

The Trinity Tripod

VOL. III. No. 41.

HARTFORD, CONN., TUESDAY MARCH 26, 1907.

PRICE, FIVE CENTS.

SENIOR CLASS DAY ELECTIONS.

Philip Dougherty, Class Day President.

At a meeting of the Senior Class held in the Latin Room yesterday, Philip Dougherty was elected president for class-day. Dougherty has been one of the most prominent men in his class since his freshman year and has gained a high record in both athletics and scholarship. He has played on the football team for four years and was captain this fall. He has held the Holland prize scholarship for high rank, for three successive years. Dougherty was

W. C. LICHT.

class president the first term of his junior year, and also a member of the Junior Promenade committee. Dougherty's home is in Charleston, Illinois. He is a member of Phi Gamma Delta Fraternity.

William Licht was elected treasurer

NOTES.

The Sophomore Dining Club has decided to adopt an official hat, white with an orange band.

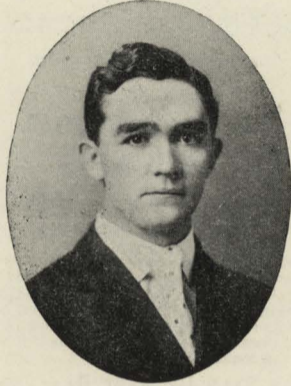

The Easter recess will begin Wednesday at 4 o'clock and the students will return to college Monday, April 8th.

A new Connecticut High School Football League has been formed to take the place of the recently disbanded Trinity Interscholastic League. It is formed of the following six high schools: Hartford, Middletown, New Haven, Bridgeport, Meriden and New Britain. The league is the same as the Trinity League except that Middletown takes the place of Torrington.

Last Wednesday evening President Luther spoke at the public graduation exercises of the Hartford Evening High School. It was the principal address of the evening and in it he appealed to the pupils to remember the dignity of labor and not to think only of their material advancement. He pointed out the joy in doing everything just as well as it could be done. He was enthusiastically applauded at the close of the address.

of the class. Licht was a member of the Sophomore Honorary Society, the Missionary Society, the Ivy Board, the Dramatic Club, and the German Club. He is a member of the Phi Gamma Delta Fraternity.

Thomas B. Meyers was chosen by the class of 1907, for the orator.

PHILIP DOUGHERTY.

E. E. George was voted statistician. George was manger of the baseball team last year and also a member of the Junior Promenade Committee.

Raymond Cunningham was elected Class Poet. Cunningham is manager of the musical organizations. He is a member of the Delta Psi Fraternity.

Gerald A. Cunningham received the position of presenter. Cunningham is president of the Musical Organization, and president of the Athletic Association. He was on the varsity baseball team in his junior year, also a member of the S. D. C., the Ivy Board, Junior Promenade committee, and the Underclass Hockey Team. He is a member of the Delta Psi Fraternity.

With the near approach of the baseball season it might be interesting to publish a list of college players who have made good in the major leagues and are going to play with one of their clubs this year. In the National League, Boston has Tenney, its manager, and Pfeiffer; New York has Mathewson and Devlin; Philadelphia has Thomas; Chicago, Reulbach, Overall, Lundgren; Cincinnati, Coakley; and Pittsburg, Lynch. In the American League, Boston has Hoey, Glaze, Winter, Criger and Carrigan; New York, Carlsson and Rickey; Philadelphia, Coombs; Washington, Stahl; Chicago, White; and Cleveland, Birmingham. A majority of these twenty-one men, namely eleven, come from western colleges, but a few have played against Trinity teams of the past; among these are Lynch of Brown, Glaze of Dartmouth, Hoey and Carrigan of Holy Cross, and Clarkson of Harvard. It will be remembered that Carrigan and Hoey played on Trinity Field in the 2-1 game yast year, Hoey scoring the winning run in the eighth inning.

Austin D. Haight '06 who is studying at Cornell University has been visiting college.

A COLLECTION OF TRINITY SONGS.

To be Published by Commencement.

Mr. William B. Davis, who as director during the last two seasons, has brought the Trinity Glee Club to its present state of high efficiency, is collecting and arranging the great number of Trinity songs which have existed in Trinity's time and intends to have them in book form by Commencement. This publication will include many excellent songs which are not so widely known as they deserve to be, but which are of especial merit. Among these are: "The Ivy Song," "Trinity True," and others.

To make this work successful, the co-operation of every Trinity man is invited. Any suitable song or words for a song, new or old, will find its place in the collection if sent to R. Cunningham '07, or G. Cunningham '07, who are assisting Mr. Davis in this laudable work.

BRIGHT BASEBALL OUTLOOK.

The past few days of warm weather has afforded a good opportunity for considering the baseball outlook this year. About ten minutes batting practice every day is given to each man on the squad and after that a short drill in field work on an impromptu sod diamond on the athletic field. The regular team has not as yet been picked. Unofficially, judging the present candidates, it looks as if the infield will be played by either Rich or Cunningham, catch, Donnelly, first, Potter, second, Gildersleeve, short and Xanders, third. Potter and Gildersleeve are Freshmen but so far this season have shown themselves to be capable of playing college baseball. The filling of the positions in the outfield is a little uncertain, but with about eight candidates, the three positions ought to be well filled.

The pitching department is at present made up of Captain Badgley, Xanders, Cook, Olsen and Morrow.

The squad has been notified by Captain Badgley to report at college Friday, April 5th after vacation in order to get in shape for the Pennsylvania game which will be played in Philadelphia, Saturday, April 13th.

SECOND BASEBALL TEAM.

Schedule Soon to be Announced.

Much interest is being shown around college in the second baseball team which is to play this year. The object of this team is to give the fellows who cannot make the 'varsity baseball team an opportunity to develop their abilities in this line and thus strengthen the 'varsity team in the future.

W. G. Livingston, assistant manager of the baseball team, has now eight games practically arranged for. Hartford High School, Amherst '10, Wesleyan '10 and Williston Academy are on the list.

INTER-COLLEGIATE NOTES.

The Princeton baseball team left yesterday for its southern trip. Six games will be played, two with Georgetown, both of which are expected to be interesting.

There has been a marked improvement in the Harvard crew squad. The squad has been graded into three eights and one four squad, and the work is very promising.

In the finals of the lawn tennis tournament recently finished at Monte Carlo, Hugh Doherty the well known English champion was defeated by M. J. Ritchie, by the score of 8-6, 7-5, 8-6.

Princeton last Friday defeated Harvard in a debate on the question "Resolved, That the present distribution of power between the federal and state governments is not adapted to modern conditions, and calls for readjustment in the direction of further centralization." Princeton held the negative. A short time ago Princeton defeated Yale on the same subject, upholding the affirmative.

Saturday morning chess teams from Yale, Harvard and Columbia played by Atlantic cable the teams of Oxford and Cambridge. This is the seventh match for the Isaac L. Price international trophy. The result is not as yet decided.

The Princeton undergraduates have planned to give ex-President Cleveland a large loving cup in celebration of his seventieth birthday. It is intended to have a grand parade also.

Columbia disputes Yale's claim to the basketball championship, saying that in the Harvard-Yale game a Yale graduate was substituted for the referee who had been selected by the committee on officials. This was in direct defiance of the rules and if the game is forfeited Columbia will be tied with Yale for first place.

Oxford beat Cambridge in eight out of the ten track events Friday. Several Americans studying in the two institutions reflected honor on themselves and their country by breaking records and taking first places. It is said that Oxford's recent successes in athletics is attributable to the American Rhodes Scholars.

The Harvard Athletic Council has appointed Theodore Roosevelt, Jr., second assistant manager of the crew.

The Cornell baseball squad has gone on its annual training trip to the south.

Annapolis plays Columbia, Yale and Cornell this week.

The Columbia freshmen won the intercollegiate freshman basketball championship by defeating the Harvard freshmen on Wednesday evening.

The Trinity Tripod

Published Tuesdays and Fridays in each week of the college year by students of Trinity College.

The columns of THE TRIPOD are at all times open to Alumni, Undergraduates and others for the free discussion of matters of interest to Trinity men.

All communications, or material of any sort for Tuesday's issue must be in the Tripod box before 10 p.m. on Monday; for Friday's issue before 10 a.m. on Thursday.

Subscribers are urged to report promptly any serious irregularity in the receipt of the Tripod. All complaints and business communications should be addressed to the Circulation Manager.

Entered as second class matter Nov. 29, 1904, at the Post Office, at Hartford, Conn.

TO ALUMNI.

THE TRIPOD is published for the Alumni even more than for the Undergraduates. With this in mind we are striving to produce a paper which shall be interesting and necessary to Graduates, and also to reach as large a number as possible. We are very largely dependent on the Alumni both for our moral and financial support. If you are not already a subscriber will you kindly give this matter your attention?

"NOW THEN—TRINITY!"

EDITORIAL.

The announcement that Mr. Davis with the aid of G. Cunningham '07 and R. Cunningham '07 has undertaken the collection and publication of all Trinity songs, brings much satisfaction. Trinity has long needed just such a book, and the only reason for its non-appearance has been lack of energy, for the number of songs written for the college is by no means inconsiderable.

One effect which the proposed song book will have, is the stimulus it will give to campus singing. Thus in an indirect way, the Glee Club will be benefited, and the interest aroused will cause the organization to be even better than it has been the past two years.

This work will necessarily take considerable time on the part of the compilers. However, the amount can be greatly lessened if, as is suggested, all Trinity men send copies of any songs which were sung while they were in college. If everyone helps according to his means, we will have a book of songs of which we shall be justly proud.

Professor McCook appeared at a hearing on the "Corrupt Practice Act" Thursday afternoon. He is chairman of the Citizens' Committee of Hartford which is in favor of certain amendments to the present act.

LITERARY NOTE.

The Macmillan Company is about to publish "Individual Training in Our Colleges," by Clarence F. Birdseye, the well-known legal author, who for five years has been thoroughly investigating the student's problem in our colleges from the unique standpoint of the student himself. Fortunately this first thorough investigation from this standpoint has been made by a careful lawyer of thirty years' experience, who takes nothing for granted but is a believer in the college course, and whose sympathies are entirely with the undergraduates.

Mr. Birdseye discusses, from the business and professional standpoint, the handicaps of the student before, during and after his college course, and the failures, wastes and lack of economies in our colleges, and gives a masterly analysis of the strong and weak points of college athletics, and the reasons why the one-horsepower professional coach often has so much more influence with the student body than the fifty-horsepower faculty, with its archaic marking system.

Mr. Birdseye's article in *The Outlook* of July 28, 1906, on the Greek-letter Fraternities as an Educational Influence, attracted much attention. In the present book, the true meaning of the fraternities has been worked out and their duties and responsibilities to their members and colleges have been set forth with startling clearness. At Harvard only five per cent. of a student's whole year is spent in the lecture or recitation room.

Mr. Birdseye demonstrates that it is the ninety-five per cent. away from the direct influence of his professors which dominates the other five per cent., and hence the student's course at college and thereafter. His discussion of the student's home life, as distinguished from his college community life, is entirely novel and unlocks many mysteries as to failures in college and thereafter. He pays a fine tribute to the ordinary college student, considering his unfortunate environment arising from the failures of college authorities, alumni and parents.

The book abounds with anecdote and illustration. The discussion of the present evils of college life is complete and convincing, and evidently made by one who knows his subject thoroughly from the student's standpoint. The introduction is by Dr. Elmer Ellsworth Brown, U. S. Commissioner of Education, and the book has received the warm approval of many other leading educators as the most important contribution thus far made to the discussion of the constantly recurring question—What is the matter with our colleges? The work will prove of absorbing interest and stimulus to undergraduates and graduates, to parents and faculty, to high school teachers and pupils, and especially to all who are interested in the fraternities in college or high school.

At morning chapel on Palm Sunday, Mr. H. N. Chandler sang an anthem as a solo to take the place of the hymn before the sermon.

THE HARVARD MEDICAL SCHOOL

Boston Mass.

With the completion of the new buildings, which were dedicated September 25, 1906, this school now has facilities and equipment for teaching and research in the various branches of medicine probably unsurpassed in this country. Of the five buildings, four are devoted entirely to laboratory teaching and research. The numerous hospitals of Boston afford abundant opportunities for clinical instruction in medicine and surgery.

COURSE FOR THE DEGREE OF M. D.

A four years' course open to bachelors of art, literature philosophy or science, and to persons of equivalent standing; leads to the degree of M. D. The studies of the fourth year are wholly elective: they include laboratory subjects, general medicine, general surgery and the special clinical branches.

The next school year extends from September 26, 1907 to June 29, 1908. Send for illustrated catalogue; address

Harvard Medical School, Boston, Mass.

The Connecticut Mutual Life Insurance Company,

HARTFORD, CONN.,

Why should I insure my life?

Because it is a debt you owe to those who are dependent upon your earnings for their support.

You admit that it is your duty to supply their needs from day to day, but forget that it is equally your duty to provide an ever ready and sufficient equivalent for your earning power, which your family stands in constant jeopardy to lose by your premature death.

Guard your family against disaster and yourself against dependency in old age.

When should I insure my life?

Now! The cost will never be less, and tomorrow you may not be able to obtain insurance at any price.

Even if others are not now dependent upon you, take time by the forelock and you will be the better able to meet future responsibilities, and at a smaller premium.

Where shall I insure my life?

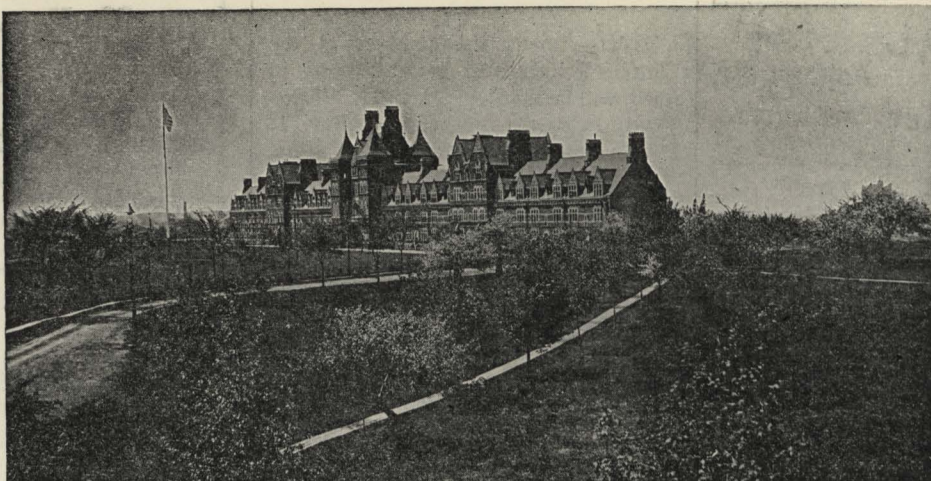

In a purely Mutual Company. In a company that earns, declares, and pays annual dividends. In a company that is doing a conservative business.

Such a Company is The Connecticut Mutual Life Insurance Company of Hartford, Conn. It furnishes perfect protection at lowest cost.

For further information, address the Company, or any of its agents.
