## FOOTBALL PROSPECTS.

### Practice on Trinity Field—Large Squad Appears.

The first regular foot-ball practice of the 1909 season was held on Trinity Field last Thursday morning, and a large number of candidates responded to Coach Gettell's summons. About thirty men appeared, including the remainder of last year's 'varsity, the second team, and the new material.

This year, as has been the custom of two years just past, the old men were taken to the shore at Westbrook, Ct., and any promising material among the freshmen that was known was obtained at the same time. There were practically twenty men, including Manager Groves and Coach Gettell, who were given the immense benefits which accrue from such a trip. What is known as the summer camp for the football team was opened up for business on the thirteenth of the month, and the team only returned for the opening of College yesterday. While sojourning at camp the squad was put through a practice beginning at ten in the morning, and lasting as long as was deemed advisable. In the afternoon and evening the men took swims, tramps around the country, rides of different kinds, and also spent some time at the village drug store to the detriment of that place.

The entering class cannot be yet judged exactly as to weight, ability and the other requirements, but so far those men that have appeared have been up to the general standard, and in some cases seem superior to those who generally appear at the first call for candidates.

Five of last year's 'varsity were on the field at the first practice, nine old second team men, several men who have not been out for the team before and a number of freshmen filled the complement. Capt. Henshaw, Ramsdell, A. L. Gildersleeve, Breed and Burdick all seem to be in good shape, while W. G. Oliver, H. C. Neff, S. W. Green, W. J. Nelson, C. R. Bassford, O. Gildersleeve, McElroy, Capen, W. W. Buck and a few others appear in good form as far as can be judged. The old men in college who were on the field were Bleecker, A. Howell, both of whom have played good football in their prep. schools. The new men are Woodward, Moore, Williams, Barney, Leavenworth, C. Howell, Loveland, McCreery, all men who look good as far as preliminary work is concerned. No exact lineup can be given at present, as Coach Gettell is shifting the men to suit their respective abilities. While at camp, Naedel the Yale end of a year ago, played a bit with the men, showing them a few stunts of an old timer. As an assistant, Coach Gettell will have Harvey Pond '08, who played on Trinity's football team his four years in college, and who coached Holderness last year. So far the prospects for a winning team are favorable.

## COLLEGE OPENING.

### Chapel Filled Last Evening.

The college was officially opened last night at quarter of six o'clock with the usual chapel exercises. As is usual the seats reserved for alumni and friends of Trinity were filled to overflowing.

President Luther gave a warm and hearty welcome to the men of the entering class. This address served to make everyone acquainted with everyone else at once and the new men soon felt at home.

At the close of the service the Freshmen were compelled, as of years past, to run the gauntlet formed by graduates and undergraduates. Several underclass rushes followed and college was formally opened by the singing of "Neath the Elms."

## FOOTBALL SCHEDULE.

### Nine Games Included.

Manager Joseph Groves '10 has arranged a schedule for this season's football team that includes teams played for the past several years and some others in addition. As has been the custom in the past several years the season opens with Worcester Tech at Hartford, the Army follows, and then the team will journey to Worcester to meet Holy Cross. Norwich University is the next game and this team is a new one for Trinity schedules. Colgate and Storrs the next two games are also new this season. The next game will be the big game of the season, when Trinity will meet Wesleyan in Hartford. Haverford and New York University will close the season.

This schedule, while it does not include many of the larger college teams, as have been formerly on Trinity football schedules offers an opportunity for Trinity to distinguish itself on the gridiron. The schedule follows:

Oct. 2—Worcester Tech at Hartford.  
Oct. 9—West Point at West Point.  
Oct. 16—Holy Cross at Worcester.  
Oct. 23—Norwich U. at Hartford.  
Oct. 30—Colgate at Hamilton.  
Nov. 6—Storrs at Hartford.  
Nov. 13—Wesleyan at Hartford.  
Nov. 20—Haverford at Hartford.  
Nov. 25—New York U. at New York.

'07—Percy Carlton Bryant has been elected clerk of the East Hartford Fire Commission.

'09—Paul M. Butterworth is working in Long Branch, N. J. with the Consolidated Gas Company of New Jersey.

## NEW RUSHES.

### Football Rush and Wrestling Match to be Held.

Last spring it was decided that the push rush and bulletin board rush be abolished and a suitable substitute found. A committee was appointed, chairmaned by C. B. Judge '10. Their report was that on the afternoon of "Bloody Monday" (next Monday), a football rush be held. This will take place on the regular football field. A football will be placed in the center of the field, the sophomores will line up under one goal post and the freshmen under the other. At a given signal both classes will rush for the ball, the class having possession of it at the end of a stated period will be declared the winner. It is believed that this rush which has been successfully tried at other colleges will do away with the danger that must necessarily be incurred in the push rush. A wrestling match between several of the larger men of each underclass will take place in the evening.

## THE FACULTY'S SUMMER.

The members of the faculty spent their vacations in various ways ranging from hard work for some to complete rest and leisure for others.

Doctor Luther and Treasurer Waterman spent most of the summer in Hartford performing the executive duties connected with the college. President Luther spent a few weeks of August in the Catskill mountains.

Doctor McCook devoted most of the summer to organizing and carrying through his plan for an increased endowment of the college. His work was very successful as the results already show. During the last part of the summer Doctor McCook spent a few weeks at his summer home in Niantic.

Doctor Riggs spent most of the summer in Hartford.

Doctor Babbit enjoyed his vacation in the Berkshire Hills in Massachusetts.

Doctor Urban spent the summer in enjoying his hobby of amateur gardening.

Doctor Genthe went abroad to attend the five hundredth jubilee anniversary of the University of Leipzig. He traveled extensively through Germany visiting Dresden, Hamburg, Carlsbad and Berlin.

Doctor Kleene spent his summer in Maine and mixed hard work with fishing trips.

Professor Flynn spent his vacation at the various Connecticut shore resorts.

Professor Brenton spent part of the summer in Hartford and the remainder at Nantucket Beach, Mass.

Professor Rogers traveled abroad, spending most of his time in the British Isles and France.

Doctor Swan joined the colony in Maine.

## EDITORIAL.

With this issue of the Tripod, the college will have been formally open and everything will soon be running in a first class condition. There is a large entering class and it is necessary that several things be fully impressed upon them.

The first of these is that everyone should join the Athletic Association immediately. The football season begins immediately and the members of the team must be properly outfitted, in order to get the best results and that is what we are after here. Then again there are the guarantees to pay.

The only certain income that the A. A. has is the selling of the subscription tickets to the undergraduates. These tickets cost five dollars and may be procured of the association officers. They entitle the holders to free admission to the games. It is absolutely necessary that everyone should obtain one and thus start the year in correctly.

College spirit is the real mainstay of a successful student body. We have had it in years past and must have it again this year. The members of the three upper classes understand what college spirit is, and it is up to the members of the entering class to get this spirit as soon as possible.

The Tripod should come in for some consideration by the college body as a whole. This paper is published twice a week throughout the college year and always tries to further the interests of Trinity. The subscription is but two dollars a year and everyone should

subscribe as soon as possible to the paper that does its best to promote the general welfare of Trinity.

To the Alumnus:—

A few days ago we sent out a circular letter to every living alumnus of Trinity College, for the purpose of urging them to subscribe to the Tripod. In order that the Tripod may be an active college paper it is necessary that we shall receive a large number of answers to this circular letter. The alumni in the past have given excellent support to the Tripod and the paper has endeavored to make itself interesting to the alumni. What will make the Tripod more of a paper for the graduates may be done with the assistance of them. This is best possible by the fact that the alumni column should always be full. If every alumnus would send in a few *alumni notes* now and then, each man would know what the others were doing. Next to your subscription an alumni note will be of more help than anything else.

(Continued from page 1.)

### THE FACULTY'S SUMMER.

Doctor Adams spent his vacation at his home in New Jersey.

Professor Gettell visited Collegeville, Penn., and came to Westbrook in early August. The football team joined him there two weeks ago and spent the training season under his coaching.

Doctor Moore journeyed to France and brought his family to this city where they will reside.

Doctor Gill who has charge of the French department, succeeding Professor Ham, taught in the Harvard summer school until September, when he moved to Hartford.

### CHANGES IN FACULTY.

This year at Trinity will see the following changes in the faculty:

Prof. Henry A. Perkins returns from an absence of a year to resume his work. While away Prof. Perkins was occupied with investigations in Radium which were carried on at the University of Paris.

The vacancy in the position of librarian, caused by the resignation of Mr. Carlton will be filled by Mr. Walter B. Briggs who was for many years assistant in the Harvard University library. Mr. Briggs has for the past five years been reference librarian in the Brooklyn Public library.

Mr. John G. Gill will assume the charge of the French Department, formerly under the guidance of Professor Ham. Mr. Gill comes from Harvard University faculty.

### FACULTY NOTES.

The courses in Natural History 7 and 8 will not be offered this year.

History 2 instead of History 3 and History 7 in place of History 8 will be offered this year.

The course in Religious Studies has been changed from Group XI to Group VI and the recitations will now be held in the Greek Room at 8:45 a. m. on Tuesday, Thursday and Saturday.

'82—Mr. G. D. Howell, late of Uniontown, Pa., is now living in Hartford.

'78—The Rev. J. D. Hills, D.D., for  
 many years rector of Christ Church,  
 Oil City, Pa., has taken charge of the  
 Church of the Epiphany in Pittsburg.

'90—The Rev. John S. Little of  
 Keene, N. H., has prepared the man-  
 uscript of a large volume which deals  
 with the teaching of history in our  
 schools and colleges, with a view to  
 improving. The Living Church has an  
 editorial about the book in a recent  
 issue. It says in part: "The subject  
 is not new, but it has not yet attracted  
 such attention as it warrants. Several  
 years ago the editor of The Living  
 Church invited one of our most com-  
 petent historical critics to undertake  
 the task of collecting material for the  
 improvement of school and college his-  
 tory teaching. He consented and has  
 ever since been engaged in this gigan-  
 tic but extremely important work. The  
 manuscript of a large octavo volume  
 is now in hand for publication in the  
 autumn or next spring. The work is  
 by the Rev. John S. Little and it will  
 be one of the most important works  
 that have been produced by our  
 American clergy."

Two Trinity clergymen were chap-  
 lains at the recent war maneuvers  
 around Boston. They were the Rev.  
 G. W. Sargent '90 of St. Paul's  
 Church, Natick, Mass., who was chap-  
 lain of the coast artillery corps and the  
 Rev. Walter S. Danker '97, of Wor-  
 cester, chaplain of the second regiment.

'06—Henry Gray Barbour was re-  
 cently married to Miss Lilla Millard  
 Chittenden, daughter of Professor and  
 Mrs. Russell H. Chittenden of New  
 Haven, in St. John's Church, New  
 Haven. The bridegroom was attended  
 by his brother, Paul Humphrey Bar-  
 bour '09 and among the ushers were  
 C. Hamlin Pelton '05, Garrett D.  
 Bowne '06, and Frederick Hinkel '06.  
 The Rev. Ernest de F. Miel '88  
 assisted at the ceremony.

'06—Philip E. Curtis has been ap-  
 pointed adjutant of the first company  
 of the Governor's Foot Guard of Con-  
 necticut with the rank of captain.

'07—Married in Charleston, Ill.,  
 August 31st, Philip Dougherty and  
 Miss Nellie B. McCarty.

'09—Hamilton Hall ex-'09 died at  
 his home in West Hartford on the 8th  
 of July at the age of twenty-two.

The library has recently received,  
 through President Luther, a work by  
 Rev. Henry Swift, Trinity, class of  
 1869, entitled "A Study of the Iloco  
 Language." The Iloco is the principal  
 language of Northern Luzon and with  
 the Tagalog and Bisayan tongues, oc-  
 cupies a position of first importance in  
 the group of about thirty languages  
 spoken in the Philippine Islands.

Mr. Swift is a major and chaplain  
 of the Thirteenth United States In-  
 fantry, which was stationed in the  
 Philippine Islands in 1907. The work  
 is brought out by the War Department  
 and continues other valuable contribu-  
 tions made by officers of the army,  
 which, with the work being performed  
 by the American teachers in the public  
 schools is bringing about the educa-  
 tional conquest of the Filipino peoples.

**The Connecticut Mutual Life Insurance Company,**

HARTFORD, CONN.,

Why should I insure my life?

Because it is a debt you owe to those who are dependent upon your earnings for their support.

You admit that it is your duty to supply their needs from day to day, but forget that it is equally your duty to provide an ever ready and sufficient equivalent for your earning power, which your family stands in constant jeopardy to lose by your premature death.

Guard your family against disaster and yourself against dependency in old age.

When should I insure my life?

Now! The cost will never be less, and tomorrow you may not be able to obtain insurance at any price.

Even if others are not now dependent upon you, take time by the forelock and you will be the better able to meet future responsibilities, and at a smaller premium.

Where shall I insure my life?

In a purely Mutual Company.

In a company that earns, declares, and pays annual dividends.

In a company that is doing a conservative business.

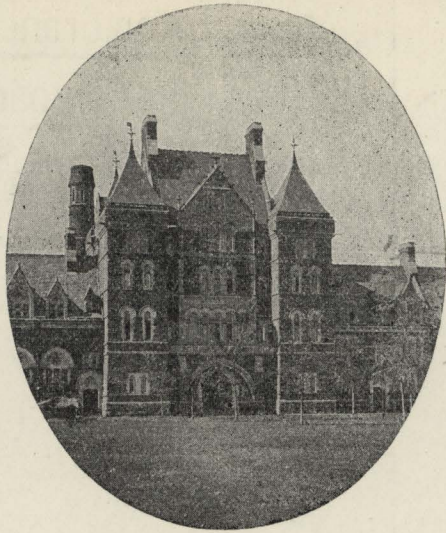

Such a Company is The Connecticut Mutual Life Insurance Company of Hartford, Conn. It furnishes perfect protection at lowest cost.

For further information, address the Company, or any of its agents.

John M. Taylor, Pres't.

Henry S. Robinson, Vice-Pres't.

William H. Deming, Secy.

Extensive courses are offered for study in Mathematics, Ancient Languages, Modern Languages, Economics, History, Ethics, and Philosophy.

A large list of valuable scholarships and prizes may be found in the Annual Catalogue.

One college man after another has learned that

**FATIMA**  
TURKISH  
CIGARETTES

are just the kind he likes, and has told his friends about them. Thus their popularity grew until today "Fatimas" are very popular among college men everywhere.
