INTERCLASS BASKETBALL GAMES.

The first series of the interclass basketball games was played Tuesday evening, March 4th. The first game was between 1909 and 1910 and the second between 1907 and 1908.

1909, 6; 1910, 34.

The whistle for the Sophomore-Freshman game was blown at 8 p. m. From the start it was evident that this was to be a hard fought contest. Smith of the Freshman team scored the first basket after about a minute and a half of play. He was followed by Cook and Waldron before Xanders succeeded in caging one for the Sophomores. At the end of the first half the score stood 9-2 in favor of the Freshmen.

The second half was a repetition of the first, every man getting into the game at once. In this half many changes in line-up were made on both sides. Vaughan '09 succeeded Buck, Ollsen '10 went in Cook's position who took Abbey's place as center. On account of unnecessary roughness, Dr. Swan, the referee, was forced to send Claussen '09 and Cook '10 off the floor. They were succeeded by Butterworth '09 and Webster '10.

Captain Connor for 1909 played a star game, while Waldron and Webster excelled for the Freshmen.

The line-up was as follows:—

1909		1910	
Connor (c)	lf	Smith (c)	
Buchanan	rf	Cook-Webster	
Buck-Vaughan	c	Abbey-Ollsen	
Claussen-Butterworth	lg	Capen	
Xanders	rg	Waldron	

Goals from floor, Webster 8, Cook 3, Smith 1, Waldron 1, Ollsen 1, Connor 2, Xanders 1. Goals from fouls, Smith 2. Referee, Dr. Swan. Scorer, Cross. Timer, Plant. Time, two fifteen minute halves.

1907, 9; 1908, 37.

The Senior-Junior game was played between the halves and after the close of the Sophomore-Freshman game. While this game was by no means as fast as the former, it furnished a great deal of interest to the spectators. The Juniors had things their own way from the start, running up twenty-nine points in the first half. Spier was the hero of the game in the first half as he succeeded in finding the basket after about ten minutes of play. The game was delayed several times while the Seniors fixed their shoes and got their breath. The line-up was as follows:—

1907		1908	
Moody	lf	Olmsted	
Myers	rf	Collins	
Spier	c	(Donnelly) (c)	
G. Cunningham (c)	lg	Madden	
R. Cunningham	rg	Pond	

Goals from floor, Donnelly 11, Olmsted 6, Collins 1, Spier 2, Moody 1, R. Cunningham 1. Goals from fouls, Pond 1, Myers 1. Referee, Dr. Swan. Timer, Cross. Time, two fifteen minute halves.

THE THIRD NUMBER OF THE TABLET.

We welcome the appearance of the third issue of the "Tablet" this year. Our long wait has been amply paid for by the quality magazine. The "Tablet" certainly has been making progress in raising its literary standard, even if promptness has been sacrificed.

To take up the issue more in detail the apology for lateness, in the editorial section, refrains from burdening readers with excuses. They were not necessary for we can be sure that some almost insurmountable obstacles had to be overcome.

The editorial on "College Experience and Real Life" has a message to all undergraduates and should be perused with care.

The article on "German Schooling" by Bayard Quincy Morgan, valedictorian of 1904, now studying in Germany, for his doctor's degree on the Russell Fellowship, is very interesting and instructive and is somewhat complimentary to the American educational system as opposed to the German.

Wright '10, has an excellent poem on a classical subject, and Page '08 has a story which is quite humorous, but scarcely realistic, on local subjects. It is clever and amusing. Trinity's "epitome of news" thanks the writer for the somewhat doubtful but complimentary mentions of its name.

The mysterious "LeV." gives a story on "Hunting Trips in the Library," which attracts attention because of its unusual character.

"Christy's Occupation," by D. C. Pond '08, is a conventional but clever story and is very entertaining.

"The Artistic Temperament," by Ladd '08, bears an unquestionable hallmark of good literature, and the Exchange Department contains a good extract from an article on the honor system by Mr. Anson Phelps Stokes, Jr. of Yale. The writer sums up his feelings with the statement: "My one great conviction is that we should emphasize the honor spirit rather than the honor system." The article contains much of value to Trinity men.

"The Stroller" is certainly the cleverest portion of the number and the writer is to be complimented. Undergraduates will find great enjoyment in reading it.

Altogether it is a good issue and the Board is to be congratulated on its success. We hope the next number will be as good, if possible, and will not keep us waiting.

NOTES.

The second series of the interclass basketball games will be held to-night in the gymnasium. The scheduled games are 1907 vs. 1909 and 1908 vs. 1910.

It is hoped that the same good spirit will be displayed, as in the first series.

FIRST BASEBALL PRACTICE.

Good Squad Reports to Captain Badgley.

The baseball squad turned out for the first time on Tuesday afternoon. This was really the first general practice, although the batteries had worked out two or three times before. The work consisted almost entirely of bunting practice, and a little extra work for the pitchers and catchers to take a few kinks out of their arms. The squad consisted of about twenty-five men and probably will be increased as soon as out-door work begins. Practice will be held regularly in the gymnasium until the snow goes off. The following is the list of the candidates, who have already

CAPTAIN BADGLEY.

reported: Captain O. W. Badgley '07, G. A. Cunningham '07, T. B. Myers '07, G. D. Randall '08, H. F. MacGuyer '08, E. J. Donnelly '08, H. O. Hinkel '09, H. N. Chandler '09, F. C. Rich '09, W. S. Buchanan '09, H. C. Goodrich '09, G. S. Buck '09, M. A. Connor '09, I. L. Xanders '09, C. E. Morrow '09, R. C. Abbey '10, W. E. Larned '10, H. W. S. Cook '10, J. P. Webster '10, N. H. Gildersleeve '10, A. L. Potter '10, W. Slawson '10, A. M. Smith '10, C. H. Bassford '10 and E. Olsson '10.

This looks like a fairly promising squad, as it includes six "T" men of last year's team, six men who have had experience on the second team, besides two of three men who were kept from playing last year because of the probation rule. Of the new men several have had considerable experience. Cook '10 pitched for St. Luke's last year, Gildersleeve '10 played short stop and captained the Middletown High School team. Potter '10 played third and captained the Black Hall team, and of the others Abbey, Smith and Olsson look especially promising.

Several members of the track team are going to run in the indoor meet in New Britain Saturday night. It is quite likely that they will have the opportunity to run against men from Yale, Wesleyan and Amherst. The two latter are on the program for a relay race, and this should prove very fast, as both have good teams. The meet is given jointly by the local Y. M. C. A. and two of the companies of the Connecticut National Guard.

CATALOGUE NUMBER OF BULLETIN OUT.

Several Changes and Additions.

The annual Catalogue Number of the Trinity College Bulletin appeared early this week. It is very well printed and contains a number of additions and improvements. The calendar contains the dates of some events which it might be well to mention here: March 27th, Easter Recess begins at 4 p. m.; April 8th, Easter Recess ends at 5:45 p. m.; May 1st, last day for receiving essays for the Chemical, Tuttle, and Douglas Prizes; May 4th, Examination for the Mackay-Smith Prizes; May 18th, Examination for the Goodwin Greek Prizes; June 10th, Trinity examinations begin; June 24th, Class Day; June 26th, Commencement. The date for the re-opening of college in the fall is September 26th.

The list of students shows four graduates, two of whom, Cowper and Curtiss, are studying abroad. There are fifteen seniors, twenty-four juniors, sixty-one sophomores, sixty-seven freshmen, eight special students, and six special non-matriculated students, making a total of one hundred and eighty-five.

The course of study shows but two general courses this year, Arts and Science, instead of the customary four courses. The choice of electives has been made so wide, however, that there is really no difference to the student. The only real change is that the degree of Bachelor of Letters in course, is no longer given.

The report upon the library shows that it now contains over 52,000 bound volumes and 32,500 pamphlets, making a total of something over 84,500 in all. This shows a steady increase, as the estimate in last year's catalogue was 82,000.

The basis for the award of honors at graduation has been entirely changed and has been made extremely difficult. The new system, however, does not go into effect until the Commencement of 1909. The change in the award of the Alumni English prizes is also noted. Hereafter, instead of awarding six prizes of ten dollars each to members of the two upper classes, the competition is thrown open to the whole college, and the prizes are changed in value to three of twenty-five, twenty, and fifteen dollars respectively.

A meeting and banquet of the Connecticut School Masters' Club will be held in Hartford at the Hotel Garde on Saturday, March 16th at 1:30. At this banquet, to which every male teacher in Connecticut is invited, Mr. Carroll D. Wright will speak on the question of trade schools.

In this connection it is interesting to note that the bill for the establishment of trade schools in Connecticut, which was introduced in the State Senate by President Luther, has had several favorable hearings and the chances of its being passed are very good.

TO ALUMNI.

THE TRIPOD is published for the Alumni even more than for the Undergraduates. With this in mind we are striving to produce a paper which shall be interesting and necessary to Graduates, and also to reach as large a number as possible. We are very largely dependent on the Alumni both for our moral and financial support. If you are not already a subscriber will you kindly give this matter your attention?

"NOW THEN—TRINITY!"

EDITORIAL.

The interclass basketball games have been attracting the usual amount of interest and enthusiasm. It is a good thing, all will agree, to have this enthusiasm and it is to be encouraged, but why is it that our 'varsity team games attract so much less interest? It is all very well to have class spirit but we must not let it take a supercedence over college spirit. We ought to feel that we are for the college, first and foremost, and for our own individual class incidentally. Of course, most of us, probably all, do feel that way, but let us allow our enthusiasm to be an expression of our feelings, and let us prove that it is the "college, first and foremost," by attendance at 'varsity games.

The "Tripod" would like to take this opportunity to acknowledge the kindness of Dr. Samuel Hart '66, who for the last two years has been the chief contributor to our alumni department. Without his assistance and that of Dr. Martin we would not have been able to make a pretense of keeping up our alumni notes at all. Many alumni write to us advising us to keep our alumni notes numerous. In response to this we have written to several of the alumni, usually class secretaries, or secretaries of alumni associations, asking

them to let us know of anything that comes to their notice which concerns any graduate. This plan failed miserably, chiefly because the men we asked probably did not have time to attend to the matter. Possibly they did not come into frequent contact with other alumni. Whatever was the cause the fact remains that we seldom receive a note from that source.

Now what we should like to propose is that each individual man send in information about himself. Under that system and that alone would it be possible for this to be a satisfactory alumni journal. Let no alumnus allow a feeling of modesty to prevent him from following this plan. Since we have more than three hundred graduate subscribers each alumnus has certainly several personal friends among them who would be more than glad to hear any news about him.

Graduates, please give this matter your attention.

We should also like to compliment and thank Mr. C. C. Barton, Jr., of the class of 1893, who more than any other Trinity graduate, has worked for the "Tripod." Mr. Barton by personal correspondence has persuaded almost every member of his class to subscribe to the "Tripod." It is work of this kind on the part of a few appreciative alumni which has enabled us to keep going.

The announcements concerning the Rhodes Scholarships will be made to-morrow at New Haven. G. Cunningham '07 was among the men who took the examinations last January.

TRIPOD BOARD MEETS.

Our Substantial Growth.

At a meeting of the "Tripod" Board last Tuesday evening, Peck '09, Circulation Manager, and Butterworth '08, Treasurer, rendered reports of the condition of their departments.

The report of the circulation manager was particularly satisfactory and encouraging. In the subscription list a growth of about 25% was shown as a result of this year's endeavors.

The report of the treasurer contained a record of receipts and disbursements to date from both the advertising and subscription departments. It was very encouraging showing plainly that to meet all expenses it is only necessary to collect all that is due. The failure of undergraduates to pay their subscriptions as compared with the promptness of graduates was commented upon. This is the third report which the treasurer has presented this year. Among other interesting facts, it was brought out that the "Tripod" has been in receipt of quite a few substantial donations from interested alumni, made for the purpose of advancing the interests of the paper during its youth.

ALUMNI DEPARTMENT.

The March informal meeting of Trinity men in New York was held at Browne's Chop House on the evening of March 4th. It was the third, and most successful of these affairs, and afforded an opportunity to several of the men to meet other men whom they had not seen in years, and all Trinity men in New York, transient and otherwise, would do well to drop in on these occasions, which are held the first Monday of every month. The object is to bring Trinity men closer together, by appointing a time and place each month where they can go and be sure of meeting other Trinity men. Each man orders what he wants in the way of food and refreshment, pays for what he gets, and goes when he wishes to.

This meeting was very enthusiastic and has determined that what was at first an experiment is to become a custom. The committee in charge consisting of Newton '81, Hoisington '91 and Hinkel '06, feels that when the affairs have become more generally known, other Trinity men will take advantage of it, and start the practice elsewhere.

Trinity men at the March gathering were: Rev. E. O. Flagg '48, Rev. E. P. Newton '81, C. E. Hotchkiss '82, F. E. Haight '87, Festus Morgan '88, J. R. Nash '89, A. C. Graves '91, F. R. Hoisington '91, Dr. V. C. Pedersen '91, H. S. Graves '92, W. F. Collins '93, G. A. Hubbard '94, E. C. Beecroft '97, H. W. Hayward '97, A. M. Langford '97, Rev. Philip Cook '98, C. L. Burnham '98, W. Pond '06, F. H. Coggeshall ex-'07.

Among the gentlemen who recently gave "The Bachelors' Bal Masqué," in Philadelphia, were: B. F. Haywood Shreve '78, James Albert Wales '01, and Morris Shallcross Phillips '06. There were over one thousand guests.

'75—Judge Joseph Buffington was the principal speaker at the banquet of the University of Pennsylvania Chapter of Psi Upsilon Fraternity, held in Philadelphia, Tuesday evening, March 5th.

'98—At the National Convention of the Fraternity of Alpha Chi Rho, held at Columbia University, February 22d and 23d, Henry J. Blakeslee '98 was re-elected to serve as president, for the fifth consecutive year.

'02—Joseph B. Crane should be addressed at 125 Park Ave., Schenectady, N. Y., and not at 15 Park Ave., as formerly.

The Connecticut Mutual Life Insurance Company,

HARTFORD, CONN.,

Why should I insure my life?

Because it is a debt you owe to those who are dependent upon your earnings for their support.

You admit that it is your duty to supply their needs from day to day, but forget that it is equally your duty to provide an ever ready and sufficient equivalent for your earning power, which your family stands in constant jeopardy to lose by your premature death.

Guard your family against disaster and yourself against dependency in old age.

When should I insure my life?

Now! The cost will never be less, and tomorrow you may not be able to obtain insurance at any price.

Even if others are not now dependent upon you, take time by the forelock and you will be the better able to meet future responsibilities, and at a smaller premium.

Where shall I insure my life?

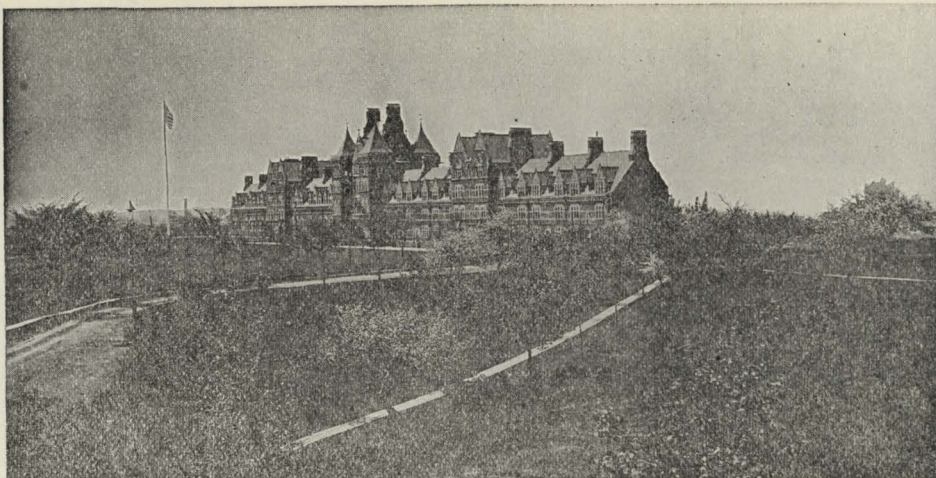

In a purely Mutual Company.
In a company that earns, declares, and pays annual dividends.
In a company that is doing a conservative business.

Such a Company is The Connecticut Mutual Life Insurance Company of Hartford, Conn. It furnishes perfect protection at lowest cost.

For further information, address the Company, or any of its agents.
