni to this guarantee would lessen the amount needed to be asked and thereby increase the possibility of our securing the date. Any doubt as to the quality of the Club can be allayed by writing to any of the professors in college who have heard us sing. Any Alumnus who can possibly secure us a date is most earnestly asked to write at once to V. E. Rehr, Manager Musical Association.

Before closing, mention should be made of the praiseworthy work of Mr. J. A. Wales, of 1213 Locust Street, who secured us an engagement which unfortunately was cancelled shortly afterwards. Let every man give this appeal his most serious attention. A concert there is absolutely necessary. The Clubs will guarantee to render a concert that will not only be a pleasure to any Trinity men who may hear it, but also a credit to the college.

Team Will go to Rutgers on Friday Night.

Until next Friday the Debating team will hold daily practice. On Friday afternoon they will make the trip to New Brunswick, N. J., where the contest will be held against Rutgers. The alternate for the team has not yet been chosen. Curtiss '06, Corbett '08, and Willoughby '09, compose the team.

There will be a meeting of all candidates for the track team, in the Latin Room, on Monday at 1:20 p. m.

The Glee Club picture will be taken to-morrow (Saturday) at 1:45 p. m.

SECOND BASE BALL TEAM.

Assistant Manager William R. Cross Has Eight Games in View.

Much interest is being shown around college in the second baseball team which is to play this year. The object of this team is to give the second best nine in college an opportunity to develop their abilities in this line and thus strengthen the varsity team in the future. It also is a source of encouragement for those men to come out and play base ball who do not feel that they are capable of making the varsity at present.

William R. Cross, Assistant Manager of the base ball team, has now eight games practically arranged for. Westminster School and Amherst '09 are among those on the list.

There may perhaps still be some men in college who have a talent for base ball, and for one reason or another have not yet shown it. Come out and try for the second team, you may surprise yourself and make the varsity; stranger things have happened.

BURIAL SERVICES FOR DAVID FACKLER.

The funeral of David Morris Fackler '06 was held in New York last Monday afternoon. A commemoration service was held on Tuesday morning. Harry Huet '06, F. C. Hedrick '07, and James J. Page '08, attended the funeral services. R. W. Trenbath '03, F. C. Meredith '05, C. B. Hedrick '09, Dr. Robt. S. Starr '97, and Thomas McB. Steele '02 were also present at the funeral.

The late President Harper of Chicago University entered college at the age of ten, graduating at fourteen. He took a subject in Hebrew for his graduation thesis.—Ex.

TO ALUMNI.

THE TRIPOD is published for the Alumni even more than for the Undergraduates. With this in mind we are striving to produce a paper which shall be interesting and necessary to Graduates, and also to reach as large a number as possible. We are very largely dependent on the Alumni both for our moral and financial support. If you are not already a subscriber will you kindly give this matter your attention?

"NOW THEN—TRINITY!"

EDITORIAL.

The college awaits the developments of St. Patrick's Day.

The Senior Class very wisely adopted the system of electing Class Day Officers that the Senior Class of last year instituted. In accordance with this plan the president and treasurer were elected yesterday. Very soon a committee, mad up of one man appointed by each society, will make the nominations for the remaining officers, to be voted upon at a meeting of the class to be held within a few days.

Andrew Carnegie has promised \$15,000 or more a year to the Simplified Spelling Board for carrying on the campaign to simplify the spelling of English words. Branden Matthews, professor in Columbia University, is chairman, and has fifty associates, among whom are "Mark Twain," Dr. Butler, Colonel Thomas Wentworth Higginson, and many other prominent men. The movement is not for radical changes in spelling, but to drop unnecessary letters. Among the proposed changes are:—"tho" for "though," "cigaret" for "cigarette," and "thru" for "through." Mr. Carnegie believes that, by simplifying English and making it more the universal language, a great step will be taken toward international peace.

Are you interested in track athletics? No undergraduate should give this question a negative answer. We are surprised to learn from Captain Gate-son's appeal which appears in another column, that so few men have turned out thus far. There is no reason why those men who have run on the team last year or in previous years should be slow about making their appearance. That is not consistent with Trinity spirit.

Manager Haight has arranged an unusually good schedule and the men should be glad of an opportunity to take these trips. We learn that negotiations are under way for a meet with Annapolis. This will surely be a good thing for Trinity if it can be arranged. Track athletics is a comparatively new department for that institution and we should stand a fair chance to win. A comparison with their track record of last season shows that we have men who can equal their times and their distances in most of the events. Now then, track men and candidates, and those who should become candidates, it's up to you!

SENIOR CLASS RESOLUTIONS.

At a meeting of the Senior Class on Tuesday the following resolutions were adopted:

Whereas, It has pleased Almighty God in His infinite wisdom to take from us our beloved classmate and companion, David Morris Fackler, and

Whereas, Not only the Class of 1906, but also Trinity College, has lost a loyal son, a conscientious student and a thorough Christian gentleman, therefore, be it

Resolved, That we the Class of 1906 of Trinity College extend our most heartfelt sympathy to his family in this our common bereavement, and be it further

Resolved, That a copy of these resolutions be sent to his family, and that they be published in the "Trinity Tablet," the "Trinity Tripod" and the daily papers.

The course covering four years begins the last week in September and continues until June.

A preliminary training in natural science is of great advantage. All the classes are divided into small sections for recitations, laboratory and clinical bedside instruction. Students are admitted to advanced standing after passing the requisite examinations. The successful completion of the first year in any College or University recognized by the Regents of the State of New York as maintaining a satisfactory standing is sufficient to satisfy the requirements for admission which have lately been raised. The Connecticut Mutual Life Insurance Company,

HARTFORD, CONN.,

Why should I insure my life?

Because it is a debt you owe to those who are dependent upon your earnings for their support.

You admit that it is your duty to supply their needs from day to day, but forget that it is equally your duty to provide an ever ready and sufficient equivalent for your earning power, which your family stands in constant jeopardy to lose by your premature death.

Guard your family against disaster and yourself against dependency in old age.

When should I insure my life?

Now! The cost will never be less, and tomorrow you may not be able to obtain insurance at any price.

Even if others are not now dependent upon you, take time by the forelock and you will be the better able to meet future responsibilities, and at a smaller premium.

Where shall I insure my life?

In a purely Mutual Company. In a company that earns, declares, and pays annual dividends. In a company that is doing a conservative business.

Such a Company is The Connecticut Mutual Life Insurance Company of Hartford, Conn. It furnishes perfect protection at lowest cost.
