VICTORY OVER SPRINGFIELD TRAINING SCHOOL.

Game Marred by Showers.

Trinity defeated Springfield Training School in base ball on Trinity field last Saturday afternoon by the score of 4 to 2. The game, which was played partly through showers, was very slow and uninteresting from start to finish, the only feature of the game was a clever double play in the first inning by Xanders and Abbey. Trinity should have scored more runs if they had been able to hit. Several times there were two or more men on bases and a good single hit would have meant two men over the plate. The pitchers for both teams were very consistent in their work. Guillow, who was in the box for Springfield, fielded his position exceptionally well. Woodle, who replaced Cook in the sixth inning, struck out eight men and passed five. The first basemen for both teams covered an unusual amount of ground for a man playing the initial bag.

In the first inning neither team was able to get a man across the plate, though Springfield had several men on the bases. In the second inning Xanders, who ran for Smith, scored the first run for Trinity on the squeeze play. A. L. Gildersleeve and Abbey both scored on errors, making the score 3 to 0 for Trinity.

Springfield got their first run in the third, when Honhart came in on Webster's error. There was no more scoring until the eighth when Carroll scored for Trinity. In the first of the ninth Winters scored for Springfield.

Webster was the star man with the stick for Trinity, making three hits out of four times up. His bunting was a feature. McCullough excelled for the visitors in this line.

ATHLETIC CONFERENCE OF NEW ENGLAND COLLEGES.

Trinity Represented by Professor Riggs and Mr. Waterman.

Friday and Saturday, May 8th and 9th, Professor R. B. Riggs and Edgar F. Waterman '98 attended the athletic conference of New England colleges which was held in Boston. The convention was a purely voluntary gathering, with a view of forming an association to represent the athletic advisory boards of the various New England institutions. All of the colleges in this section, except three, sent delegates. It was decided that in future the association should meet once a year or oftener to discuss, without acting upon, ways and means of improving athletics, and in particular of encouraging athletics within the colleges.

As an example, witness what was done at Harvard to stir up base ball enthusiasm among students who had not the slightest chance of making a regular team. Four diamonds were made; one for the 'varsity, one for the second team, one for the freshman team, and the fourth for all comers. This last diamond has been exceedingly popular with the students, and no less than 45 teams use it. The same policy, modified of course, might bear fruit at Trinity. It is by getting together and discussing such measures as these that the athletic conference hopes to accomplish good.

COLLEGE NEWS.

The class of 1910 held a meeting yesterday in the interests of its "Ivy."

The secretary of the faculty has received a communication from the Fisk Teachers Agency desiring the names of students who will graduate this year and expect to teach this fall. They offer to waive the usual registration fee until they have secured positions for the applicants. If members of the senior class who intend to teach and who desire to take advantage of this offer will give their names to the secretary of the faculty, they will be transmitted to the agency.

There will be a meeting of the Tripod board to-night at 7 o'clock in the Tripod room, 10 Northam.

A college sing will be held this evening at 7 o'clock. Everyone in college is requested to be present as songs for the meet with Wesleyan will be practiced.

VILLA NOVA GAME.

On Friday afternoon Trinity will meet Villa Nova at base ball on Trinity field. The line-up of the visitors can not be obtained at present, but it may be assured that they will have the usual good team for which they are noted.

RENSSELAER TECH. 70, TRINITY 56.

Trinity Secures Only Four First Places.

Trinity lost the track meet to Rensselaer Polytechnic Institute at Troy, N. Y., last Saturday by the score of 70 to 56. This result is somewhat surprising to the average casual follower of track athletics, but it may be attributed to two principal causes, first that our opponents had a really fine and remarkably fast team and second that the conditions were unfamiliar to our athletes. Besides these it is not unjust to say that our team was a little overconfident, and also showed poor headwork in individual cases.

The times of most of the running events were not fast, but this is accounted for by the fact that the field was in poor condition and the weather so unfavorable.

Of the individual events the most creditable performances were made by Taylor and Maxson. The former really covered himself with glory by capturing eleven points, two firsts and a third, while the latter's throw of 106 ft. 6 in. in the hammer, considering the wet and slippery state of the ring, was a real feat. Trinity took three places in the quarter, rather unexpectedly, but this was the only event in which the "Tech" men showed any glaring weakness. Morris ran a good race in the half, and probably could have done much better if pushed harder. In the distances our men did not show up as well as expected, D. C. Pond especially, although seemingly in excellent physical shape, failing to capture a first place in either event.

Emigh in the hurdles ran beautifully, and is a really fast man. Rensselaer was surprisingly strong in the weights, capturing firsts in both the shot and discus. Cox's put of 38 ft. 4 in. in the shot was a phenomenal performance considering the conditions. In the jumps Trinity seemed to be outclassed, their opponents capturing two places in the high jump, two in the broad and a first in the pole vault.

The result of the meet shows conclusively that the only way we can hope to beat Wesleyan next Saturday is by the hardest work and most consistent training of every man on the squad. The only new men to win the ATA last Saturday were: G. S. Buck '09, in the sprints; P. Maxon '11, in the pole vault, and W. W. Buck '11, in the mile.

The summary of the meet follows:—

High jump—Won by Cox of Rensselaer; McNaughton of Rensselaer, 2d; Olmsted of Trinity, 3d; height, 5ft. 3in.

Broad jump—Won by Beall of Rensselaer; Harmon of Trinity, 2d; Hargesty of Rensselaer, 3d. 19ft. 7¼ in.

Shot-put—Won by Cox of Rensselaer; Degnon of Rensselaer, 2d; Donnelly of Trinity, 3d; distance, 38ft. 6in.

Two-mile run—Won by Mayer of Rensselaer; D. C. Pond of Trinity, 2d; Dibble of Trinity, 3d; time, 10m. 46c.

"NOW THEN—TRINITY!"

EDITORIAL.

It is not necessary for the Tripod to remind the college body that our track meet with Wesleyan comes off on Saturday.

We do wish, however, to urge on it the necessity of every man in college getting out and giving the team every possible encouragement.

It is true that the meet with Rensselaer last Saturday was far from satisfactory, but when the conditions at Troy are taken into consideration we need not feel discouraged.

Cheer leaders have been appointed and rehearsals will be held throughout the week so that every man in college will have an opportunity to learn the songs.

Wesleyan will bring to Hartford one of the best teams it has had in a number of years and if we are to come out on top, it is up to every undergraduate to come out and make himself useful in the cheering section.

There will be an excellent chance for the cheerers to get in good trim because of the Dartmouth and Villa Nova base ball games which come Wednesday and Friday respectively.

This point of need of good cheering cannot be put too emphatically—it is a necessity. So let every true Trinity man be seen at the rehearsals and games this week, and what is more, let them be seen cheering to the best of their ability.

Let every man in college be in the cheering section when the first event is called on Saturday and lend all the support possible and we may feel that the men on the track will give a good account of themselves.

A week ago to-night the project of an organized college sing was started with a considerable show of enthusiasm. Last Friday night a second attempt was made but scarcely anyone was present. This may be partly accounted for by the weather conditions and the fact that the track team was away, but if these gatherings are to

meet with the success that they deserve more men must be present. Plans are being made to hold at least two during this week and we hope to see a large number of men present at them as they are valuable aids for arousing college spirit.

ALUMNI DEPARTMENT.

'66—The following note which should
be of interest to all Trinity men is
taken from a recent issue of the Hart-
ford Courant:—

"For some minutes yesterday after-
noon the shadow of coming loss hung
over Connecticut. A special diocesan
convention at Delaware's capital was
trying to fill the episcopal chair left
empty by the death of the lamented
Bishop Coleman. All of a sudden the
telegraph instruments ticked out the
news that the Delaware clergy, by a
vote of two to one, had chosen Dr.
Samuel Hart.

Unfortunately for Delaware, but most
fortunately for Connecticut, the voting
on such occasions is by orders, and for
some simply un conjecturable reason the
lay members of the convention did not
jump at the chance offered them to
secure such a jewel of a bishop. They
refused to confirm the choice of the
clerical members, and that made it a
case of no election. The shadow that
had darkened the little yellow spot on
the map flitted off, and the sun shone
again.

This isn't the first time that a bishop-
less diocese has tried to take Dr. Hart
away from us, and we'd like it stopped.
He belongs in Connecticut. He's wanted
for home consumption—as Hosea Big-
low put it. The Berkeley Divinity
School, Trinity College, the Historical
Society, his Connecticut friends of all
creeds and conditions, need him right
where he is. So does the venerable
House of Bishops, for that matter; how
could it hope to get such another ideal
secretary?

But we're sorry for Delaware."

At recent parish meetings in Hart-
ford, J. H. Kelso Davis of the class
of '99 was re-elected a vestry man of
St. John's Church and Frank E. John-
son of the class of '84 and Edward B.
Hatch of the class of '86, were re-
elected vestrymen of Trinity Church.

'71—Ambrose Spencer Murray, Jr., of
the class of '71, being a vestry man of
Trinity Church, New York, was one
of the bearers at the funeral of the late
Rev. Dr. Morgan Dix. Dr. Dix, who
was a graduate of Columbia College in
1848, preached our baccalaureate sermon
in 1886.

'78—The Rev. Charles W. Boylston
of the class of '78, a former rector of
the parish, was one of the speakers
at the semi-centennial of St. James's
Church, Glastonbury, last week. Among
the other names of the list of rectors
are those of the late Rev. Samuel Hall
of the class of '54, under whose care
the church was built; the late Rev. Dr.
Edward Goodridge of the class of '60,
the Rev. Thomas H. Gordon of the
class of '71 and the Rev. Dr. Beverley
E. Warner of the class of '76.

'07—C. V. Ferguson of the class of
'07, now a student in the graduate de-
partment of Harvard University, visited
the college recently.

ex-'09—Charles P. Mulcahy, advertis-
ing manager of the Tripod in 1907, and
now a student at the University of Col-
orado, has been confined to the hospital
for several weeks.

John B. Clark of Rosebud, S. D., has
been elected to the 1910 Ivy board.

The Connecticut Mutual Life Insurance Company,

HARTFORD, CONN.,

Why should I insure my life?

Because it is a debt you owe to those who are dependent upon your earnings for their support.

You admit that it is your duty to supply their needs from day to day, but forget that it is equally your duty to provide an ever ready and sufficient equivalent for your earning power, which your family stands in constant jeopardy to lose by your premature death.

Guard your family against disaster and yourself against dependency in old age.

When should I insure my life?

Now! The cost will never be less, and to-morrow you may not be able to obtain insurance at any price.

Even if others are not now dependent upon you, take time by the forelock and you will be the better able to meet future responsibilities, and at a smaller premium.

Where shall I insure my life?

In a purely Mutual Company.
In a company that earns, declares, and pays annual dividends.

In a company that is doing a conservative business.

Such a Company is The Connecticut Mutual Life Insurance Company of Hartford, Conn. It furnishes perfect protection at lowest cost.

A committee consisting of Butterworth '08, Roberts '09 and Webster '10, was appointed to consider the advisability of having a band for the meet.

A special plea was made by Captain Olmstead for more men for the weight events.

\$8.50 PUNCTURE-PROOF TIRES ONLY \$4.80

Regular Price \$8.50 per pair. To Introduce We Will Sell You a Sample Pair for Only \$4.80. (CASH WITH ORDER \$4.55)

NO MORE TROUBLE FROM PUNCTURES. Result of 15 years experience in tire making. No danger from THORNS, CACTUS, PINS, NAILS, TACKS or GLASS. Serious punctures, like intentional knife cuts, can be vulcanized like any other tire.

Two Hundred Thousand pairs now in actual use. Over Seventy-five Thousand pairs sold last year.

DESCRIPTION: Made in all sizes. It is lively and easy riding, very durable and lined inside with a special quality of rubber, which never becomes porous and which closes up small punctures without allowing the air to escape. We have hundreds of letters from satisfied customers stating that their tires have only been pumped up once or twice in a whole season. They weigh no more than an ordinary tire, the puncture resisting qualities being given by several layers of thin, specially prepared fabric on the tread. That "Holding Back" sensation commonly felt when riding on asphalt or soft roads is overcome by the patent "Basket Weave" tread which prevents all air from being squeezed out between the tire and the road thus overcoming all suction. The regular price of these tires is \$8.50 per pair, but for advertising purposes we are making a special factory price to the rider of only \$4.80 per pair. All orders shipped same day letter is received. We ship C.O.D. on approval. You do not pay a cent until you have examined and found them strictly as represented.

We will allow a cash discount of 5 per cent (thereby making the price \$4.55 per pair) if you send FULL CASH WITH ORDER and enclose this advertisement. We will also send one nickel plated brass hand pump and two Sampson metal puncture closers on full paid orders (these metal puncture closers to be used in case of intentional knife cuts or heavy gashes). Tires to be returned at OUR expense if for any reason they are not satisfactory on examination.

We are perfectly reliable and money sent to us is as safe as in a bank. Ask your Postmaster, Banker, Express or Freight Agent or the Editor of this paper about us. If you order a pair of these tires, you will find that they will ride easier, run faster, wear better, last longer and look finer than any tire you have ever used or seen at any price. We know that you will be so well pleased that when you want a bicycle you will give us your order. We want you to send us a small trial order at once, hence this remarkable tire offer.

COASTER-BRAKES, built-up-wheels, saddles, pedals, parts and repairs, and everything in the bicycle line are sold by us at half the usual prices charged by dealers and repair men. Write for our big SUNDRY catalogue.

DO NOT WAIT but write us a postal today. **DO NOT THINK OF BUYING** a bicycle or a pair of tires from anyone until you know the new and wonderful offers we are making. It only costs a postal to learn everything. Write it NOW.
