PRICE, FIVE CENTS.

# NORWICH DEFEATED BY THE SCORE OF

13 to 5.

Team That Defeated Wesleyan and Tied Amherst Had No Chance Against Gold and Blue. Red's Only Score on a Fluke.

The outcome of Saturday's game with | Norwich was in doubt for just about two minutes; viz., the first two minutes of the first half.

Norwich kicked off to Trinity, who immediately attempted a forward pass. The ball soared gracefully into the arms of the expectant Lee who had a clear field to the goal line. This unfortunate circumstance did not seem to discourage the blue team in the slightest, and it was readily seen after five minutes more that there would be no bonfire that night at Norwich University.

The game was replete with fumbles, Trinity making the majority and succeeding in covering them generally. The forward pass was worked to advantage by both teams, but Trinity excelled in this line, with Ramsdell making the needed gain whenever called upon. The onside kick was good for Norwich, who gained well with it and with a few trick formations also. Reid and Kelley starred for Norwich, while Ramsdell, Henshaw and Howell played the best game for Trinity.

#### First Half.

Captain Henshaw won the toss for Trinity, and chose to defend the North goal. Shakowskie kicked off for Norwich to Henshaw, who ran the ball back 20 yards before being stopped. On the next play the misdirected pass was made which resulted in the only score for the visitors, Lee going behind the posts, but Thompson failed on the kick. Score, Norwich 5, Trinity 0.

On the kick off by Norwich, Carroll ran the ball 25 yards. A forward pass, Carroll to Ramsdell, netted 30 yards, but on the next play Trinity was penalized for a forward pass which failed, and Norwich got the ball. A fumble and Henshaw was on the opponents' 10yard line before being dropped, the next play-a forward pass-and the ball was on the 2-yard line, and then a line play and Carroll went over the line for Trinity's first score. Gildersleeve missed a

difficult goal. Score, Norwich 5, Trin-

Trinity kicked off to Norwich on the 15-yard line, and the ball was advanced 10 yards. The blue line held and a punt was sent to O. Gildersleeve who advanced the ball 10 yards. A forward pass was tried but touched the ground, and Trinity was penalized 15 yards, and on the punt the ball was fumbled three times, Ramsdell finally succeeding in getting it. Burdick went around left end for 25 yards, Ramsdell got 10 around right, Trinity fumbled an onside kick and Norwich went 5 yards forward with the ball. Trinity held and Norwich had to punt to O. Gildersleeve, who ran 60 yards to the goal line but was forced to bring the ball back for holding, and a penalty of 10 yards was imposed on Trinity. Ramsdell gained 10 yards around right end but dropped the ball and Norwich got it, trying a forward pass on the next play, which became illegal, and they were penalized. A fake forward pass around right end netted them 20 yards, but they were soon forced to punt. Henshaw, and Gildersleeve advanced the ball within striking distance of the goal and Ramsdell carried it over for the second and last touchdown. The ball was punted out and Gildersleeve kicked the goal. Score, Trinity 11, Norwich 5.

Norwich kicked off to Carroll who brought the ball back 10 yards. Henshaw was good for 15 yards around left end, while Carroll circled right for 25. On a forward pass Ramsdell got 30 yards, and also 15 more by plunges. Carroll got off an onside kick and recovered it himself, following it up with another, on which Norwich got 20 yards around right, but being penalized for holding punted 40 yards to O. Gildersleeve. The half ended with the ball in the middle of the field, and the score unchanged.

#### Second Half.

Trinity kicked off. Norwich being held for downs, punted to Trinity, who returned it immediately. On again recovering the ball, the blue made its distance twice, and worked a forward pass for 15 yards. On an exchange of punts, several fumbles, two penalties and a bad bound Norwich was driven over her own goal line and Trinity

#### SENATE ELECTS SEC-RETARY.

The Senate met Friday, to elect a secretary to succeed R. L. Wright '10, who, it was found, had been elected to the body by the Senior Honorary Society under a misconception of the constitution. R. H. Merrill '10 was elected to fill the vacancy.

A number of questions were brought up for discussion, such as the adoption of a point system to limit the number of college honors obtainable by one man, the question of nominating candidates for assistant managerships, etc. All action was deferred until the next meeting, when the various plans are to be brought up in definite form.

#### EDITORIAL.

Neither team nor spectators thought Norwich would be such an easy proposition as proved to be the case in Satuday's game on Trinity field. The record of the Vermont aggregation has been watched with interest by followers of the great game this fall, and from past performances careful "dopesters" could not see anything better for Trinity than a tie game, and thought we would be lucky to fare as well as that. Norwich had tied Amherst, and defeated Wesleyan by a score of 6 to 0. Would Trinity be able to succeed where these had failed?

The result is very well known. After Trinity got possession of the ball, following Norwich's fluke touchdown, there was no worrying among the supporters of the blue warriors. Norwich was signally weak on the wings, and the end runs of Trinity seldom failed to gain the distance. Trinity's forward gain the distance. pass failed but twice in the entire game, and netted in all many yards. The onside kick, however, could not seem to succeed, a fact that will doubtless receive attention in this week's practice, as the play is a valuable one at times when the possible penalty from an uncompleted forward pass makes the latter inadvisable.

It was easy to see that the disparity between the teams was due rather to the superiority of one than to the inferiority of the other—a statement that

but in view of Norwich's record it means a great deal. Trinity went up against a good team—but the Norwich men went up against a better team than they expected to meet in Hartford, and a better team than those which they had defeated. Therefore the result is more a credit to Trinity than a discredit to Norwich. The team is to be congratulated, and the coach is to be congratulated. But the end is not yet.

In the game with Colgate next Saturday, Captain Henshaw's men will meet a stronger team than they have yet encountered, perhaps than they shall encounter. The Wesleyan game, two weeks later, will be against a different team than the one which Norwich defeated. And the Thanksgiving day contest in New York will not be the practice scrimmage that last year's game with New York University proved to be. The schedule is a hard one, and there is no time to be lost in reviewing past conquests.

The local chapters of Alpha Delta Phi Uupsilon have virtually decided to adopt the plan of placing buttons on pledged men, beginning with the 1914 delegations. Representatives of the other fraternities have also been approached on the subject and it is hoped that all the societies in college will make use of this device. It is believed that a great deal of confusion, both among the fraternities and among the new men, will be avoided in this way, as the whole college will know whether or not a man is pledged, and to whom, within a few hours of the pledging.

The "rushing season" just passed was full of complications more or less scrious that might in nearly every case have been avoided by the use of pledge buttons. It is hoped that the movement will be what its advocates believe it is, a step toward a better and saner rushing system.

#### COMMUNICATION.

Editor of the Tripod:

Trinity has one deficiency that no amount of excellence in other ways can quite atone for, viz.: inability to sing the college songs. It is a fact that the students, assembled at a colge meeting, cannot even sing Neath the Elms" with any effect. Something must be done about it.

The plan of stated times for college sings was tried with small success two years ago. A better plan must be tried. Why not class singing competitions? Other colleges have them, Amherst for example. Set one class against another -limit them to the college songs as found in the song book. If we cannot have a prize, let it be made a point of class jealousy and pride-perhaps a count for the lemon-squeezer. A public competition sometime in the spring would determine the interclass championship.

The importance of concerted singing as a breeder of college spirit cannot be exaggerated. Here is a chance for the Senate-will it see fit to use its influence in this matter?
