## SENIOR CLASS PLAY.

The play which Philip E. Curtiss has written for the Senior Dramatics this year is entitled, "The Prince of Sachstein-Zweibachs" and the scene is laid in an imaginary land. The play was originally a plain drama for six persons, in two acts. Then it was enlarged by the introduction of songs and dances. Curtiss wrote most of the songs to popular airs to suit the needs of college dramatics. There are five choruses. The characters of the play are taken by members of the senior class, but many men from the Glee Club have been taken for the chorus and peasant girls, infantry soldiers and artillery men.

The regular cast is composed of the following seniors:—

Carl Frederick Wilhelm, the Seventh reigning prince of Sachstein-Zweibach .....Garrett D. Bowne  
Field Marshal Lord Fritz, commander in chief of the army...Geo. P. Pierce  
Sir Millard Cholmandley, young English baronet.....Harry G. Barbour  
George Washington Jefferson an American representing the packing house of Harmour & Co.....  
Thomas S. Marlor  
Hilda Christina Frieda, daughter of the prince and heir apparent of Sachstein-Zweibach.....Hill Burgwin  
Gretchen, chief lady in waiting to Hilda, and also a barmaid.....  
D. Wilmot Gateson.

## TRINITY 1—HOLY CROSS 2.

### 'Varsity Nearly Wins in Wonderful Nine Inning Contest — Badgely Pitches Excellent Ball.

Virtually a victory for Trinity is the verdict of the large number of spectators who saw the 'varsity play Holy Cross on Trinity field, Wednesday afternoon. It was without doubt the finest exhibition of the national game that Trinity has played this year. The home team pushed their opponents to their utmost, allowing them to score but two tallies to the home team's single run. Considering the splendid record made by Holy Cross this season, the 'Varsity may be more than congratulated for their excellent showing. Badgely was in perfect form, allowing but a single man to get his base on balls, also keeping the few hits that were made well scattered. His support was better than in any other previous game. Cunningham caught consistently, allowing but one passed ball. In fact the whole nine played with a snap and vim that the college body has not seen before this season. Both teams held each other down inning after inning, repeatedly retiring the sides in one, two, three order.

The game opened shortly after four o'clock with Morgan for Trinity at bat, who was put out on a long fly to right field and was followed by Burwell with a grounder to first, assisted by Cahill. Then the 'Varsity started right in to roll up the score; Capt. Powell reached first on a drive to left field. Badgely took first, being hit by pitched ball and let Powell make second. With Xanders at bat prospects for scoring appeared very promising and indeed it was then that the one run was made. Barry muffed the grounder made by Xanders letting Capt. Powell cross the home plate and leaving Badgely on third. This one tally had to suffice, for the inning was closed by Connor striking out. Holy Cross started the last half with Cahill at bat. He was soon struck out and was followed by Barry. On a hit to right field, Barry easily made first. The next man was quickly put out by a high fly to Trinity's pitcher. With two men gone, Capt. Flynn, the visitors' most able player, came to bat. By a drive to center field he singled enabling Barry to take second. The inning ended by Xanders catching Carrigan's high fly. From this time on until the unlucky eighth, both sides played in league form.

In the second inning pitcher Mansfield struck out the first two men at bat for 'Varsity, Donnelly and Marlor. The side was retired by Cunningham's easy grounder to Mansfield.

The last half of the second was closed out even more speedily than the first—the visitors being unable to hit Badgely safe.

The third inning opened with Morgan at bat. Unluckily he could not connect with Mansfield's ball as he was put out on a short grounder to second base. The visitors retired Trinity's next two men, Burwell and Powell thus making three

men out. Holy Cross, in the last half, tried her best to score and it seemed for a short time that her intention would be realized, but Badgely with the aid of excellent work by the team held the visitors down to no tally. The visitors had advanced a man to second but that was as far as he reached for the next man, Barry struck out, and was followed by Hoey, their heaviest hitter, who did the unexpected and knocked a high fly directly into Powell's open glove.

'Varsity opened the fourth with Badgely at bat who was put out on an easy grounder to Barry. Xanders nad Connors were soon disposed of, thus retiring the side. Like the 'Varsity, Holy Cross was unable to place any hits; Flynn flied out to Morgan, Carrigan fanned out, while the third man flied out on easy fly to Marlor.

Like the fourth, both teams were unable to score in the fifth inning and the sides were retired in one, two, three order. The team work of each nine was of the first rank and the players were rewarded by the enthusiastic cheers from the college body in the bleachers and the large number of Holy Cross fans in the grandstand.

In the fifth, the 'Varsity could not safely connect with the ball and so the side was retired. Again did Badgely keep the visitors from scoring, only allowing one man, Mansfield, to hit the ball and he was left there by Cahill striking out. Both sides outdid each other in good team work and it was an even break as to which played the better. The players could not help feeling the excitement, which coming from the spectators, permeated the whole atmosphere, but nary a bit did the men betray their feelings, but settled down all the more to avoid making any chance errors.

The sixth inning was but a mere prolongation of the fifth, neither side was able to score. It seemed as though the lone tally would be the final result—'Varsity played the kind of ball that could not help but discourage the visitors, while they in turn prevented their opponents from increasing the score.

In the seventh Trinity had a chance to score but unluckily could not avail herself of the opportunity. Badgely singled by a swift grounder past third. Xanders followed and by a well placed bunt reached first and Badgely reached second. Connor struck out and was followed by Donnelly who sacrificed and enabled Badgely to make third while Xanders went to second. With two men out and a man on third and another on second it looked as if at least one more tally would be made, but Holy Cross held down the 'Varsity at the crucial time. Marlor was out on drive to short, thus closing the side. Trinity held down the visitors to no hits and the inning closed. Capt. Powell put out the third man, Cashen, by making a very difficult running catch.

The unlucky eighth opened with Cunningham at bat, who was out on grounder to first assisted by Cashen. Morgan placed a long fly into the hands of Cahill in center field. The side was re-

THE TRIPOD is published for the Alumni even more than for the Undergraduates. With this in mind we are striving to produce a paper which shall be interesting and necessary to Graduates, and also to reach as large a number as possible. We are very largely dependent on the Alumni both for our moral and financial support. If you are not already a subscriber will you kindly give this matter your attention?

## "NOW THEN—TRINITY"

### EDITORIAL.

A communication from the manager of the track team is published in this number of the "Tripod." He states the financial condition of the track team and of the Athletic Association all too truly. A sum sufficient to pay the team's expenses to Schenectady, a distance of 150 miles, must be obtained by Tuesday next. If the money is forthcoming, the team will go to Union, and every indication points to a victory for Trinity and a successful ending of the track season of 1906. If, on the other hand, the manager cannot raise sufficient money the meet will have to be cancelled. This would be a disgrace to the college. Let every man take upon himself the responsibility of helping the team to get to Schenectady next Tuesday.

Wednesday's baseball game was as good an exhibition of our national game as anyone could desire to see. Every man on the Trinity team played his best game and worked his hardest to defeat Holy Cross. While we were ahead of our opponents until the eighth inning—in fact they did not score until this stage of the game—still we lost by a single run. On the other hand in out opinion it was as good as a victory when we consider the record of our opponents. To play such a game with a team that has defeated Yale, Harvard, Brown, Amherst and Dartmouth, is very

much to our credit.

It would not be right for us to close without a brief comment on the attendance at the game. We were pleased to see the large number of people on Trinity field. It did us a great deal of good and we are confident that the attendance had much more to do with the game, than some of us are willing to believe.

(Continued from page 1).

tired by Burwell's grounder to short stop.

It seemed as though the visitors would not score in the eighth as both Mansfield and Cahill were put out, but the next man, Barry, singled by driving a well placed grounder past third. Then Badgely allowed the only man to get his base on balls throughout the entire game—Hoey. Capt. Flynn came to bat, while Barry stole third on passed ball and Hoey made second. At this time Flynn did the hitting that won his game. By a long well-placed grounder between first and second, he let in Barry and Hoey cross the home plate—score two to one in favor of Holy Cross. The side closed by Carrigan's getting out on short fly.

It even seemed that there was yet a hope for Trinity to tie the score, but they were unable to make any hits and the game ended with the very close score of two to one after one of the hardest fought games that Holy Cross has experienced this year.

For Trinity, Badgely easily excelled as previously stated, both by his pitching and getting a single out of three times at bat. His headwork was excellent and fielding perfect. Capt. Powell also played in splendid form. He scored the only run which Trinity tallied, and his fielding was brilliant. Twice he got drives which looked like hits.

Capt. Flynn played the star game for Holy Cross, making the hit that won the game. Out of the five hits, he made two. His fielding was superb. Cashen and Mansfield also played a good game.

## COMMUNICATION.

Editor of the "Tripod":

Dear Sir:—When the college body is called upon for support of an organization which is unsuccessful, and not paying expenses, I am not surprised that the response is small, but when the money is asked for the support of the best track team that has represented Trinity in many years, I am discouraged and disappointed by the little interest shown.

If the undergraduates could not afford to subscribe it would be one thing, but the fact is that the men of moderate means have given more than their more fortunate friends who spend their spare change down town when it is absolutely needed to support baseball and track. It is plain selfishness to hold back, as many are doing, and let a few men accomplish all the work and furnish most of the financial support.

The track team is scheduled to meet Union May 30th, and in order to go to Schenectady, a certain sum of money must come from the undergraduates. I do not mention the exact amount lest some might be discouraged at the outset. Capt. Gateson and I, aided by Coach O'Connor, have worked hard to gather a squad of men that is a credit to any college twice our size. Now if you want this team to bring new honors to your college, you must support it and do so now. Send your subscriptions to Assistant Manager Edsall or to myself and I can assure you that they will be utilized in a good cause.

Very truly yours,

A. D. HAIGHT,  
Manager 1906 Track Team.

## Cornell University Medical College NEW YORK CITY

The course covering four years begins the last week  
in September and continues until June.

A preliminary training in natural science is of great  
advantage. All the classes are divided into small sec-  
tions for recitations, laboratory and clinical bedside in-  
struction. Students are admitted to advanced standing  
after passing the requisite examinations. The successful  
completion of the first year in any College or University  
recognized by the Regents of the State of New York as  
maintaining a satisfactory standing is sufficient to sat-  
isfy the requirements for admission which have lately  
been raised. The annual announcement giving full par-  
ticulars will be mailed on application.

## The Connecticut Mutual Life Insurance Company,

HARTFORD, CONN.,

### Why should I insure my life?

Because it is a debt you owe to those who are dependent upon your earnings for their support.

You admit that it is your duty to supply their needs from day to day, but forget that it is equally your duty to provide an ever ready and sufficient equivalent for your earning power, which your family stands in constant jeopardy to lose by your premature death.

Guard your family against disaster and yourself against dependency in old age.

### When should I insure my life?

Now! The cost will never be less, and tomorrow you may not be able to obtain insurance at any price.

Even if others are not now dependent upon you, take time by the forelock and you will be the better able to meet future responsibilities, and at a smaller premium.

### Where shall I insure my life?

In a purely Mutual Company.  
In a company that earns, declares, and pays annual dividends.  
In a company that is doing a conservative business.

Such a Company is The Connecticut Mutual Life Insurance Company of Hartford, Conn. It furnishes perfect protection at lowest cost.

For further information, address the Company, or any of its agents.
