HOCKEY VICTORY.

Massachusetts "Aggies" Defeated.

Trinity defeated the Massachusetts "Aggies" in a hockey game last Saturday afternoon at Amherst by a score of one goal to nothing. The game was played in a snowstorm and both teams were bothered by the snow on the ice. The ice though hard was extremely rough and made good team work difficult.

At the beginning of the first half, the "Aggies" started off with a rush which however did not seem to bother the Trinity defense, while on the other hand the Trinity forwards settled down into a steady consistent game which was maintained throughout the game. Although the puck traveled up and down the ice and everybody was kept busy throughout the first half, the period ended without any scoring on either side.

In the second half, Trinity seemed to have become more familiar with the rink, and time and again the forwards were able to carry the puck down the entire length of the rink only to be prevented from scoring by the excellent work of Ackerman, the "Aggies" goaltender. Finally, on a triple pass, Burgwin scored the only goal thereby winning the game for Trinity. In the last few minutes of play, the "Aggies" tried hard to even the score but the Trinity defense was equal to the occasion and the game ended one to nothing in favor of Trinity. The line-up was as follows: Trinity "Aggies"

S. D. C. BANQUET.

At a meeting of the Sophomore Dining Club on Wednesday, William A. Bird, IV. was elected toastmaster for the next banquet, which will probably be held on next Friday night.

HARTFORD CLUB SMOKER.

About twenty-five men enjoyed the smoker of the Hartford Club held at the culb rooms, Friday evening, February 4th. The evening was spent at whist.

The following men were admitted to membership: Geer, '10, Kline, '10, Riordan, '10, Flanagan, '12, Barber, '13, Bently, '13, Fairbanks, '13.

It is expected that Professor McCook, who has been in the South for the past two weeks will return on Sunday, February 20th.

HOCKEY TEAM FACES STRONG OPPONENTS.

Last Two Games of Season.

This afternoon, the hockey team left for Albany to play the last two games of the season. To-night, the team lines up against the Loudon Field Club of Albany and to-morrow, against Williams. Both these teams stand in about the same position in the inter-collegiate hockey world as Cornell stands in comparison to Trinity in football.

The Loudon Field Club team is made up of ex-college hockey stars and Williams has this season beaten Princeton, the Inter-Collegiate Hockey Champions.

Our team was somewhat weakened by the probation rules taking effect after the mid-year examinations which have made inelligible a number of good men. However, the men who will represent the college are in good condition and expect to put up a stiff game against their opponents to-night and to-morrow. It is probable that both of these games will be played in Albany.

JUDGE '10—NEW TRACK CAPTAIN.

Succeeds Burdick '11-Resigned.

Cyril B. Judge, '10, was elected track captain last Wednesday afternoon to fill the place left vacant by the resignation of Burdick, '11, who has left college and whose resignation was accepted at an A. A. meeting held Tuesday noon. The following men were eligible to vote: W. J. Nelson, '10, W. S. Eaton, '10, C. B. Judge, '10, L. A. Stansfield, '10, R. M. Nelson, '11, W. Buck, '11, A. Clark, '11, P. Ahern, '12, Breed, 12, Wessels, '12, Bleecker, '12.

Judge has shown steady improvement since coming out for the track team and should make an excellent captain. He is a member of the Psi Upsilon fraternity and the Sophomore Dining Club. He was chairman of his class "prom" committee and Sophomore Snocker Committee. Last year he managed the track team.

NOTICES.

The following two important notices are on the official bulletin board:

The attention of the Senior Class is called to the fact that Tuesday, March first, is the last day for receiving applications for the Terry and the Russell Fellowships. Applications should be in the hands of the faculty before six o'clock on that day. Applicants are advised to consult some member of the Faculty in order that their applications may be submitted in a fairly definite form.

Pictures of the Tripod Board, Junior Prom. Committee, and of the hockey team were taken on Tuesday of this week.

THE GREATER TRINITY.

(Read at the dinner of the New York Alumni, Hotel Manhattan, February 2, 1910.) I.

The years they take their toll of us, We know not what the goal of us, But to-night the very soul of us Is throbbing with a name.

What Trinity has lent to us, What Trinity has meant to us, We feel now she has sent to us Our Luther and his fame.

This our hour of jubilation,
This our time of new creation, Is crowned by his oration
And the news he brings to us.

The Pessimist is quiet;
We can own the earth—yes, buy it—
For our former years of worry we do

not care a cuss.

From a fortune to a dollar;
Oh, that list it made us holler!
Ain't it nice to be a scholar
With a Trinity B. A.
Oh, that wond'rous college spirit!
How its deeds do now endear it
To the doubter who did fear it
Wouldn't find the golden way.
Wealth and Knowledge, some fanatic
Says don't mate. He's too emphatic.
Though our tie is "Morganatic"
It is holy just the same.
Wealth and Knowledge are, in sooth,

Mated well, to tell the truth sir,
When the man who wed them's Luther;
And, you bet, he ain't to blame.
Now, in this ramshackle ditty
I am sure 'twould be a pity
Not to name that kindly city
That loves our college well.
She opened up her purses,
Knowing poverty a curse is;
If you doubt these truthful verses
Just get out and go to—Hartford.

That brawny breed of heroes,
The fighters named McCook.
The Injuns learned to fear 'em,
And the Rebs would not go near 'em,
The Spaniards had a panic when that

When your cause is for the right, Oh,
Each McCook is sure to fight, Oh,
And the foes impeding progress are

Game To-Night in Trinity Gym.

On Friday evening Trinity lost in a hotly contested game to St. John's College, 22-15. Trinity's defeat was chiefly due to a lack in shooting fouls as St. John's were bad offenders.

EDITORIAL.

Every year about this time, there is a period in the college life, when there are no athletic interests nor contests to give life and vigor to the college spirit. A feeling of depression on the part of students seems to be a direct result of this. Everyone begins to look forward to the spring vacation.

The hockey and basket ball teams are about to wind up their season, but there is still a chance for the undergraduates to stir up their enthusiasm over both sports. To-night, the basket ball team meets on our own floor a strong aggregation which was but barely defeated in a previous game. Try to show your interest in the team and in the college generally and make it a point to see this game as it is a one of very few opportunities the students have had or will have of seeing the team in action.

The hockey team, weather and ice conditions permitting, is playing its last two games at Albany. It is hardly to be expected that our team can score victories in either of these games for its two opponents are both ranked very near the head in the intercollegiate hockey world. The team has had a fairly successful season thus far and may be relied upon to extend itself to the utmost against these opponents.

Indoor baseball practice in the gymnasium has begun and this affords another channel for the undergraduates to keep in touch with. The southern trip is not very far distant and appears an excellent opportunity to round the team into shape for its later games. Very few men were lost by graduation last year and with the material in the freshman class a good team should represent Trinity this year on the diamond.

So instead of becoming discontented

with things in general, let every undergraduate stir himself and show some interest in the athletics.

The 8% 10-Year Purchasing-Fund Gold Certificates

ISSUED BY

THE WHEEL-MOTOR TRACTION CO.

This company has the sales monopoly of an improved form of commercial automobile, now in successful use by the U. S. Government and leading business concerns. The \$25,000 accumulated by the sale of these certificates is to be used for one purpose only—buying machines at the factory to fill orders. The machines are then shipped C. O. D. to the purchasers. Thus there is no credit risk, and the investors' money is neither tied up in equipment nor dissipated by expenses, but is either in cash on hand or convertible thereto at short notice.

Investors in this purchasing fund have the option of withdrawal of principal before maturity. A strong National Bank has agreed to act as Trustee of this fund for and on behalf of investors—to see that it is kept intact and used only as a purchasing fund. This bank will pay dividends as they fall due and will return to any certificate holder, upon sixty days' notice, the amount of his investment or any part of it, should he desire to withdraw same at any time before maturity.

The total issue is only \$25,000, each certificate being for \$25. For the present, with each \$25 certificate is given one share of 8 per cent preferred stock, par value \$10; and with each \$100 purchase five shares of preferred are given. This unusual opportunity really brings the net return up to about 12 per cent, with the prospect of selling the preferred for nearly enough to pay for the whole investment. We make this offer so that it will not be necessary for this announcement to appear extensively, as previous issues have been largely oversubscribed.

If interested in absolute security of principal, large and definite interest return, and opportunity of speedy withdrawal of principal before maturity if desired, this investment should receive your immediate attention. Communications and orders should be addressed, and checks made payable to,

The Connecticut Mutual Life Insurance Company,

HARTFORD, CONN.,

Why should I insure my life?

Because it is a debt you owe to those who are dependent upon your earnings for their support.

You admit that it is your duty to supply their needs from day to day, but forget that it is equally your duty to provide an ever ready and sufficient equivalent for your earning power, which your family stands in constant jeopardy to lose by your premature death.

Guard your family against disaster and yourself against dependency in old age.

When should I insure my life?

Now! The cost will never be less, and tomorrow you may not be able to obtain insurance at any price.

Even if others are not now dependent upon you, take time by the forelock and you will be the better able to meet future responsibilities, and at a smaller premium.

Where shall I insure my life?

In a purely Mutual Company.
In a company that earns, declares,
and pays annual dividends.

In a company that is doing a conservative business.

Such a Company is The Connecticut Mutual Life Insurance Company of Hartford, Conn. It furnishes perfect protection at lowest cost.
