TENNIS TEAM WINS AGAIN.

Springfield T. S. the Opponent.

The second meet of the tennis schedule was played off on Wednesday last with Springfield Training School. Springfield proved a good deal stronger than had been anticipated and succeeded in winning two matches of the six played. Trinity was somewhat handicapped by the absence of Burgwin. For Springfield, Salassa was the star, while Brainerd aided materially in Trinity's victory. The most interesting match was between Brainerd and Rosebaugh (Trinity) and Benz and Plimpton (S. T. S.). The Trinity pair succeeded in winning the first set 6-3 but were behind with a love four score in the second, when they made a remarkable stand and won six straight games, thus winning the set and match. Following are the detailed scores:

Salassa (S. T. S.) beat Nelson (Trinity) 2-6, 7-5, 6-3.

Carpenter (Trinity) beat Mazurka (S. T. S.) 6-1, 6-3.

Brainerd (Trinity) beat Plimpton (S. T. S.) 6-4, 6-3.

Bentz (S. T. S.) beat Rosebaugh (S. T. S.) 3-6, 7-5, 6-4.

Carpenter and Nelson (Trinity) beat Salassa and Mazurka (S. T. S.) 6-2, 9-7.

Brainerd and Rosebaugh (Trinity) beat Benz and Plimpton (S. T. S.)
Totals: Trinity 4, S. T. S. 2.

On Monday the 7th of May the team from Union College will be the opponents of Trinity. Last season at Schenectady the match resulted in a tie and it is the expectation of Captain Nelson that a victory for Trinity will be the outcome of this year's engagement. This match is the first of the more important ones on the schedule. The Union team is far superior to those which have been played thus far. Thus it is to be seen that Monday's tournament will be extremely closely contested and the Trinity players will make every effort at their means to win it. It is hoped that the college body will turn out in large numbers to encourage the men.

INTERFRATERNITY BASEBALL GAME.

First of Series Played Off.

Last Monday afternoon the first game of the interfraternity baseball series was played in Pope Park. Delta Kappa Epsilon defeating Alpha Delta Phi. The hitting was marvelous, being several degrees better than the work in the field. The game was a see-saw up to the last few innings, and proved interesting to the large crowd, partisan and non-partisan, that sat on the hillside.

The score: R.H.E.
Delta Kappa Epsilon,
3 0 2 0 2 2 0 3 *—12 11 7
Alpha Delta Phi,
1 0 3 1 0 2 0 1 0—8 8 8
Batteries: Turner and Wessels;
Bleecker and Pettigrew.

FIRST TRACK MEET SATURDAY.

Trinity Meets R. P. I.

Saturday afternoon at 2:30 o'clock the Trinity track team will meet Rensselaer Polytechnic Institute in the first track meet of the season on Trinity Field. Except for the interclass meet which was held two weeks ago this is the first opportunity that the undergraduates have had to see the track team in action, and as the Wesleyan meet is scheduled for a week from Saturday, it will be the only chance to get any line on our men and their chances against the men from Middletown.

The track candidates are showing up better and better every day and the records Saturday will certainly be very much better than those made in the interclass meet. In fact Coach O'Connell says that if the weather is warm and favorable he would not be surprised to see one or two of the college records broken.

Rensselaer held their interclass meet last Saturday and from the results of this it appears that Trinity will have a slight edge on their opponents. However, an interclass meet is never any indication of the strength of a track team, and as both teams have been working hard during the last two weeks a fast and closely contested meet is assured.

The entries for both colleges follow and also the winners and records of the various events in the Rensselaer interclass meet. From these it would seem that they are stronger in the dashes while Trinity is a little the best in the distance runs while the honors are about even in the field events.

Entries for Trinity:

100-yard dash—Collet, Gildersleeve, Christie, Capen, Carroll.

220-yard dash—Collet, Gildersleeve, Ahearn, Christie, Heater.

440-yard dash—Oliver, Heater, Foote, Bates, Yates.

880-yard run—Swift, Bates, Oliver, Breed, Morris.

1-mile run—Craik, Smith, Haight, Buck.

2-mile run—Bassford, Buck, Craik, Haight, Jamieson.

220-yard hurdles—Maxon, Nelson, Judge, Heater, Stansfield.

120-yard hurdles—Judge, Nelson, Heater, Stansfield, Ahearn.

High jump—Nelson, Green, Holcomb, Chow, Hsi.

Broad jump—Ahearn, Bateman, Carpenter, Gildersleeve, Green.

Pole vault—Wessels, Maxon, Breed, Hsi, Chow.

Shot put—Bleecker, Ramsdell, Withington, Clark, McCreery.

Hammer throw—Clark, Ramsdell, McElroy, McCreery, Bleecker.

TRIPOD BOARD ELCTIONS.

Several New Men for Next Year.

At a meeting of the Tripod Board held on Tuesday at 81 Vernon street, officers were elected for the ensuing year. Blinn F. Yates '11 of Buffalo, N. Y., was elected editor-in-chief. Yates has been a member of the Board for two years and during the past year has held the office of athletic editor, which position he has filled with much ability. He is also editor-in-chief of the 1911 Ivy, was president of his class during his freshman year, and was a member of the Junior Prom. committee. He is a member of the Alpha Delta Phi fraternity.

A. Erwin Rankin '12 of Wellesley Hills, Mass., was elected athletic editor, while Harry K. Rees of Hartford was retained in his present position of alumni editor. After much discussion it was decided that the remaining offices of the editing staff should be changed so that there should be one managing editor and two associate editors in place of having as heretofore two managing editors. William A. Bird 4th '12 of Buffalo, N. Y., was then elected the new managing editor and Chapin Carpenter '12 of Pottsville, Penn. and James S. Craik '12 of Louisville, Ky., became the new associate editors.

Albert Clark '11 of Lee, Mass., remains as treasurer of the board and Frank J. Brainerd '11 of Portland, Conn., who has been advertising manager during the past year, was elected secretary of the board. S. H. Evison '12 of Albany, N. Y. and Thomas Flanagan '12 of Hartford are again held in their respective offices of circulation manager and assistant advertising manager.

The most important of the new elections was that of William Short '12 to advertising manager. He was elected to this position chiefly on account of his fine work as chairman of the Sophomore Smoker. His success in obtaining advertising for the program of the Smoker led to his election as advertising manager.

A. B. Cook '13 and T. J. Brown '13 were elected assistant treasurer and assistant advertising manager respectively.

On Wednesday evening, May 4th, President Luther addressed the Hartford Branch of the Connecticut Sunday School Union, on "Teaching the Bible."

On Thursday afternoon, Prof. Perkins delivered an interesting lecture in the physics recitation room to the members of the various physics courses.

Several of the members of the Mask and Wig Club of Pennsylvania were severely injured when returning to Philadelphia. A runaway mail train crashed into the side of the coach in which the men were sleeping and threw them out of their berths.

NEW PROFESSOR AT TRINITY.

Mr. M. W. Morse to Succeed Prof. C. S. Edwards.

Mr. Max Withrow Morse, who has just been chosen by the Trustees of Trinity College as head of the Department of Biology to take the place occupied for ten years by Professor Charles L. Edwards, is a graduate of the Ohio State University where he took high honors in scientific work. He remained at the university for a year, receiving his Master's Degree at the expiration of that period. He then came to Columbia University where he pursued further graduate study and received the Degree of Doctor of Philosophy. For four years he has been instructor in biology at the College of the City of New York. He has published several pamphlets and monographs upon subjects connected with his particular line of work, and is well known in scientific circles for his industry and enthusiasm for research.

Professor Morse will probably take up his residence in Hartford next September as his work begins with the opening of the next collegiate year.

FRESHMEN LOSE TO PAWLING.

The Freshman baseball team lost to Pawling School last Wednesday afternoon at Pawling by a score of 8 to 1. The chief reason for the defeat was that Thomas, the Freshman pitcher, missed the train, and Deppen was forced to pitch the game. He pitched a very peculiar game, striking out ten men and yet being hit hard at various stages, and yet with perfect support would have held his opponents to a much smaller score. His absence from short stop necessitated the substitution of Collett, and though the latter played a good game at the last, the fact that he has not played before this season made him make several expensive errors. With these eliminated and Thomas in the box, 1913 would have had a very good chance to win, as their

EDITORIAL.

Do you know that the first track meet of the season takes place to-morrow? Yes, it is with Rensselaer Polytechnic Institute on Trinity Field at two-thirty. Have you seen our track team in action? No? Well, you haven't noticed that the winning spirit is there, then. It will be a good meet, of course, the management may be relied upon to attend to that. But has it occurred to you that it will at the same time be a close contest, and a hard one to win? The team needs you—perhaps not on the track, but certainly on the stands. This you may be taken individually, collectively, or any other way possible, the fact remains—we want you. Don't forget, be on the field with the cheering section, your heart in the thing, your voice in close proximity—and help the team pull out a victory.

With this issue of the Tripod the new Board takes office, and it is surely fitting that mention be made of the men of 1910, who so ably represented their class on the staff of this paper. Ralph H. Merrill, in the position of trust and responsibility, as Editor-in-Chief, deserves praise for the estimable way in which he conducted both the paper and its policies, bringing to a close another year of the life of the Tripod, in which he followed out conscientiously the aims and ideals of his predecessors in that office. Joseph Groves, while not in as prominent a position, nevertheless fulfilled the duties of his position as Secretary of the Board, with accuracy and despatch.

What has become of class singing, advocated and acted upon both by the Senate, and by the respective classes, supposedly, only a short time ago? Each year an agitation is commenced by

those interested in the subject, which generally dies a premature death, either for lack of interest or some other hidden cause. The issue at stake is usually that of campus singing, but this time, when the suggestion of class singing and subsequent competition arose, there seemed to be an added impetus which would affect the scales of college opinion, class spirit and consequent rivalry. And yet,—. Who? Why? When? Where?

TRINITY WILL ENTERTAIN TROJAN ATHLETES.

High School Entries to Stay in Dormitories.

At the suggestion of the management of the Trojan Athletic meet the College Senate has decided to provide for the entertainment of the various high school and preparatory school teams which are to contest in the Trojan meet on Trinity field, May 30th. There will be about fifty schoolboy athletes here for this meet including men from some of the New York schools, and the Senate thinking that this will afford a fine chance to rush men for the college has decided to entertain these men while they are in Hartford. The college provided sleeping accommodations for about fifty men during the Sophomore Smoker and there should be no trouble in accommodating the men over Memorial Day. A committee of entertainment is to be appointed to take charge of the reception of these men.

NOTICE.

All undergraduates and graduates who have ideas for an underclass rush to take the place of the football rush of last year and the push rush of years before, are requested to hand them to Merrill '10, as soon as possible.

ECONOMIC PRIZES.

In order to arouse an interest in the study of topics relating to commerce and industry, and to stimulate those who have a college training to consider the problems of a business career, a committee composed of Prof. J. Laurence Laughlin, University of Chicago, chairman; Prof. J. B. Clark, Columbus University; Prof. Henry C. Adams, University of Michigan; Horace White, Esq., New York City, and Prof. Edwin F. Gay, Harvard University, has been enabled, through the generosity of Messrs. Hart, Schaffner & Marx, of Chicago, to offer in 1911 four prizes for the best studies in the economic field.

Class B includes only those, who at the time the papers are sent in, are undergraduates of any American college. Class A includes any other Americans without restriction; the possession of a degree is not required of any contestant in this class nor is any age limit set.

A first prize of one thousand dollars, and a second prize of five hundred dollars are offered to contestants in Class A. A first prize of three hundred dollars, and a second prize of two hundred dollars are offered to contestants in Class B. The committee reserves to itself the right to award the two prizes of \$1,000 and \$500 of Class A to undergraduates in Class B, if the merits of the papers demand it. Further information may be obtained from the chairman of the committee.

One goes to a university not so much
to gain knowledge as to gain power;
not so much to learn to know things
as to learn to do things. We must
learn things to enable us to reason, to
enable us to grasp problems. You get
just as much out of your education as
you put into it in energy. The larger
your start at college the larger will be
your caliber in later achievements. The
main thing in the difference in men's
success is in their standards. The col-
lege affords you a place to set for your-
self high standards; a place to mea-
sure yourself and your standard. Great-
er, better, higher than all you get from
your college career should be your
standard. If you have not a high
standard when you have finished you
have missed the most essential part of
your university education. — Abbott

Editor Tripod:—

Complaints concerning the operation
of the heating plant have been numer-
ous during the past winter from all
parts of the dormitories, but so far have
produced no perceptible effect. It seems
to be the principle of the college ser-
vants to "let the majority rule," and so
on Wednesday and Saturday evenings,
when most of the students are away,
the heat has been regularly turned off.
It is to be hoped that this reprehensible
practice will be discontinued, especially
as it seems to be a measure for economy
of labor rather than of fuel.

Another matter—one affecting not any
particular class, but all residents in the
dormitories—is that of hot water. Dur-
ing the spring and fall there is appar-
ently no attempt to furnish this con-
venience, the lack of which is a serious
discomfort and out of all proportion to
the difficulty and expense of supplying
it. Especially early in the morning and
in the late afternoon, say from four to
six, when hot water is desired in the
baths and for shaving, it should cer-
tainly be supplied at all seasons of the
year.

Why should I insure my life?

Because it is a debt you owe to those who are dependent upon your earnings for their support.

You admit that it is your duty to supply their needs from day to day, but forget that it is equally your duty to provide an ever ready and sufficient equivalent for your earning power, which your family stands in constant jeopardy to lose by your premature death.

Guard your family against disaster and yourself against dependency in old age.

When should I insure my life?

Now! The cost will never be less, and tomorrow you may not be able to obtain insurance at any price.

Even if others are not now dependent upon you, take time by the forelock and you will be the better able to meet future responsibilities, and at a smaller premium.

Where shall I insure my life?

In a purely Mutual Company.

In a company that earns, declares, and pays annual dividends.

In a company that is doing a conservative business.

Such a Company is The Connecticut Mutual Life Insurance Company of Hartford, Conn. It furnishes perfect protection at lowest cost.

For further information, address the Company, or any of its agents.

John M. Taylor, Pres't.

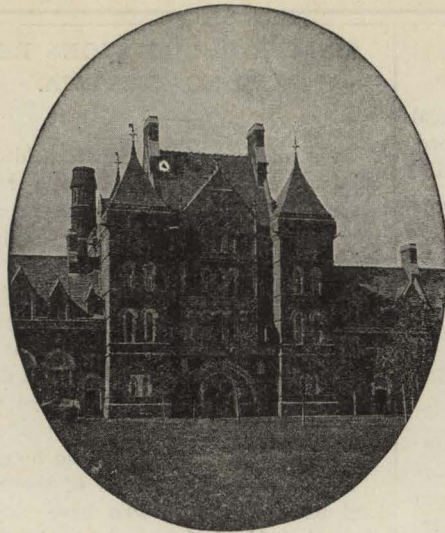

Henry S. Robinson, Vice-Pres't.

William H. Deming, Sec'y.

Freshmen Lose to Pawling

work on the whole was good.

The only Freshman run was scored in the eighth inning by Burgwin. He singled, went to second on an out, stole third and came home on the catcher's overthrow of that base.

The fielding of Roberts was a feature for 1913, and Pawling's hitting and base-running were the features for them. The score:

Trinity 19130 0 0 0 0 0 1 0—1
Pawling2 3 0 0 0 2 0 1—8

Batteries: Deppen and Sayres; Marshall and Wilson.
