Trinity-Wesleyan Track Meet To-morrow

FIRST TRACK MEETING SINCE 1904

To-morrow afternoon for the first time in four years the old rivals, Wesleyan and Trinity, will meet each other in what promises to be one of the most interesting track meets of the year. If the weather conditions are good a large crowd is expected to witness the contest and Manager Roberts is making arrangements accordingly. The whole undergraduate body and many of the local alumni as well as a number from out of town will doubtless fill the Trinity cheering section and they will have a band to assist them in encouraging the wearers of the "Old gold and blue."

Wesleyan is expected to send up a large body of loyal rooters and they will occupy seats in the south stand.

The boys from down the valley seem confident that they will return to Middletown with a large proportion of the medals and an ample revenge for their foot ball defeat of last fall. The Trinity followers, while not supremely confident of victory, nevertheless expect to see Captain Olmsted's men give a good account of themselves.

Coach O'Connor has been very busy since the meet with Rensselaer rounding the men into shape and they now are all in good trim for to-morrow.

The Wesleyan supporters are pinning all their faith on the dashes and the distance events up to the two mile run. In the field events they expect to capture both the broad and high jumps. The hurdles are expected to be very close events, while the weights are conceded to Trinity. It is expected that both Bacon and Connor, who have been laid off on account of injuries, will be able to run for Wesleyan. The "dope sheets" have been much in evidence during the past week and the knowing ones predict that despite all reports to the contrary the meet will be close and that the winning team will have to go to the limit of its ability.

The official entries are as follows:—

100 Yard Dash.

Wesleyan—Robson, Faraday, Kent, Bacon, Wright.

Trinity—Taylor, G. Buck, Capen, D. Clark, Burdick.

TRINITY LOSES TO DARTMOUTH.

In a Close and Snappy Game.

Trinity was outplayed on Wednesday when Dartmouth took the game by a score of 3-1. The Green seemed to be in the game from start to finish, and nothing that the home team could do, was able to even tie the score, although sufficient chances were given.

Trinity lost on account of the frequency with which Dartmouth was allowed to go to first on balls, and thereby giving them many chances to make runs.

The game was unusually fast, and well played, as far as errors go, only one being made by Trinity, against two for Dartmouth. The crowd was larger than usual and undoubtedly enjoyed the exhibition.

Trinity had a chance of tying the score in the eighth, with a man on first and second. Xanders came to bat. The fans called "Over the fence," but Xanders flied out to that wonderful center fielder, Glaze, the Dartmouth captain. Glaze ran like a madman, did a double roll, and stood up, with the ball put snugly away in his glove.

The visitors outfielded and outbatted Trinity, and Mitchell outpitched Woodlee, who, feeling charitable, was determined to give at least one base on balls each inning. He did, on the average—all but one inning. Mitchell was the recipient of three bee-lines, all of which he handled in a creditable fashion.

All of Dartmouth's runs were made by men who were given their base, and this was the way of it: In the second, Mitchell flied out, Eaton drew his base, stole second, and was advanced to third on a sacrifice hit by Brady. Hobart then drew his base, and stole second. Woodlee then passed Emerson, and when Conroy made his hit Eaton and Hobart crossed the plate. Conroy then managed to be hit by a batted ball and the side was retired. It was the same story in the eighth, Leonard got a base on balls, stole second, made third on a sacrifice, and home on a hit by Brady. Trinity's run was made by Connor, who reached first on an error by Schildmiller, stole second, and came home on Carroll's hit. Abbey, aside from making the only error for Trinity, played a good game, and A. L. Gildersleeve did fine work on the bases. Conroy at short played the best game for Dartmouth.

The score and summary follows:—

PHILADELPHIA SMOKER.

Enthusiastic Gathering of Alumni at University Club.

The annual smoker of the Philadelphia Alumni Association was held at the University Club, Tuesday evening, and although it was necessary to send out the invitations only a week in advance of the date, a surprisingly large number of alumni were on hand.

The Rt. Rev. Alexander Mackay Smith, D.D., president of the association, delivered the address of welcome and introduced President Luther as the principal speaker of the evening. At the conclusion of Pres. Luther's remarks, which were received with earnest attention and frequent applause, Bishop Mackay Smith introduced Mr. William Drayton '71 and Dr. J. Ewing Mears '58, whose speeches were in their usual happy vein.

During the smoker, Trinity songs and cheers were given by an impromptu glee club composed of the younger graduates. Following the smoker, the guests adjourned to another room, where tables were set, and a small supper was served. At 11 o'clock Pres. Luther was allowed to go with reluctant farewells and a "long Trin." He was obliged to leave for St. James School, Maryland, of which Adrian H. Onderdonk '99 is head master. Pres. Luther reached Philadelphia on Monday, and on Tuesday afternoon visited St. Luke's School, at Wayne, Pa. He was brought into town that evening in an automobile by Mr. Strout, head master of the school, and Mr. William Purnell Brown '01, also a master at St. Luke's, both of whom were present at the smoker. Mr. Arthur B. Linsley '82, head master of Phillips Brooks School, and Mr. Howard Eberlein, dean of the school, also attended the smoker.

Others present were: Dr. Fischer '60, LeRoy '63, Washburn '81, Alcorn '74, Fisher '79, Holden '82, Olmstead '84, Yardley '92, S. J. Benton '97, Van Meter '99, Woodlee '99, J. G. McIlvaine '00, Wales '01, C. C. Peck '02, H. R. McIlvaine '04, George '06, Schwartz '06 and Fiske '06.

TENNIS TOURNAMENT.

The four men who are to represent Trinity at the intercollegiate tennis tournament will be chosen as soon as a special tournament can be held for that purpose. The intercollegiate tennis tournament will be held at Longwood near Boston, on May 24th. The following colleges will be represented: Amherst, Brown, Dartmouth, M. I. T., Tufts, Vermont, Trinity, Wesleyan and Williams.

The college tournament is still on, and among the most prominent changes are Burgwin and Pulford, who have advanced over six places. Grove Buck '08 still leads and Edsall '08 is second.

A college sing will be held in the music room to-night at 7 o'clock.

"NOW THEN—TRINITY!"

EDITORIAL.

On Tuesday evening the third college singing was held in the music room. Mr. Davis was present and coached the singing, so that it went with considerable snap and vim. At the base ball game with Dartmouth on Wednesday two songs were tried, both of which had been practiced the evening before. These were far below the standard of what was expected after the sing. The cheering was also of a poor order compared to what Trinity did when we beat Wesleyan in foot ball last fall. As everyone knows we have a track meet with Wesleyan to-morrow, everyman in college must be there to aid the team with his support.

The team will do the best to a man and it is up to us to show them that we are behind them by being in the cheering section early and staying there until the last event is run off. If this is done we feel sure that to-morrow evening we will have just cause to be proud of ourselves.

Dartmouth was defeated by the Harvard University track team in the dual meet on Soldiers field recently by the score of 68 points to 49. The Dartmouth team proved much stronger than had been expected, and in several cases won events which had previously been conceded to Harvard. The University team, on the other hand, showed weaknesses in the events in which it was thought to be the strongest, as for instance the quarter and half-mile. As a result of the hard rains during the past week the track was rather heavy and slow, and a downpour, which came just before the 220-yard hurdles and 220-yard dash were run off, left the track in very poor condition and caused slow time in these two events.

Dartmouth secured 6 first, 5 second and 4 third places to Harvard's 7 first, 8 second and 9 third places.

INTERCOLLEGIATE NOTES.

In the closest race in the annals of rowing at Annapolis both Columbia crews were defeated by the Midshipmen in a four-cornered race on the inner course of the Severn Saturday afternoon. The contest between the two first boats was undoubtedly the most hotly contested and prettiest race ever rowed on the Severn and was well worth the long wait and delay caused by the high wind and rough water. The latter was also responsible for the slow time that was made, the Navy covering the two mile course in 10 minutes 23 1/2 seconds, the Columbia first eight finishing three feet and a half behind in 10:23 1/2.

In a hotly contested meet the Boston Tech track team defeated Brown University recently by a margin of 17 points. Tech scored seven firsts, ten seconds and six thirds, while Brown captured seven firsts, four seconds and seven thirds. With one point split between the two teams the score was 71 1/2 to 54 1/2.

Because of general ability in all events, and superior head work, Amherst won the first dual meet held with Williams in ten years, on Pratt field last week, by a score of 69 to 57. The closeness of the score, though Amherst won by a larger margin than was expected, is indicative of the general nature of the meet, in which the attention was held from start to finish. The meet was, however, marred by the most unfavorable weather conditions, the track was soggy from recent rains, and showers were frequent during the afternoon. Taking into consideration these facts, the times of some of the events were remarkably good. The opposing captains, White of Amherst, and Horrax of Williams, were clearly the stars of the meet, for the Williams leader was an easy winner in the broad jump, pole vault and high hurdles and tied for first in the high jump, while the Amherst man romped away from the other contestants in the mile and two mile. An existing record of each college was broken during the afternoon.

COLLEGE NEWS.

The two stone lion heads over the
 door of Middle Jarvis have been com-
 pleted and work has been started on a
 large relief panel of the old college
 which will be finished in about three
 weeks.

President F. S. Luther returned yes-
 terday morning from a western trip,
 during which he visited several schools.
 On his return trip he stopped over at
 Philadelphia to attend the alumni
 smoker, given by the Trinity graduates
 of that city. Needless to say, he was
 the principal speaker at the meeting.

Competition for the position of
 fourth speaker at Commencement is
 growing in earnest. Many of the
 seniors are preparing theses to be sub-
 mitted to the faculty, who will decide
 upon the merits of the same about the
 first of next month.

NOTICE.

The meet on Saturday will begin
 promptly at 2:30 o'clock, instead of 2,
 as was previously announced. The gen-
 eral admission is fifty cents, and twenty-
 five cents extra will be charged for re-
 served seats in the new stand. This
 last applies to all, both those with A. A.
 tickets, and those without. All those
 who wish to purchase reserved seats
 in advance may do so from Manager
 E. K. Roberts, jr. '09.

It was announced yesterday that the
 gift of a new bleachers had been made
 by Hon. Frank L. Wilcox, class of
 1880. The new stand will be built be-
 tween the two present bleachers, uni-
 form in size and appearance with them,
 and will be directly opposite the finish.
 Work is going steadily forward at the
 present time in order to have the struc-
 ture completed in time for the meet
 on Saturday with Wesleyan.

The Connecticut Mutual Life Insurance Company,

HARTFORD, CONN.,

Why should I insure my life?

Because it is a debt you owe to those who are dependent upon your earnings for their support.

You admit that it is your duty to supply their needs from day to day, but forget that it is equally your duty to provide an ever ready and sufficient equivalent for your earning power, which your family stands in constant jeopardy to lose by your premature death.

Guard your family against disaster and yourself against dependency in old age.

When should I insure my life?

Now! The cost will never be less, and to-morrow you may not be able to obtain insurance at any price.

Even if others are not now dependent upon you, take time by the forelock and you will be the better able to meet future responsibilities, and at a smaller premium.

Where shall I insure my life?

In a purely Mutual Company.
In a company that earns, declares, and pays annual dividends.
In a company that is doing a conservative business.

Such a Company is The Connecticut Mutual Life Insurance Company of Hartford, Conn. It furnishes perfect protection at lowest cost.

For further information, address the Company, or any of its agents.

INTERCOLLEGIATE NOTES.

In a recent base ball game between Cornell and Princeton, the latter team left the diamond just at the beginning of the game. No explanation was given for this act, though before the game there was a discussion as to whether to play or not, wet grounds being the cause. The decision was left to Princeton and they agreed to play; though they immediately left the field. As a result of this action, all relations between these two institutions will probably be called off.

\$8.50 PUNCTURE-PROOF TIRES ONLY \$4.80 PER PAIR

Regular Price \$8.50 per pair. To Introduce We Will Sell You a Sample Pair for Only \$4.80 (CASH WITH ORDER \$4.55)

NO MORE TROUBLE FROM PUNCTURES. Result of 15 years experience in tire making. No danger from **THORNS, CACTUS, PINS, NAILS, TACKS or GLASS.** Serious punctures, like intentional knife cuts, can be vulcanized like any other tire.

Two Hundred Thousand pairs now in actual use. Over Seventy-five Thousand pairs sold last year.

DESCRIPTION: Made in all sizes. It is lively and easy riding, very durable and lined inside with a special quality of rubber, which never becomes porous and which closes up small punctures without allowing the air to escape. We have hundreds of letters from satisfied customers stating that their tires have only been pumped up once or twice in a whole season. They weigh no more than an ordinary tire, the puncture resisting qualities being given by several layers of thin, specially prepared fabric on the tread. That "Holding Back" sensation commonly felt when riding on asphalt or soft roads is overcome by the patent "Basket Weave" tread which prevents all air from being squeezed out between the tire and the road thus overcoming all suction. The regular price of these tires is \$8.50 per pair, but for advertising purposes we are making a special factory price to the rider of only \$4.80 per pair. All orders shipped same day letter is received. We ship C.O.D. on approval. You do not pay a cent until you have examined and found them strictly as represented.

We will allow a cash discount of 5 per cent (thereby making the price \$4.55 per pair) if you send **FULL CASH WITH ORDER** and enclose this advertisement. We will also send one nickel plated brass hand pump and two Sampson metal puncture closers on full paid orders (these metal puncture closers to be used in case of intentional knife cuts or heavy gashes). Tires to be returned at **OUR** expense if for any reason they are not satisfactory on examination.

We are perfectly reliable and money sent to us is as safe as in a bank. Ask your Postmaster, Banker, Express or Freight Agent or the Editor of this paper about us. If you order a pair of these tires, you will find that they will ride easier, run faster, wear better, last longer and look finer than any tire you have ever used or seen at any price. We know that you will be so well pleased that when you want a bicycle you will give us your order. We want you to send us a small trial order at once, hence this remarkable tire offer.

COASTER-BRAKES, built-up-wheels, saddles, pedals, parts and repairs, and everything in the bicycle line are sold by us at half the usual prices charged by dealers and repair men. Write for our big **SUNDRY** catalogue.

DO NOT WAIT but write us a postal today. **DO NOT THINK OF BUYING** a bicycle or a pair of tires from anyone until you know the new and wonderful offers we are making. It only costs a postal to learn everything. Write it **NOW.**
