WEST POINT WINS FROM TRINITY.

A Slow Game With Disappointing Results.

Last Wednesday afternoon the 'varsity base ball team went down to defeat at the hands of the Army, at West Point, by a score of 5 to 0. The game was a miserably poor exhibition, Trinity not even getting a safe hit and but one man as far as third base. Woodle pitched a good game for Trinity, making ten strike outs and giving eight bases on balls; McNeil for West Point having seven strike outs, with one base on balls. The summary follows:—

INTERCOLLEGIATE TENNIS.

H. H. Burgwin '11 and A. W. Bunnell '11 were defeated in the singles in the tennis tournament at Longwood last week. Burgwin '11 and Nelson '11 were also defeated in the doubles in the same tournament.

The representatives of Trinity were up against some very hard men, Burgwin playing a man in the single who qualified for the finals and the other two having the same kind of luck.

All the men played good heady games and it is practically a sure thing that next year the outcome will be different, for practice in the doubles is a feature lacking at present.

The carving of the old college over the door of Middle Jarvis is nearing completion. The miniature representation is excellent, and the wonder has been constantly growing, that so perfect a carving could be made—representing the buildings, trees, and walks that were on the spot where the state capitol now stands.

COMMENCEMENT WEEK.

Program Announced.

The eighty-second commencement of Trinity College will take place in Alumni Hall on the morning of the twenty-fourth of June, at 11 o'clock.

A program has been arranged that promises to be one of special interest to all those who attend.

One of the most urgent reasons for every undergraduate's staying until the finish, is the fact that this June marks the twenty-fifth anniversary of President Luther's connection with the college.

A great number of graduates are expected back, either for the week, for their fraternity reunions, or for the commencement.

The program of commencement week is as follows:—

Saturday, June 20.

2:30 p. m.—Baseball game. Wesleyan vs. Trinity at Hartford.

8:00 p. m.—Senior dramatics in Alumni Hall: "The Stranger in the Church."

10:45 a. m.—Procession formed in front of Northam Towers.

11:00 a. m.—Eighty-second commencement, in Alumni Hall.

Those who have had the matter of the reception committee in charge have certainly made an excellent choice as will be seen from the following list: Honorary, Gurdon Wadsworth Russell, M.D., LL.D., 1834. Active, Rev. James Goodwin, M.A., B.D., '86, chairman; Hon. Frank Langdon Wilcox '80; Edward Stevens Beach '83; William Festus Morgan '88; Charles Clarence Barton, jr., LL.D. MEETING OF THE N. E. I. P. A.

The annual meeting of the New England Intercollegiate Press Association was held recently at the Hotel Westminster, Boston, Mass. The business meeting and discussion was held at noon with a luncheon, and the annual dinner of the representatives from the men's college was held at the same hotel in the evening.

The Tripod was represented by P. H. Barbour '09.

In the election of officers for next year, S. B. Fairbank of Amherst was elected president; Miss Marion E. Markley of Wellesley, vice-president and C. Turner of Tech., secretary-treasurer.

COLLEGE NEWS.

To-morrow all college exercises, including lectures and recitations will be omitted, on account of the occasion—Memorial Day. Chapel will be required, as on week days, however.

The freshman examination in Physiology and Hygiene I. will be held in Alumni hall at 2 p. m. on June 12th.

MAXSON IS CAPTAIN.

To Lead Next Season's Track Team.

Harry Irl Maxson '09 of Galveston, Texas, was elected captain of the track team for the season of 1908-09 yesterday afternoon. Maxson has been a member of the team for the past two seasons as a weight man and broad jumper. In the recent meet with Wesleyan he captured first place in the hammer throw and second in the discus throw. He has always been very prominent in college activities and the election is a popular one among the undergraduates. Beside being on the track

team, Maxson has played a fine game on the foot ball team for the past three seasons. He was president of his class during the second term of his freshman year, a member of the Junior promenade committee, chairman of the Sophomore Smoker Committee and Secretary-Treasurer of the Athletic Association. He is a member of the Sophomore Dining Club and the Psi Upsilon fraternity.

THE BEN GREET PLAYS.

Yesterday afternoon the famous Ben Greet players gave two open air performances in the Warner grounds on Forest street.

In the afternoon "As You Like It" was produced and in the evening "A Midsummer Night's Dream." A large audience was present at both performances and was loud in its praises of the event.

For over twenty years Ben Greet has been famous in England for these performances, which his splendid company has acted each year at Oxford, Cambridge, London's Royal Botanical Gardens and at the most beautiful ancestral homes of "Shakespeare's England."

Five years ago the company gave its first American "pastoral" at Columbia University before an audience of over three thousand persons. This was followed by four performances at Harvard University; also at Yale, Princeton, Toronto, McGill; to be repeated almost annually.

Last season, 1907, the Ben Greet players were so much in demand that the English tour had to be undertaken

"NOW THEN—TRINITY!"

EDITORIAL.

To-morrow the base ball team goes to Middletown to play the first game of the series with Wesleyan. So far this year, we have watched our team both in victory and defeat, at home and abroad. We have played ten games, winning four and losing six. According to the above statistics we have lost more games than we have won. There are no excuses for the games we have lost, there is only praise for the victories we have won, and it is needless to say that the team has the backing of every man in college.

Every man who can find a way to go down the valley to-morrow should do so and when he gets there, not disappear until the finish of the game, but find some kindred spirit, and when the cheer leader calls for a little assistance either in yells or cheers, be there to give it to him.

Furthermore, learn the fact right now, once for all, that "Trinity Spirit" means the same thing, whether in victory or defeat, and that the college that cheers not only while the team is winning, but when it goes down to defeat, shows the real stuff.

A college sing will be held to-night in the music room to practice a few songs for the Wesleyan game to-morrow. Two new songs have been added from the pens of our alumni. It is fately to the already large collection needless to say that every man should be on time—7 o'clock, as it is of importance to every one concerned.

HOCKEY CAPTAIN ELECTED.

The members of the hockey team met in the history room on Wednesday for the purpose of electing a captain for the season of 1908-9.

Paul Roberts '09 was unanimously elected to the position. Roberts has played on the team for the past two seasons, filling the position of rover in

a very creditable manner and is well qualified to lead next year's team. Besides his work on the hockey team he has been on the track team and foot ball squad for the past three seasons. He has held the position of class president during the first term of his junior year and has recently been elected president of the Missionary Society. He is a member of the Sophomore Dining Club and the Psi Upsilon fraternity.

COLLEGE NEWS.

A swarm of bees furnished considerable excitement during the early part of yesterday afternoon on the campus. The swarm was sighted heading diagonally across the campus from the commons to the gymnasium, and was seen to light on a clump of bushes at the top of the stone steps. Later they were captured and now they are safely ensconced in the laboratory.

TRINITY MEN TO BE ORDAINED.

The fifty-fourth annual ordination of the Berkeley Divinity School will be held in Holy Trinity Church, Middletown next Wednesday, June 3rd at 11 o'clock. Among the men to be ordered deacons at this service are five Trinity men: William B. Olmsted '87, Frederick B. Bartlett '04, William F. Bulkley '05, C. Jarvis Harriman '05 and W. Blair Roberts '05. The last three will be graduated from the Berkeley Divinity school on Tuesday afternoon at the alumni service, which will be held in St. Luke's Chapel at 5:30 o'clock.

After ordination, Mr. Olmsted will remain as head master of Pomfret School, Pomfret, Conn. Mr. Bartlett will take up missionary work in the diocese of Oregon. Mr. Bulkley will take up missionary work in Salt Lake City, Utah. Mr. Harriman will become assistant at All Saint's Church, Worcester, Mass., and Mr. Roberts will take up missionary work in South Dakota. All Trinity men are, of course, invited to these services.

Yesterday being Ascension Day, all lectures and recitations during the first hour were omitted, so that a special service could be held in the chapel, to remember the day in a fitting manner. Chapel was voluntary.

INTERCOLLEGIATE NOTES.

Whirling two men across the plate in the sixth inning, the result of a base on balls, two hits and an error. Wesleyan sent Williams down to defeat on Weston Field, 3 to 1, breaking in her favor the dead-lock of that 17 inning tie at Middletown. Not satisfied with batting .750 in the game, Beaton, Wesleyan's third baseman, scored the winning run after two men had died and he, on the first sack, looked good for a death on bases. But, given a forced trip to second, he was sent home on Smith's single to center. A moment later, through a disastrous break in Williams' otherwise perfect fielding, Wesleyan piled another man across the plate, ending the scoring of the game.

Until the sixth, E. Williams, who started in the box for Williams, was a puzzle, allowing but two hits—a double and a single to Beaton, the double gotten off of the first ball pitched in the game. Connelly of Wesleyan kept the Williams batters guessing throughout the whole game, Wadsworth's double and single being the only hits which he permitted. Templeton, who went in for Williams in the seventh, gave the first batter to face him a single, but after that they went out in one-two-three order, four men in the last two innings fanning. It looked all Williams in the first inning, for Hamilton, first man at bat, was hit for the first bag, stole second, was promoted to third by Mill's grounder, and completed the circuit on Wadsworth's double.

Arthur B. Henshaw '10 has been removed to the Hartford Hospital. Henshaw was taken ill suddenly last Wednesday afternoon and action was taken at once.

Paul M. Butterworth '08 is in New York City to undergo an operation at an early date. It is hoped that the operation will be successful, and that his recovery rapid.

The Connecticut Mutual Life Insurance Company,

HARTFORD, CONN.,

Why should I insure my life?

Because it is a debt you owe to those who are dependent upon your earnings for their support.

You admit that it is your duty to supply their needs from day to day, but forget that it is equally your duty to provide an ever ready and sufficient equivalent for your earning power, which your family stands in constant jeopardy to lose by your premature death.

Guard your family against disaster and yourself against dependency in old age.

When should I insure my life?

Now! The cost will never be less, and to-morrow you may not be able to obtain insurance at any price.

Even if others are not now dependent upon you, take time by the forelock and you will be the better able to meet future responsibilities, and at a smaller premium.

Where shall I insure my life?

In a purely Mutual Company. In a company that earns, declares, and pays annual dividends.

In a company that is doing a conservative business.

Such a Company is The Connecticut Mutual Life Insurance Company of Hartford, Conn. It furnishes perfect protection at lowest cost.

\$8.50 PUNCTURE-PROOF TIRES ONLY \$4.80 PER PAIR

Regular Price \$8.50 per pair.
To Introduce We Will Sell You a Sample Pair for Only \$4.80

(CASH WITH ORDER \$4.55)

NO MORE TROUBLE FROM PUNCTURES.

Result of 15 years experience in tire making. No danger from THORNS, CACTUS, PINS, NAILS, TACKS or GLASS. Serious punctures, like intentional knife cuts, can be vulcanized like any other tire.

Two Hundred Thousand pairs now in actual use. Over Seventy-five Thousand pairs sold last year.

DESCRIPTION: Made in all sizes. It is lively and easy riding, very durable and lined inside with a special quality of rubber, which never becomes porous and which closes up small punctures without allowing the air to escape. We have hundreds of letters from satisfied customers stating that their tires have only been pumped up once or twice in a whole season. They weigh no more than an ordinary tire, the puncture resisting qualities being given by several layers of thin, specially prepared fabric on the tread. That "Holding Back" sensation commonly felt when riding on asphalt or soft roads is overcome by the patent "Basket Weave" tread which prevents all air from being squeezed out between the tire and the road thus overcoming all suction. The regular price of these tires is \$8.50 per pair, but for advertising purposes we are making a special factory price to the rider of only \$4.80 per pair. All orders shipped same day letter is received. We ship C.O.D. on approval. You do not pay a cent until you have examined and found them strictly as represented.

We will allow a cash discount of 5 per cent (thereby making the price \$4.55 per pair) if you send FULL CASH WITH ORDER and enclose this advertisement. We will also send one nickel plated brass hand pump and two Sampson metal puncture closers on full paid orders (these metal puncture closers to be used in case of intentional knife cuts or heavy gashes). Tires to be returned at OUR expense if for any reason they are not satisfactory on examination.

We are perfectly reliable and money sent to us is as safe as in a bank. Ask your Postmaster, Banker, Express or Freight Agent or the Editor of this paper about us. If you order a pair of these tires, you will find that they will ride easier, run faster, wear better, last longer and look finer than any tire you have ever used or seen at any price. We know that you will be so well pleased that when you want a bicycle you will give us your order. We want you to send us a small trial order at once, hence this remarkable tire offer.

COASTER-BRAKES, built-up-wheels, saddles, pedals, parts and repairs, and everything in the bicycle line are sold by us at half the usual prices charged by dealers and repair men. Write for our big SUNDRY catalogue.

DO NOT WAIT but write us a postal today. **DO NOT THINK OF BUYING A** bicycle or a pair of tires from anyone until you know the new and wonderful offers we are making. It only costs a postal to learn everything. Write it NOW.
