SENIOR ASSEMBLY.

An Enjoyable Affair.

The senior class gave an enjoyable assembly last evening in Alumni Hall. This assembly was the second which the class has given this year in an effort to pay off its debts incurred during the college course. Although the attendance was not as large as had been desired, however, enough were present to make the affair a great success. The patronesses were Mrs. Luther, Mrs. Gettell and Mrs. Brenton. Scott Snow's orchestra furnished the music, and from the opening number until twelve o'clock, when to the strains of 'Neath the Elms the dance broke up, there were repeated encores by the dancers. McGinley '09 and Elwell '09 had charge of the assembly. Among those who attended were:

The following men were elected: to deliver the valedictory address, Harold Nathaniel Chandler of Fitchburg, Massachusetts, the salutatory address, Hollis Smith Candee of Hartford, the third oration, Clinton Jiriah Backus, Jr., of St. Paul, Minnesota. Any other seniors desiring to compete for a place on the commencement stage should confer with Professor Brenton of the English department immediately. Ordinarily there are two other members of the senior class who take part in the commencement exercises.

Harold N. Chandler has been during his college course prominent both in scholastic work and also on the campus. In his freshman year he won the Holland Scholarship. He is a member of the Delta Psi fraternity and leader of the college singing.

Hollis S. Candee has won several scholastic prizes during his course. This year he holds the Holland Scholarship and was recently appointed to be the Mary A. Terry Fellow.

Clinton J. Backus, who will deliver the third oration, entered Trinity in 1907 from the University of Minnesota. He played quarter-back on the 1908 football team and is a distance man on this year's track team. Backus is president of the Dramatic Club and a member of the Phi Gamma Delta fraternity.

EDITORIAL.

In the last issue of the Tripod the request of the leaders in cheering and college singing was published. As yet very few contributions have been received and the men in charge of this department of undergraduate activity are greatly disappointed. There is certainly talent enough around college to insure some good songs and cheers being handed in. It is a fact that has been proved more than once on Trinity Field that good cheering at the opportune time has changed defeat into victory. At present Trinity has good songs and cheers, but they are too few in number, that is to say there is not enough variety. The leaders are making an earnest effort to improve these and thus make Trinity as prominent in this line as it is in other ways. But to realize these efforts, it is necessary that the three men appointed by the Senate be supported by every undergraduate.

It is not only by getting up new songs and cheers that the students can help out this object, but also by being present on the bleachers and cheering with a vim. There will be a baseball game on Wednesday and a track meet on Saturday, at which it is hoped every undergraduate will be present and help Trinity to come out victorious.

The support of the Tripod comes a great deal from alumni subscriptions. Therefore it is proper that the column headed "Alumni" should be of great importance. It is the desire of the Tripod to do this, but in order to ac-

complish this fact it is necessary that each alumnus send in all the news possible regarding either himself or other alumni. In doing this the Tripod not alone will receive the benefit, but it will tend to bring the alumni and undergraduates nearer together, and also the alumni in closer touch with one another.

The Connecticut Mutual Life Insurance Company,

HARTFORD, CONN.,

Why should I insure my life?

Because it is a debt you owe to those who are dependent upon your earnings for their support.

You admit that it is your duty to supply their needs from day to day, but forget that it is equally your duty to provide an ever ready and sufficient equivalent for your earning power, which your family stands in constant jeopardy to lose by your premature death.

Guard your family against disaster and yourself against dependency in old age.

When should I insure my life?

Now! The cost will never be less, and tomorrow you may not be able to obtain insurance at any price.

Even if others are not now dependent upon you, take time by the forelock and you will be the better able to meet future responsibilities, and at a smaller premium.

Where shall I insure my life?

In a purely Mutual Company.

In a company that earns, declares, and pays annual dividends.

In a company that is doing a conservative business.

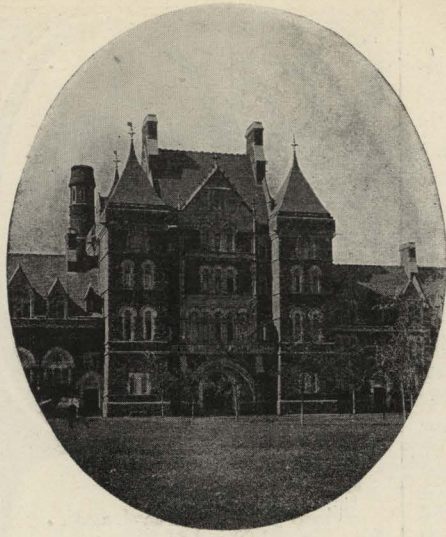

Such a Company is The Connecticut Mutual Life Insurance Company of Hartford, Conn. It furnishes perfect protection at lowest cost.

For further information, address the Company, or any of its agents.
