TRACK TEAM A SURPRISE.

Wesleyan Wins, But by Small Margin.—Trinity Weak in Runs.

In ideal weather for out-of-door sports, Trinity clashed with her old rival, Wesleyan, Saturday afternoon on track and field. Although the final score was 71 to 55, in favor of Wesleyan, the outcome was virtually a victory for the Gold and Blue. Those supporters of the Trinity team who had interested themselves in reckoning up the score before the meet conceded to Wesleyan 80 points; and that their calculations were so upset in all of the events was an agreeable surprise to the whole student body.

Wesleyan scored fifty points to Trinity's twenty-two in the track events, but in the field Trinity beat out her rivals with thirty-three points to twenty-one won by Wesleyan. In the high jump Wright broke the record for Wesleyan with a jump of five feet, nine and a half inches, and Wessels of Trinity made faster time in the half-mile than the college record, although no official time was taken for him, as he came in second. The individual star for Trinity was Hudson, who gathered in sixteen points for his team,—ten of them from firsts, and four from a tie for first. Maxon (captain), and Nelson also were high-point winners. In the two-mile run, Spofford, after having put up a game race only to be passed by three men before the last lap, made a splendid dash on the home stretch, recapturing the third place which it seemed certain he had lost. The rooters for Trinity introduced the new "thunder-bolt" yell, which promises to be a successful one for cheering on our men to victory.

Near the start of the low hurdles, Wendell of Wesleyan, who holds the New England championships for the high hurdles, pulled a tendon in such a way as to keep him out for the rest of the season. Wesleyan will feel his loss at the Springfield meet next Saturday.

The summary:

100 yard dash—Won by Robson, Wesleyan; Collett, Trinity, second; Wood, Wesleyan, third. Time 10 1-5 seconds.

220 yard dash—Won by Robson of Wesleyan; Wood Wesleyan, second; Collett, Trinity, third. Time 24 4-5 seconds. (By mistake in marking the finish of the course, the runners traveled 240 yards.)

440 yard dash—Won by Wood, Wesleyan; Hastings, Wesleyan, second; Halverson, Wesleyan, third. Time, 52 3-5 seconds.

880 yard dash—Won by Thompson of Wesleyan; T. F. Wessels, Trinity, second; Drake, Wesleyan, third. Time, 2 m., 3 seconds.

One mile—Won by Harr's of Wesleyan; Buck, Trinity, second; Hasselman, Wesleyan, third. Time 4 m. 42 s.

Two miles—Won by Harris of Wesleyan; Rudkin, Wesleyan, second; Spofford, Trinity, third. Time 10 m. 34 s.

120 yard hurdles—Hudson Trinity, and Wendell, Wesleyan, tied for first; Nelson, Trinity, third. Time, 16 1-5 seconds.

220 yard hurdes—Won by Maxon of Trinity; Hastings, Wesleyan, second; Daly, Trinity, third. Time 28 seconds.

Shot put— Won by Parkinson, of Wesleyan; Bleecker, Trinity, second; Hudson, Trinity, third. Distance 39 feet, 5 1-2 inches.

Hammer throw—Won by Hudson of Trinity; Clark, Trinity, second; McBride, Wesleyan third. Distance, 119 feet, 6 inches.

Discuss throw—Won by Parkinson of Wesleyan; Bernhardt, Wesleyan, second; Hudson, Trinity, third. Distance, 112 feet, 1 1-2 inches.

TENNIS VICTORY.

Brown Defeated on Local Courts, 5 to 1, in a Good Match.

The Trinity tennis team won its second victory in as many days on Friday, when it defeated Brown University by the score of 5 to 1. The match was played on the local courts and was watched by a good-sized crowd of rooters.

This is the third successive victory which Trinity has won over Brown on the tennis courts. Trinity would doubtless have made a clean sweep of the matches had not D. S. Pulford, '13, been kept from the play in order to save him for the track meet with Wesleyan. His absence necessitated the playing of Brainerd, as Carpenter, the fifth man, was not in the best of health and could enter only the doubles. Brainerd, who has been playing baseball, was not in form and lost his match after three hard sets.

The first singles, between Burgwin of Trinity and Scholze of Brown, was a well-played affair, although with the exception of a short time in the second set there was no doubt as to the outcome. Burgwin played his usual heady game, and won handily in three sets.

A Pulford and Guild had a close match, but the Trinity player had more staying power than his adversary and this match was also a Trinity victory.

Captain Nelson had little trouble in disposing of Hood of Brown in straight sets, the Providence collegian winning but three games in two sets.

Brown of Brown won the only match of the day from Brainerd of Trinity. Brainerd captured the first set at 7-5, but lost the next two.

In the first doubles, Nelson and Burgwin of Trinity had a walkover with Hood and Sisson of Brown in straight sets.

The most hotly-fought match of the day was the second doubles between Pulford and Carpenter of Trinity, and Brown and Guild of Brown. Trinity lost the first set 6-4, after some close play. In the second set they struck a fast gait and won 6 to 2, there being many smashes and hard rallies. The third and deciding set went to deuce, sixteen games being necessary before Trinity won. This set was replete with exciting moments, and the Brown players pushed Trinity hard. The summary:

Burgwin (T) defeated Scholze (B) 6-2, 5-7, 6-1.

Pulford (T) defeated Guild (B), 6-4, 2-6, 6-3.

Nelson (T) defeated Hood (B), 6-1, 6-2.

Brown (B) defeated Brainerd (T), 5-7, 6-2, 6-3.

Nelson and Burgwin (T) defeated Sisson and Hood (B), 6-3, 6-1.

Pulford and Carpenter (T) defeated Brown and Guild (B), 4-6, 6-2, 9-7.

Total Trinity 5, Brown 1.

Ivy on the Way.

The 1912 Ivy Board announces that the Ivy has been shipped by the printers and will arrive in a few days.

No copies will be distributed until all sums owed for photographs, inserts, advance subscriptions, etc. are paid.

High jump—Won by Wright of Wesleyan; Nelson, Trinity, second; Sutherland, Wesleyan third. Height 5 feet, 9 1-2 inches.

Broad jump—Won by Hudson of Trinity; Nelson, Trinity, second; Buck, Wesleyan, third. Distance, 20 feet, 4 1-2 inches.

Pole Vault—Maxon, H. Wessels and Pulford, all of Trinity, tied at 10 feet.

FIRST LEAGUE GAME.

D. K. E. Starts Well in Intra-College Series.

On Friday afternoon the first of the intra-collegiate series was played between the Alpha Delta Phi nine and Delta Kappa Epsilon. The game was highly exciting, and the spectators were kept on the "qui vive" as first one team would take the lead and then the other would take a brace and forge ahead. Finally, in the sixth inning, Delta Kappa Epsilon brought in three runs, giving them a score of seven, to the five runs of Alpha Delta Phi, and in the seventh and last inning neither team was able to score. McClure, pitching for Delta Kappa Epsilon, gave seven hits and fanned eight men. Deppen, for Alpha Delta Phi, struck out four men and allowed nine hits.

INTERCOLLEGIATE PROSPECTS.

Sunday's Springfield Republican, in a review of the prospects for next Saturday's New England Intercollegiate meet at Springfield, said:

Trinity's showing in the intercollegiate next week should be better than for several years past. Wessels, who had a place in the pole vault last year at 11 feet 1 inch, is going a good deal higher this year. Capt. Maxon is also a pole vaulter and recently broke the Trinity College record for that event, setting a new mark at 11 feet 6 inches. Hudson, Trinity's individual track star, did not fulfil expectations in the triangular meet with Brown and Worcester, but is throwing the hammer up to 130 feet in practice and may figure in the scoring. He is also doing well in the high hurdles. Collett will enter the 100-yard dash but his chances are dubious, as he has not yet run the distance under 12-5. There will probably be no entries from Trinity in the distance events or in the j-mps.

WEST POINT WINS.

Army Scores Thirteen Runs in Saturday's Game.

Trinity lost to West Point Saturday by the score of 13 to 3. The game was a slugging match from start to finish and as far as hits went the two teams divided honors nearly evenly. Trinity making ten while the Army had eleven to their credit. However, Trinity's erratic fielding and poor base running combined with West Point's ability to slug the ball hard when hits were needed gave the Army an easy victory.

Sayres started the game by hitting the first man up, and this being followed by a sacrifice, an error, a two-base hit, and a home run, gave the Army enough runs to win the game. Trinity had several chances to score which were lost by poor base running or by fast fielding on the part of West Point. Horan made three hits for Trinity, while the feature of West Point's play were three home runs, two of which were clean hits, the other being due to Trinity's errors.

SUPREME COURT, JUDGES CHAMBERS.

New York, May 8, 1911.

Trinity Tripod:

Gentlemen:—Should there be a revival of The Tablet, the new board may enter my name as a subscriber.

Very truly yours,

LOUIS L. G. BENEDICT, '88.

PLAY TUFTS THURSDAY.

Close Game Expected.

The baseball team will leave Thursday for Medford, Mass., where they will play against Tufts. Tufts has a strong team this year, but Trinity men expect a victory over them. The battery for Trinity will probably be Warner and L'Heureux.

Sayres Boys to Leave College.

Owing to the illness of their mother, the Sayres brothers are compelled to return home to Detroit this week, and will probably not return this term. Their absence will be felt on the baseball team, as C. W. Sayres has been the mainstay in the box this year, and A. P. Sayres has been of great value to the team as a substitute catcher.

"NOW THEN—TRINITY!"

## EDITORIAL.

The following excerpt from a little-known journal would certainly not pass muster in English. Yet so strong is our professional fellow-feeling for its editorial author that we accept and endorse it.

"It is our position not to publish news from whom we do not know who sent it. To insure insertions you must sign your name somewhere in the envelope so that we may know who to call upon if they attempt to shoot us."

We do not consider that Saturday's baseball score is significant of anything, least of all that it justifies such adverse criticism as has followed its publication. "Baseball luck" is a phenomenon that is extremely sulphuric in its tendencies. A good sample of it, for purposes of comparison, may be found in the result of the Harvard-Brown game, when the crimson scored eleven runs against Brown's remarkable nine.

As for track, the meet with Wesleyan was a "virtual victory" if there ever was one. The Middletown men expected to win by forty-five points, and there was not much feeling in Hartford that they would be disappointed. Their hopes

were subjected to a discount of sixty per cent.

The formation of an intra-collegiate baseball league is the fulfilment of one of the Tripod's old dreams. We see possibilities of great good in it, as a means both of developing material and of unifying the spirit of the student body. But as the satisfaction of one want reveals another, so the organization of this league makes imperative the immediate provision of a field upon which to play the games. We want to see work on this field begun at once. The students have shown that they desire and need it and, as we have said before, that is and should be the test of the merit of the demand.

Do It Now!

## COMMUNICATION.

Editor of The Tripod:

Dear Editor: I am glad that the Tripod has called for a discussion of organized cheering at baseball games. This is a vital issue now before the colleges of the country, and Trinity should go on record with its viewpoint of the matter at once. One college, at least, has abolished concerted cheering at its ball games, and one college despairing at the tendency toward "muckerism" in college baseball and the part the spectators play in it, has abandoned baseball as a college sport, altogether.

At the N. Y. U. game, the Trinity cheering section acted strangely. The marked absence of concerted cheering showed a spirit conforming with the new idea of not giving the home team an unfair advantage over the visitors; but the very questionable tendency of the unorganized outbursts offered a bad contrast to the former. Instead of going deeply into all of the arguments, pro and con, I would like to state my own opinion—that cheering at college ball games not only should be organized and concerted, but also should be directed and used in the interests of furthering right sportsmanship. Cheering like everything else, can be used at the right time and at the wrong time, in a good way and in a bad way. Its use is to be commended as the spice of college sport; its abuse is to be dreaded as the poison to college sportsmanship.

Manifestly, the abuse of cheering is to wield it as an unfair weapon of advantage to weaken the opposing team at critical times, or to use it in moments of lost self-possession—which seem to abound in baseball.

But who could find a flaw in the ideal use of hearty cheering—the expression of the spirit of the college—when given at opportune times, such as before the game, between innings, at crucial periods of play, and above all, when used as it should be used much more often than it is at present—as a compliment and mark of respect toward opponents.

The cheer leader or "yell master" plays a most important part in right and wrong rooting. It is decidedly up to him to be on his job every minute. He must be a real representative of the college, and he must be a thorough sportsman—quick to see the right opportunities, and more quick to crush outbursts after opponents' errors, umpires' decisions, and like episodes. Yes, the cheering section must appreciate baseball.

## SENTIMENT AGAINST RIOTING.

### College Body Passes Motion.

Last Friday noon, an open-air meeting of the college body was held in front of the Bishop to take action on the campus rumpus of the night before, when half of the students joined in an uproarious good time, to the displeasure of the neighborhood and the faculty. Sherman, '11, presided and stated the purpose of the meeting. After a great deal of jesting, the meeting got down to business, and it was moved that the sentiment of the college body, as a whole, was against such practises. The motion was carried unanimously, and the meeting adjourned.

## The Connecticut Mutual Life Insurance Company,

Hartford, Conn.

Why should I insure my life?

Because it is a debt you owe to  
those who are dependent upon  
your earnings for their support.

You admit that it is your duty  
to supply their needs from day to  
day, but forget that it is equally  
your duty to provide an ever ready  
and sufficient equivalent for your  
earning power, which your family  
stands in constant jeopardy to  
lose by your premature death.

Guard your family against disaster  
and yourself against dependency  
in old age.

When should I insure my life?

Now! The cost will never be  
less, and to-morrow you may not  
be able to obtain insurance at any  
price.

Even if others are not now dependent  
upon you, take time by the forelock  
and you will be the better able to  
meet future responsibilities, and at a  
smaller premium.

Where shall I insure my life?

In a purely Mutual Company.  
In a company that earns, declares,  
and pays annual dividends.

In a company that is doing a  
conservative business.

Such a Company is The Connecticut  
Mutual Life Insurance Company of  
Hartford, Conn. It furnishes perfect  
protection at lowest cost.

### Prof. Morse's Wedding.

Last Friday morning, May 12, Professor Max Withrow Morse and Miss Margaret Corlies Putnam, daughter of Mr. and Mrs. Kingman Nott Putnam of New York, were married at No. 513 West End Avenue, New York City. The Rev. Dr. H. Pierce Nichols, rector of the Church of the Holy Trinity, officiated, assisted by President Luther. It was intended to have the ceremony performed in Dr. Nichols' church, but on account of an illness in the bride's family, the wedding took place at the home of a friend. After the ceremony Professor and Mrs. Morse left for a short wedding trip.

Professor Morse, formerly an instructor in the College of the City of New York, graduated from the Ohio State University, and received his doctor's degree at Columbia. Last September he succeeded to the J. Pierpont Morgan chair of natural history. When he resumes his work here at Trinity he and Mrs. Morse will live at No. 56 Vernon street.

### Address by Dr. Urban.

Taking as his text a recent article in the Atlantic, "Prepare for Socialism," Professor Urban addressed last Thursday's meeting of the Society for the Study of Socialism. He reviewed briefly the present status of the socialistic movement, and said he agreed with the author of the article that Socialism was a question to which thinking men could no longer remain indifferent.

"But its supporters and its antagonists are alike prone to a fallacy of thought in regard to it," Dr. Urban continued. "This lies in their tendency to consider Socialism a total thing, which must come, if it come at all, as a revolutionary change in our social system, and as such must either succeed perfectly or fail utterly; while, as a matter of history, society does not change in that fashion." Thus, thought Professor Urban, it would be more nearly exact to say prepare, not for Socialism, but "for an increased tendency toward Socialistic ideas."

At the conclusion of his brief talk, a discussion of the subject ensued.

# FATIMA

TURKISH  
BLEND  
CIGARETTES

## TRIGONOMETRY

Look at it from any  
angle—the *sine* of a  
good smoke is a Fati-  
ma Cigarette.

Made from a dif-  
ferent formula—  
never varied by even  
a fraction.

A modest package—but  
then, you get ten additional  
cigarettes.

Figure on getting 20  
for 15 cents.

THE AMERICAN TOBACCO CO.

With each package of  
Fatima you get a popu-  
lar actress' photograph  
—also a pennant cou-  
pon, 25 of which secure  
a handsome felt college  
pennant (12x32)—so-  
lection of 100.
