TRINITY DEFEATS WEST POINT IN BASEBALL AND UNION IN TRACK.

Seton Hall and Wesleyan Academy Games Lost By Small Margins— Captain Badgley and Cook Pitch Good Games.

CAPT. OLMSTED, H. C. POND, D. C. POND, TAYLOR AND HARMON THE STARS OF TRACK MEET.

TRINITY 75%, UNION 41%.

Trinity defeated Union in an interesting and well contested track meet yesterday afternoon 75% to 41%. It was the first Trinity meet held on our field in two years, and it was soul-satisfying, to say the least, to see the "old gold and blue" come in first, event after event. Weather and other conditions were very nearly perfect, and this accounts for the general high class of performances throughout the meet. Another thing was true of this meet which can seldom be said about the ordinary college meet, and this was that it was run off with unusual snap from first to last, with no long waits between events. Messrs. Edsall and E. K. Roberts with their assistants, deserve entire credit for this, not only for their own efforts, but also for choosing such a capable set of officials. Coach O'Connor was compelled to do the starting owing to the fact that the regular starter at the last moment found it impossible to come.

Of the athletes themselves it is hard to single out individuals deserving the most credit, all of them did so exceedingly well. Captain Olmstead's work in the hurdles and high jump can only be properly praised by saying that he did even better than usual, and this is certainly high praise. He broke the college record in the high hurdles, putting the mark at the very creditable figures of 16 seconds flat, and also ran the low hurdles in good time, considering that he was not at all pushed.

Taylor's three firsts in the dashes shows the high class of his work, and with the exception of the hundred he won his victories easily. The times though not exceptional were all good even performances.

The work of H. C. Pond was all the more to his credit, taking into consideration that he was in no fit state to enter the meet at all, his ankle having gone back on him. Despite this he took two seconds in the hurdles, and the same place in the broad jump.

In many respects D. C. Pond was the star of the meet. He started in by winning the two-mile easily from Captain Flavers of Union, whose reputation as a distance man is well known, and then took a first in the mile, an event for which he had never been trained. Both events went in respectable time.

In the field events Harmon distinguished himself signally, getting firsts in both the broad jump and pole vault. In the latter he set the college record at 10ft. 4 1/4 in., over six inches higher than the former record. This feat brought forth enthusiastic applause from the crowd.

Steele performed consistently in the sprints, getting a second and a third, while great credit must be given Oliver for his two places, especially as one was in an event to which he was unaccustomed and was won in the stretch by a beautiful show of "nerve" in a spirited finish. Kedney, a man wholly lacking in previous experience, surprised every one by taking a good second in the mile, and Dibble by good nerve took third in the two-mile, just beating out a Union man in the final sprint.

The meet opened with the high hurdles, Olmstead winning easily in record time and Pond finishing a good second, giving us a comfortable lead from the start. The next event, the shot put, was close, Union getting a first to our second and third. The half mile was an uninteresting event, except for Oliver's nervy finish, giving him second place.

In the high jump Dunn succeeded in beating Olmstead and Cadman, who tied for second. Perhaps the best race of the day was the hundred, Taylor, Wheeler and Steele all finishing within two feet of each other. This event was somewhat marred by the disqualifying of the second Union man who jumped the gun four times.

The two-mile developed into a double race, Pond beating Flavers easily, and Dibble beating his man by a final sprint. The pole vault was a pretty contest between Streibert and Harmon, the latter only winning by breaking the college record. It might be noted that Streibert also beat the Union record by two inches, held by himself. Third was a tie between three men, and as all did 9ft. 9in. or better, the high class of the event is evident.

In the low hurdles the result was the same as in the high, Trinity getting first and second with ease. Taylor ran away with the quarter, Oliver finishing a good third. Taylor also took the 220-yard dash a moment later, Steele succeeding in beating out Wheeler for second in a good finish.

The hammer throw went to Union, they getting both first and second, although second was won over Maxson by the narrow margin of two inches. Trinity made up for this event, however by taking first and second in the mile, Pond again running away from his opponents. Morris, the regular miler, pluckily entered this race, but had no chance owing to the fact that he is badly overtrained and in no condition to run. If he had been in condition, no doubt we would have taken all three places. The final event was the broad jump, and here again Trinity took first and second, Pond and Harmon fighting it out between them.

For Union the best work was done by Rankin, Parsons, Dunn and Streibert.

TRINITY 9, WEST POINT 7.

Trinity defeated West Point Wednesday afternoon by a score of 9 to 7. The game was very exciting and the Army led until the ninth inning. Badgley pitched for Trinity and despite the fact that his shoulder is in miserable shape, he let the cadets down with six hits. Trinity put up a strong game both in the field and on the bases with the exception of the second inning, when their opponents scored four of their seven runs. The wonderful rally made by the "old gold and blue," in the ninth inning was very spectacular.

Rich started the game off with what should have been a hit, but Groninger just touched it. He made first and Smith sacrificed, sending Rich on to second. Xanders flied out to Groninger and Badgley went out on a grounder to Beavers, retiring the side. Groninger, the first man up for the cadets, flied out, Pritchett drew his base, but was put out at third, Badgley to Xanders, Wagner made first on an error by Xanders and Beavers on a fielder's choice. Hansom struck out beautifully, retiring the side.

West Point scored four runs in the second inning after Trinity had been retired in one, two, three order in her half. Montford went out Potter to Donnelly and Johnson drew his base. Bonesteel touched Badgley for a single.

Beard was next up and knocked a fly just back of Potter. Rich tried to get in from center but owing to a severe wind he just touched the ball, filling the bases. Groninger hit along third base line and all three men scored on Xanders' error, Pritchett was an easy out Badgley to Donnelly, but Wagner got a hit which scored Groninger. Wagner was caught trying to steal second, Smith to Potter.

Trinity scored three runs in the first of the third. Donnelly was hit and Myers scored a hit off of Bowers. Rich was out Beavers to Beard. Smith got his base on four wide ones and Xanders got a much needed two bagger, clearing the bases. Badgley and Potter failed to get on, thus retiring the side.

There was no more scoring by either side until the last of the seventh when Hanson rounded the bags on two hits, an overthrow by Donnelly to Potter, which went out into the left field, and a sacrifice.

Xanders scored in the eighth on an error by Pritchett and Badgley's single. West Point failed to get a man to first.

The game was won in the first half of the ninth by some very clever work on the bases two bases on balls, a hit by Smith and three misplays by the cadets. Two runs were directly due to exceptional head work on the part of Connor between first and second. Rich, Smith, Badgley, Potter and Connor all widened the bags, making the score 9 to 7 in favor of Trinity.

One of the features of the game was the striking out of three West Point players by Badgley with the bases full in the fourth inning.

"NOW THEN—TRINITY!"

EDITORIAL.

Trinity seems to have pulled herself together and determined to do creditably in athletics. Even though no point was made at the intercollegiate meet and one or two of the recent baseball games have been disappointments, yet on the whole there has been a great deal of energy and enthusiasm displayed by the men recently and it seems that what threatened to be a woefully poor spring season for Trinity is turning out well.

There remain only two more home games, one with the Springfield Training School and one with Wesleyan. We should like to urge that both games be attended by every student and that some real cheering be done. The attempts that have been made at recent games by the small gatherings of Trinity men have been very poor. Also as a suggestion to the cheer leaders it seems to us much more advisable to give rousing good cheers at the critical points of the games than to keep up a continual run of weak, tired yells.

TRINITY 3, SETON HALL 6.

(By our Special Correspondent.)

So. Orange, Thursday, May 30.—Trinity was defeated here to-day by the score of 6 to 3. Trinity should have won the game but for the unlucky seventh, when four costly errors were made, owing to the roughness of the field, coupled with one-half of the hits that Cook allowed Seton Hall. Aside from this one inning the game was very spectacular and interesting to watch. Potter and Gildersleeve each had an off Day and made three misplays. Cook pitched a beautiful game and his opponents could not see him except in the seventh inning.

The feature of the game was Cook's batting. He secured a triple and two singles out of four times at bat.

TRINITY 2nd. o, WESLEYAN ACADEMY 2.

In a very fast and clean game Trinity 2nd team was beaten yesterday by Wesleyan Academy at Wilbraham. Both pitchers worked well, there being little hitting on either side. Olsson gave three hits, while Trinity were able to secure only two hits off Ralbe. Both teams did good work, and backed their pitchers well, there being but very few errors. A difficult catch by Dunham and one by Hinkle were the sensational features of the game.

Why should I insure my life?

Because it is a debt you owe to those who are dependent upon your earnings for their support.

You admit that it is your duty to supply their needs from day to day, but forget that it is equally your duty to provide an ever ready and sufficient equivalent for your earning power, which your family stands in constant jeopardy to lose by your premature death.

Guard your family against disaster and yourself against dependency in old age.

When should I insure my life?

Now! The cost will never be less, and to-morrow you may not be able to obtain insurance at any price.

Even if others are not now dependent upon you, take time by the forelock and you will be the better able to meet future responsibilities, and at a smaller premium.

Where shall I insure my life?

In a purely Mutual Company.
In a company that earns, declares, and pays annual dividends.

In a company that is doing a conservative business.

Such a company is The Connecticut Mutual Life Insurance Company of Hartford, Conn. It furnishes perfect protection at lowest cost.

For further information, address the Company, or any of its agents.

JOHN M. TAYLOR, Pres't.
HENRY S. ROBINSON, Vice-Pres't.
H. H. WHITE, Sec'y.
