PRICE, FIVE CENTS.

## DOUBLE DEFEAT IN HOCKEY.

### Trinity Loses Two Games At Albany.

Last Friday and Saturday nights, the hockey team played games at Albany with Loudon Field Club and Williams College respectively. Both games resulted in defeats for the gold and blue. The first game with Loudon Field Club on Friday night was lost by the score of 9 to 1, and the game with Williams on the following night, by the score of 7 to 1. In neither of these games, however, does the score indicate the relative merits of the opposing teams. The rink on which the games were played was a very peculiar one and entirely strange to Trinity, while both of our opponents were familiar with the rink, especially the Loudon Field Club which has been playing on this rink all season. A majority of the points scored on Trinity in both games were scored in bunches in short periods when the Trinity defense seemed temporarily broken, but the rest of the time the playing was more even.

The defeats were to be expected as both of Trinity's opponents are teams standing very high in the hockey world. The Loudon Field Club showed their class on Saturday night when they were defeated only 3 to 2 by the Nicholas team of New York City, one of the strongest hockey teams in the country. Williams has one of the best of the college teams, having defeated Princeton, the inter-collegiate champions.

The game with Loudon Field Club was rather a rough one. Owing to the peculiarities of the rink and the superior weight and experience of their opponents, the college men had very little chance for victory. Trinity neglected to bring a referee as they were supposed to do, and an Albany man was appointed in his place. The Field Club players took advantage of this and managed to get in a good deal of off-side play without any reprimand from the official. At the end of the first half, the score was 4 to 0. In the second half, the Field Club scored five more goals and Trinity scored once when Rankin carried the puck down the ice and Breed crowded it in. The final score was 9 to 1. Breed and Brainard starred for Trinity.

#### The line-up:

Trinity: g, Brainard; p, Eaton; c, p, Rankin; r, w, Breed; c, Haight; r, Morris; l, w, Burgwin.

Loudon Field Club: g, W. Stott; p, J. Stoot, Wheeler; c, p, Mayer; l, w, Braman; r, Kinnear; r, w, Pruyn.

The Williams game in contrast to the game of the preceding evening was cleanly played throughout. Williams scored four goals in the first half, while Trinity could not do much with the Williams defense which was very strong. In the second half, Breed scored the only point for Trinity, but Williams added three more goals to their total and the game ended with a score

## TRINITY DEFEATS TRAINING SCHOOL.

### An Easy Victory in a Fast Game.

The only basketball game of the season which was played on the home floor resulted in a splendid victory for Trinity over Springfield Training School.

After the first five minutes of play it was evident that the 'varsity would have an easy game. They started off with a rush and by their speed and good team work they soon began to cage the goals in rapid succession. Cook, Capen and Abbey kept the ball under Springfield's goal almost all the time, and whenever it was passed back either Gildersleeve or Carroll were sure to get the ball and dribble it out of danger. The Training School men seemed lost on the strange floor and continually interfered with each other and made wild passes.

During the first half Trinity scored ten goals from the floor while their opponents scored one goal and a foul. This made the score at the end of the half 20 to 3.

In the second half Ramsdell took Abbey's place at center. The hot pace of the first half seemed to have tired both teams, and this period was not so fast as the first. Early in the half Metzler succeeded in getting away from Ramsdell and shot an easy basket, but this ended Springfield's scoring. Trinity came back at once and scored five more baskets before time was called.

The first half was fast and exciting, while the second was loosely played and rather slow. All the Trinity men showed up well both individually and as regards team work. The Training School men were at a great disadvantage on the strange floor and no one of them played particularly well.

#### The line-up:

Trinity 30		Springfield 5	
Capen	r. f.	Doane	
Cook	l. f.	Pasini	
Abbey-Ramsdell	c	Metzler	
Carroll	r. g.	Grainger	
Gildersleeve	l. g.	Tradd	

Summary: goals from floor, Gildersleeve 4, Cook 3, Capen 3, Carroll 3, Abbey 2, Pasini, Metzler. Goal from foul, Pasini. Referee, Dillon.

of 7 to 1. Breed and Brainard again starred for Trinity, the latter preventing several additional goals by fine stops. The Williams defense was especially strong and in the scoring line, Van Gorder led with three goals to his credit.

#### Line-up and summary:

Trinity: g, Brainard; p, Eaton; C, p, Rankin; r, w, Breed; c, Haight; r, Morris; l, w, Burgwin.

Williams: g, Curtis; p, Peterson; c, p, Brenton; l, w, Ely; r, Van Gorder; c, Hurlburt; r, w, Michaels.

Goals, Van Gorder 3, Hurlburt 2, Breton 2, Breed. Referee, Stanley. Umpire, Breed.

## TRINITY SECONDS WIN.

### Defeat Hartford High School in Close Game.

Just before the 'varsity lined up with Springfield Training School Friday night the second team barely defeated Hartford High School in the fastest and most exciting game of basketball that has been played on the Trinity floor in two years.

The two teams were very evenly matched, Hartford being a little the faster and passing better while the second team had the advantage in weight and used better generalship than their opponents. Both teams were very aggressive and fought hard for every advantage.

By pretty team work and basket shooting, Hartford took the lead at the start of the game and held it throughout the first half, although the scrubs kept right on their heels, and threatened to snatch the lead at any moment. The half ended 14 to 12 in Hartford's favor.

Both teams went at it hammer and tongs in the second half, but the second team by using their advantage in weight and by cooler headwork, took a lead of a single basket and held it in spite of the High School's game efforts to overcome it. The half ended 23 to 20 in the second team's favor.

The team work of both fives was very good, while individually Bourn and Elliott excelled for Hartford and Dissell and Smith for the scrubs.

#### The line-up:

High School		Trinity 2nd	
T. Donohue	l. f.	Dissell	
W. Donaghue	c	Horan	
Bourn	l. g.	Oliver	
Dexter	r. g.	Carpenter	

Summary, goals from field, Elliott 2, Bourn 2, T. Donohue 1, W. Donaghue 1, Dexter 1, Dissell 5, Smith 2, Carpenter 2, Horan 1, Oliver 1; goals from foul, Elliott 6, Smith 1. Referee, Nielsen. Timekeeper, Dr. Swan. Scorer, S. M. Merrill.

## SENATE MEETING.

A meeting of the Senate was held last Friday afternoon in the History Room. The principal business of the meeting was the adoption of a point system, which will apply to those men who try for the assistant managership of the various athletic teams. The outline of this system, which will be published later on, will be submitted at a future meeting of the Athletic Association for adoption. A similar system is at work at Amherst, where it has been very successful.

## TRIPOD BOARD ELECTIONS.

At a meeting of the Tripod Board held last Thursday night at 81 Vernon Street, Thomas Flannagan '12 was elected assistant advertising editor to fill the place of W. C. Gibson who has left college; and James S. Craik '12 was elected an associate editor. These two men will assume their new duties at once.

## COLLEGE CALENDAR.

Tuesday, Feb. 22nd.—

Washington's Birthday—a holiday.

Seabury Club lecture, Christ Church at 7:45 p. m.

Wednesday, Feb. 23rd.—

Senate picture at Oliver's Studio, at 1 p. m.

Thursday, Feb. 24th.—

Chapel—Holy Communion at 7:30.

Friday, Feb. 25th.—

Sophomore class meeting at 12:45.

Saturday, Feb. 27th.—

Basketball, Trinity vs. Rhode Island State, at Kingston, R. I.

Sunday, Feb. 28th.—

Chapel Services:

7:45 Holy Communion.

10:30 Morning Prayer and Sermon.

5:00 Vespers.

## A LETTER OF INTEREST.

### Concerning the Early History of "Washington College."

Mr. Frederick W. Davis of Hartford has recently presented to the Library, through Professor McCook, a letter written to his father by Josiah Bond, of the class of 1840, in which interesting reference is made to Mr. Davis' grandfather, Rev. Gustavus Fellowes Davis, D.D., Pastor First Baptist Church, Hartford, 1829-1836, Trustee of Washington College, 1831-1836.

The letter is dated "Kanosha, Wisconsin, July 10, 1884," and Mr. Bond writes, in part, as follows: "I think I must have told you, how, when I was a boy, some twelve or fourteen years old, way up in New Hampshire, I heard my Mother—who was not particularly interested in clergymen outside her 'persuasion', speak in the highest terms of a Mr. Davis, a Baptist minister in Hartford. . . .

"It made a lasting impression upon me, for I wondered then what he could have done that made her think so highly of him; and how she could have heard of a minister down in Hartford, a place with which New Hampshire people had then as little to do, as they now have with Congo, was beyond my comprehension.

"But she knew the personnel of all the institutions of her church and must have known what I subsequently knew, that your Father was connected with Bishop Brownell and other Episcopalians in founding Washington College, and hence, probably her admiration of the man who could assist a literary institution, even if it did not teach his faith."

The letter shows in an interesting way the broad co-operation of men of differing minds uniting in establishing a collegiate institution for the advancement of the general interests of literature and science.

It will be placed in a copy of the book which called forth Mr. Bond's letter, i. e., "Reminiscences of Gustavus Davis, D.D." By Wilder Smith. Hartford, 1884.

# The Trinity Tripod

Published Tuesdays and Fridays in each week of the college year by students of Trinity College.

Subscribers are urged to report promptly any serious irregularity in the receipt of the Tripod. All complaints and business communications should be addressed to the Circulation Manager.

The columns of THE TRIPOD are at all times open to Alumni, Undergraduates and others for the free discussion of matters of interest to Trinity men.

All communications, or material of any sort for Tuesday's issue must be in the Tripod box before 10 p. m. on Monday; for Friday's issue before 10 a. m. on Thursday.

Entered as second class matter Sept. 24, 1909, at the Post Office, at Hartford, Conn.

R. H. MERRILL '10, Editor-in-Chief.

### EDITORIAL.

In another column of this issue of the Tripod will be found a communication concerning the annual St. Patrick's day underclass "scrap." The sentiments expressed in this article should meet the approval of the undergraduates. In years gone by there have been things done which have not helped the college in the public eye, and as well have endangered the lives of those participating. As recently greater interest has been aroused in Trinity College by Hartford people, why not cut down on the downtown part, or perhaps cut it out entirely. The real scrap comes on the campus, and that is the part that makes college and class spirit—the downtown "rough houses" simply cause much unnecessary hard feeling between the two underclasses. It seems that this matter should be freely discussed by the undergraduates and that a set of rules to govern the scrap should be drawn up.

Now that spring weather is occasionally putting in an appearance, it is time that the undergraduates were joining the Athletic Association. The total membership of the fall season was much smaller than it was a year ago and in order that this year shall be a financial success it is necessary that everyone join as soon as possible. A meeting of the college body will take place sometime this week, at which some of the graduates will be present to arouse enthusiasm for the coming season. The prospects for a successful baseball team are good, and the track team should be fair, but financial support is necessary, as there is equipment to buy and coaches to pay.

### COMMUNICATION.

Dear Sir:—

Now that the seventeenth of March and the St. Patrick's Day Scrap is drawing near, it may be well to call to mind the caution which Prof. McCook gave to his classes just after he had completed the raising of his endowment fund. He said, "By hard work we have awakened public interest, and gained the college ten friends where formerly we had one; now see that you undergraduates do nothing to turn these friends from us."

The downtown part of the St. Patrick's Day Scrap as it is generally conducted is very well calculated to excite the laughter and ridicule of many of those men who have just been won to warm friendship. The raising of a huge banner, the valiant attempts to tear it down, the fighting and running about in the streets, and the wild scrambling over the roofs of stores and office buildings may all seem like a splendid display of class spirit to the undergraduate, but it is more than likely to strike the average business man as contemptible and childish folly.

Then when it comes to sticking posters on the buildings of the big insurance companies and retail stores, and painting class numerals on the sidewalks and walls, it is worse than folly: it is an insult to the dignity of these firms and a nuisance to every property holder: it is vandalism and is punishable by law.

If this ancient custom must be preserved to afford the upperclassmen their annual spectacle, at least let it be conducted in such a way as to interfere with no outsider. Let the senate confine the scrap to the college campus or, if this is too radical a step for that conservative body, let them do as little as to prohibit the use of posters and paint on other people's property.

An Undergraduate.

### BASEBALL PRACTICE NEXT WEEK.

Capt. Smith Will Call out the Regulars.

Indoor baseball practice has been started in the gymnasium, under the able direction of Captain A. M. Smith, and the interest already manifested augurs well for the success of the coming baseball season. Battery practice has been held during the last week, the following men reporting:

Pitchers:—Olsen, Cook, Thomas, Warner, C. Sayres.

Catchers:—L'Heureux, A. Sayres, Smith.

So far they have had light practice and have shown up well. The first of next week Captain Smith will call out all of the regular 'varsity candidates and a good start will be made toward the season's work.

### WHITLOCK CONTEST POSTPONED.

The following announcement is made in regard to the Whitlock Prize Contest:

"The contest for the Whitlock prizes will not be held on the evening of February 22nd but on a date to be announced later."

The reason for the postponement is the recent work on the mid-year examinations which prevented the contestants from preparing for the event.

### Tufts College Medical School

Offers a four years' graded course including all branches of Scientific and Practical Medicine. The laboratories are extensive and fully equipped. Clinical instruction is given in the various Hospitals of Boston which afford facilities only to be found in a large city.

The diploma of Trinity College is accepted in lieu of entrance examinations. For further information or a catalog, apply to **FREDERIC M. BRIGGS, M. D.,**

Secretary, Tufts College Medical and Dental School, 416 Huntington Avenue, Boston, Mass.

### The Medico-Chirurgical College of Philadelphia

HAS FOUR DEPARTMENTS  
Medicine, Dentistry, Pharmacy and Pharmaceutical Chemistry

The instruction in each is thoroughly practical, laboratory work, ward work and bedside teaching receiving particular attention. All courses are carefully graded, and free quizzes by professors and trained instructors, clinical conferences and modern seminar methods are special features.

All students are accorded the same college privileges and those in Medicine and Dentistry have the advantage of abundant clinical material, as the College has its own Hospital and the largest and finest clinical amphitheatre in the world. Students in pharmacy are trained to fill lucrative commercial positions, and those in Pharmaceutical Chemistry for the many openings created by the new Pure Food and Drug Laws.

Address the Dean of the Department in which you are interested for an illustrated announcement describing courses in full and containing information as to requirements, fees, etc.

### THIS WILL TICKLE YOU.

ALUMNI NOTES.

The Maryland Alumni Smoker.

The Maryland Association of Trinity College recently held its annual smoker and meeting at the University Club of Baltimore. The event was a great success and Trinity spirit flowed freely.

The following officers were elected for the coming year: President, Prof. Charles McLean Andrew '84; Vice-President, the Rev. Romily F. Humphries '92; Secretary and Treasurer, William H. Licht '07. Among those present were the above mentioned and Benjamin H. Griswold '66, Flexi R. Sullivan '66, Wm. F. Johnson '66, the Rev. Henry E. Cotton '74, Edwin J. Reinhart '76, the Rev. Wm. R. Will '78, Charles H. Carter '83, Julian S. Carter '98, Adrian Onderdonk '99, Henry G. Barbour '06, and William Dwyer '09.

The association now has thirty-two members and is very much awake. It expects to entertain the baseball team on its Easter trip.

The Rev. Charles E. Phelps '42 rector emeritus of the Church of St. John the Evangelist, New Brunswick, N. J., died at his home on January 19th at the age of eighty-seven. He was born at Warehouse Point, Conn., and was graduated from Trinity in 1842. He then went to the General Theological Seminary and was ordained deacon in 1845 and priest in 1847. For a number of years he was rector of All Angels' Church, New York, and then became rector of the Church of St. John the Evangelist, in New Brunswick.

The Rev. Richard Arthur Edwards '03, assistant rector of Christ Episcopal Church, at Broadway and Seventy-first street, New York, died February 7th at St. Luke's Hospital after an operation for hip disease. He was 28 years old and a native of Portland, Conn. He was graduated from Trinity College and Berkeley Seminary and for the first two years of his service in the church was assistant at Grace Church under the late Dr. Huntington. A year and a half ago he went to Christ Church. He lived with his wife at 235 West 108th street. The funeral was held at the church on Thursday, February 10th, and the body taken to Portland.

SOPHOMORE SMOKER COMMITTEE APPOINTED.

Arrangements Not Yet Completed.

Although full arrangements have not yet been definitely made for the Sophomore Smoker, the committee has been chosen and the Smoker will in all probability come off during the latter part of next month. It promises to be an event of unusual interest and a credit to the class. The committee is composed of the following:

Saltsman, Chairman, Rankin, Whipple, Pettigrew, McClure, Short, Somers, Sporer and Jamieson, ex-officio.

The Smoker will probably be much the same as the one last year which was such a great success. It is hoped that the undergraduates will have as many sub-freshmen present at this entertainment as possible, as there is always a lot of college spirit displayed at the smoker and the speeches are sure to be rousing ones.

AN OPPORTUNITY FOR A FEW INVESTORS.

**The 8% 10-Year Purchasing-Fund Gold Certificates**

ISSUED BY

**THE WHEEL-MOTOR TRACTION CO.**

This company has the sales monopoly of an improved form of commercial automobile, now in successful use by the U. S. Government and leading business concerns. The \$25,000 accumulated by the sale of these certificates is to be used for one purpose only—buying machines at the factory to fill orders. The machines are then shipped C. O. D. to the purchasers. Thus there is no credit risk, and the investors' money is neither tied up in equipment nor dissipated by expenses, but is either in cash on hand or convertible thereto at short notice.

Investors in this purchasing fund have the option of withdrawal of principal before maturity. A strong National Bank has agreed to act as Trustee of this fund for and on behalf of investors—to see that it is kept intact and used only as a purchasing fund. This bank will pay dividends as they fall due and will return to any certificate holder, upon sixty days' notice, the amount of his investment or any part of it, should he desire to withdraw same at any time before maturity.

The total issue is only \$25,000, each certificate being for \$25. For the present, with each \$25 certificate is given one share of 8 per cent preferred stock, par value \$10; and with each \$100 purchase five shares of preferred are given. This unusual opportunity really brings the net return up to about 12 per cent, with the prospect of selling the preferred for nearly enough to pay for the whole investment. We make this offer so that it will not be necessary for this announcement to appear extensively, as previous issues have been largely oversubscribed.

If interested in absolute security of principal, large and definite interest return, and opportunity of speedy withdrawal of principal before maturity if desired, this investment should receive your immediate attention. Communications and orders should be addressed, and checks made payable to,

**The Wheel-Motor Traction Company**

N. E. DISTRIBUTING PLANT ALLSTON DISTRICT, BOSTON, MASS.

We are prepared to offer permanent positions to six capable college men, who can secure \$1,000 to be invested in the above. These positions are open for either January or July 1st and will pay \$1,200 or more a year to start, with prospects limited only by ability of the men.

**The Connecticut Mutual Life Insurance Company,**

HARTFORD, CONN.,

Why should I insure my life?

Because it is a debt you owe to those who are dependent upon your earnings for their support.

You admit that it is your duty to supply their needs from day to day, but forget that it is equally your duty to provide an ever ready and sufficient equivalent for your earning power, which your family stands in constant jeopardy to lose by your premature death.

Guard your family against disaster and yourself against dependency in old age.

When should I insure my life?

Now! The cost will never be less, and tomorrow you may not be able to obtain insurance at any price.

Even if others are not now dependent upon you, take time by the forelock and you will be the better able to meet future responsibilities, and at a smaller premium.

Where shall I insure my life?

In a purely Mutual Company.

In a company that earns, declares, and pays annual dividends.

In a company that is doing a conservative business.

Such a Company is The Connecticut Mutual Life Insurance Company of Hartford, Conn. It furnishes perfect protection at lowest cost.

For further information, address the Company, or any of its agents. John M. Taylor, Pres't. Henry S. Robinson, Vice-Pres't. William H. Deming, Secy.

**TRINITY COLLEGE**

HARTFORD, CONNECTICUT

The Library contains about 56000 volumes, 30 per cent of which have been purchased within the last twelve years. It is open daily for consultation and study.

The Laboratories, Physical, Chemical, Biological, and Physico-psychological, are fully equipped with modern apparatus for work in these departments. Special attention is given to work in preparation for Electrical Engineering, Civil Engineering, Industrial Chemistry, and Medicine.

Extensive courses are offered for study in Mathematics, Ancient Languages, Modern Languages, Economics, History, Ethics, and Philosophy.

A large list of valuable scholarships and prizes may be found in the Annual Catalogue.

For Catalogues and information address the President or the Secretary of the Faculty.

The B. V. D. Company, New York.

**FATIMA TURKISH BLEND CIGARETTES**

20 for 15 cts.

**A**FTER the rush. Coat inside out, sans collar, tie, etc. Happy at least in the possession of a good smoke—Fatima Cigarette.

Their mild, mellow fragrance will always cheer. The pleasing taste that comes from the blended Turkish tobacco will satisfy.

And the economy in packing gives you ten extra cigarettes.
