DEFEATED AT HOCKEY.

West Point 6—Trinity 0.

West Point defeated Trinity at hockey Saturday, January 25th, at West Point by the score of six to nothing. Trinity put up the poorest sort of an exhibition, due largely to being "knee-sprung" after the long journey on the train. At no time did they show anything of their true form, and in the second half the Army scored almost at will.

The first half proved a very close thing and neither side scored until a few seconds before the close, when Beavers put one in, which should have been an easy stop for Budd. The second period was simply a rout, neither Trinity's forward line nor the defense being able to cope with the cadets at all. The surprising thing about the result is that West Point didn't roll up a larger score.

HARTFORD ALUMNI DINE.

Seventh Annual Banquet Jan. 24.

There were seventy-five Trinity alumni present at the seventh annual banquet of the Alumni Association of Hartford, which was held at the Allyn House, Friday evening, January 24th. It was very informal, with a notable tendency to singing and reminiscence of college days. The presence of a glee club quartet, composed of H. N. Chandler, H. C. Goodrich, Paul Roberts and J. S. Carpenter, Jr., lent a lively and tuneful note to the singing.

J. Humphrey Green '91 was toast-master, and President Luther, the principal speaker. He spoke of his twenty-five years' of service at Trinity and of the development of the college. He dwelt at length upon the support of the college, which must depend upon the gifts of its alumni and its friends for its existence and its growth. For gifts must be given in part as payment of a debt every man feels toward his college, but mainly because of the pride the giver will feel in helping to make his college a great college.

A number of other alumni talked informally, among them George E. Beers '86, professor of jurisprudence in the Yale Law School, Percy S. Bryant '70 and Robert H. Schutz '89. Captain E. J. Donnelly '08 of last fall's football team spoke encouragingly of the football outlook, predicting the coming of a number of preparatory school stars to strengthen the squad.

A GIFT TO THE COLLEGE.

The Tripod in its last issue noted the death of John Ordronaux, M.D., LL.D., at Roslyn, L. I. The late Mr. Ordronaux was given an honorary degree from Trinity in 1870 and in his will he bequeathed to Trinity college \$10,000. One-half of his estate of \$300,000 is left to educational and charitable institutions. Dartmouth college gets \$30,000 and the University of Vermont \$10,000.

JUNIOR WEEK.

Events Greatest in the History of the College.

The Junior Week festivities began Thursday evening, February 6th, with a dance given by the I. K. A. fraternity. THE ALPHA DELTA PHI RECEPTION.

Formal Opening of the Festivities.

The second event of Junior week was the Alpha Delta Phi tea and reception on Friday afternoon. The house was daintily decorated in perfect keeping with the nature of the function. The main decorative scheme consisted of artistic effects in green and white, the particular colors of the fraternity. These effects were wrought by the skillful combination of palms, ferns and other evergreens with large clusters of snow-white tulips, carnations and lilies of the valley. To give variety and shading to the green and white displays, delicate pink roses and carnations were interspersed. Hatch's orchestra, screened behind a row of tall palms, furnished the music.

Mrs. Flavel S. Luther, Mrs. Percy S. Bryant and Mrs. Henry A. Perkins received the guests and the young women who poured were Misses Clarabel Smith, Harriet Rankin, Dorothy Davis, Marion Welch, Ruth Cutler and Marion Flagg.

DINNER IN HONOR OF SAFFORD WATERS.

G. Safford Waters '87, who wrote the music for the popular "Funabashi" was tendered a complimentary dinner in Providence by the Rhode Island Alumni Association during the past week. "Funabashi" is booked for Hartford on Friday and Saturday of this week.

VESPER SERVICE SUNDAY.

Chapel Well Filled With Guests.

Among the most beautiful affairs of junior week was the vespers service held in the college chapel Sunday afternoon. A very good musical program was given by the college choir and soloists. Among the latter were R. P. Butler '05, baritone; H. N. Chandler '09, basso, and Sturges Harmon '09, tenor. There was also an excellent organ selection by William B. Davis of Middletown, trainer of the Glee club. President Luther in a brief address welcomed the visitors to the college. He said in part:—

"The chapel in which we are gathered has been consecrated by more than a quarter of a century of college services. Who can tell what great thoughts or dreams of youth have had their birth within these walls? Many who are now foremost among the world's workers have occupied these chapel seats. It is in the dreams and aspirations of youths that history is made and many of you young men and women who are here to-day are doubtless destined to leave your names on record in the history of this, our common country. See to it, my friends, that your dreams and aspirations are of such pure and noble nature that when you take up the work of this hard world which we who are older must soon leave to you, a lofty and untiring purpose on your part may enable you to correct our mistakes and to finish worthily the work in which we have achieved partial success. Some of you, doubtless, are destined to be great; others may be forgotten soon after they are laid beneath the sod. But all of you will have accomplished something worth while if you faithfully fill your place, important or unimportant, in the complex world of deeds."

INCREASED CAPITALIZATION OF TRINITY CONCERN.

At a meeting of the stockholders of The Automatic Cashier Co. held in Hartford, January 30th, it was voted to increase the capital stock of the company from \$50,000 to \$300,000. Geo. Watson Beach '80, Irving R. Kenyon '07 of Hartford, Conn., C. H. Graham, Wm. A. Hitchcock and Raymond S. Case of Unionville, Conn., were elected directors. The company will move from Hartford to Unionville in the spring. The officers of the company are: President, George Watson Beach; treasurer, Irving R. Kenyon; secretary, Raymond S. Case; assistant secretary, Lorenzo W. Kenyon.

The Connecticut Mutual Life Insurance Company,

HARTFORD, CONN.,

Why should I insure my life?

Because it is a debt you owe to those who are dependent upon your earnings for their support.

You admit that it is your duty to supply their needs from day to day, but forget that it is equally your duty to provide an ever ready and sufficient equivalent for your earning power, which your family stands in constant jeopardy to lose by your premature death.

Guard your family against disaster and yourself against dependency in old age.

When should I insure my life?

Now! The cost will never be less, and to-morrow you may not be able to obtain insurance at any price.

Even if others are not now dependent upon you, take time by the forelock and you will be the better able to meet future responsibilities, and at a smaller premium.

Where shall I insure my life?

In a purely Mutual Company.
In a company that earns, declares, and pays annual dividends.

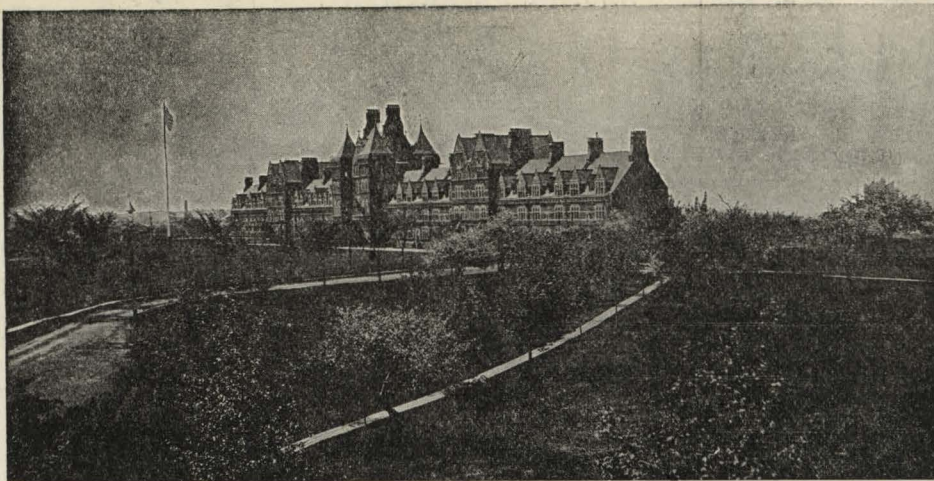

In a company that is doing a conservative business.

Such a Company is The Connecticut Mutual Life Insurance Company of Hartford, Conn. It furnishes perfect protection at lowest cost.

For further information, address the Company, or any of its agents.

HOCKEY TRIP.

During this week the hockey team is scheduled to play three games, two of which should prove hard contests. Friday evening Trinity goes up against Rensselaer Polytechnic at Troy, and the game should be very close. Saturday morning the team will play a short practice game against Albany High School and then hurries on to Williamstown where they stack up against the fast Williams seven. It is almost too much to hope for a victory in this game as Williams is unusually strong this year, but it is certain to be a close contest, if Trinity's defense shows the form of which it is capable. The team will be strengthened by the addition of Haight '11 to the rush line, who up to this time has been unable to play owing to being on probation.

COLLEGE TEA SATURDAY.

The event of Saturday afternoon of Junior week was the college tea, which is the one festivity in which practically all the students and their visiting friends take part. This year there was no exception to the rule. In fact this time it was even more enjoyable than usual owing to the large number of people present from out of town. The refreshment tables were very prettily decorated in black and orange, the colors of the class of 1909, under whose management the tea was given. At five o'clock dancing began, music for which was furnished by Hatch's orchestra.

Mrs. Flavel S. Luther, assisted by the wives of the faculty members, received and the young women who poured were: Miss Harriet Rankin, Miss Marion Welch, Miss Laura Hatch, Miss Marion Hawley, Miss Dorothy Davis, Miss Clarabel Smith, Miss Mary Winslow, Miss Mary Van Zile, Miss Marion Flagg and Miss Ruth Cutler.

NO MORE TROUBLE FROM PUNCTURES.

Result of 15 years experience in tire making. No danger from THORNS, CACTUS, PINS, NAILS, TACKS or GLASS. Serious punctures, like intentional knife cuts, can be vulcanized like any other tire.

Two Hundred Thousand pairs now in actual use. Over Seventy-five Thousand pairs sold last year.

DESCRIPTION: Made in all sizes. It is lively and easy riding, very durable and lined inside with a special quality of rubber, which never becomes porous and which closes up small punctures without allowing the air to escape. We have hundreds of letters from satisfied customers stating that their tires have only been pumped up once or twice in a whole season. They weigh no more than an ordinary tire, the puncture resisting qualities being given by several layers of thin, specially prepared fabric on the tread. That "Holding Back" sensation commonly felt when riding on asphalt or soft roads is overcome by the patent "Basket Weave" tread which prevents all air from being squeezed out between the tire and the road thus overcoming all suction. The regular price of these tires is \$8.50 per pair, but for advertising purposes we are making a special factory price to the rider of only \$4.80 per pair. All orders shipped same day letter is received. We ship C.O.D. on approval. You do not pay a cent until you have examined and found them strictly as represented.

We will allow a cash discount of 5 per cent (thereby making the price \$4.55 per pair) if you send **FULL CASH WITH ORDER** and enclose this advertisement. We will also send one nickel plated brass hand pump and two Sampson metal puncture closers on full paid orders (these metal puncture closers to be used in case of intentional knife cuts or heavy gashes). Tires to be returned at **OUR** expense if for any reason they are not satisfactory on examination.

We are perfectly reliable and money sent to us is as safe as in a bank. Ask your Postmaster, Banker, Express or Freight Agent or the Editor of this paper about us. If you order a pair of these tires, you will find that they will ride easier, run faster, wear better, last longer and look finer than any tire you have ever used or seen at any price. We know that you will be so well pleased that when you want a bicycle you will give us your order. We want you to send us a small trial order at once, hence this remarkable tire offer.

COASTER-BRAKES, built-up-wheels, saddles, pedals, parts and repairs, and everything in the bicycle line are sold by us at half the usual prices charged by dealers and repair men. Write for our big **SUNDRY** catalogue.

DO NOT WAIT but write us a postal today. **DO NOT THINK OF BUYING** a bicycle or a pair of tires from anyone until you know the new and wonderful offers we are making. It only costs a postal to learn everything. Write it **NOW**.
