BASEBALL TO-MORROW.

Game with Springfield Training School.

To-morrow afternoon the 'varsity baseball team will meet Springfield Training School at 3 o'clock on Trinity field. Since last Saturday's game with Boston College the men have had good hard practice and lots of it every day, so that they are in good condition for to-morrow's contest. If the men play as good a game with the same amount of spirit that they showed a week ago, there is no reason why the game should not be a fast exhibition of ball playing.

So far our opponents have played five games, losing three out of that number. The record is as follows: Wesleyan, 0-9, Worcester Poly., 9-8, Amherst Aggies, 2-10, Bates, 4-5, and Conn. Aggies, 3-2.

The line-up of the two teams will probably be as follows:—

Carroll 2b	Honhart
Xanders 3b	Muller
Smith c	Johnson

THE 1910 IVY BOARD.

The sophomore class made an early start in the publication of next year's Ivy by electing the board of editors yesterday afternoon. The entire board, however, is not complete as there is one vacancy yet to be filled.

Richardson L. Wright of Philadelphia, Pa., was elected editor-in-chief. He is a member of the Alpha Delta Phi fraternity and has been identified with the Tablet. Joseph Groves of Poughkeepsie, N. Y., was elected business manager. He is assistant manager of the football team, associate editor of the Tripod, vice-president of his class and a member of the Sophomore Dining Club and Delta Kappa Epsilon fraternity. Albert M. Smith of Berlin, N. H., was elected athletic editor and the rest of the board is composed of the following, who are associate editors: Ralph H. Merrill of Pittsfield, Mass., George W. E. Draper, New York City, and Benjamin F. Turner of Glastonbury, Conn.

COLLEGE GERMAN.

German Club Scores Another Success.

The third college german was held in Alumni Hall on last Tuesday evening. The affair was one of the best given by the German Club this year. The favors were unusually good and attractive; among them were fans and bits of bric-a-brac for the girls, while the men were given several useful articles. The prize round was awarded to Miss Marion Hawley, a box of bonbons, while E. K. Roberts, Jr., was given a large Trinity banner for his prize.

J. Oliver Morris, dancing stag, led the first half in which several delightful figures were executed. Arthur L. Potter dancing with Miss Marion Collins led the second half.

The patronesses were: Mrs. F. S. Luther and Mrs. E. T. Merrill. Those present were: W. R. Cross with Miss Elinor Collins, P. M. Butterworth with Miss Clarabel Smith; J. S. Carpenter with Miss Marion Welch; E. K. Roberts with Miss Laura Hatch; W. S. Eaton with Miss Marion Hawley, R. H. Merrill with Miss Inez Brainerd, W. A. Smith with Miss Harriet Rankin, A. W. Bunnell with Miss Dorothy Davis, Alfred Howell with Miss Mary Van Zile and B. F. Yates with Miss Marion Flagg; J. O. Morris and J. H. T. Sweet stag.

Outdoor Singing Practice.

Last Tuesday evening one of our fondest hopes was realized, in that there was for once some organized outdoor singing on the campus.

For some time past the Tripod has been urgent on this matter, and now that the Glee Club has taken up the matter we feel sure of its success.

In the first place, there is no doubt that singing is beneficial, and that good results in mass singing can be had very easily, with a reasonable amount of practice.

We are absolutely certain that there is no lack of singing material right here among the students, but what we all seem to need is someone or something to get behind and push. Now that Mr. Davis has been up once, to give us an idea of how we ought to sing as a body, there is no reason why some first-class singing should not be given either at our coming baseball games, or at the track meet with Wesleyan.

What we really do need, is to have every man get into it, whenever there is an opportunity offered him, and to really show some interest in this part of the college life, which is so dear to most of us.

A Correction.

The Tripod wishes to correct a mistake which occurred in a recent issue. A reference was made to the Rev. F. H. Danker, Harvard 1900. This was confused with his brother, the Rev. W. S. Danker, rector of St. John's Parish, Worcester, Mass., a graduate of Trinity in the class of 1897.

Boston Tech. swamped Maine in the dual meet at Tech. field Saturday afternoon by the score of 87½ to 38½. From the very start Tech. was way ahead and at no time was the meet even interesting.

INTERCOLLEGIATE NOTES.

Princeton's baseball team defeated the Syracuse 'varsity lately by the score of 3 to 1. Syracuse lost the game chiefly through lack of headwork on bases. Despite the muddiness of the Stadium diamond, both nines played fast ball. For four innings the teams battled without a score until Syracuse made her first run in the latter part of the fifth. Princeton came back in the sixth with two runs and then added another in the eighth.

The Yale track team has sustained a loss which, it is feared, may cost the college the dual games with Princeton next Saturday, and the games with Harvard at Cambridge a week later. Lester Barber Stevens, the best sprinter at Yale, has injured his knee and will be unable to compete in the sprints. He has been running the 100 yards in ten seconds flat, and was counted upon to win the sprints in both sets of games.

By the close margin of two points, Williams was defeated by Brown in the dual track meet held on Weston field last Saturday. As the results of the events were announced, the score in almost every case sent the standing of the contestants alternately to the head. At the last event, the discus throw, Brown led by one point. The result, a first for Brown and second and third for Williams, gave Brown a

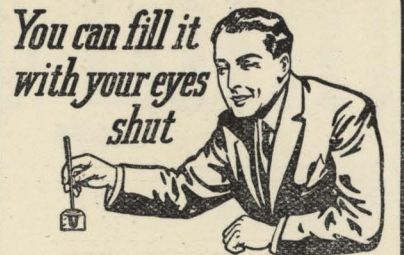

The weather conditions were such as to make a fast meet impossible, the wind being against the runners, on the home stretch in the distance events, and the track heavy.

The result of the meet showed Williams unexpectedly strong in the runs, vaulting, and jumps, though weak in the dashes and weight events, in which more points had been counted on.

Holy Cross defeated the Harvard University baseball team at Worcester on Saturday by the score of 3 to 2. The home team played much better in the field than the university team, and at the bat secured eight hits to Harvard's six. The first three Holy Cross batters were exceptional hitters, and were responsible for six clean hits and three runs. Harvard was unfortunate at the bat, and it was only the hardest kind of luck that prevented more runs being scored. With the exception of the third inning Hicks pitched excellent ball. In the sixth he struck out all three men. Dowd for Holy Cross received excellent support.

In the interclass track meet at Columbia University a week ago the feature was the breaking of the university record of 4 minutes 35 seconds for the mile run held by C. B. Marshall '02. L. G. W. Hoyns '08S covered the distance in the fine time of 4 minutes 32½ seconds, in spite of the chilly atmosphere and raw wind which blew across the field, hindering the great majority of the runners and jumpers.

The senior class day committee has selected Colt's Armory Band to give the customary concert on the campus on Class Day. The members of the committee are also securing the autograph of each member of the class. These will appear on a page in the class day program and will make a unique feature for Trinity commencement.

ALUMNI DEPARTMENT.

The last monthly meeting of the year of New York Trinity men was held on Monday evening, May 4th, at Kean's Chop House, 70 W 36th street. The meeting was well attended and lasted far into the night. Everybody had a sociable time and took great pleasure in discussing the present activities of the college and comparing them with those "of our day." There was a great deal of enthusiasm about the fast approaching Commencement, and there is no doubt about a large delegation from New York attending.

A letter from Mr. W. S. Schutz, about the President Luther Twenty-Fifth Anniversary Celebration, was read. Among those present were: Rev. Dr. E. O. Flagg '48, F. R. Hoisington '91, C. C. Trowbridge '92, C. C. Barton, Jr. '93, J. J. Penrose '95, E. C. Beecroft '97, C. L. Burnham '98, J. H. Lecour, Jr. '98, A. D. Vibbert '99, Dr. R. A. Benson '99, E. P. Taylor '00, J. J. Boller '06, F. C. Hinkel, Jr. '06, Mr. P. A. Ramage.

'32-'80—The second volume of papers of the New Haven Colony Historical Society, recently published, contains a full biographical sketch of the Rev. E. E. Beardsley, D.D., LL.D. '32, from the pen of the Rev. Dr. (now Bishop) Lines, and a paper by George M. Curtis '80, on "Meriden and Wallingford in Colonial and Revolutionary Days."

'81—An article by the Rev. Edward P. Newton of the class of '81, on "Pioneering on the Alaskan Coast," appears in the Spirit of Missions for April.

'91—The address of the Rev. Herbert Parrish is 40 Crafts Road, Chestnut Hill, Mass.

The Harvard undergraduates' petition, signed by 1,606 students, protesting against any radical interference with the present conditions of intercollegiate sport in the university, was presented to the faculty, by whom it was referred to the Harvard Athletic committee. The faculty issued a statement in which it commended the students for their co-operation and said the athletic committee would confer with the student body or its representatives in taking final action.

 PROVIDENT BUILDING PHILADELPHIA,

The Connecticut Mutual Life Insurance Company,

HARTFORD, CONN.,

Why should I insure my life?

Because it is a debt you owe to those who are dependent upon your earnings for their support.

You admit that it is your duty to supply their needs from day to day, but forget that it is equally your duty to provide an ever ready and sufficient equivalent for your earning power, which your family stands in constant jeopardy to lose by your premature death.

Guard your family against disaster and yourself against dependency in old age.

When should I insure my life?

Now! The cost will never be less, and to-morrow you may not be able to obtain insurance at any price.

Even if others are not now dependent upon you, take time by the forelock and you will be the better able to meet future responsibilities, and at a smaller premium.

Where shall I insure my life?

In a purely Mutual Company. In a company that earns, declares, and pays annual dividends.

In a company that is doing a conservative business.

Such a Company is The Connecticut Mutual Life Insurance Company of Hartford, Conn. It furnishes perfect protection at lowest cost.

\$8.50 PUNCTURE-PROOF TIRES ONLY \$4.80 PER PAIR

Regular Price \$8.50 per pair. To Introduce We Will Sell You a Sample Pair for Only **4.80** (CASH WITH ORDER \$4.55)

NO MORE TROUBLE FROM PUNCTURES. Result of 15 years experience in tire making. No danger from THORNS, CACTUS, PINS, NAILS, TACKS or GLASS. Serious punctures, like intentional knife cuts, can be vulcanized like any other tire.

Two Hundred Thousand pairs now in actual use. Over Seventy-five Thousand pairs sold last year.

DESCRIPTION: Made in all sizes. It is lively and easy riding, very durable and lined inside with a special quality of rubber, which never becomes porous and which closes up small punctures without allowing the air to escape. We have hundreds of letters from satisfied customers stating that their tires have only been pumped up once or twice in a whole season. They weigh no more than an ordinary tire, the puncture resisting qualities being given by several layers of thin, specially prepared fabric on the tread. That "Holding Back" sensation commonly felt when riding on asphalt or soft roads is overcome by the patent "Basket Weave" tread which prevents all air from being squeezed out between the tire and the road thus overcoming all suction. The regular price of these tires is \$8.50 per pair, but for advertising purposes we are making a special factory price to the rider of only \$4.80 per pair. All orders shipped same day letter is received. We ship C.O.D. on approval. You do not pay a cent until you have examined and found them strictly as represented.

We will allow a cash discount of 5 per cent (thereby making the price \$4.55 per pair) if you send FULL CASH WITH ORDER and enclose this advertisement. We will also send one nickel plated brass hand pump and two Sampson metal puncture closers on full paid orders (these metal puncture closers to be used in case of intentional knife cuts or heavy gashes). Tires to be returned at OUR expense if for any reason they are not satisfactory on examination.

We are perfectly reliable and money sent to us is as safe as in a bank. Ask your Postmaster, Banker, Express or Freight Agent or the Editor of this paper about us. If you order a pair of these tires, you will find that they will ride easier, run faster, wear better, last longer and look finer than any tire you have ever used or seen at any price. We know that you will be so well pleased that when you want a bicycle you will give us your order. We want you to send us a small trial order at once, hence this remarkable tire offer.

COASTER-BRAKES, built-up-wheels, saddles, pedals, parts and repairs, and everything in the bicycle line are sold by us at half the usual prices charged by dealers and repair men. Write for our big SUNDRY catalogue.

DO NOT WAIT but write us a postal today. **DO NOT THINK OF BUYING** a bicycle or a pair of tires from anyone until you know the new and wonderful offers we are making. It only costs a postal to learn everything. Write it NOW.
