TRINITY o, HAVERFORD o.

Two Teams Play an Evenly Matched and Interesting Game.

In a contest full of brilliant dashes and long punts, Trinity and Haverford played each other to a standstill on Saturday last, in two thirty-minute halves. Trinity had the advantage in the first half, keeping the ball in Haverford's territory most of the time. In the second half, however, Haverford showed more aggressiveness and the ball was kept moving back and forth with no result. The game was cleanly played, devoid of slugging and full of free punting and open play. Trinity's goal was never in danger throughout the contest, and while the wearers of the old gold and blue had the ball on Haverford's 5-yard line, and again on the 3-yard line, both times in the first half, the Philadelphia men held like a stonewall and secured the leather on downs.

The game was played as a benefit for the workmen's free bed fund of the tuberculosis hospital, the net proceeds going to that institution. A big crowd was on hand, close to 1,000, including several hundred finely-gowned women. Hatch's Military Band, under the direction of Charles P. Hatch, was in attendance, and played lively music throughout the afternoon. The band donated its services to the cause. Several policemen also gave their services free.

The fact that part of the field surrounding the gridiron was covered with snow and the lack of sufficient number of seats to accommodate a big crowd, undoubtedly kept many from attending the contest who otherwise would have gone. With the weather conditions under foot better, the game would have attracted at least 2,000 people.

Manager P. C. Bryant of the Trinity team worked hard to make the day's attraction a big success and credit is due him for the fine showing made under the conditions. It was the largest crowd of the year on Trinity field and the spectators were elated at the fine game put up by the teams.

The contest demonstrated the fact that the teams were evenly matched. Haverford presented a strong line that Trinity couldn't smash, except at rare intervals, while the local collegians made greater gains in end runs than their opponents. In C. Brown the visiting team presented a crack punter, and his work was the finest seen on the field this season. Pond played a star game for Trinity and his long runs on criss-cross plays through the Haverford eleven made the greatest gains for the home team.

Referee Wrightington of Harvard blew his whistle at 2:35 and Donnelly kicked off, Haverford defending the south goal. C. Brown caught the ball on Haverford's 30-yard line and line rushes netted the visitors about 5 yards. Haverford was forced to kick and Maxson, catching the ball, made 15 yards, helped on by fine interference by Pond.

Trinity failed to gain through the line and Pond kicked, Haverford losing

the ball on a fumble. Pond tried a place kick from the 35-yard line, and a Trinity man captured the sphere on Haverford's 10-yard line. Line plunges by Donnelly brought the ball to Haverford's 3-yard line, and Trinity looked good for a touchdown within the first five minutes of play. Haverford, however, got the ball on the third down and C. Brown punted out of danger. In short end runs, Haverford lost the ball after getting it from Trinity on downs and then lost it on a fumble to Pond.

Trinity again tried line-bucking but gave it up and Pond punted. Jones caught the ball and made 10 yards on an end run. A forward pass by Haverford was caught by Grove Buck, who made a gain of 10 yards before he was downed. Pond was sent around the right end for 7 yards after a delayed pass went wrong. A place kick by Pond sent the ball to Haverford's 12-yard line. The visitors were forced to punt out of danger and Pond was nailed in his tracks by Brown, who made a neat tackle.

After Pond punted to Jones, Bard was given the ball and made 15 yards on an end run. Haverford was penalized 15 yards for holding and Brown punted to George Buck, who made 10 yards, and Henshaw was sent through the line for a short gain.

During the next series of plays, both sides kicked freely and made equal gains by end runs. In middlefield Ramsey of Haverford got the ball and punted. Pond caught the ball in Trinity territory and made a 30-yard run. On a line plunge Mason was knocked out but quickly resumed play. Pond made the best play of the day by criss-crossing down the field and dodging five Haverford men before he was downed.

After frequent exchange of kicks, neither side doing much in making headway through the lines, Pond punted and Trinity got the ball on a fumble on Haverford's 25-yard line. Line rushes by Trinity netted 4 yards and a forward pass gave Trinity the ball on her opponents' 10-yard line. Haverford got the ball on downs, within 8 yards of her goal and C. Brown kicked the leather out of danger. The ball was worked up and down the field in the next few plays and the half ended without a score, Pond having the ball on Trinity's 35-yard line.

The second half was started at 3:26, C. Brown kicking off to Henshaw, who made 9 yards before being thrown. Capt. Dougherty then sent Donnelly through Haverford's line, and the play netted 6 yards. An end run by Pond gained but little ground and he punted. Haverford was thrown back for a loss on a line plunge and Brown again kicked. Pond returned the kick, the ball going out of bounds.

Haverford tried an end run but Dougherty tackled his man. Then C. Brown squirmed through Trinity's line for 6 yards. Brown punted and on the next play Henshaw, who replaced Budd, went through the center for two yards. On a punt by Pond, P. Brown caught the ball and brought the ball to the

FRESHMEN KIDNAPPED.

The Sophomores' suspicions that the Freshman Junior Banquet which was held last night was imminent, immediately after the Haverford game kidnapped seven Freshmen in various manners and conveyed them in an automobile to the house of one of the Sophomores. There they were kept until after nine o'clock, when they were paroled on their promise to give themselves up to the Sophomores immediately after chapel on Sunday. Four of the seven broke their word and escaped during the night. The other three, Harmon, Langford and Larned refused to break their parole, and consequently were tied and locked up in various rooms under a strong guard of Sophomores until Monday morning. At one time on Sunday night Harmon succeeded in eluding the watchfulness of the Sophomores, cut his ropes and made a dash for safety. He would undoubtedly have escaped but for a fit of weakness, which forced him to give up the attempt. Monday, at Dr. Luther's request, the Freshmen were paroled until after gymnasium class, when the Sophomores again took them in hand, escorted them to Waterbury, where the banquet was held, and after dressing them in hideous costumes, symbolical of 1909, permitted them to go to the banquet. The Freshmen immediately changed their costumes for their ordinary clothes and the banquet went on uninterrupted.

FRESHMAN-JUNIOR BANQUET.

The annual Freshman-Junior Banquet took place last night at the Elton Hotel, Waterbury. The whole class of 1908 and practically all the Freshmen were present, making the banquet the largest in numbers and consequently the most successful one ever given by Trinity men. The two classes returned to college early this morning after a most enjoyable time.

UNIVERSITY CLUB TO HAVE ITS OWN HOME.

The University Club of Hartford on the evening of November 9th, decided to lease permanent quarters, the place chosen being the house at No. 30 Lewis street, owned by Mrs. Mary A. Storrs. This action followed the report of the executive committee, presented by Secretary Edgar F. Waterman, to whose enthusiasm and executive ability the success of the University Club is largely due, which recommended leasing the house mentioned. It will be leased for a term of five years and the club hopes to move into its new home about January 1st.

The meeting, the first of the season, was held at No. 730 Main Street, Vice-President James P. Andrews presiding, and was the largest since the organization of the club last February. The club is in a prosperous condition. The charter membership of about seventy-five has been multiplied by three, the present membership being 225, and about forty colleges being represented.

COLLEGE SOCIAL.

The invitation tendered by the Phi Kappa Chapter of Alpha Delta Phi has been accepted by most of the undergraduates and a large number will be present at the social. The object of this gathering, as has been stated before, is for the furthering of college spirit and of closer relations among the fraternities and neutral body. This custom, now started, will undoubtedly be kept up by the various societies, and should result in much benefit to the college.

THE RHODES SCHOLARS.

(The following was taken from the "Hartford Courant.")

While he was in England, William E. Curtis of the "Chicago Record-Herald" went to Oxford and looked up the Rhodes scholars. There are 160 of them now—79 from this country. Jesus College and Corpus Christi College have no Rhodes scholars at present, and they are the only Oxford colleges that do not. Connecticut's Rhodes scholars, P. Nixon and A. M. Stevens, are at Balliol a most famous and excellent college. Nevada is the only state unrepresented among the American Rhodes scholars.

PROF. KLEENE'S LECTURES TO BANK CLERKS.

On last Wednesday evening, Professor Kleene lectured before the Hartford Chapter of the American Institute of Bank Clerks, at its new quarters in the Phoenix Bank building. This lecture was the first of a series of six which are to be given by him at weekly intervals on financial questions. Professor Kleene gave these lectures at the college and the bank clerks felt that it would be a good plan to have them given downtown. The lectures are followed by questions and it is the plan to have insurance men and others join what will practically be a class of instruction in the important subjects of which Professor Kleene's talks will treat. The meetings will be open to the public and a small fee will be charged.

The Trinity Tripod

Published Tuesdays and Fridays in each week of the college year by students of Trinity College.

The columns of THE TRIPOD are at all times open to Alumni, Undergraduates and others for the free discussion of matters of interest to Trinity men.

All communications, or material of any sort for Tuesday's issue must be in the Tripod box before 10 p.m. on Monday; for Friday's issue before 10 a.m. on Thursday.

Subscribers are urged to report promptly any serious irregularity in the receipt of the Tripod. All complaints and business communications should be addressed to the Circulation Manager.

TO ALUMNI.

THE TRIPOD is published for the Alumni even more than for the Undergraduates. With this in mind we are striving to produce a paper which shall be interesting and necessary to Graduates, and also to reach as large a number as possible. We are very largely dependent on the Alumni both for our moral and financial support. If you are not already a subscriber will you kindly give this matter your attention?

"NOW THEN—TRINITY!"

MEETING OF THE NEW ENGLAND INTERCOLLEGIATE PRESS ASSOCIATION.

On last Friday evening a meeting and banquet of the New England Intercollegiate Press Association was held in Boston. The meeting was called to order at 6:30 with about twenty members present representing papers in Harvard, Boston "Tech.," Williams, Amherst, Dartmouth, Trinity, Wesleyan, Tufts, Williams, and Bowdoin; Mr. Butterworth '08, of the "Tripod" Board representing Trinity. Mr. Boynton of Amherst conducted the meeting.

Two of Boston's prominent newspaper men were present and after each had spoken at length of the preparation which college newspapers gave towards journalism, questions were asked them informally about many of the practical sides of newspaper work.

The discussions which took place during the course of the evening were very instructive to the college men present and it is hoped that another meeting can be arranged later in the year.

Great surprise was manifested that Trinity could conduct and support a semi-weekly newspaper. No college of Trinity's size is doing such a thing and many which are much larger have not attempted to conduct one.

The "Trinity Tablet" was mentioned in very complimentary terms during the course of the meeting.

NOTE.

At the last meeting of the German Club, held Thursday evening, Bern Budd '08, was unanimously elected.

center of the field by a 20-yard run. Brown's kick was fumbled by Pond, the ball being slippery, and a Haverford man fell on the pigskin.

After a few exchanges Trinity got the ball and again attempted line plunges. Donnelly was sent through for 2 yards and Henshaw made 7 more. Then Donnelly bucked the line again and the distance was made. Pond lost ground on an attempted long end run and was forced to kick a fine punt, sending the ball to Haverford's 10-yard line. Trinity lost 15 yards for holding.

During the balance of the game neither side had an apparent advantage and the goal lines were hardly ever in danger. C. Brown and Pond continued to make frequent kicks, after little was accomplished by line-bucking or runs around the end. The tackles of both teams were playing stubbornly and end runs were blocked, although Pond continued his good work and made some gains for Trinity, while Capt. Jones was the aggressor for Haverford.

With but 2½ minutes to play the ball was in the center of the gridiron, in Haverford's possession, and that team made distance on three line plunges. The visitors then tried two end runs, but to no avail. Brown punted to Maxson, who made a short gain and Henshaw was again sent through the line for 8 yards, making Trinity's distance. On the next plunge Henshaw was stopped and forced back 3 yards. Pond punted to Haverford's 45-yard line and Capt. Jones catching the ball, started to make a run around the end when the whistle blew. The ball was on Haverford's 40-yard line.

The team work of both elevens was excellent, and so evenly were the men matched that punting was made the feature of play, after both sides frequently failed on line plunges and end runs. Pond's work for Trinity was of a brilliant order and, considering the condition of the field, marvelous. For Haverford, the punting by C. Brown and the line plunges and end gains by Capt. Jones stood out as fine football. After the game Captains Dougherty and Jones congratulated each other on the fine showing by their respective elevens.

The officials, Referee Wrightington of Harvard and Umpire Minds of Pennsylvania, had an easy task, because there was little to the game to call for stringent action on their part. The lineup:

Referee, Wrightington, Harvard; umpire, Minds, Pennsylvania; head linesman and timer, Mac Johnson, Trinity; linesmen, Cunningham of Trinity and Hutton of Haverford; times, 30-minute halves; attendance, 1,000.

Too much credit for this year's successful football team cannot be given to Coach Landefeld, who made the most of the little money which he had to work with, and who, in spite of all obstacles carried the team through the season to a creditable close.

COMMUNICIATION.

To the Editor of the "Tripod,"—

Dear Sir:—I wish that you would use the columns of your paper to discourage some of the harmful agitation that always arises over the Freshman-Junior banquet. Of course it is too late to do anything this year, but some definite arrangement ought to be made in advance for next year.

Class spirit and class rivalry are all right, but when you have men forced by the custom of kidnapping to run away from college and hide for two or three days and, in consequence, not attending to their duties and when all but the senior class are so worked up that no studying is done and classes are poorly attended, then you have a real harm.

As long as Freshmen know that they are in danger of being captured and of being forced to promise to do something very disagreeable to them, they are going to leave town a day or two in advance to get out of danger. If such a course is carried on each year, there can be no doubt but that the faculty will take measures to stop the whole thing.

I think that the college body ought to pass a rule that no man should be kidnapped and forced to give his parole. Such a ruling by the Senior class does not seem to be effective. I think that Sophomores ought not to be allowed to take any action until after the last recitation on the day of the banquet and that no parole should be asked or given. Paroles have been given and broken ever since they were first asked here at college.

Trusting that you will take some action in this matter,

I am yours sincerely,
A WELL-WISHER.

DR. McCOOK'S REPORT.

The committee of citizens appointed to promote pure elections in this city held its final meeting at 4:30 Wednesday afternoon in the board of trade rooms. Professor J. J. McCook presided. He made a report on the work of the committee, and in it he recommended a change in the law limiting the number of workers at the polls; the clarifying of the language of the act and the enactment of a clause requiring candidates defeated at the caucus or primary to file reports. An executive committee was named and the chairman was authorized to name a legislative committee to appear before the coming general assembly.

Forrest Morgan, on whom Trinity conferred in 1903, the honorary degree of M. A. in recognition of the great merit of his edition of Bagehot's works, and of other literary labors, on November 13th, read before the Connecticut Historical Society an able paper on "General William Eaton the First American Imperialist."

NOTES.

It is currently reported that Senator Luther will be asked to take the chairmanship of the committee on education, when the senate allotments are made.

The statement that the sacrament of Baptism had not been administered in the present College Chapel before the present year is inaccurate. There were baptisms of students in the chapel in 1882, 1886 and 1893.

 \$125 have been raised and paid in to
 the General Alumni Fund by a few mem-
 bers in New York City and Hartford,

 class secretary, says, "The intention is
 to have as many as possible contribute
 one dollar per year since graduation,
 making, in this case, fifteen dollars each,
 and to have all who can not afford that
 amount subscribe as they are disposed.

A similar procedure is adhered to, we
 learn on hearsay, at Yale and several
 other colleges, and has proved efficient
 in raising funds and in stimulating
 loyalty to serve the college. Let each
 alumnus and each undergraduate re-
 member this fact, namely, that our
 educations cost the college twice as
 much money as our college bills turned
 into the treasury. It is therefore proper
 that we should ever make our loyalty to
 Trinity cost us something in effort,
 time and money, in every and all ways
 in our power. *This plan is one way. Do

The Connecticut Mutual Life Insurance Company,

HARTFORD, CONN.,

Why should I insure my life?

Because it is a debt you owe to those who are dependent upon your earnings for their support.

You admit that it is your duty to supply their needs from day to day, but forget that it is equally your duty to provide an ever ready and sufficient equivalent for your earning power, which your family stands in constant jeopardy to lose by your premature death.

Guard your family against disaster and yourself against dependency in old age.

When should I insure my life?

Now! The cost will never be less, and tomorrow you may not be able to obtain insurance at any price.

Even if others are not now dependent upon you, take time by the forelock and you will be the better able to meet future responsibilities, and at a smaller premium.

Where shall I insure my life?

In a purely Mutual Company. In a company that earns, declares, and pays annual dividends. In a company that is doing a conservative business.

Such a Company is The Connecticut Mutual Life Insurance Company of Hartford, Conn. It furnishes perfect protection at lowest cost.

For further information, address the Company, or any of its agents.

The course covering four years begins the last week in September and continues until June. A preliminary training in natural science is of great advantage. All the classes are divided into small sections for recitations, laboratory and clinical bedside instruction. Students are admitted to advanced standing after passing the requisite examinations. The successful completion of the first year in any College or University recognized by the Regents of the State of New York as maintaining a satisfactory standing is sufficient to satisfy the requirements for admission which have lately been raised. "Lundstrom" Direct From Factory, On Approval, Freight Paid

The Lundstrom Sectional Bookcases are made for and universally used in the finest homes and offices throughout the country. Artistic appearance, solidity of construction, with latest practical improvements, combine to make them the leading.

Sectional Bookcases
Solid Oak \$100 per section without door \$175 per section with door

Rigid economy, acquired by the manufacture of a single product in large quantities, combined with our modern methods of selling direct to the user, enable us to offer a superior article at a considerable saving in cost to the purchaser.

SEND FOR OUR LATEST CATALOGUE No. 77 in which we illustrate the different grades, from the neatly finished Solid Oak cases at above prices, to the highly polished Solid Mahogany cases for the more elaborate library. Every book section has non-binding, disappearing glass door. Tops and bases, \$1.00 each.
