ANNUAL TRIPOD ELECTIONS.

Merrill '10 New Editor-in-Chief.

The annual elections for the Tripod board were held Tuesday afternoon in the Tripod room. The following board was elected:

Editor-in-Chief—Ralph H. Merrill, 1910.

Athletic editor—Blinn F. Yates, '11.

Alumni editor—Harry K. Rees, '11.

Associate editors—William A. Bird, '12, Chapin Carpenter, '12, A. Erwin Rankin, '12.

Business Department.

Asst. advertising mgr.—Frank J. Brainerd, '11.

Asst. circulation mgr.—S. Herbert Evison, '12, Albert Clark, '11.

Those members of the senior class who are on the business staff hold their positions until June.

Three seniors now retire from office, and it is only right that a few words of praise and commendation be extended to them.

Woodford H. Plant, 1909, the retiring editor-in-chief, has been very prominent all through his college course. He was president of his class during the first term of his senior year, and business manager of the 1909 Ivy. He is manager of the musical organizations and is also a member of the college senate. He is a member of Medusa and of the Delta Kappa Epsilon fraternity. Plant has been a member of the Tripod board for three years and his work on the paper has always been of the highest order. As editor-in-chief he did much to further the interests of the Tripod, and gave a great deal of his time to seeing that every issue of the paper was of the greatest excellence possible. Plant retires from office with the greatest good wishes from the entire board.

L. G. Harriman, 1909, who retires from the office of athletic editor, has been connected with the Tripod in various capacities for three years. His work has always been first class and we can only hope that his successor as athletic editor may fill that position as well as he has done. Harriman is a member of the Sophomore Dining Club and of the Psi Upsilon fraternity.

C. M. Butterworth, 1909, has also been connected with the Tripod for three years, his last position being that of alumni editor which is always a hard position to fill. He is a member of the I. K. A. fraternity.

Ralph H. Merrill, 1910, the new editor-in-chief, has been connected with the Tripod for about two years, and is deserving of his new office for he has been a conscientious worker. He is a member of the Psi Upsilon fraternity and 1910 Ivy board.

The other members of the old board who were elected to new positions are: Yates '11 and Rees '11. These men have been on the board for about one year. Both of these men have been consistent Tripod workers and will assume their new offices with abilities in keeping with their offices.

NEW SONGS AND CHEERS.

A Request of the Leaders.

A request has been made by the leaders of the cheering, Hinkel '09 and Stansfield '10, and leader of the singing, Chandler '09, to obtain some new college cheers and songs for the baseball games and track meets this year. It is desired that all men who have ability along this line get busy and hand in to the leaders some songs and cheers. As a suggestion some parodies on the popular songs would be acceptable. Nearly all of the undergraduates know the popular airs, and the learning of new words would be a small matter.

As regards the cheers, Trinity at present has but a very few good ones and the need of something new along this line has been felt a great deal. The college Senate has taken up the matter of renewing the good cheering and singing that Trinity once had. The next home baseball game will be on Wednesday of next week, so it is essential that the new songs and cheers be handed to the respective leaders as soon as possible, thus making a thorough practice of them possible.

TRINITY MEETS M. A. C.

On the Diamond To-morrow.

On Saturday the baseball team plays at Amherst with the Amherst "Aggies" as its opponent. The Trinity team will have to play a strong game to win as the "Aggies" defeated Williams by a score of 5 to 3 last week. Tufts, however, won out in the game Wednesday with Amherst, 5-4. Besides Manager Marlbor and Capt. Connor the following men will take the trip: Xanders, Cook, Abbey, Gildersleeve, Webster, Smith, Olson, Carroll and Turner.

The new men elected to the editing staff are: W. A. Bird '12, C. Carpenter '12 and A. E. Rankin '12. All three have been steady and hard working reporters during the past year and they should be able to carry on the work with ability.

Brainerd '11, Clark '11 and Evison '12, the new members of the business and managing staff, will drop naturally into their new positions as their work for the past year has been right along the line of work to which each has been elected.

On the whole the entire new board shows excellent ability and it only remains to be seen how well they will carry on the important work which has been entrusted to them. They will endeavor to make the Tripod an even better representative of the college than it has been before.

ARRANGEMENTS FOR TUFTS MEET.

List of Officials Announced.

Manager Judge and Assistant Manager Keyes of the track team have been busy the last few days in the making of arrangement for officials for the dual track meet between Trinity and Tufts which is to be held on Trinity Field Saturday, May 8th. The list has been carefully selected, so as to get a nearly equal number of men from both colleges and also several neutral men.

The list at present is as follows, though some changes may be necessary:

Referee—E. J. Lake.

Starter—James O'Connell.

Clerk of course—L. G. Harriman.

Assistant clerks of course—R. H. Merrill, S. P. Haight, A. Howell.

Judges at finish—R. B. Riggs, Cedric Powers, Anson T. McCook.

Timers—J. D. Flynn, Elmore Walkins, Dr. Swan.

Judges of field events—Prof. Gettell, Walter S. Schutz, J. F. Forward.

Measurers—W. McA. Johnson, Seth Boardman, Prof. Ham.

Scorers—E. K. Roberts, Jr., L. J. Dibble.

Announcer—A. W. Creedon.

The order of events is that of the N. E. I. A. A. and is as follows:

100 yards dash.

One mile run.

440 yards run.

120 yards hurdles.

880 yards run.

220 yards dash.

220 yards hurdles.

Two mile run.

High jump.

Shot put.

Broad jump.

Hammer throw.

Pole vault.

Discus throw.

The Tufts team has a dual meet with the University of Maine tomorrow. The results should help to give the Trinity men some idea how the score of the meet on the 8th of May will be.

SENIOR ASSEMBLY.

Arrangements for the second senior dance which is to be held in Alumni Hall next Monday evening are nearly completed. The affair is informal, and admission is \$1.00 a couple. The dancing is to begin at eight o'clock, the music for which will be furnished by Scott Snow's orchestra. The patronesses are Mrs. Luther, Mrs. Brenton and Mrs. Gettell.

The seniors are also making plans to hold another class smoker soon. The date has not as yet been decided, but the affair will probably take place at Chase's Chop House during the week after the Wesleyan-Trinity dual track meet. E. K. Roberts, jr., and G. E. Elwell are the committee in charge.

COMPLIMENT TO DR. LUTHER.

From Stamford Advocate.

The following item is a clipping from a Connecticut newspaper. It was written complimentary to the good work that Dr. Luther is doing in the State Senate:

"In a propitious moment, Fate, which of late years has been rather niggardly of such favors to the people of this state, brought about the election of an honest, conscientious scholar and gentlemen to the state Senate at Hartford, in the person of Senator Luther. Therefore, of course, when the proposition came up for the second time—in spite of the attorney-general's opinion that it was an illegal because unconstitutional measure—to pay out \$4,000 of the public funds for a 'souvenir' book made up of portraits and puffery—of course Senator Luther, being what he is in intellect and conscience, opposed the measure, pointing out its unjustifiable character and denouncing its immorality as an unwarranted raid upon the public treasury, to gratify the personal vanity of a mere handful of the state's taxpayers at the expense of the rest. But the senator stood alone in his protest. The other side had no argument worth mentioning, but they had the votes and they gave them. The cost to the state is four times as much as Senator Luther was assured by the publisher it could be done for.—that he would be glad to take the contract for the work for \$1,000.'"

COLLEGE NOTES.

A special meeting of the Hartford Club of Trinity College was held Monday at the club rooms, 4 Northam Towers. The sixteen members who were present approved the recommendations of the committee on mural decoration. This committee which consists of Taylor '11, Shaw '12 and Brockett '12 will also have charge of the May smoker, which will be held on Thursday evening, May 13th. These smokers aid greatly in developing good fellowship among the non-resident students of the college. The club has recently purchased a large table and several chairs, which greatly improve the appearance of its rooms.

Paul Barbour '09 is greatly improved and will be able to resume his studies in a short time. He recently underwent an operation for appendicitis at his home.

Professor Rogers of the Civil Engineering Department is ill in Cohoes, N. Y., where he has been since the Easter recess. It is hoped that his recovery will be immediate. During his absence lessons have assigned in all the course. The assignments may be found on the official bulletin board.

EDITORIAL.

With this issue of the Tripod the new board takes possession of the editorial and news departments of the paper. These men, though somewhat handicapped by inexperience, will aim to keep up the high standard that the Tripod has attained during the five years of its existence. This standard compares favorably with that of the papers published by colleges and even universities that are much larger than Trinity. It has only been obtained by constant and undivided work on the part of the members of past boards, and the new board of editors is prepared and willing to do everything within its power to make both Trinity and the Tripod a leader among institutions of learning and their publications.

The newly elected men join heartily in wishing the members of the 1908-9 Tripod board success in whatever line of work they may take up after leaving Trinity.

The Athletic Association as is usual at this time of the year, is in dire need of more members. This term the undergraduates have not joined as they should have. As everyone knows ath-

letics require a large amount of money to keep them on the move. Equipment is needed for both track and baseball. Both teams will have guarantees to pay next week, and the revenue, if the weather is poor, will not cover them. It should not be necessary that the Athletic Association officers should have to go around and hunt up every man in college and ask, in fact almost beg, him to join. The undergraduates should become members voluntarily. It is hoped that everyone will realize the fact that more members are needed and that the role of membership will be greatly increased during the next few days.

A week or so ago the Senate took up the advisability of discontinuing the second baseball team. This team as it was several years ago was a huge success, but of late it has materially degenerated. It does not give sufficient practice to the varsity to warrant its being supported. It takes away and hinders a certain number of men from the track team, which this year needs them a great deal. It has not won enough games during the past few years to do much toward bringing "prep" school men to college. Instead of that it has given the college what might be termed a "black-eye." About the only thing that may be said in its favor is that it affords a Saturday afternoon holiday to not more than ten or a dozen men. From the above it would seem that the second team is more of a hindrance than a useful fact at Trinity.

It is hoped that the Trinity 2nd will make a strong and creditable showing against the Willistonians. The following men will make the trip: Brainerd e, Morrow p, Eaton 1b, O. Gildersleeve 2b, Short ss, C. Basford 3b, Blake 1f, Yates cf, Grint rf.

NOTES.

A joint meeting of the Tripod boards, the 1908-9 and the recently elected one, was held last night. Irving Kenyon '07 was present and told of the good work the Tripod was doing among the alumni. Plans for future work was discussed by both the old and the new men.

The College Senate will meet next Monday at 7 p. m. in 19 Jarvis Hall.

The Connecticut Mutual Life Insurance Company,

HARTFORD, CONN.,

Why should I insure my life?

Because it is a debt you owe to those who are dependent upon your earnings for their support.

You admit that it is your duty to supply their needs from day to day, but forget that it is equally your duty to provide an ever ready and sufficient equivalent for your earning power, which your family stands in constant jeopardy to lose by your premature death.

Guard your family against disaster and yourself against dependency in old age.

When should I insure my life?

Now! The cost will never be less, and tomorrow you may not be able to obtain insurance at any price.

Even if others are not now dependent upon you, take time by the forelock and you will be the better able to meet future responsibilities, and at a smaller premium.

Where shall I insure my life?

In a purely Mutual Company.

In a company that earns, declares, and pays annual dividends.

In a company that is doing a conservative business.

Such a Company is The Connecticut Mutual Life Insurance Company of Hartford, Conn. It furnishes perfect protection at lowest cost.

For further information, address the Company, or any of its agents.
