VOL. III. No. 29.

HARTFORD, CONN., FRIDAY, JANUARY 25, 1907.

PRICE, FIVE CENTS.

TRINITY vs BROWN.

Brown 29, Trinity 14.

The Brown University basketball team defeated the Trinity quintet by a score of 29 to 14 on Wednesday evening, in the Lyman Gymnasium at Providence.

The passing and team work of both teams was excellent and it was hard for any one man to get away from his opponent.

Trinity had eight fouls called, chiefly for carrying the ball, while Brown was penalized five times, all of which were in the second half.

Pryor played the star game for Brown, scoring six baskets from the floor, one being on an exceedingly difficult backward throw. Reynolds was a close second, throwing four baskets and dribbling in excellent style.

For Trinity, Waldron, Olmstead, and Donnelly played well, showing up strongly on their passing and team work.

In the first half Olmstead started the scoring by throwing two baskets in quick succession. He was followed by Reynolds and Pryor. Waldron threw a basket, and Cook ended the scoring for Trinity in the first half, while Pryor got two more for Brown and Elrod and Reynolds one each before the whistle blew. The score at the end of the half stood 13 to 8 in Brown's favor.

In the second half Trinity succeeded in getting only two goals from the floor while the Brown men added seven more baskets to their total.

Waldron shot two out of the five free tries from fouls, while Reynolds caged three out of eight for Brown.

The line-up was as follows:—

Brown		Trinity	
Reynolds	r f	Cook, Clausen	
Pryor	l f	Olmstead	
Elrod	c	Donnelly	
Dickinson, Ladd	r g	Pond	
Hallborg	l g	Waldron	

Score, Brown 29, Trinity 14. Goals from floor, Reynolds 4, Pryor 6, Elrod 2, Hallborg 2, Donnelly 2, Olmstead 2, Waldron, Cook. Goals from fouls, Reynolds 3, Waldron 2. Referee McAdams of Fall River. Timekeeper, Affleck of Brown. Time of halves, 20 minutes.

HOCKEY GAME TO-MORROW.

An interesting hockey game will be played Saturday afternoon at 2:30 on the Colt's Park Pond between two teams, one composed of Seniors and Sophomores, and the other of Juniors and Freshmen. This should make a very good match as each team will have several men from the regular team. The Senior-Sophomore combination has G. Cunningham '07, Morrow '09, Roberts '09, and the Junior-Freshman team has Budd '08, Stevens '08, Morris '08, Larned '10 and Potter '10. Besides these regular men there are several good men eligible for this game, including Ferguson '07, R. Cunningham '07, Judge '10, and Sweet '10.

JUNIOR WEEK PROSPECTS.

Delightful Program Outlined.

Junior Week is now close at hand, and this one promises to be as good or better than any of its predecessors. The committee is composed of C. L. Trumbull, chairman, Butterworth, Taylor, Cross, Donnelly, Morris, Olmstead, Edsall, and Budd. The program for the week has been made up as follows: Thursday afternoon Alpha Delta Phi tea; Thursday evening, I. K. A. German; Friday evening, Third College German; Saturday afternoon, College Tea; Saturday evening, Glee Club Concert; Sunday evening, Vesper Service in the Chapel; Monday afternoon, Psi Upsilon tea; Monday evening, the Junior Promenade. On Tuesday evening the second S. D. C. banquet will be held.

The Phi Kappa chapter of Alpha Delta Phi will have a house party beginning on Thursday with their tea and ending Tuesday after the "Prom." Six young ladies will enjoy the chapter's hospitality. This should be one of the most pleasant features of the week.

The society of I. K. A., following their custom, will give a german at 70 Vernon street. Last year the german was greatly enjoyed, and this one is consequently looked forward to with pleasure.

The German Club will give their Junior Week german Friday evening. This will doubtless prove a very enjoyable affair with Trumbull '08 and Cross '08 as leaders.

Last year's Glee Club concert will be remembered long for being perhaps, the best concert the musical clubs ever gave. This year under the leadership of Gerald Cunningham '07, the club is making excellent progress, and at this concert it should make as good an impression as did last year's club. Mr. Davis is the traiper again, and is teaching the club an almost entirely new set of songs. The Mandolin Club is practicing steadily and will certainly hold up its reputation of last year.

For the Sunday evening vespers, Mr. Davis is to play the organ, and the Glee Club is to form the choir; the "Recessional" by Rudyard Kipling will be sung by the club and should be much enjoyed, as the music it is set to is magnificent.

Monday afternoon the Psi Upsilon Fraternity will give a tea at its house in accordance with its usual custom.

The "Prom" which is Monday evening, is expected to be the best ever given here. The decorations are to consist of purple and white bunting, the class colors, and a profusion of electric light effects over six-hundred lights being used. The stairs and the entrance will be decorated as well as the hall, something never done before. Smilax and evergreen will also form a striking feature by making an entrance bower. During the twelfth and twenty-eighth dances the lights will be turned off, and from either side of the stage calcium flood-lights with colored effects will be turned on the dancers, making a most pleasing sight. This is expected to prove the feature of the prom, as

both these dances are waltzes; for the twelfth, "Amoureuse," and for the twenty-eighth, the famous waltz of all Trinity dances, "Summer Nights."

The patronesses for the Promenade are as follows: Mrs. Flavel S. Luther, Mrs. Frank C. Babbitt, Mrs. John J. McCook, Mrs. Henry A. Perkins, Mrs. William N. Carlton, Mrs. Charles L. Edwards, Mrs. Cecil F. Lavell, Mrs. Karl W. Genthe, Mrs. Robert B. Riggs, Mrs. Wilbur M. Urban, Mrs. Charles H. Rogers, Mrs. Frederick R. Honey, Mrs. Cranston Brenton, Mrs. Horace C. Swan, Mrs. Elmer T. Merrill, Mrs. Elizabeth A. Flynn, Mrs. Walter S. Trumbull, Mrs. G. D. Rankin, Mrs. Walter L. Goodwin, Mrs. James Goodwin, Mrs. Chauncey B. Brewster, Mrs. Thomas B. Chapman, Mrs. Henry S. Panacost, Mrs. P. Henry Woodward, Mrs. Leverett Brainard, Miss McAlpine, Mrs. William E. Bulkeley, Mrs. William Bulkeley, Mrs. R. G. Erwin, Mrs. J. H. Barbour, Mrs. Ernest DeF. Miel, Mrs. R. W. Gray, Mrs. Harold G. Hart, Mrs. Gurdon W. Russell, Mrs. William Hamersley, Mrs. William C. Brocklesby, Mrs. George H. Seyms, Mrs. William C. Skinner, Mrs. Frank E. Johnson, Mrs. Edward S. Van Zile, Mrs. Edward B. Hatch, Mrs. E. F. Lawton, Mrs. Charles H. Talcott, Mrs. David Van Schaack, Mrs. C. L. Hall, Mrs. John C. Bulkeley, Mrs. Edward S. Allen, Mrs. Francis H. Hastings, Mrs. C. S. Morris, Mrs. Edward W. Robinson, Mrs. A. K. Brocklesby, Mrs. Ransom R. Cross, Mrs. S. C. Edsall, Mrs. Odgen D. Budd, Mrs. John D. A. G. Olmstead, and Mrs. James H. Morris.

THE NAVAL BATTALION

TRACK MEET.

To be Held in First Regiment Armory February 21.

The First Division of the Naval Battalion will hold a dual indoor track meet with the Second Division in the Hartford Armory on the 21st of February.

Trinity has been invited to send men to compete with representatives of Holy Cross, Amherst and Tuft's College in the 40-yard dash, one mile run, one mile relay and the high jump.

O'Connell has been coaching our men for the last few weeks and our prospects for winning a large share of the points are very good.

Those out for the 40-yard dash are: Taylor '08, Dwyer '09, Xanders '09 and Henshaw '10.

The men who will run in the mile run will be picked from the following: Morris '08, Phillips '08, Reiche '08 and Bailey '08.

The relay team will consist of four of the following: Olmstead '08, Morris '08, Taylor '08, Bailey '08, Dwyer '09 and Henshaw '10.

Three of the following men will be entered for the high jump: Olmstead '08, Cadman '09, P. Roberts '09 and Harmon '10. All of the men out are in fine condition, and very good results are expected.

This occasion will be an opportunity for all Trinity men to show their spirit by attending the practice and thus giving our team all possible support.

THE REV. DR. HART '66 SPEAKS ON CREEDS.

"The Creed and Its Obligations" was the subject of a lecture by the Rev. Dr. Samuel Hart, Trinity '66 and for many years an honored member of our Faculty, of Berkeley Divinity school, Tuesday evening, January 12th, under the auspices of the Seabury club, which has arranged a series of four lectures on religious topics.

Dr. Hart traced the history of the Apostles' creed and of the Nicene creed, used in the baptismal and communion services, respectively. That there must have been a creed from the first, the speaker was sure and he quoted passages from St. Paul to prove his statement, showing that their formation was creedlike.

In regard to additions made to the Apostles' creed, Dr. Hart said that the three last were those "descended into Hell," "the communion of saints," and "Maker of Heaven and earth." These were made a part of the creed when the church learned that they were true and necessary.

The question of whether the son of God was one with the father was raised at the Council of Nicæa, and the church protested that there had been only one godhead from the beginning. The baptismal creed is the old creed of the Greek church as the communion creed is that of the church of Jerusalem. Their purpose is not to debar men from, but to prepare them for admission to the Christian church.

Dr. Hart thought there was no possibility of any addition to the creed now for he believed the church had learned what it is necessary for her to teach. The creed is a statement of great facts indisputable and of benefit to church people as a great hymn of praise. As the creed contains the great truths in our belief it is to be held to and we must be honest in holding to it.

The fourth lecture of the series will be delivered on February 12th by Professor Merrill. His subject is to be "The Church and State in the First Century."

TO ALUMNI.

THE TRIPOD is published for the Alumni even more than for the Undergraduates. With this in mind we are striving to produce a paper which shall be interesting and necessary to Graduates, and also to reach as large a number as possible. We are very largely dependent on the Alumni both for our moral and financial support. If you are not already a subscriber will you kindly give this matter your attention?

"NOW THEN—TRINITY!"

EDITORIAL.

We print in this issue an answer to the discussion of the Sophomore smoker in our last number. The Sophomores evidently intend to give a smoker and a good one. We wish them success. However, it would be well to remember that it took two months of hard work on the part of a capable committee to arrange last year's smoker. Moreover, without wishing to try to set an exact date for the affair, which is the undoubted privileges of 1909, we wish to say, as the real object of such a smoker is to arouse interest in baseball and track athletics, it should, to be most effective, come just before or, at the latest, just after the Easter vacation.

In our last issue the article on Senator Luther's trade school bill was mishandled by the printer. It should have begun with Dr. Luther's name, whereas that of the Rev. Mr. Coit '82 was used. We hope that our friends and subscribers will be lenient in their judgment of us in regard to mistakes of this nature. Just at present we are laboring under difficulties because of a recent fire in our printing shop, and mistakes are more likely because of the disorder.

COMMUNICATION.

Editor of the "Tripod,"—

Dear Sir:—In reply to an article in your last issue by "An Alumnus" concerning the Sophomore smoker for this year, I would like to say through your courtesy, that, as a member of the class of 1909, the smoker will be advanced and pushed as ably as the said class can advance and push it. The class has not forgotten the characteristic zeal and spirit shown by 1908 last year, and they deem themselves as capable of promoting the interests of the college and of 1909 as is possible.

But, inasmuch as they are giving the smoker, is it not fair to allow them to choose their own time, ways, and means?

1909 appreciates the kindly interest of "An Alumnus," and so, if only to allay his fears, I am writing this to tell him that the example of 1908 has not been forgotten by 1909.

Undergraduate.

NOTES.

Owing to the fact that the mid-year examinations begin next Monday and last through February 7th, the "Tripod" will be forced to suspend publication during the two weeks. The next issue will appear on Tuesday, February 12th.

Robert W. Forbes, Yale 1907, has been engaged to be head coach of the West Point team next fall. Forbes made his reputation at Wesleyan, where he played for two years. At Yale he played tackle in 1905 and end in 1906.

During the examination period, attendance upon morning prayers in the Chapel upon three days in the week and at the Sunday service is required.

The fourth of a series of articles on Linear Perspective by Prof. Frederic R. Honey is published in the issue of the "National Builder" for January 15th.

The Connecticut Mutual Life Insurance Company,

HARTFORD, CONN.,

Why should I insure my life?

Because it is a debt you owe to those who are dependent upon your earnings for their support.

You admit that it is your duty to supply their needs from day to day, but forget that it is equally your duty to provide an ever ready and sufficient equivalent for your earning power, which your family stands in constant jeopardy to lose by your premature death.

Guard your family against disaster and yourself against dependency in old age.

When should I insure my life?

Now! The cost will never be less, and tomorrow you may not be able to obtain insurance at any price.

Even if others are not now dependent upon you, take time by the forelock and you will be the better able to meet future responsibilities, and at a smaller premium.

Where shall I insure my life?

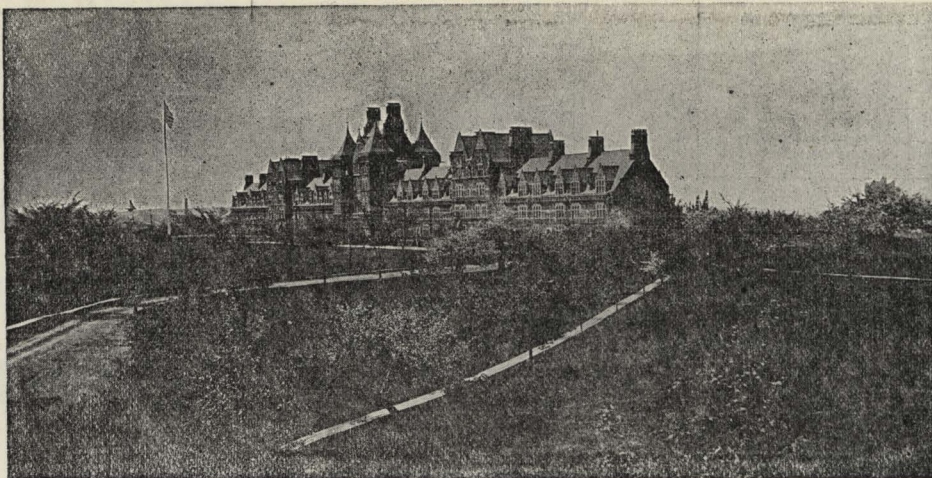

In a purely Mutual Company.
In a company that earns, declares, and pays annual dividends.
In a company that is doing a conservative business.

Such a Company is The Connecticut Mutual Life Insurance Company of Hartford, Conn. It furnishes perfect protection at lowest cost.

For further information, address the Company, or any of its agents.

The course covering four years begins the last week in September and continues until June.

A preliminary training in natural science is of great advantage. All the classes are divided into small sections for recitations, laboratory and clinical bedside instruction. Students are admitted to advanced standing after passing the requisite examinations. The successful completion of the first year in any College or University recognized by the Regents of the State of New York as maintaining a satisfactory standing is sufficient to satisfy the requirements for admission which have lately been raised.
