

THE JUNIOR PROMENADE.

Successful Completion of Junior Week.

The class of 1910 brought to a close a most successful Junior Week with the annual promenade last evening. From start to finish everything was carried through in a manner which reflected great credit on the members of the committee in charge.

Alumni Hall looked very attractive in its decorations of bunting, flowers and lights. The predominating colors were maroon and grey, the colors of the class. In the center of the hall was hung a large T, from which radiated streamers of electric lights.

Two of the most notable features were shields of electric lights, forming the college and class letters. The gymnasium was decorated in college and national colors.

The ladies' programs were in the form of card-cases, and were of very artistic and original design. The outside cover was a grey watered silk, while the inside of the cover was a white silk with the college seal in gold in the corner. On the inside leaves were the order of dances with the music and composers, the list of patronesses, and the promenade committee. The entire program was of a very attractive and fitting appearance.

The men's programs were of the same general style as the ladies' except that they had a grey suede leather cover with the college seal in gold on the front.

Music was furnished by Hatch's band.

Novelties in the form of moonlight dances were introduced for the tenth and twenty-eighth dances, in which the white lights were turned out and a different colored light used. At the same time a screen over the stage was lowered, disclosing a huge lemon squeezer which was most appropriate as 1910 is the "squeezer class."

Between the twentieth and twenty-first dances a supper was served in the gymnasium under the direction of Caterer Habenstein.

It was after four o'clock in the morning when the strains of "Neath the Elms" announced that the "Prom." was over.

The grand march started promptly at half-past nine o'clock and was led by C. B. Judge, Chairman of the Promenade Committee, with Miss Thompson, of New Haven. He was followed by the members of the committee, G. C. Capen, with Miss Moore; J. Groves, with Miss Sedgwick; B. F. Turner, with Miss Williams; W. A. Smith, with Miss Brockway, A. M. Smith, with Miss Wyllie, I. W. Smith, with Miss Cushman, H. S. Marlor, with Miss Dutton, of Pittsfield, Mass.

After the "Prom." committee came the members of the Senior Honorary Society in the following order: S. E. McGinley, with Miss Olmsted; W. H. Plant, with Miss Tracy; J. S. Carpenter, with Miss Nixdorff; H. I. Maxson, with Miss Flagg, and G. S. Buck, with Miss Hampson, of New York City.

Next came the members of the Senior class as follows: I. L. Xanders, with Miss Shepard; E. K. Roberts, Jr., with Miss Hatch; H. N. Chandler, with Miss Dutton, of Pittsfield, Mass.; H. O. Peck, with Miss Ballard, of Pittsfield, Mass.; W. Eastman, with Miss Clark, of Lee, Mass.; G. E. Elwell, with Miss Mileisen, of Bloomsburg, Pa.; L. J. Dibble, with Miss Osborn, of New Britain; H. O. Hinkle, with Miss Stedman; P. M. Butterworth, with Miss Smith; P. H. Barbour, with Miss Bailey; A. W. Creedon, with Miss Creedon; F. T. Gilbert, with Miss Orcott.

AMHERST DEFEATED AT HOCKEY.

Trinity 1; Amherst 0.

The hockey team won its third victory Saturday, January 24th, by defeating Amherst, 1-0, in a game played under rather adverse conditions at Amherst, Mass. The ice in the rink was soft on account of the warm weather the day before, and before the end of the game it was badly cut up. No one could carry the puck more than a few yards before it would get stuck in the slush. This made the playing very difficult and made accurate shots for the goals almost out of the question.

During the first period, the puck was always hovering about the Amherst goal, the Trinity forwards showing more speed and better team work than their opponents. Amherst played an entirely defensive game during this half and did not get an opportunity to try for a goal. Several times Trinity nearly scored in spite of the softness of the ice. The only score of the game came several minutes before the end of this period on a good shot by Breed, who played an excellent game at right wing.

Amherst began the second half playing well and made several tries for goals, but again during this period the Trinity forwards constantly outplayed their rivals, always keeping the latter on the defensive. Sibley, Amherst's cover-point, showed up well and prevented several goals by his good playing, thus keeping Trinity from rolling up a larger score. San Souci of Amherst, and Breed were both given half-minute rests as penalties for tripping and rough play. Amherst was greatly aided by the cheering of some 150 of its men who were present. The line-up:

Trinity.		Amherst.
Breed	right wing	McVaugh
Haight	center	San Souci
Roberts (Capt.)	rover	Chapin
Rankin	left wing	Cornell (Capt.)
Buck	cover point	Sibley
Eaton	point	Babcock
Brainerd	goal	Wyckoff

Goal: Breed. Referee: Bedford. Umpire: Carpenter. Goal Umpires: Nash and Jamieson. Timer: McAdam. Time, 15 minute halves.

COLLEGE VESPERS.

On Sunday afternoon the college chapel was thronged by the junior week guests for the vesper service. Besides the regular service the glee club furnished several selections, and H. N. Chandler, '09 and Ranger Hansen, soloist of the choir of the Church of the Holy Trinity, Middletown, sang solos. President Luther made a brief address.

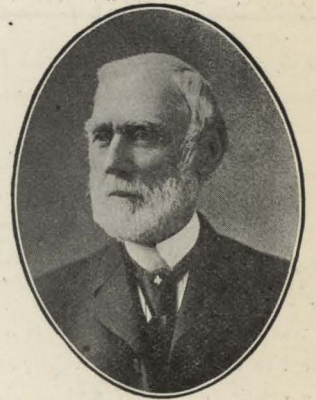

OLDEST LIVING ALUMNUS DIES.

Dr. G. W. Russell Passes Away.

Dr. Gurdon Wadsworth Russell, who graduated from Trinity in 1834, died of old age at his home in Hartford on Wednesday morning, February 3rd. Besides being the oldest alumnus of Trinity, he was also the oldest of the Yale Medical School, graduating from there in 1837.

In Dr. Russell, Hartford loses one of its most valued citizens, for despite his great age of over ninety-three years, he retained an active interest in the many important organizations with which he was connected.

Dr. Russell was born in Hartford, April 10, 1815, and except the one year spent in Wethersfield, has lived here ever since. He attended school in Hartford and in Manchester, and after graduating from Trinity (then Washington) College, in 1834, took up the study of medicine, and graduated from Yale Medical School in 1837. In 1838 he began his practice in Hartford, which he has continued for seventy years. He

was the first medical examiner of the Aetna Life Insurance Company, and at the time of his death was a medical director. He has been president of the Connecticut State Medical Society, vice-president of the American Med. Assn., president of the Hartford Retreat, and president and senior director of the Hartford Hospital. He was a member of the Connecticut Historical Society, one of the organizers of the Hartford Medical Society, historian of Christ Church, a charter member of Hartford Lodge No. 88, and a president of the park board.

The funeral was held Friday afternoon, the services being conducted by Bishop Brewster, hon. '97, assisted by Rev. Dr. Samuel Hart, '66, and the Rev. James Goodwin, '86. Many members of the student body, local alumni, and faculty attended. Dr. W. D. Morgan, '72, Pres. Luther, '70, and P. H. Woodward, hon. '00, were among the honorary bearers. Dr. Russell was buried in the Cedar Hill Cemetery.

"NOW THEN—TRINITY!"

EDITORIAL.

Trinity has suffered a double calamity. Dr. Gurdon W. Russell of the class of 1834, and of Harry Huet, 1906. The one was Trinity's splendid old man whose life of kindness and helpfulness was a credit to himself and to his college. The other was known to the older undergraduates and the younger alumni as one of the best of men, and his friendship was a privilege which many of us were proud to claim.

Dr. Russell at the age of 94 completed an almost unprecedented career in medicine. He had in his lifetime witnessed and aided in a complete revolution in his profession, in which he has been a leading member. For several years he has held the distinction of being Trinity's oldest living graduate. The thought of Dr. Russell carries with it little regret, for we are thankful that his life could be so rounded out by success.

The death of Harry Huet brings an entirely different feeling. Only the deepest sorrow can be felt concerning the death of this young man, who was about to go out to the world to devote himself to the welfare of mankind. In him we have lost a friend, Trinity a loyal son, and the world a power for good.

HARRY HUET DIED SUNDAY NIGHT.

The news that Harry Huet was seriously ill first reached college on Sunday afternoon, when Pres. Luther announced the fact at the vesper service. The information was a great shock to the college men, most of whom knew Harry Huet intimately, and it gave scant preparation for the blow that came with the announcement of his death Monday morning. Many of the undergraduates had the pleasure of speaking to him at the Alpha Delta Phi tea on Friday afternoon. That evening an acute attack of peritonitis set in, and Saturday he was removed to the

HARRY HUET.

Hartford Hospital, where he immediately was operated upon. He remained in an exceedingly critical condition for several hours until death occurred at midnight.

Harry Huet came to college from Grand Forks, North Dakota. In college he became a member of the Alpha Delta Phi fraternity and was one of the members of the first Tripod board. He was the manager of his class "Ivy" and edited the "Tripod" in his senior year.

In the fall of 1906 he entered the Berkeley Divinity School in preparation for the ministry. He was to have been ordained this June. He was at the time of his death president of the Tripod Association. He was engaged to be married to Miss Roberts, sister of W. Blair Roberts, '05, and Paul Roberts, '09. He is greatly mourned by the many friends he had both in college and out.

The funeral took place this afternoon at 2.30 o'clock from Trinity Church. Dr. Samuel Hart, dean of Berkeley Divinity School, President Flavel S. Luther, and Rev. Ernest deF. Miel, rector of Trinity Church, officiated. The bearers were William Tracy Weston, Samuel McRibbin, and Francis Blackman Barnett, representing Berkeley Divinity School, and Walter S. Schultz, '94, Malcolm Collins Farrow, '05, Shamokin, Pa., Rev. H. DeWolf deMauriac, '07, Middletown, Welles Eastman, '09, and Burdette C. Maereklein, '06, representing the college and the Alpha Delta Phi fraternity. The members of the faculty of the college, the students of Berkeley Divinity School and the members of the Alpha Delta Phi fraternity attended the funeral in a body.

OLDEST LIVING ALUMNUS DIES.

Dr. Russell's interest in the college has never lessened since his graduation and he has ever been a loyal son of his Alma Mater. For several years past he was the oldest alumnus of the college, as well as of the Yale Medical School.

BASKETBALL NOTES.

On February 13 Trinity plays the Springfield Training School at Springfield. The Springfield management wish to play by the A. A. rules, but the Trinity management do not think that it would be wise to do so. It has not been fully decided yet what will be done. Hobart Gook, the veteran forward, is off probation, and will be out to practice from now on, and should prove a strong addition to the team.

ALPHA DELTA PHI HOUSE PARTY.

During Junior Week the Phi Kappa Chapter of Alpha Delta Phi held a house-party at their chapter house at 122 Vernon street, at which a number of girls were entertained. It began on Friday, February 5th, with a tea given by that fraternity, and lasted until today. During the house-party the guests participated in the various entertainments given at the college. A dance was given Friday in their honor by Mrs. Henry E. Rees, at her home on Highland street.

The guests were: Miss Ruth Hamlin, of New York; Miss Marguerite Baldwin, of Buffalo, N. Y.; Miss Lucy Ballard, of Pittsfield, Mass.; Miss Emma Clark, of Lee, Mass.; Miss May Whitehurst, of Norfolk, Va.; Miss Phoebe Hoffman, of New York; Miss Louise Gowen, of Florida; Miss Katherine Eastman, of St. Paul, Minn., and Miss Marjorie C. Simmons, Wilmington, Del., and the chaperones, Mrs. Geo. D. Howell of Uniontown, Pa., and Miss Caroline S. Tucker, of Pittsfield, Mass.

BASKET BALL.

Trinity 22; Second Signal Corps 24.

The Second Company Signal Corps defeated Trinity in a hotly contested game on Friday, Jan. 22nd, at the Armory, Dean street, Brooklyn. Both teams were about evenly matched in the first half, Trinity having the better of it. This half ended with Trinity in the lead, 12-10.

The Signal Corps would not take any chances the second half, and the renowned Cypriot was sent in. He played a wonderful game, scoring 4 baskets in all. He is ranked as one of the best basketball players in Brooklyn. The Signal Corps showed a tendency to hold, which Hobart, the referee, calmly overlooked. A Trinity player had his jersey torn off, but it was ruled as accidental and not holding.

For Trinity no one shone particularly. The team showed great improvement both in passing and team work. Colton and Gildersleeve broke even on the fouls, getting four apiece. A large enthusiastic crowd saw the game, as Trinity is one of the best drawing cards that Co. B. have on their schedule. A dance was given after the game.

Trinity 21; Pratt Inst. 23.

In one of the fastest games seen in the Pratt gym, Trinity gave Pratt a bad scare on Saturday evening, Jan. 24th. Pratt has an excellent team, and a good record, having beaten Princeton easily.

Trinity started the game at a furious pace, carrying the Pratt team off their feet. Gildersleeve tallied in a few seconds from the middle of the floor. This was immediately followed by a long shot by Carroll. By pretty passing, Ramsdell was enabled to cage a pretty one-handed shot. Then Place scored the first basket for Pratt. Abbey followed with another good shot. Capen made a pretty dribble and scored an easy one. Gildersleeve added a foul and another basket. The end of the first half the score stood 13-3 in favor of Trinity.

In the second half Pratt came back with a rush. Place got away for two baskets before Gildersleeve covered him. Pratt rapidly decreased the lead with shots by Johnson and Tuttle. Trinity showed the effects of the trip and the fast pace and failed to cover up in good fashion. Trinity was very unfortunate in having numerous fouls called in the last few minutes of play. Place made good on a majority of

The dance orders were very neat, being done in purple and white, and contained a list of twenty-four dances.

Dancing began at eight and lasted until after two o'clock. After the twelfth dance a supper was served.

Among those present were: The patronesses, Mrs. F. S. Bacon, of Middletown; Mrs. R. K. Skinner, Mrs. R. W. Gray, and Mrs. Flavel S. DELTA PSI COTILLION.

On Friday evening the Delta Psi fraternity gave a very pretty cotillion at its house on Summit street. The hall was tastily decorated with smilax and evergreen, streams of smilax radiating from the center chandelier to the corners of the room, and the pictures being prettily decorated with evergreen and smilax.

Among the other favors were very pretty scrap-baskets, cigarettes, real ones for the men and candy ones for the girls.

these and won the game for his team. The audience resembled a gallery at a theatre. Cat-calls, whistling and yelling seemed to be in order. A brass band at one end of the gym served to liven things up somewhat.

Trinity again displayed good team work, and some of the shooting was of the sensational order.

\$8.50 PUNCTURE-PROOF TIRES ONLY \$4.80 PER PAIR

Regular Price \$8.50 per pair. **To Introduce We Will Sell You a Sample Pair for Only \$4.80** (CASH WITH ORDER \$4.55)

NO MORE TROUBLE FROM PUNCTURES. Result of 15 years experience in tire making. No danger from THORNS, CACTUS, PINS, NAILS, TACKS or GLASS. Serious punctures, like intentional knife cuts, can be vulcanized like any other tire.

Two Hundred Thousand pairs now in actual use. Over Seventy-five Thousand pairs sold last year.

DESCRIPTION: Made in all sizes. It is lively and easy riding, very durable and lined inside with a special quality of rubber, which never becomes porous and which closes up small punctures without allowing the air to escape. We have hundreds of letters from satisfied customers stating that their tires have only been pumped up once or twice in a whole season. They weigh no more than an ordinary tire, the puncture resisting qualities being given by several layers of thin, specially prepared fabric on the tread. That "Holding Back" sensation commonly felt when riding on asphalt or soft roads is overcome by the patent "Basket Weave" tread which prevents all air from being squeezed out between the tire and the road thus overcoming all suction. The regular price of these tires is \$8.50 per pair, but for advertising purposes we are making a special factory price to the rider of only \$4.80 per pair. All orders shipped same day letter is received. We ship C.O.D. on approval. You do not pay a cent until you have examined and found them strictly as represented.

We will allow a cash discount of 5 per cent (thereby making the price \$4.55 per pair) if you send FULL CASH WITH ORDER and enclose this advertisement. We will also send one nickel plated brass hand pump and two Sampson metal puncture closers on full paid orders (these metal puncture closers to be used in case of intentional knife cuts or heavy gashes). Tires to be returned at OUR expense if for any reason they are not satisfactory on examination.

We are perfectly reliable and money sent to us is as safe as in a bank. Ask your Postmaster, Banker, Express or Freight Agent or the Editor of this paper about us. If you order a pair of these tires, you will find that they will ride easier, run faster, wear better, last longer and look finer than any tire you have ever used or seen at any price. We know that you will be so well pleased that when you want a bicycle you will give us your order. We want you to send us a small trial order at once, hence this remarkable tire offer.

COASTER-BRAKES, built-up-wheels, saddles, pedals, parts and repairs, and everything in the bicycle line are sold by us at half the usual prices charged by dealers and repair men. Write for our big SUNDRY catalogue.

DO NOT WAIT but write us a postal today. **DO NOT THINK OF BUYING A** bicycle or a pair of tires from anyone until you know the new and wonderful offers we are making. It only costs a postal to learn everything. Write it NOW.

The Connecticut Mutual Life Insurance Company,

HARTFORD, CONN.,

Why should I insure my life?

Because it is a debt you owe to those who are dependent upon your earnings for their support.

You admit that it is your duty to supply their needs from day to day, but forget that it is equally your duty to provide an ever ready and sufficient equivalent for your earning power, which your family stands in constant jeopardy to lose by your premature death.

Guard your family against disaster and yourself against dependency in old age.

When should I insure my life?

Now! The cost will never be less, and tomorrow you may not be able to obtain insurance at any price.

Even if others are not now dependent upon you, take time by the forelock and you will be the better able to meet future responsibilities, and at a smaller premium.

Where shall I insure my life?

In a purely Mutual Company.

In a company that earns, declares, and pays annual dividends.

In a company that is doing a conservative business.

Such a Company is The Connecticut Mutual Life Insurance Company of Hartford, Conn. It furnishes perfect protection at lowest cost.

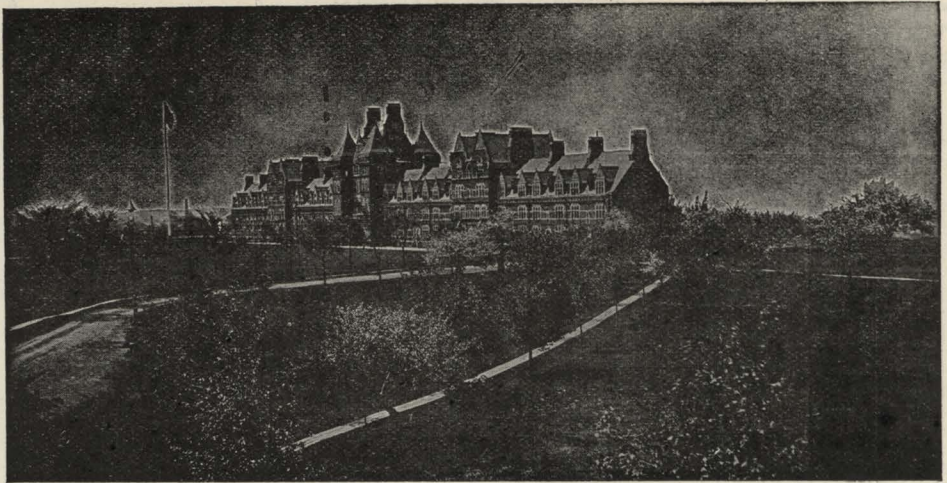

For further information, address the Company, or any of its agents.
