## WORCESTER TECH. WINS.

Worcester Tech 4, Trinity 0.

The Trinity football schedule was officially opened Saturday at Trinity field by the game with Worcester Polytechnic Institute. The game was hard and clean throughout and looked like a tie score until within the last few minutes of play when Bell of Tech stepped back and made a pretty field goal from the 20-yard line, thus making the score 4 to 0 in favor of the Worcester collegians.

Trinity had several new men in the line-up, and the team as a whole did not show the snap and spirit which characterized last year's successful team. The loss of the game for Trinity should be laid almost entirely to poor judgment in running off the plays. The Trinity men were slow both in defensive work and in the running back punts. There was a good deal of fumbling by both teams.

The Worcester line was somewhat heavier than that of Trinity. One man from Tech, Clough, who was a former Andover captain, was a regular giant. His long and well directed punting was the feature of the game; while Xanders played a beautiful game for Trinity, being the best ground gainer on the field.

The Trinity team taken as a unit was somewhat green, but with some shifting, and last year's men getting into form will bring the team up to a high standard.

A fairly good-sized crowd witnessed the contest. The cheering by the Trinity undergraduates was good, considering that this was the first contest of the year and many of the new men not familiar with the cheers.

At ten minutes past three, Clough kicked off to the Trinity team, who was defending the south goal; Maxson got the ball on the 5-yard line and ran it back 10 yards. Xanders carried the ball 25 yards around left end. After several attempts to gain through the line, Buck punted to Waring on Tech's 20-yard line. Tech netted 10 yards through tackle and on the next play fumbled, Henshaw falling on the ball. On Trinity's first down, they fumbled and Worcester got the ball, but was soon forced to give it up, because they could not make their distance. Trinity tried a forward pass, which was unsuccessful, and consequently was penalized 15 yards. Buck punted to Hedberg, who fumbled, Trinity captured the ball near the center of the field. Xanders by clever work made 35 yards around left end. After no gain, Xanders missed a try at a goal from the field. Clough punted out from Tech's 25-yard line to Ramsdell, who returned it 15 yards. Trinity made first down. Trinity fumbled, Clough got the ball. Tech then made the required distance twice, but were forced to kick, Maxson getting the ball on the 2-yard line and returned to the 17-yard line. Xanders made 15

## TRINITY'S PART IN BRIDGE WEEK.

The Participants On and Off the Stage.

Trinity was represented in Bridge Week by taking part in the parade on Municipal Day, Tuesday, October 6th. The line of march formed at 1.30 p. m. at the corner of Buckingham and Main streets, marching up Main street to Central Row, to State street, to Hartford Boulevard, to the bridge, to Connecticut boulevard, East Hartford, to Main street, to Burnside avenue, countermarching on Main street, returning to Connecticut boulevard, to the bridge, to Hartford boulevard, to State street, to Main street, a distance of seven miles.

The participants in the tableaux, representing the college, both alumni and undergraduate, were as follows: In the tableaux entitled "The Dutch in Possession," William Holmes, a settler, Walter S. Schutz, '94; Dutchmen, Burdette Maercklein, '06, Alfred Howell, '11, and George T. Keyes, '11; Indian braves, W. O. Sanford, '11. The tableau entitled "Departure for the Pequot War," contained E. W. Ripley, '10, and George S. Buck, '09. In "The Fundamental Orders," as Gov. John Haynes, Prof. C. L. Edwards, and as John Webster, Walter S. Schutz, '94. In "The Execution of Nathan Hale" is Elmer M. Hunt, '06. In "Washington at Webb House," as Gov. Lafayette, W. S. Schutz, '94, and the same in "Washington and Rochambeau."

The Trinity men who will usher at the tableaux are as follows:—A. E. Knowlton, A. M. Smith, J. Groves, H. C. Goodrich, L. R. Foster, H. M. Christie, G. C. Capen, W. S. Buchanan, T. J. Conroy, A. H. Leschke, F. D. Carpenter, C. Morrow, A. L. Cook, J. E. Brown, F. Gilbert, W. S. Oliver, A. K. Smith, A. E. Pulford, H. L. Jennings and L. J. Dibble.

## MONDAY'S COLLEGE MEETING.

A meeting of the entire college was called at 12.45 p. m. yesterday in the English room by Plant, '09, president of the senior class, to discuss the plans for the parade to take place Tuesday. The men were instructed to wear dark clothes and the new 'varsity hat in order that there might be as much uniformity as possible. The entire college was asked to meet before the Bishop's statue at 4 o'clock to rehearse and practice for the line of march. Maxson, '09, then took the floor and presented the condition of the athletic association, which ninety of the students had joined, and urged that the 40 memberships necessary should be taken at once.

There will be a scrimmage on Wednesday, and all scrubs are requested to be on hand at the usual hour in order to line up against the 'varsity.

## COLLEGE MEETING IN ALUMNI HALL.

Enthusiasm Aroused for the Bridge Celebration, and Discussion on the A. A.

A college meeting was held last Friday night in Alumni Hall, in order to discuss Trinity's part in Bridge Week.

President F. S. Luther spoke to the students on the subject of their marching in the big parade, which would be a large and important part of the week's celebration. He urged that it should be the duty of each and every man to march, so that the representation would not resemble a corjoral's guard, but would make a good showing as Trinity college. He advised also that each man wear or carry some emblem, or the colors of the college. Dr. Luther's speech was as usual short but interesting, and was applauded heartily by the college body.

This was followed by short speeches on the condition of the Athletic association, and the ways and means by which it should be remedied. Maxson, '09, president of the A. A.; Carpenter, '09, manager of the football team; Hinkel, '09, cheer leader; and Henshaw, '10, captain of the football team, were called on by Plant, '09, president of the college body, to either give reports or advice.

The meeting was closed by cheer practice, and with "a long Trin" for Coach Gettell, Captain Henshaw, and the team.

A meeting of the musical clubs which was to have been held immediately after was cancelled because of the press of business and the lack of time.

## NOTICE.

At a meeting of the faculty on September 29, it was voted that J. O. Carroll of the class of 1911 be nominated by the faculty for the Charles F. Daniels Scholarship.

(Signed) FRANK COLE BABBITT,  
Secretary of the Faculty.  
Trinity College, Oct. 2, 1908.

## THE NEW TRINITY HATS.

A contract was made with one of the leading haberdashers in town to supply ten dozen hats for the college body, in order that there might be a certain uniformity in appearance when the college marched in the parade. The hats are of the 'varsity style, being dark blue in color, with an old gold band, thus bringing in the colors of the college nicely.

After the last recitation Monday afternoon the hats were put on sale, and a practice drill in marching was executed, in order to put the men into good form for the final parade. A large banner was procured and certain men chosen to carry it, so that there might be one official insignia instead of arm bands, pennants and flags of various sorts and sizes.

## SOPHOMORE—FRESHMAN BASEBALL.

1911 Takes the Game, 2-0.

The Sophomores won the first of the interclass games between the lower classes yesterday afternoon by defeating 1912 at baseball, 2 to 0. The game was up to the usual standard although there were a number of errors on both sides. Oliver, pitching for the freshmen, did creditable work in the face of miserable support both from his catcher and from the rest of his team. Carroll, the sophomore pitcher, did very well and seemed to have his youthful opponents scared, although it was not apparent that he had very much in the way of curves, speed, etc. Townsend showed up well at first for the freshmen as did Turner at short. The batting as a whole was conspicuous by its absence, although Kawalinka opened the first inning with a clean double, and by an erroneous decision was robbed of a triple in the third.

The freshmen were near scoring but once, when Townsend got as far as third, but that was the limit of their efforts. The game was limited to five innings by agreement. The line-up follows:

SOPHOMORES	FRESHMEN
A. L. Gildersleeve, c	Wessels
Carroll, p	Oliver
Brainerd, 1 b	Townsend
Bottomley, 2 b	O. Gildersleeve
Burgwin, 3 b	McClure-Ingalsen
Kawalinka, ss	Turner
Grint, 1 f	Ahern
Ramsdell, c f	Van Zile
Yates, r f	Humphrey
Umpire—Connor.	

## COLLEGE NEWS.

A light football practice was held this morning at 9.30, in order to get the men back into form for the next game, which comes off Saturday against West Point, at West Point. The team was put through a light scrimmage.

C. W. Collins, '08, has been around college over Sunday, having returned to see his many friends whom he left behind last June.

Woesner, '11, is again in college, after having undergone an operation for appendicitis in the Hartford hospital.

Rankin, '12, who was slightly injured in the Bulletin-board rush last week, has now completely recovered and has returned to his college duties.

Arnold, '12, who received a slight concussion of the brain in the push rush a week ago, is convalescing slowly at the Hartford Hospital. The condition of his head is slightly better, but he will be obliged to return to his home in Granville, N. Y., for at least a week, after which it is expected he will again take up his college duties.

"NOW THEN—TRINITY!"

## EDITORIAL.

It seems impossible that out of a college body of over two hundred men, only a small proportion should have joined the most vital organization in college.

The Athletic Association is run purely by the men in college, the graduates and professors holding only about one membership in a hundred.

Now if the college body wants a football team this fall, a baseball and track team next spring, in order that the largest and best branch of college activities may not go by the board, it is certainly high time that the individuals that go to make up the college body support athletics.

What would Trinity College be without athletics? Just think of the answer to that question for about one minute. How long would Trinity be a thriving institution without the drawing card of athletics?

It is true that academic duties are first, but there is absolutely no room for discussion as to what is the second—athletics.

Shall we give up athletics, our past records—fine things in themselves—and become a mere bunch of students, going to college for the degree and the degree only? No. What we all want is a fine team in every large branch of sport, and an Athletic Association with the enrollment of every man in college.

The time has come when it is no longer safe to delay, linger and wait. Every man who was present at Friday's college meeting knows just what the conditions are, and should have the good common sense to see that it needs his help and his financial aid when it comes to joining the A. A.

Finally, don't for one minute think that the appeal is useless or without reason, because the college both wants and needs athletics, and it is not going to have them unless the remaining deficit of the A. A. is paid, and

the membership of that organization is up to one hundred and thirty, by noon, Wednesday, October, the seventh, nineteen hundred and eight.

## WORCESTER TECH. WINS.

Continued from page 1.

yards around the right side of the line. Tech got the ball on a fumble. Trinity was penalized 5 yards for an offside play. Tech made small gains up to the 25-yard line, where M. Halligan missed a try at a field goal.

Buck punted from the 25 yard line to midfield, and as Worcester could not gain, they punted to Maxson, who ran the ball back 40 yards. Xanders missed a field goal and after an exchange of punts time was called with the ball in Tech's possession in the center of the field.

At the opening of the second half, O. Gildersleeve took quarter-back in place of Backus. A. L. Gildersleeve kicked off to Worcester's 10-yard line, the ball being returned by Blanchard 10 yards. Attempts at line plunges netted nothing so Clough punted to Trinity's 35-yard line. The ball was fumbled and Worcester got it. Sayles took Waring's place at half-back. Tech lost the ball on a trick play and were penalized 5 yards for offside play. Xanders made 20 yards around right end, Buck was soon forced to punt to Worcester's 20 yard line, but the kick was soon returned. Trinity made 15 yards on a forward pass. An exchange of punts followed in which Trinity got the ball on her 35-yard line, but immediately fumbled. Line plays and a forward pass netted Worcester two first downs. Bell and King went into the game in place of B. and M. Halligan. Tech punted and Trinity rushed the ball back to about the center of the field, where they lost the ball on a penalty. Tech was penalized 15 yards for holding. Another exchange of punts followed which ended with Trinity having the ball on their 45-yard line. A forward pass tried by Trinity went wrong and lost 15 yards on the play, Buck punted to the center of the field where Tech netted 10 yards on a forward pass, Trinity was penalized 5 yards for offside play. Plunges brought the ball to the Trinity 20-yard line, where Bell made the only score of the game by a drop kick. Score, Tech 4, Trinity 0.

Clough kicked to Henshaw, who carried the ball to the 25-yard line, where the game was called.

Trinity was penalized 40 yards and Tech 20 yards during the game.

The summary is as follows:—

TRINITY	WORCESTER TECH
Gildersleeve, A. L. l e	Riley
Carroll, l t	Powers
Snow, l g	Gillette
Roberts, c	Spicer
Breed-McElroy, r g	Clough
Buck, r t	Crowther (c)
Ramsdell, r e	B. Halligan-King
Backus,	
Gildersleeve, O. q b	M. Halligan-Bell
Henshaw (c) r h b	Waring-Sayles
Maxson, l h b	Hedberg
Xanders, f b	Blanchard

Score, Worcester Tech 4, Trinity 0; goal from field, Bell 1; referee, Morse, Dartmouth; umpire, Burke, M. I. T.; linesmen, Bassford, Trinity, and Curley, Worcester. Time-keeper, Prof. Flynn, Trinity. Time, 20-minute halves. Attendance, 500.

'94—The Rt. Rev. F. F. Johnson of South Dakota is expected in Hartford about the 10th of October. He is planning to spend some time visiting in Connecticut.

'05—Wm. Blair Roberts, editor-in-chief of the Tripod in 1905 and last June graduated from Berkeley Divinity School, is a missionary in South Dakota and his address is Box 86, Dallas, Gregory County, S. Dakota.

Ex-'08—Ralph de L. Hyde is with the Great Western Elevator Co., of Minneapolis, Minn., having gone there from Columbus, Ohio, last June.

'08—James K. Edsall is with the Washburn Crosby Milling Co., of Minneapolis, and wishes all his friends to buy "Gold Medal Flour."

'08—Giles D. Randall is teaching chemistry at the St. Andrews School, Punkatasset Hill, Concord, Mass.

'05—Harry C. Boyd has settled in Hartford, coming from New Britain. His address is 11 Buckingham St.

'05—Frederick C. Meredith's address after September 15 will be Sagada, Province of Lepont o Bontoe, Luzon; Philippine Islands.

'72—Bishop Mackay-Smith and family, after spending the summer in Europe, will return to Philadelphia on Oct. 6, sailing on Sept. 30.

'62—The Rev. Charles Stuart Hale was born in Brandon, Vt., the only son of Dr. Josiah and Marcia (Tracy) Hale. He was educated at Brandon Academy and at Trinity College, Hartford, Conn. He early came under the influence of the great Bishop of Vermont, Dr. Hopkins, with whom he read theology and by whom he was ordained deacon in 1861, and priest in 1863. During his diaconate he was vice-principal of the Vermont Episcopal Institute, of which institution the Rev. Theodore A. Hopkins was principal. In 1862 he was commissioned chaplain of the Fifth Vermont Volunteers and saw active duty at the front until 1864, when he was honorably mustered out of service. In 1865 he was elected rector of St. James's church, Arlington, Vt., resigning his cure two years later to accept the rectorship of Immanuel church, Bellows Falls, in the same diocese. Here Mr. Hale found ample scope for parochial development on churchly lines. Missions were started at Chester and Springfield, Vt., the old church building at Bellows Falls was torn down and the present beautiful stone edifice was built from designs by the elder Upjohn; a Church school for girls—St. Agnes's Hall—was opened; and the services of the Church were dignified by the adoption of Eucharistic vestments and the proper ecclesiastical colors. While canonically connected with the diocese of Vermont Mr. Hale served as a deputy to the General Convention, as well as a trustee of Norwich University—the presidency of which a few years later he declined. In 1872 he became assistant minister of St. Paul's church, Buffalo, N. Y., where in 1875 he organized the parish of St. Mary's-on-the-Hill, becoming its first rector and being elected secretary of the Standing Committee. In 1876 Mr. Hale accepted the rectorship of Christ church, New Berne, N. C., which he held until 1881, when he became rector of Trinity church, Claremont, N. H., his last parish. This he resigned in 1885, still continuing, however, to make his home in Claremont.

**The Connecticut Mutual Life Insurance Company,**

HARTFORD, CONN.,

*Why should I insure my life?*

Because it is a debt you owe to those who are dependent upon your earnings for their support.

You admit that it is your duty to supply their needs from day to day, but forget that it is equally your duty to provide an ever ready and sufficient equivalent for your earning power, which your family stands in constant jeopardy to lose by your premature death.

Guard your family against disaster and yourself against dependency in old age.

*When should I insure my life?*

Now! The cost will never be less, and to-morrow you may not be able to obtain insurance at any price.

Even if others are not now dependent upon you, take time by the forelock and you will be the better able to meet future responsibilities, and at a smaller premium.

*Where shall I insure my life?*

In a purely Mutual Company. In a company that earns, declares, and pays annual dividends. In a company that is doing a conservative business.

Such a Company is The Connecticut Mutual Life Insurance Company of Hartford, Conn. It furnishes perfect protection at lowest cost.

For further information, address the Company, or any of its agents.

E**

The largest of the Trinity College Buildings, shown in this cut, includes the principal Dormitories, the Chapel, the Library, and some of the Lecture Rooms. Other buildings are the Jarvis Laboratories, the Boardman Hall of Natural Science, the Observatory and the Gymnasium.

The Laboratories are fully equipped for work in Chemistry, Natural History, Physics, Experimental Psychology, and in preparation for Electrical Engineering. The Library is at all times open to students for study. A School of Civil Engineering offers complete preparation for professional work.

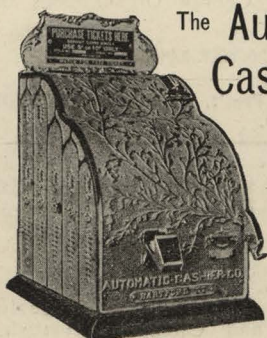

For Catalogues, etc., Address the Secretary of the Faculty, Trinity College, Hartford, Conn.

**1 CENT IS ALL IT WILL COST YOU**

to write for our big FREE BICYCLE catalogue showing the most complete line of high-grade BICYCLES, TIRES and SUNDRIES at PRICES BELOW any other manufacturer or dealer in the world.

**DO NOT BUY A BICYCLE** from anyone, or on any kind of terms, until you have received our complete Free Catalogues illustrating and describing every kind of high-grade and low-grade bicycles, old patterns and latest models, and learn of our remarkable LOW PRICES and wonderful new offers made possible by selling from factory direct to rider with no middlemen's profits.

**WE SHIP ON APPROVAL** without a cent deposit. Pay the Freight and allow 10 Days Free Trial and make other liberal terms which no other house in the world will do. You will learn everything and get much valuable information by simply writing us a postal.

We need a **Rider Agent** in every town and can offer an opportunity to make money to suitable young men who apply at once.

**\$8.50 PUNCTURE-PROOF TIRES ONLY \$4.80 PER PAIR**

Regular Price \$8.50 per pair. To Introduce We Will Sell You a Sample Pair for Only **4.80** (CASH WITH ORDER \$4.55)

**NO MORE TROUBLE FROM PUNCTURES.**

Result of 15 years experience in tire making. No danger from THORNS, CACTUS, PINS, NAILS, TACKS or GLASS. Serious punctures, like intentional knife cuts, can be vulcanized like any other tire.

Two Hundred Thousand pairs now in actual use. Over Seventy-five Thousand pairs sold last year.

**DESCRIPTION:** Made in all sizes. It is lively and easy riding, very durable and lined inside with a special quality of rubber, which never becomes porous and which closes up small punctures without allowing the air to escape. We have hundreds of letters from satisfied customers stating that their tires have only been pumped up once or twice in a whole season. They weigh no more than an ordinary tire, the puncture resisting qualities being given by several layers of thin, specially prepared fabric on the tread. That "Holding Back" sensation commonly felt when riding on asphalt or soft roads is overcome by the patent "Basket Weave" tread which prevents all air from being squeezed out between the tire and the road thus overcoming all suction. The regular price of these tires is \$8.50 per pair, but for advertising purposes we are making a special factory price to the rider of only \$4.80 per pair. All orders shipped same day letter is received. We ship C.O.D. on approval. You do not pay a cent until you have examined and found them strictly as represented.

We will allow a cash discount of 5 per cent (thereby making the price \$4.55 per pair) if you send FULL CASH WITH ORDER and enclose this advertisement. We will also send one nickel plated brass hand pump and two Sampson metal puncture closers on full paid orders (these metal puncture closers to be used in case of intentional knife cuts or heavy gashes). Tires to be returned at OUR expense if for any reason they are not satisfactory on examination.

We are perfectly reliable and money sent to us is as safe as in a bank. Ask your Postmaster, Banker, Express or Freight Agent or the Editor of this paper about us. If you order a pair of these tires, you will find that they will ride easier, run faster, wear better, last longer and look finer than any tire you have ever used or seen at any price. We know that you will be so well pleased that when you want a bicycle you will give us your order. We want you to send us a small trial order at once, hence this remarkable tire offer.

**COASTER-BRAKES,** built-up-wheels, saddles, pedals, parts and repairs, and everything in the bicycle line are sold by us at half the usual prices charged by dealers and repair men. Write for our big SUNDRY catalogue. **DO NOT WAIT** but write us a postal today. **DO NOT THINK OF BUYING** a bicycle or a pair of tires from anyone until you know the new and wonderful offers we are making. It only costs a postal to learn everything. Write it NOW.
