## WESLEYAN-TRINITY TRACK MEET.

### Trinity Defeated, 73 to 53.

**Robson Runs 100 Yards in 10 Flat—Eaton Breaks Trinity Discus Record.—Captain Maxson Scores Ten Points—Two Records Equalled.**

On last Saturday afternoon the Trinity track men were defeated by those from Wesleyan by the score of 73 to 53. The meet was held on Andrus Field in Middletown. The track was not in very good condition as it was soft in places, especially near the pole; but the weather was ideal as it was warm and with scarcely any wind to effect the competitors. The times in the distance races were slow, but in the dashes it was very fast. Robson broke the record of 10 1-5 seconds in the century dash, making the distance in 10 seconds flat. Eaton of Trinity broke his college record in the discus with a throw of 99 feet 11 inches. Wessels equalled the Trinity record of 10 feet 4 3-4 ins. in the pole vault and Bacon equalled the Wesleyan 220 yards hurdles record of 26 4-5 seconds. This is the first time that this record has been equalled for twenty years by a Wesleyan man. Captain Maxson scored the most points for Trinity as he captured first place in the broad jump and hammer throw. Robson and Bacon both scored ten points for the Wesleyan team. The work of Connor of Wesleyan in the distance runs was the feature of the meet. He could have won these events but instead allowed his teammates to take first place.

No heats were run in any of the events and as a consequence the one mile run was the first event. There were two Trinity men and three Wesleyan men to start. Buck of Trinity was in the lead until the last 200 yards when Connor, coaching his men, went ahead and Wesleyan won the three places.

The 440 yards dash was the next event. Each college started two men. Wood got the lead with Buck second and Bacon third. The positions did not change throughout the race and the men finished in that order.

The 100 yards dash came next. Robson and Bacon ran for Wesleyan, Burdick and Ahern for Trinity. Robson won in 10 seconds flat with Burdick a close second and Bacon third.

The high hurdle race was exciting, Judge of Trinity beating out Bacon by but a few yards. Stansfield turned his ankle at the third hurdle and consequently could not place in the race.

Slow time was made in the 880 yards run. Nelson of Trinity was boxed and on the back stretch in the last lap, Connor of Wesleyan made a short sprint and cut in to the pole. A protest was made because of this action, but the decision was made in favor of Wesleyan. Camp secured a first, Connor second and Nelson third.

The two mile came next. Craik set the pace for four laps and then drop-

ped out, leaving Backus and three Wesleyan men still in the race. At the beginning of the last lap Backus forged ahead, but at the 220 mark was elbowed by Connor and finished third. On a protest of Connor's foul Backus was awarded second, Connor disqualified and Lewis given third.

Robson won the 220 yards dash easily, Burdick and Wood contesting for second place. The Trinity man was ahead up to within a few yards of the finish, when a dog ran into his alley and in order not to fall, Burdick slackened his pace and Wood passed him and finished second.

The 220 yards hurdles was close, Clark and Bacon ran about equal until the last hurdle, when the latter's sprinting ability showed and won first place by a very small margin only. Sherwood also beat Stansfield by but a short distance for the third place.

In the high jump Wright of Wesleyan secured first place at 5 feet 4 inches. Three men were tied for second place. The runway and take off were soft, which hindered the jumpers a great deal.

Bleecker easily won the shot put by over a foot. Bacon, who was picked to win first, did not place. Trinity secured first and third places.

The broad jump secured six points for Trinity. Maxson, the lowest man in the qualifying jumps, secured first place with a jump of 20.6 feet on his last jump.

The hammer throw was a clean-up for Trinity, the nine points going to Capt. Maxson, A. Clark and Xanders. After a few throws were made it was found that the Wesleyan hammer was some four inches too long and as a consequence several throws had to be taken over.

The discus throw came next. Hanna, a Wesleyan freshman, secured first with an excellent throw. Eaton of Trinity broke the former record of 98 feet 10 inches. After the event was over Hanna took three trials to break the Wesleyan record but was unable to do so.

The pole vault was the last event. Wessels cleared 10 feet and won first place. Afterward he vaulted 10 feet 4 3-4 inches, which equals the Trinity record held by S. Harmon ex-'10. Breed of Trinity vaulted for the first time in ten days and could do but 9 feet 6 inches owing to a wrenched ankle.

Cups of neat design were given as prizes for all men who scored.

The meet was late in starting, due to the fact that the referee did not arrive on time, but after things were once going everything went along fairly good, though many of the men were

### 1906 CLASS LETTER.

#### Triennial Dinner June 21st.

The triennial reunion of the class of 1906 will be celebrated at a dinner to be held Monday evening, June 21st at 6 o'clock at Heubline's. The accomplishments of the members of this class since that afternoon in June, 1906, when when they languidly smoked their pipes together and heard their exploits rehearsed and their idiosyncrasies betrayed, have been very great and we cannot hope to enumerate them here.

The class since its graduation has suffered the loss of one of its best and most promising members, one of its first presidents, Harry Huet, who died in Hartford, February 7, 1909, when still a student at the Berkeley Divinity School, Middletown.

The following is a list of the members of the class:

Harry Gray Barbour—Student at John Hopkins Medical School, Baltimore, Md., since graduation. Engagement announced April, 1909, to Miss Lilla M. Chittenden of New Haven, member of Hartford University, and Pithotomy Clubs. Address 106 Jackson Place, Baltimore, Md.

John Jordan Boller—Interested in brokering. Address 212 W. 78th St., New York City.

Garrett Denise Browne Jr.—Engineering apprentice, Westinghouse Elec. & Mfg. Co., Pittsburg, until June, 1908. Columbia University, summer 1908. Now with the Westinghouse Elec. & Mfg. Co., Boston. Address 131 State St., Boston.

Clifton Culverhouse Brainerd—Organist and choirmaster since graduation Church of the Good Shepherd. Teaching South School District, Hartford. Address 48 Huntington Ave., Hartford.

Vincent Chetwood Brewer.

Hill Burgwin—Law student in the office of W. R. Blair and later of Geo. C. Burgwin, also at the University of Western Pennsylvania. Pittsburg Golf and University Clubs. Address 311 Craft Ave., Pittsburg, Pa.

William Clinton Burwell—Since graduation has travelled in England, Scotland and on the Continent. "I have had an interest in local politics to the extent of being made borough clerk." Address Winsted, Conn.

Ralph Evelyn Cameron—Interested in civil engineering. Address Dalton, Mass.

Frederick Augustus Grant Cooper—Visited the Rhine country. Studied a winter at the University of Strassburg and a year at the University of Geneva, Switzerland; also travelled in France and Belgium. At present assistant professor in the department of Romanic languages, Drury College, Springfield, Mo. Married April, 1909, to Miss Mary Thompson of Springfield, Mo. Address Drury College, Springfield, Mo.

Phillip Everett Curtiss—Studied in Spain until June, 1907. With the Hartford "Courant" until October, 1908. Now with the Hartford "Times." Address 809 Asylum Ave., Hartford, Conn.

### TRINITY LOSES TO WILLIAMS.

#### Heavy Hitting Makes the Score 11 to 1.

The Trinity baseball team was badly defeated by Williams at Williamstown last Saturday. The score was 11 to 1. Trinity played good ball up to the fifth inning, but in the fifth inning Olsson weakened, and the Williams batters pounded the ball into every corner of the field. Templeton made his drive the longest of the season on Weston Field, the ball rolling under the football bleachers in left field and enabling him to easily circle the bases. Olsson received fairly good support, while Smith was exceptionally fast in throwing to bases. Smith caught several runners off the bases, and retired every man who attempted to steal, excepting Captain Wadsworth. Wadsworth stole second twice, and third once, and his base running was a feature.

Templeton was in the box for Williams for five innings, and held the Trinity team to three hits. Two of these hits, one a scratch, came in the third inning, and placed men on first and second, but it is not likely that either would have scored if there had not been erratic throwing around the diamond. Lambie threw to first when Mills was away from the base, and the ball went into right field, allowing Gildersleeve to score from second. Olsson reached third when Young failed to hold Lambie's throw from home after the ball had been returned from the field, and tied the score on Webster's fly to right, but left the base too soon and was declared out. Williams did not score until the fifth, and then its runs came in pairs. Wadsworth, Mills and Lambie all singled. Shons made two singles, Rogers hit for a single and again for three bases. Templeton knocked out a home run, and Hamilton and Lewis drew passes, all of which, with an error by Gildersleeve, netted nine runs for the purple. In the sixth Wadsworth drew a pass, stole second and third, and scored on Lewis's hit, and in the eighth a base on balls, a balk and a safe hit scored Lewis.

In the fifth the Trinity team started with a three-bagger by Cook, but he was caught at the plate when he attempted to go home. Templeton retired from the box at the end of the sixth, and Ayres, a freshman, followed him. Ayres allowed but one hit in his three innings, a scratch toward first, and struck out two men. The score:—  
Williams.....0 0 0 9 1 0 1—11  
Trinity.....0 0 1 0 0 0 0—1

#### NOTICE.

At Tech Union on Friday evening an entertainment and reception will be held to all college men who are present at the N. E. I. A. A. meet as competitors or spectators. An invitation has been sent which urges all Trinity men in Boston on Friday to be present. The affair will be over in time so that any who are in training may keep it.

### EDITORIAL.

The Trinity-Wesleyan track meet of 1909 is now a thing of the past and it seems necessary to say a few words concerning it. In the first place the men who competed on the Trinity team should be congratulated on the way in which they fought for a victory, and the Wesleyan victory was due to the fact that Wesleyan had more individual stars than did Trinity. In the second place a word or two about the disqualifications would not be amiss. It seems a pity that it was necessary for the Trinity captain to enter protests in both the two mile and half mile events, but there was no other way out of it and Captain Maxson would not have done his duty had he not entered such protests. The decision in the two mile event was made on evidence furnished entirely by a Wesleyan man, who was judging at the corner where the foul took place.

The cheering by the Trinity supporters, even though their numbers were not many, was excellent. That is the kind of cheering that is wanted at every athletic contest. There were not more than forty Trinity men on the bleachers, but they did a good afternoon's work with their voices. It is hoped that the cheering will be as good at the game tomorrow as it was on Saturday.

Don't forget the Trinity-Amherst "Aggie" game tomorrow afternoon at Trinity Field.

## The Connecticut Mutual Life Insurance Company,

HARTFORD, CONN.,

### Why should I insure my life?

Because it is a debt you owe to those who are dependent upon your earnings for their support.

You admit that it is your duty to supply their needs from day to day, but forget that it is equally your duty to provide an ever ready and sufficient equivalent for your earning power, which your family stands in constant jeopardy to lose by your premature death.

Guard your family against disaster and yourself against dependency in old age.

### When should I insure my life?

Now! The cost will never be less, and tomorrow you may not be able to obtain insurance at any price.

Even if others are not now dependent upon you, take time by the forelock and you will be the better able to meet future responsibilities, and at a smaller premium.

### Where shall I insure my life?

In a purely Mutual Company.

In a company that earns, declares, and pays annual dividends.

In a company that is doing a conservative business.

Such a Company is The Connecticut Mutual Life Insurance Company of Hartford, Conn. It furnishes perfect protection at lowest cost.

For further information, address the Company, or any of its agents. John M. Taylor, Pres't.

Henry S. Robinson, Vice-Pres't.  
William H. Deming, Secy.

## TRINITY COLLEGE

HARTFORD, CONNECTICUT

The Library contains about 56000 volumes, 30 per cent of which have been purchased within the last twelve years. It is open daily for consultation and study.

The Laboratories, Physical, Chemical, Biological, and Physico-psychological, are fully equipped with modern apparatus for work in these departments. Special attention is given to work in preparation for Electrical Engineering, Civil Engineering, Industrial Chemistry, and Medicine.

Extensive courses are offered for study in Mathematics, Ancient Languages, Modern Languages, Economics, History, Ethics, and Philosophy.

A large list of valuable scholarships and prizes may be found in the Annual Catalogue.

For Catalogues and information address the President or the Secretary of the Faculty.
