FOOTBALL.

Three Veterans Return to the Squad.

The return of Xanders, Carroll, and A. L. Gildersleeve to the football squad during the last few days has materially improved the chance of making a really creditable showing in the opening game with Worcester "Tech," next Saturday. This game of course is not to be considered a very hard one, yet a good deal depends upon what kind of a start the team gets in actual play, and it is hoped by the college and predicted by the coach that a score of forty points will be rolled up. A good score anyway would help the total for the season.

Scrimmage started yesterday and will probably continue through the week, during which time the first accurate line may be obtained on the qualities of the men under fire. The necessity for a strong scrub team can not be over-emphasized, for it is not extreme to say that the great success of last year's team depended to a very great extent upon the fact that every day they were meeting in scrimmage a team of their own men as strong or stronger than their average opponents on the schedule. At the same time the scrubs should not feel that they are neglected if the coach is unable to expend as much time on them as was given them last year, for last year there were two coaches, whereas at present Prof. Gettell is all alone and his every moment is taken up by the 'varsity.

"The Charles T. Daniels Scholarship shall be awarded by the faculty triennially in the month of June or in the same month of any immediate year in which it may have become vacant, to that applicant of the Freshman class, otherwise properly qualified, whose standing in the college work of the year then current shall excel that of all other applicants for the same Scholarship at the same time. Such past standing shall, however, not be lower than an average of Grade C, and the holder of the Scholarship must maintain a standing of at least that average during each separate half year of his tenure, under penalty of the immediate forfeiture of the Scholarship. The Scholarship may ordinarily be held for three years, if the holder retain his membership in the college, but the income will not be paid to the holder in which he shall be continuously absent from the college. Furthermore, it may not be held in conjunction with any other scholarship awarded by the college, but the holder may resign it in order to accept in lieu thereof any other scholarship for which he may be otherwise eligible.

F. C. BABBITT,
Sec. of the Faculty.

Sept. 26, 1908.

*The award for this year will be made this autumn.

FOOTBALL AT OTHER COLLEGES.

The following account of the prospects of four of the New England teams, from the Springfield Republican, shows that, with the exception of Wesleyan, the teams will all have the great advantage of the presence of a large number of veteran players.

Wesleyan's football team will be light this year. Six men were graduated in June and several others will not return. Van Tassell, who has played at tackle and fullback for the past two years, is to enter business. Faraday, the speedy quarter, is also to enter business. Of the old men Rice, Joy, Hammond, and Hedenburg on the line will return. Harman, who alternated with Faraday at quarter last year, is also back in college. These five men are all experienced. For ends there are a number of candidates. Bacon and Wintter, both experienced men, will undoubtedly be the choice. Coxe and Kent, who have played in minor games, are also out for that position. A good backfield will have to be developed. Among the candidates are Smith, who played there last year, and Leighton, a sub two years ago. Shepherd and Miller, freshmen, are showing up well.

The coming season shows Dartmouth with good material in the freshman class, and, with the exception of Capt. Glaze, all of last season's 'varsity men. The result is that the squad is well advanced in its season's work, and since practice has been in progress for a week the 'varsity is working in fine form. However, no man is sure of his position, and there are bound to be "D" men in the substitute string. Coach O'Connor, whose success last season was pronounced, has "Joe" Gilman and Jesse Gage, former Dartmouth stars, as assistants this year. The work so far has been of such a nature that the team promises to be the fastest team that has ever represented Dartmouth. The New Hampshire college meets Princeton and Harvard as the closing games of its season, and every effort will be made to close a banner season.

A week of hard work, with a scrimmage every day, has developed the Williams squad rapidly, and from now on more attention will be given to sorting and assembling the material. Thus far Coach Elder has given the men a big variety of work in his effort to ascertain what positions they are best fitted for and the line-up of the eleven for even the first game, which comes next Saturday, is still undecided. The scrimmages have been spirited and by arranging the teams so that there has been an equal division of strength the men have been forced into revealing the best that there is in them.

The prospects for a strong team are

exceptionally good, probably better for so early in the season than in several years before. Present indications point to the presence in the roll of the final eleven of most of the veterans of last year, giving almost an entire veteran line and an experienced backfield.

It is still early in the season to predict what kind of a team Amherst will turn out. The men have only been out since Monday and only a few reported during the first part of the week. On paper the chances look good, as eight "A" men are in college and able to play unless prevented by scholarship regulations. Six of last year's term graduated, and all were regular players. Frank will not be able to play because of injuries received last fall and Keating has not returned to college. When the last season is kept in mind the prospects look rather gloomy. The only thing to offset this is the good material among the new men and the fact that Amherst has decided to use two coaches. Coach Hubbard has his experience of the last season to help him and Overall of Yale is showing himself well able to take charge of the men. Between both coaches the best results should be obtained.

COLLEGE MEETING.

Money Raised for Indebtedness.

Last Friday evening a meeting of the college body was held in Alumni Hall for the purpose of blotting out the indebtedness of the Athletic Association and to arouse enthusiasm over the coming football season. Mr. Forward, graduate treasurer of the Athletic Association, reported the expenditures and receipts of the association during the past year. He also spoke on the outlook of the football season. Frank L. Wilcox gave a rousing talk on the subjects of the Athletic Association and football. Harold Hart '07 and Elmer Hunt '06 also spoke for the Alumni. Professor Gettell, this year's football coach, urged all men who could do so to come out and help along the 'varsity eleven by playing on the second team. Captain Henshaw '10 also spoke along the same lines.

Paul Roberts '09 suggested that all Trinity men make an earnest effort to be on hand for the Bridge Celebration and help make that occasion a success.

After the adjournment of the meeting one hundred and thirty-five dollars of the required two hundred to wipe out the Athletic Association debt, was raised.

BRIDGE CELEBRATION.

The president of the senior class has appointed the following committee to make plans for the college body to take part in the parade at the time of the Bridge Celebration: P. Roberts, '09, A. W. Creedon, '09, G. E. Elwell, '09, H. O. Peck, '09, J. S. Carpenter, Jr., '09, and the presidents of the four classes.

"NOW THEN—TRINITY"

EDITORIAL.

Trinity College and Trinity men owe their sincere thanks to a member of the faculty, Professor Gettell, who has consented to be head coach of the football team this year. Professor Gettell is going to a great personal inconvenience and sacrifice in giving up so much time to help the college make a reputation on the gridiron this fall.

The department of history, of which Professor Gettell is the head, is one of the busiest in college, owing to the fact that there are so many courses offered. This line of work is enough for any man to do, but Professor Gettell has willingly given much of his own valuable time to help Trinity develop, we hope, one of the best teams which has ever represented her in the leading college sport. He has done this purely out of love for the college. He was only persuaded to take charge of the team when it was agreed that he receive no salary for his services.

Professor Gettell understands the game from beginning to end, as he has had experience both as coach and captain. He attended Ursinus College, and while there played on the team during his course. Besides having a thorough understanding of the game, he is a practical football leader, and with proper support both from the players and undergraduates, he will be able to turn out a winning team.

NOTICE.

The next regular monthly meeting of the New York Alumni of Trinity College will be held on Monday evening, October 5, at Keen's Chop House in Thirty-fifth Street, New York City. This is an informal "Dutch-treat" and all Trinity men are welcome to attend.

BULLETIN BOARD RUSH.

Won by Freshmen.

The annual Bulletin Board Rush between the freshmen and sophomores was held on the campus yesterday afternoon and as usual was won by the freshmen.

When the two classes were lined up the usual advantage which the freshmen have in numbers was seen to be lacking and many predicted a sophomore victory.

The Sophs were lined up around the Bulletin Board under the leadership of their class president, C. E. Sherman, while the freshmen were led by L. C. Turnbull. The judges of the contest were W. H. Plant, '09, H. I. Maxson, '09, I. L. Xanders, '09, H. O. Hinkel, '09, W. S. Buchanan, '09, and A. L. Henshaw, '10.

At the signal to start the freshmen rushed up to the edge of the walk in a seemingly irregular manner, but when the sophomores started the usual plan of running out and tripping them up it was seen that there was a regularly formed wedge which at once got in its work. After about two minutes of hard fighting two freshmen, Ahern and Oliver, got their hands on the board and the judges at once awarded the contest to the freshmen.

While the victors were collecting together to give their class yell they were charged by the Sophs and several short rushes took place.

Owing to the weather the usual Push Rush and parade were postponed until this evening.

The Connecticut Mutual Life Insurance Company,

HARTFORD, CONN.,

Why should I insure my life?

Because it is a debt you owe to those who are dependent upon your earnings for their support.

You admit that it is your duty to supply their needs from day to day, but forget that it is equally your duty to provide an ever ready and sufficient equivalent for your earning power, which your family stands in constant jeopardy to lose by your premature death.

Guard your family against disaster and yourself against dependency in old age.

When should I insure my life?

Now! The cost will never be less, and to-morrow you may not be able to obtain insurance at any price.

Even if others are not now dependent upon you, take time by the forelock and you will be the better able to meet future responsibilities, and at a smaller premium.

Where shall I insure my life?

In a purely Mutual Company.
In a company that earns, declares, and pays annual dividends.

In a company that is doing a conservative business.

Such a Company is The Connecticut Mutual Life Insurance Company of Hartford, Conn. It furnishes perfect protection at lowest cost.

For further information, address the Company, or any of its agents.

\$8.50 PUNCTURE-PROOF TIRES ONLY \$4.80 PER PAIR

Regular Price \$8.50 per pair. To Introduce We Will Sell You a Sample Pair for Only \$4.80 (CASH WITH ORDER \$4.55)

NO MORE TROUBLE FROM PUNCTURES. Result of 15 years experience in tire making. No danger from THORNS, CACTUS, PINS, NAILS, TACKS or GLASS. Serious punctures, like intentional knife cuts, can be vulcanized like any other tire.

Two Hundred Thousand pairs now in actual use. Over Seventy-five Thousand pairs sold last year.

DESCRIPTION: Made in all sizes. It is lively and easy riding, very durable and lined inside with a special quality of rubber, which never becomes porous and which closes up small punctures without allowing the air to escape. We have hundreds of letters from satisfied customers stating that their tires have only been pumped up once or twice in a whole season. They weigh no more than an ordinary tire, the puncture resisting qualities being given by several layers of thin, specially prepared fabric on the tread. That "Holding Back" sensation commonly felt when riding on asphalt or soft roads is overcome by the patent "Basket Weave" tread which prevents all air from being squeezed out between the tire and the road thus overcoming all suction. The regular price of these tires is \$8.50 per pair, but for advertising purposes we are making a special factory price to the rider of only \$4.80 per pair. All orders shipped same day letter is received. We ship C.O.D. on approval. You do not pay a cent until you have examined and found them strictly as represented.

We will allow a cash discount of 5 per cent (thereby making the price \$4.55 per pair) if you send **FULL CASH WITH ORDER** and enclose this advertisement. We will also send one nickel plated brass hand pump and two Sampson metal puncture closers on full paid orders (these metal puncture closers to be used in case of intentional knife cuts or heavy gashes). Tires to be returned at OUR expense if for any reason they are not satisfactory on examination.

We are perfectly reliable and money sent to us is as safe as in a bank. Ask your Postmaster, Banker, Express or Freight Agent or the Editor of this paper about us. If you order a pair of these tires, you will find that they will ride easier, run faster, wear better, last longer and look finer than any tire you have ever used or seen at any price. We know that you will be so well pleased that when you want a bicycle you will give us your order. We want you to send us a small trial order at once, hence this remarkable tire offer.
