## TRINITY WINS LOOSE GAME.

Wesleyan Takes Lead at Start, but Flukes Out, 6-2.

Trinity defeated Wesleyan Saturday afternoon, May 29, at Trinity Field, 6-2. The game was played exceedingly loose, and there was a superfluity of hitting on both sides, Trinity getting eight to Wesleyan's six.

The game started poorly for the home team in the first inning. Cook muffed Aultman's grounder, and with two out Merrinan and Baker rapped out singles, scoring Aultman. The next man up, Deremer, was an easy out.

The second inning was also bad for Trinity, Wesleyan getting three bases on balls and a hit by Wright, who scored Connelly. This was the limit of Wesleyan's scoring. The third inning was all Trinity. Connor received

## COLLEGE MARSHAL.

Jerome P. Webster Elected.

A largely attended college meeting was held yesterday noon in the English Room. The purpose of this meeting was to elect the college marshal for commencement. There were three nominees: Jerome P. Webster of Plymouth, New Hampshire, Harry S. Marlcor of Brooklyn, Connecticut, and George C. Capen of Bloomfield, Connecticut, all of the class of 1910. Webster was elected on the first ballot.

JEROME P. WEBSTER.

Jerome P. Webster has been very prominent in all college activities since his entrance in 1906. The past two years he has been a member of the baseball team, playing the center field position well. He is a fast man on the bases and good in the use of the bunt. Webster has been a member of the Mandolin Club for three years and of the Glee Club for one year. He was president of his class during the Trinity term of his sophomore year. He has also been prominently connected with the dramatics and has been in the casts for two years. Webster was a member of the 1910 sophomore smoker committee, and is a member of the Sophomore Dining Club and the Psi Upsilon fraternity.

## DR. LUTHER AT HOLDERNESS.

President Luther spent Saturday, Sunday and Monday at Holderness Preparatory School at Plymouth, N. H. Sunday morning he preached in the chapel, and in the evening talked informally to the students. One of the prominent features of his visit was the destruction of the Laconia High School baseball team in seven innings, the Holderness boys scoring an unprintable number of runs to their opponents' none.

## THE TRIANGULAR MEET.

Trinity Scores 44 Points.

The last meet of the Trinity track team for the year 1908 was the triangular met with Union and Hamilton which was held on the Union College oval on Saturday, May 29th. Trinity was only able to secure a third place. The scores were, Union 54, Hamilton 45, and Trinity 44.

The weather was not ideal for track work, as recent rains made the track heavy, and fast times were impossible. In the 100 yards dash Burdick ran away from the rest of the field and jogged over the line an easy winner.

The high hurdles were run but 100 yards instead of the usual 120 yards, due to the fact that the straightaway was but the former distance. Judge secured a third place, though he won one heat.

In the mile run Trinity was outclassed. W. Buck got but a fourth place.

In the 440 yards dash Trinity secured two places. G. Buck got a beautiful second and Dwyer secured a third.

The Union record in the two mile event was broken. Backus of Trinity secured a third.

In the low hurdles D. Clark was able to secure but a third place.

The 220 yards dash netted Trinity eight points, Burdick getting a first and G. Buck second.

Trinity was unable to secure a place in the half mile, as Nelson, the crack man in that event, was kept out of the race by overtraining.

In the weight events Bleecker put the shot 36 feet 2 inches, which gave him a third place. Two Union men captured the first two places. Maxson secured a fourth in the hammer throw. The throws of the four men who placed in this event were very close.

Maxson secured first place in the broad jump, and P. Roberts fourth. R. M. Nelson, in the high jump cleared the bar at 5 feet 6 3-4 inches, which is the best Trinity performance this year. He secured second place. P. Roberts tied for third at 5 feet 6 inches. The pole vault netted Trinity six points. Breed vaulted ten feet and got first, while Wessels tied for third.

The summary of the Trinity points is as follows:

- 100 yards dash—Burdick 1st.
- 220 yards dash—Burdick 1st, G. Buck 2nd.
- 440 yards dash—G. Buck 2nd, Dwyer 3rd.
- One mile run—W. Buck 4th.
- Two mile run—Backus 3rd.
- 100 yards hurdles—Judge 3rd.
- 220 yards hurdles—D. Clark 3rd.
- Broad jump—Maxson 1st, P. Roberts 4th.
- High jump—R. M. Nelson 2nd, P. Roberts tied for 3rd.
- Pole vault—Breed 1st, Wessels tied for 3rd.
- Shot put—Bleecker 3rd.
- Hammer throw—Maxson 4th.

## COLLEGE NOTES.

The baseball team will meet Columbia tomorrow on Trinity Field at 3 p. m. Olsson will probably pitch. The Columbia team is not exceptionally strong and a Trinity victory should be scored.

The class in N. H. VIII spent several hours of Tuesday afternoon in going over the model dairy farm at Elmwood.

The tennis team will enter the New England Championship Tournament at the Hartford Golf Club next week.

A meeting of all football candidates for next fall's team was held recently. It was decided to go to Westbrook on the 13th of September to get in some preliminary work. All those interested should confer with Captain Henshaw as soon as possible.

All those men who signed subscription blanks and all those desiring the 1910 Ivy should get copies as soon as possible from Groves, 17 Jarvis Hall.

The 1911 Ivy Board has been completed with the election of the two neutral members, Paul Herbert Taylor and John Davis Reichard.

The meeting of the freshman class on Saturday, May 29, resulted in the election of William Hill Bleecker Jr., of Flushing, N. Y., to the position of senator from the class of 1912. Mr. Bleecker has been captain of his class basketball team and is a member of the Alpha Delta Phi fraternity. He is also on the track team and won his "T" in the Wesleyan meet, in which he captured first in the shot put.

At a meeting of the sophomore class last Tuesday, Hasell Hill Burgwin, of Pittsburg, Pennsylvania, was elected to the college senate. Mr. Burgwin is a member of the Psi V fraternity and of the Sophomore Dining Club and is captain and manager of the tennis team.

### EDITORIAL.

Now that the academic year is nearing a close a few words concerning next year seem necessary. It is desired that every undergraduate enter into the approaching examinations with a will and come out on the right side. Everyone wants to see Trinity increase in size. In order to do this, however, it will be necessary that every man return to college next fall who possibly can; in other words deficiencies in scholastic work should not prevent a man's return. It is a duty that everyone owes himself as well as the college. Undergraduate support is the main item in helping the college to advance. There is, however, another way that help may be given, and that is by getting your "prep." school friends interested in Trinity. Get them down here at commencement, let them judge for themselves and look around and explain the ways of the college to them. A little interest shown in a few "prep." men will do a great deal to bring them to college. It is an assured fact that everyone wishes to see the class of 1913 a large one, and each should help to make it such.

### NOTICE.

Owing to the fact that the final examinations will be held during the next two weeks, the publication of the "Tripod" will be suspended. The next and last issue of the year will be out on Tuesday, June 22nd. It will be the commencement number.

### TRINITY WINS LOOSE GAME.

(Continued from page 1.)

his base on balls, Webster and Smith singled, as did Abbey, and the result was three runs. In the sixth, seventh and eighth innings Trinity scored one run each, losing Wesleyan entirely. Cook for Trinity was wild during the first of the game, but gained control gradually. He gave five bases on balls, struck out six men, and allowed six hits. Merrinan, pitching his first game for Wesleyan, gave four bases on balls, struck out seven, and allowed but eight hits, which were little short of errors.

The base running of the Trinity team was excellent, and the squeeze play was worked to perfection several times. Wesleyan was unable to steal on Smith. Beaton and Wright played best for Wesleyan; Smith, Webster and Abbey excelled for Trinity. The feature of the game was the difficult catch of a high liner over center field in the ninth by Webster, thereby stopping a probable score.

**REVIEW OF THE TRACK TEAM.**

**A Creditable Showing.**

Now that the 1908 track season is a thing of the past, a review seems essential. This year the team made a good showing. At the beginning of the year there were but very few men left who had ever run before under the gold and blue; this was due to the fact that with the graduation of the class of 1908 several of the most valuable men were lost. Then again, the probation rule kept several men from competing. Thus with a small nucleus the track season began. There were, however, several men who had not shown ability before, but by persistent work were developed into point winners.

The good work and faithfulness of Coach Coholan and Captain Maxson in training the men should be fully realized and appreciated by all Trinity men. With raw material to start with the coach developed some fast men on the track, and Captain Maxson worked hard to develop weight men.

CAPTAIN MAXSON

The season opened on April 24th with a class meet for the purpose of finding out just what the men really could do. A cup was offered for the winner of the two-mile event, as the lack of distance men would be a great handicap. Kedney '10 was easily the winner. The Tufts meet in Hartford on May 8th ended with the score of 71 to 55 in favor of Trinity. On the 15th the team journeyed to Middletown and was defeated by Wesleyan, 73 to 53. The N. E. I. A. A. meet came next and Trinity did not secure a place because on the team there were no individual stars. The triangular meet with Union and Hamilton on May 29th was fast and close; the scores were, Union 54, Hamilton 45, Trinity 44.

Three Trinity records were broken this year. W. T. Nelson '10 in the Tufts meet lowered his former record and the college record from 2.07 to 2.06 in the half-mile. In the same meet Burdick '11 ran the 100 yards dash in 10 1-5 seconds, thus lowering the former record of 10 1-4 seconds. In the Wesleyan meet Eaton '10 threw the discus 99 feet 11 inches, beating the former Trinity record by thirteen inches.

Taking everything into consideration, the season was a success. The squad was larger than ever before, which was due to the fact that each man could not compete in more than one or two events. The following will give an idea of what each man did:

Captain Harry I. Maxson '09 competed in the hammer throw and broad jump. He secured two first places and

a fourth in the former, and two firsts and a second in the latter. The broad jump was a new event for him this year and he made an excellent showing. Maxson did a great deal to develop weight men, who were point winners this year and who will be next season. His graduation will be felt by the track team more than that of any other man.

George S. Buck '09 won places in the quarter-mile and 220 yards dash. His running was much faster this year than before and he won three second places in quarter-mile events that were fast. He will be greatly missed in this event next year.

Paul Roberts '09 has been a member of the team for four years. This season he has placed in the broad and high jumps, pole vault and discus throw. His best event was the high jump, and his coaching in this event helped the other members a great deal.

Clinton J. Backus '09 was a two-mile man and did good work, though lack of experience handicapped him considerably. However, he placed in each race he ran. This was his first year on the team.

I. Louck Xanders '09 competed in but one meet, the Wesleyan, due to the fact that he is on the baseball team. He won places in the shot put and hammer throw.

William Dwyer '09 ran in the quarter-mile and half-mile. Illness prevented him from running his best race.

Cyril B. Judge '10 besides being manager of the team ran the high hurdles. As this was the first year he was on the team he made an excellent showing. He won first place in both dual meets and a third place in the triangular meet. Next year should find him greatly improved and experienced in his event.

W. J. Nelson '10 again broke the college record in the half-mile event. Owing to the fact that he is just recovering from a physical breakdown he did exceptionally well. He won first in the Tufts meet and third in the Wesleyan meet, but was unable to compete in the triangular meet. He should be able to lower the record again next year.

W. S. Eaton '10 broke the college discus record. As this is his first year on the team he will doubtlessly add much to the distance next season.

D. W. Clark '10 was also a new man on the team this year. He went on the team this year. His event was the low hurdles in which he has good form and speed. He scored first in the Tufts meet, second in the Wesleyan meet, and third in the triangular meet. Next year should find him much faster.

L. A. Stansfield '10 ran both hurdle events. With improved form he should be a fast man.

F. S. Kedney '10 was greatly handicapped and prevented from competing in the meets, due to a severe injury to his leg. He is an excellent distance man and would doubtlessly have won many points for his team had he been in condition.

W. G. Oliver '10 competed in the half-mile, but poor condition hindered him greatly.

George C. Capen '10 ran in the dashes in the Tufts meet.

Vere G. Burdick '11 is the fastest sprinter that has been at Trinity in some years. He lowered the college record in the century dash this season. He captured four first places, a second, and a third. In the N. E. I. A. A. meet

he was the only Trinity man to qualify. Burdick showed great improvement this year over his work last year and next season he will doubtlessly be a sprinter of the best class in this section of the country.

MANAGER JUDGE

R. M. Nelson '11 a new man on the team, made an excellent showing in the high jump especially in the Union-Hamilton-Trinity meet.

W. Buck '11 ran the mile event, scoring in two meets. With more experience he may be counted upon as a fast man.

A. Clark '10 scored in the hammer throw. He is a heavy man and should develop into a good man in this event.

W. H. Bleeker Jr. '12 was perhaps the "find" of the season. His event was the shot put, in which he did more than has been done for several years at Trinity. He improved greatly during the season and by next year he should be able to do close to forty feet.

F. N. Breed '12 in the pole vault was greatly handicapped by a sprained ankle. Harry Wessels '12 was also held back in this event by a bad ankle. Both men, however, did more than ten feet, and by next year they should be able to add another foot.

Philip A. Ahern is a dash man of ability, and with more experience will be valuable.

James S. Craik ran in both distance events, and though inexperienced, made a creditable showing. Time should make him efficient.

**WESLEYAN HITS HARD.**

**Second Game of the Series, Trinity 2, Wesleyan 8.**

The game on Memorial Day, played at Middletown, was taken by Wesleyan, 8-2. The home team won the game by heavy hitting in the sixth and seventh innings, finding Olsson for 13 hits, two of them being home runs. Beaton, for Wesleyan, was the heavy sticker, getting four hits out of four times at bat. Carroll scored Trinity's first run in the second on a wild throw by Baker. The only other chance that Trinity had to score was in the sixth, when with the bases full, only one run resulted.

The sixth and seventh innings were nightmares for Trinity, while Wesleyan was at bat, for in the sixth the Wesleyan team filled the bases, with two out, and scored three runs. In the seventh, both Baker and Schofield found Olsson for a homer, and in each case sent a man in home ahead of them, piling up four runs.

Trinity was unable to do anything

against Connelly after the seventh, and he struck three straight in the ninth. Olsson struck out five men, walked six, and gave away thirteen hits. Connelly struck out seven, passed three, and held to five hits. The score:

**TRINITY LOSES AT TENNIS.**

**Wesleyan the Victor.**

The Trinity College tennis team closed their season with a rather disastrous defeat at the hands of Wesleyan, Wednesday, by a score of five matches to one. It seemed to be an off day for the Trinity men with the exception of Burgwin, who played magnificent tennis throughout, and was beaten in the best match ever played at Middletown, and by a man who ranks at the top of the New England college tennis players.

The doubles were played off first, and in these events the teams broke even. Burgwin and Nelson, Trinity, lost to Holton and Pfeiffer, Wesleyan, 7-5, 1-6, 7-5.

Pulford and Carpenter, Trinity, won from Pollins and White, Wesleyan, in the only victory of the day for Trinity, 6-2, 6-4. The play was of a wildly exciting character, but the Trinity players were not pressed to win.

All four singles went to Wesleyan. Burgwin, Trinity, lost to Holton, Wesleyan, 5-7, 6-4, 7-5. As has already been stated, this match was the most sensational one of the day. Both men played in fast fashion, every ball going back and forth at the maximum speed. Burgwin's double faults at critical moments were the main factor in his defeat, as otherwise the form of both men was perfect.

Nelson, Trinity, was an easy victim to Pfeiffer, Wesleyan, 6-2, 6-4, as his strokes were uncertain and his serve not to be relied upon.

(Continued on page 4.)

**TRINITY LOSES AT TENNIS.**  
(Continued from page 3.)

Pulford, Trinity, and Pollins, Wesleyan, had a fairly exciting contest, but Wesleyan's representative captured the match in straight sets, 6-3, 6-3. Pulford did not display one-quarter of his usual steadiness, or else he would have had little difficulty in winning.

Sherwood, Wesleyan, trimmed Carpenter, Trinity, in a good match, although the scores indicate an easy victory. Nearly every game went to deuce, but like his fellow teammates, Carpenter was unable to pull a victory. The score was 6-2, 6-4, for Sherwood.

Although this defeat was not a very creditable one for Trinity, nevertheless when the whole season is considered it will be seen that the record of the team is a good one. Springfield Training School and Brown were defeated, 6-0 and 4-2 respectively, and Union tied, while in the intercollegiates a creditable showing was made. This is the first real tennis schedule Trinity has had for a number of years and every allowance should be made for the inexperience and other setbacks which the team has had.

**TRINITY DEFEATED BY TUFTS.**

Baseball Game on Wednesday. Score 5 to 1.

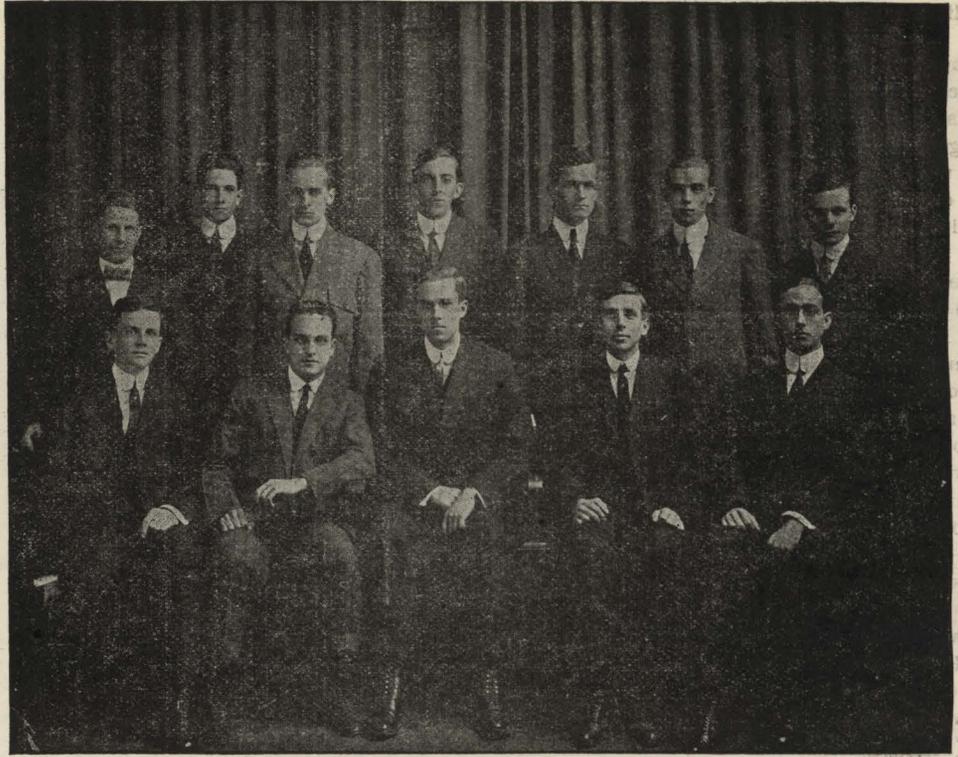

On this week Wednesday the Trinity baseball team was defeated by the Tufts team by the score of 5 to 1. A Boston paper speaks of a game filled with the so-called grand stand plays. The Trinity team, while not outclassed as all-around baseball players, lost by poor judgment on the bases. In one inning three hits were obtained off the Tufts pitcher, but none of these resulted in a score as the men were caught on the bases. Cook was in the box for Trinity and pitched well. He struck out four men, passed three, and allowed nine hits. The game was featured by two double plays pulled off by the Tufts team. Knight of Tufts played an excellent game at first base, he hit safely three times and accepted thirteen out of fourteen chances in the field. Smith played an excellent game in the field for Trinity. The summary follows:

**\$8.50 PUNCTURE-PROOF TIRES ONLY \$4.80 PER PAIR**

Regular Price \$8.50 per pair. **To Introduce We Will Sell You a Sample Pair for Only \$4.80** (CASH WITH ORDER \$4.55)

**NO MORE TROUBLE FROM PUNCTURES.** Result of 15 years experience in tire making. No danger from **THORNS, CACTUS, PINS, NAILS, TACKS or GLASS.** Serious punctures, like intentional knife cuts, can be vulcanized like any other tire. **Two Hundred Thousand pairs now in actual use. Over Seventy-five Thousand pairs sold last year.**

Notice the thick rubber tread "A" and puncture strips "B" and "D," also rim strip "H" to prevent rim cutting. This tire will outlast any other make—**SOFT, ELASTIC and EASY RIDING.**

**DESCRIPTION:** Made in all sizes. It is lively and easy riding, very durable and lined inside with a special quality of rubber, which never becomes porous and which closes up small punctures without allowing the air to escape. We have hundreds of letters from satisfied customers stating that their tires have only been pumped up once or twice in a whole season. They weigh no more than an ordinary tire, the puncture resisting qualities being given by several layers of thin, specially prepared fabric on the tread. That "Holding Back" sensation commonly felt when riding on asphalt or soft roads is overcome by the patent "Basket Weave" tread which prevents all air from being squeezed out between the tire and the road thus overcoming all suction. The regular price of these tires is \$8.50 per pair, but for advertising purposes we are making a special factory price to the rider of only \$4.80 per pair. All orders shipped same day letter is received. We ship C.O.D. on approval. You do not pay a cent until you have examined and found them strictly as represented.

We will allow a cash discount of 5 per cent (thereby making the price \$4.55 per pair) if you send **FULL CASH WITH ORDER** and enclose this advertisement. We will also send one nickel plated brass hand pump and two Sampson metal puncture closers on full paid orders (these metal puncture closers to be used in case of intentional knife cuts or heavy gashes). Tires to be returned at **OUR** expense if for any reason they are not satisfactory on examination.

We are perfectly reliable and money sent to us is as safe as in a bank. Ask your Postmaster, Banker, Express or Freight Agent or the Editor of this paper about us. If you order a pair of these tires, you will find that they will ride easier, run faster, wear better, last longer and look finer than any tire you have ever used or seen at any price. We know that you will be so well pleased that when you want a bicycle you will give us your order. We want you to send us a small trial order at once, hence this remarkable tire offer.

**COASTER-BRAKES,** built-up-wheels, saddles, pedals, parts and repairs, and prices charged by dealers and repair men. **UNDERGRADUATES AS FIRE-  
 FIGHTERS.**

During the third recitation hour yes-  
 terday morning, great excitement arose  
 when the cry of "fire" went up from  
 the campus. Classes were dismissed and  
 a rush was made for New Britain Ave.,  
 where a barn was going up in flames.  
 The members of the student body did  
 heroic work and materially aided the  
 fire department which was at a loss  
 where to turn on account of the num-  
 ber of buildings exposed.

The best work was done by Paul  
 Butterworth and S. P. Haight, who  
 saved a horse from the fire with great  
 difficulty. Butterworth reached the  
 barn first and instituted a hunt for any-  
 thing he could save. He soon dis-  
 covered the horse and called to Haight,  
 who obtained a bag and covered the  
 horse's head with it. Professor Rob-  
 bins and Art. Henshaw soon appeared  
 on the scene and a minute later the  
 horse was driven out of the barn.  
 Haight was overcome by smoke, but  
 revived in a few minutes. A young  
 calf was also saved from the barn to-  
 gether with tools and wagons.

In the meantime Stratton Carpenter  
 was directing a bucket brigade at the  
 roof of a nearby barn while several  
 others devoted their attention to six  
 or seven houses nearby which were  
 in danger of catching fire from the  
 flying sparks.

Across the street a pottery was  
 saved from danger by the hard work of  
 Ramsdell and several others.

## The Connecticut Mutual Life Insurance Company,

HARTFORD, CONN.,

Why should I insure my life?

Because it is a debt you owe to those who are dependent upon your earnings for their support.

You admit that it is your duty to supply their needs from day to day, but forget that it is equally your duty to provide an ever ready and sufficient equivalent for your earning power, which your family stands in constant jeopardy to lose by your premature death.

Guard your family against disaster and yourself against dependency in old age.

When should I insure my life?

Now! The cost will never be less, and tomorrow you may not be able to obtain insurance at any price.

Even if others are not now dependent upon you, take time by the forelock and you will be the better able to meet future responsibilities, and at a smaller premium.

Where shall I insure my life?

In a purely Mutual Company.

In a company that earns, declares, and pays annual dividends.

In a company that is doing a conservative business.

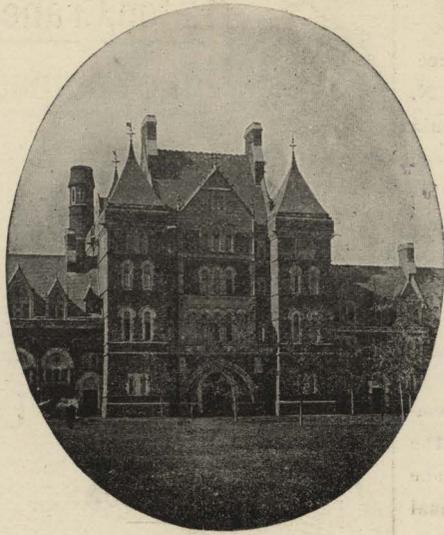

Such a Company is The Connecticut Mutual Life Insurance Company of Hartford, Conn. It furnishes perfect protection at lowest cost.

For further information, address the Company, or any of its agents.

John M. Taylor, Pres't.

Henry S. Robinson, Vice-Pres't.

William H. Deming, Secy.
