

**SENIOR DRAMATICS.**  
**Good Progress Being Made on Commencement Play.**

The work on the senior dramatics has gone forward thus far very smoothly, and the show, when it appears in June, will doubtless be an excellent one. Reginald Burbank, '11 is the author of the play, "Where There's a Will There's a Way," and in it he has far outstripped any of his previous work.

Professor Brenton, one time a member of the old Trinity Jesters, has consented to coach, and this fact means much towards a good production. Professor Brenton has coached several plays here, and has met with great success in all of them.

The cast as it now stands is as follows:

Frank Price, love-sick and in need of money ..... J. H. Humphrey, '12  
Patton Price, a self-made man, Frank's uncle, ..... A. B. Cook, '13  
Howland Taire, an actor, Frank's valet, ..... W. A. Bird, '12  
Jimmy Fleese, a sneak-thief, alias Robin Cheatsky ..... W. B. Spofford, '14  
Constant Krammer, a Phi Beta Kappa man, ..... F. R. Prout, '11  
Philip Morris, Frank's room-mate, born with a cigarette in his mouth, ..... C. E. Sherman, '11  
Crispin Snuff, whose money Frank needs, ..... T. W. Little, '14  
Shirley Snuff, his daughter in love with Frank, ..... T. S. Brown, '12  
Ida Paine, her friend, a social light, ..... J. P. Begley, '14  
Robin Cheatsky, a socialist lecturer, alias "Fleese," ..... W. B. Spofford, '14  
Pilof Budsky, also a socialist, ..... Reginald Burbank, '11  
Flora Florette, a show girl, Taire's wife, ..... C. D. Ward, '13

**UNIVERSITY OF PITTSBURGH.**  
**Offers Fellowships to Graduates of Colleges.**

The University of Pittsburgh has established five fellowships for the encouragement of advanced study and research. These fellowships are open to graduates of universities of colleges of good standing.

They are awarded annually and may be renewed subject to the approval of the faculty of the Graduate School.

In making appointments the merits of the candidates will be carefully considered. The value of each fellowship is \$500, payable annually in ten monthly installments. The holders will not be required to pay any fees.

For the year 1911-1912 appointments will be made in the departments of English, Physics, Biology, Chemistry and Psychology.

Applicants address the Secretary of the Faculty for further information.

**TENNIS TOURNAMENT.**  
**'Varsity Players Excluded. Entry List Large.**

A tennis tournament has been organized in which a goodly number of students have already enrolled themselves as contestants for the prize given by the Tennis Association. The members of the 'varsity tennis team will not participate in any of the matches, so that many exciting games are predicted. The first sets of singles will be played off very shortly on the Trinity courts. The following men are included in the entry list: F. J. Brainerd, '11; P. S. Page, '14; J. Moses, '14; C. Howell, '13; Dilard, '13; De Ronge, '14; R. Walker, '14; Adkins, '13; E. Ward, '13; W. H. Baltzell, '14; E. M. Lazarus, '14; G. C. Heater, '13; J. H. Rosebaugh, '11; N. Short, '12; Kendall, '12; C. J. Harri-man, '05.

**BASEBALL WITH ARMY.**  
**Nine will Play on Saturday at West Point**

On Saturday the baseball team will journey to West Point, where they will meet the strong Army nine. During the last week the men have been practising hard, and yesterday's practice game with the Travelers Insurance Company team showed that the team is playing together better, and is more steady than it has been since the beginning of the season. This together with the excellent work of Sayres in last Saturday's game indicates that if the team loses it will be by very small score. West Point has been playing very erratic baseball this season. Its great victory so far this year was against the strong Brown nine, which it defeated 7 to 6, and it has also beaten Tufts, Manhattan College and the University of Virginia. On the other hand it has been beaten by Dartmouth and Georgetown, both of which teams are not up to the usual standards, and has suffered defeats at the hands of smaller college teams. From this it may be seen that if the team plays as good baseball as they did against New York University, the result will be a victory for the Gold and Blue.

**INTRA-COLLEGE BASE BALL**  
**Eight Teams Compete for Championship.**

At a meeting held Wednesday noon final steps were taken towards organizing a baseball league among the various units of the college body. Eight of the college organizations were represented, and it was decided to divide the teams into two leagues of four teams each in which every team should play each of the other three in the league one game, and then the winners of the two leagues will meet to decide the championship.

One league is composed of Delta Kappa Epsilon, Alpha Delta Phi, St. Anthony's Hall and Psi Upsilon, while the other is made up of Alpha Chi Rho, Phi Gamma Delta, I. K. A. and the Hartford Club. The games will be played Mondays and Saturdays on Trinity field, or at Pope Park. The first games scheduled are between Alpha Delta Phi and Delta Kappa Epsilon, and L. K. A. and Phi Gamma Delta.

**A. A. AMENDMENT.**  
**Relates to Uniforms and Insignia to be Voted on by the Association.**

Proposed amendment to the constitution:

The track team uniform shall be as follows: The top shall be dark blue with an old gold regulation size ATA on the breast. The bottom shall be white with a double ribbon of old gold and blue running down the sides and around the waist.

No one shall wear the official track suit until he has won or tied for a point, or fraction of a point.

No football, baseball, or track T's may be worn except those ordered on uniforms by the managers or those taken from the official T patterns, which shall be in the hands of a Hartford firm, approved by the Athletic Advisory Committee.

No football, baseball, nor track T may be worn which is not of old gold on a jersey or sweater of solid dark blue.

**TENNIS TEAM VICTORIOUS.**  
**Defeats Amherst Aggies.**

The Trinity tennis team defeated the Amherst Aggie team, Thursday afternoon, by the score of five matches to one. Carpenter was the only Trinity man defeated in the singles while both the doubles went to the local men. Play was greatly hindered by a high wind which swept across the courts, but the matches were well contested, and at times the play was brilliant. The summary:

Singles—Burgwin of Trinity defeated Johnson of Amherst, 7-5, 3-6, 6-4; S. Pulford of Trinity defeated Lin of Amherst, 7-5, 2-6, 6-2; Nelson of Trinity defeated Roehn of Amherst, 6-3, 6-2; Carpenter of Trinity lost to Bret of Amherst, 3-6, 6-4, 5-7.

Doubles—S. Pulford and Burgwin of Trinity defeated Johnson and Lin of Amherst, 6-8, 6-3, 6-4; Nelson and A. Pulford of Trinity defeated Bret and Roehn of Amherst, 6-1, 6-3.

**BROWN vs. TRINITY.**  
**Tennis Played on Local Courts To-day.**

On Friday the tennis team will play Brown on the local courts. Brown has been defeated by Trinity for the past two years in tennis by scores of 4-2 and 5-1, and the match should be a Trinity victory from these indications.

The Brown team is composed of P. H. Hood, '12; F. H. Guild, '13; W. F. Scholze, '12, and D. L. Brown, '12. The first two men are veterans of last year's team. Scholze won the college championship last fall. In doubles Hood and Scholze will play together, and Brown and Guild will make up the second team.

This is the first match for the Providence collegians, so it is not possible to tell the strength of their team. It is the first time that a Brown team has played on the local courts and much interest is manifested in the event by the college body. The Brown players arrived in town at eight o'clock on Thursday and were quartered by the members of the tennis team at their respective fraternity houses. A detailed score of the game will appear in the next issue of The Tripod.

**DR. SMITH LECTURES.**  
**Talks on Sex Hygiene to Y. M. C. A.**

Tuesday night, under the auspices of the college Y. M. C. A., Dr. O. C. Smith of Hartford delivered a short talk to a large audience of students on the subject of sexual hygiene. Dr. Smith treated his subject very earnestly and perfectly frankly, and made a deep impression on all his hearers.

He made it clear by a few most alarming statistics that this country at present faces a condition of sexual diseases as threatening as the curse of tuberculosis, which was so widespread before the beginning of the present crusade against that malady. He then outlined the present method of fighting the spread of sexual diseases and gave suggestions as to how this may be better done in the future, and closed his address by a short description of the nature and dangers of this trouble.

**WESLEYAN SATURDAY**  
**Prospects for the Track Meet.**

With the annual track meet with Wesleyan almost here, the track men are all putting on the finishing touches to their work under the careful guidance and supervision of Captain Maxon and Coach Coholan. The college body is awaiting the contest with great interest, at the same time wondering what the chances of a victory are. Wesleyan has some really wonderful track men in Captain Robson, Wendell, Wood and Parkinson. In the dual meet against Holy Cross last Saturday, Captain Robson took first in the hundred in 10 seconds flat, and the two-twenty in 24 seconds. In the same meet Wood won the four-forty in the fast time of 50 4-5. In the hurdles Wendell runs a fine race, but not in exceptional time, but Parkinson is a very capable man in the discus and shot events. However, things are about evened up as Wessels, '14, has an excellent chance of winning the half, and Buck the mile, as the Wesleyan men are not particularly steady at the large distances. Hudson should take first place in the hammer throw, while Bleecker should do well in the shot-put. If the track is in good condition on Saturday, Hudson should make a good showing in the high hurdles, and Collett will easily place in the dashes. Captain Maxon and Wessels '12, will undoubtedly take first and second in the pole vault. The records of the two teams this year up to the present time follows:

Wesleyan..... Trinity.  
Robson, 10s., 100-yd. dh., Hudson, 10 2-5  
Robson, 23 1-5s., 220-yd., Collett, 24 sec.  
Wood, 50 3-5s., 220-yd., Sage, 57 sec.  
Thompson, 2m. 8s., 880yd. Wessels, 2m. 8s.  
Harris, 4m. 51s., 1 mile run, Buck, 4m. 48  
Wendell, 17s. 120 yards high hurdles,  
Hudson, 17 1-5s.  
Wendell, 27 2-5 sec., 220 yd. low hurdles,  
Maxon, 26 4-5s.  
Ludkin, 10m. 49sec., two-mile run,  
Spofford, 11m. 8sec.  
Sutherland, 5ft. 6 1-2 in., high jump,  
Sage, 5 ft. 3 in.

Maxon, 11 ft. 6 in.  
Parkinson, 107 ft., 10 in., discus throw,  
Hudson 97 ft. 8 in.  
Bernhardt, 107 ft., 7 1-2 in., hammer,  
Hudson 117 ft. 4 in.  
Parkinson 40 ft. 6 in., shot put,  
Hudson, 38 ft. 8 in.

**PRACTICE GAME WON.**  
**Travelers Insurance Team Easy for the 'Varsity.**

In a five inning practice game, which was featured by heavy hitting, ragged fielding and poor base running, Trinity defeated the Travelers Insurance Company team by the score of 5 to 1.

**Intra-Collegiate Game.**

On Monday last the occupants of the second section defeated the Delta Kappa Epsilon fraternity in baseball by the score of two to one. The two teams were very evenly matched and the game was close throughout. Both Thomas and Grint distinguished themselves in the box.

"NOW THEN—TRINITY!"

## EDITORIAL.

Trinity is fortunate in possessing men on the faculty who take an interest in the college in more than a superficial fashion. The efforts of Professor McCook in raising the fund for the endowment of the college is the greatest illustration of this interest. Professor Gettell and his work with the football team is another instance. And now Professor Flynn has found time to offer his services as coach to the baseball team. It is no small matter to coach a team, and the students should show their appreciation of Professor Flynn's generous loyalty as much as possible. The fruit of his labor was apparent in the game with N. Y. U. Saturday when the Gold and Blue played winning ball. Doubtless few realize to what sacrifices Professor Flynn has to go to coach the team. His is another name added to the list of men who are to be honored by every Trinity alumnus and undergraduate.

There has been a great deal of discussion of late among the colleges of the East as to whether or not organized cheering at base ball contests is unsportsmanlike. In this issue of The Tripod is published an opinion of the matter by an undergraduate. We feel glad that the subject is being discussed by the undergraduates, for it is one that

should receive their consideration. The Tripod is the organ for any opinions which the students may wish to air, and by means of such opinions the sentiments of the entire college body can easily be discovered. A stand upon the matter must be taken soon, as many of the leading colleges are declaring themselves either for or against it.

## PROF. URBAN LECTURES.

### Third of Series Before Socialists

Professor Wilbur M. Urban, of the Department of Philosophy, delivered last Tuesday night his third lecture in the course on Social Ethics before the members of the local Socialistic party. The subject was "The Moral Life and the Economic Life."

Dr. Urban analyzed the moral values present in the economic life of society in its two aspects of production and distribution. Speaking of the moral principles involved, he said among other things: From the moral point of view, economic production should be subordinated to personality and to those institutions that are concerned with the moral relations of the individual to society. In so far as production results in subordinating to its ends the individual and such institutions as the family, the school, and the state, in so far as it is a perverted form, and its real efficiency must be called in question. The remark of a sugar magnate: "I don't care a rap for your ethics. My business is to make sugar, and as much of it as is possible," is a clear illustration, not only of the moral obliquity, but of the muddle-headedness that has characterized the period through which we have been passing.

Fortunately, Professor Urban said, the best men, and certainly the ethical and social thinkers, do not differ so much as to moral principles and ends, as to the question of means. It is at this point that the sharp conflict of Individualism and Socialism arises. The rest of the lecture consisted of an analysis of the values and difficulties of both conceptions. In conclusion, he suggested that, while the idea that economic justice consists in "equality of opportunity" is little more than an abstraction at present, there are hopeful signs that society is finding out what it means, and will gradually seek means to realize it. With the growth of clearer scientific conceptions of the individual and collective elements in economic production, society will in all probability find means to estimate these elements justly and to give both their proper place in the economic process, thus realizing both a really efficient production and a really just distribution.

## FOOTBALL REVIEW.

### Pamphlet Containing Record of Game, Published.

The sophomore's smoker was signalized by a small four-page pamphlet "Trinity College Athletics," which was given out to the sub-freshmen. It was the work of Mr. George Ellis, '04. The pamphlet gave a brief review of Trinity athletics during the past year, and quoted from the New York Evening Post a critical study of the "Trinity Team in Action" at the time of Trinity-N. Y. U. football game, written by "Right Wing," the noted football expert.

The ranking of the football teams last fall by the Boston Post, New York Tribune, New York Evening Post, New York Herald, New York Sun, Springfield Republican and Collier's Weekly, with comments by the respective writers of the papers were given, showing the high position in which the Trinity football team was placed by the leading experts of the country. On the fourth sheet appeared a full page half-tone of the Trinity football team of 1910.

## The Connecticut Mutual Life Insurance Company,

Hartford, Conn.

Why should I insure my life?

Because it is a debt you owe to  
those who are dependent upon  
your earnings for their support.

You admit that it is your duty  
to supply their needs from day to  
day, but forget that it is equally  
your duty to provide an ever ready  
and sufficient equivalent for your  
earning power, which your family  
stands in constant jeopardy to  
lose by your premature death.

Guard your family against disaster  
and yourself against dependency  
in old age.

When should I insure my life?

Now! The cost will never be  
less, and to-morrow you may not  
be able to obtain insurance at any  
price.

Even if others are not now dependent  
upon you, take time by the forelock  
and you will be the better able to  
meet future responsibilities, and at a  
smaller premium.

Where shall I insure my life?

In a purely Mutual Company.  
In a company that earns, declares,  
and pays annual dividends.  
In a company that is doing a  
conservative business.

Such a Company is The Connecticut  
Mutual Life Insurance Company of  
Hartford, Conn. It furnishes perfect  
protection at lowest cost.

For further information, address  
the Company, or any of its agents.

## TRACK TEAM LOSES.

Takes Third Place in Meet with  
Brown and Worcester.

Trinity was completely outclassed by  
Brown and Worcester in the track meet  
held at Worcester last Saturday. The  
local team showed signs of improvement  
over the inter-class meet held last Saturday  
and should do even better against  
Wesleyan next week, but they were unfortunate  
in that in the very events where Trinity  
was strongest both Brown and Worcester  
had men of unusual ability.

In the half-mile, which was one of the  
prettiest races of the day, Taber of  
Brown, Porter of Tech., and T. F. Wessells  
of Trinity were bunched within two yards  
of each other at the finish. Buck of Trinity  
was also a good third in the mile, which was  
run in 4:37; which Collett in both the 100-yard  
dash and the 220-yard dash was only a stride  
behind the winner.

Captain Maxon and Harry Wessells, the  
two veteran pole vaulters, had an easy time  
in their event, dividing the points for first  
and second places between them after they  
had each vaulted just high enough to beat out  
Gleason of Tech., who took third place.

Hudson captured second place in the  
high hurdles, but failed to qualify in any of  
the weight events. In the hammer throw he  
twice stepped over the circle and his third  
effort fell short.

Outside of these events Trinity did not  
place a man, and Brown and Tech. fought it  
out between them for the remaining points.

# FATIMA

TURKISH  
BLEND  
CIGARETTES

GEOGRAPHY

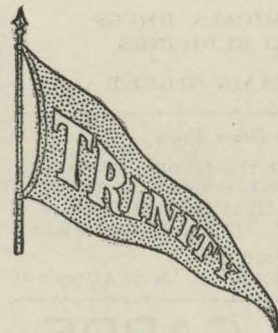

Fatima Cigarettes are  
bounded on the north by  
quality, on the south by  
individuality, on the east  
by mildness and on the west  
by value. In all the world  
no smoke just like 'em.

They compass much of  
the earth, giving much pleasure  
and satisfaction everywhere.

College men say they're  
"different."

Inexpensively packed in  
order to give you 20 for  
15 cents.

THE AMERICAN TOBACCO CO.

With each package of  
Fatima you get a pen-  
nant coupon, 25 of  
which secure a hand-  
some felt college pen-  
nant (12x32)—selection  
of 100.
