PRACTICE GAME.

'Varsity Downs Scrubs by Score of 34 to 0.

The 'varsity eleven succeeded in rolling up a 34 to 0 score against a strong scrub line-up in a practice game played on Trinity Field Saturday afternoon. Professor Gettell presented a new 'varsity alignment which worked more smoothly and forcefully than any combination yet tried. Jim Moore was shifted from guard to left halfback supplanting Meyer, Lambert taking Moore's place at guard. Ives was sent in at quarter, Smith going to left end. This new line-up looks like a winner and will probably be used in the opening game of the season next Saturday.

Moore played a star game in his new position, making three of the 'varsity's five touchdowns. Ives displayed great form at quarter-back, both on the offensive and defensive. Hudson smashed through the line in a fashion that bodes ill for the linemen of opposing teams in the coming season, while Coffee, the freshman who plays in Lawlor's old position of right half, displayed plenty of speed on end runs.

Castator, Kinney and Lambert make up a very strong trio in the center of the line, while Howell and Woolley are a good pair of tackles. Cole, a real sensation at right end last year, looks better than ever this fall. Smith, who is capable of putting up a good game at any position on the team except center or guard, gives promise of being a star end. All in all, the whole team's work in Saturday's practice game was an encouraging exhibition.

For the scrubs, Elder, Maxon and Craig put up particularly good games.

The complete schedule for the present football season follows:

Oct. 4—Worcester Tech. at Hartford. Oct. 11— Bowdoin at Brunswick, Me.

Oct. 18—Amherst at Hartford. Oct. 25—Colgate at Hartford.

Nov. 4—N. Y. Univ. at New York.

Nov. 8-Haverford at Haverford, Pa.

Nov 15—Rutgers at New Brunswick, N. Y.

Nov. 22-Wesleyan at Hartford.

HUDSON CAPTAIN.

Star Fullback To Lead 1913 Eleven.

At a meeting of the wearers of the football T, immediately before Saturday's practice game, Theodore C. Hudson of Paynesville, Minn., was unanimously elected captain of the Trinity team for the ensuing season. Hudson succeeds Lawlor who has left college. Hudson's record during the three years he has played on the 'varsity is well known to all followers of eastern college football.

THE Y. M. C. A. OUTLOOK.

Reception Will Be Held Soon. Freshman Bible at Printers.

With the opening of college, the Y. M. C. A. starts on its fourth, and from all indications, its best and most successful year, for there is a small but faithful neuclus who have worked hard for the organization since their entrance into college, and furthermore the interest in the Y. M. C. A. seems to have reached the highest pitch yet obtained since its foundation in the college some four years ago. Late in the spring last year a compaign was started to raise money for the purpose of securing a general secretary, who could give his entire time to the work of the organization. The money necessary was raised but a suitable man was unable to be found, consequently the work must be taken up this year with the same order that worked last year so successfully. The association is fortunate in not losing any of its hardest workers by graduation last June, but unless the members of the incoming class do not show some interest, the association will be greatly weakened by the loss of many of its strongest and most faithful members next June, therefore it behooves the freshmen to attend as many of the meetings as possible, especially the annual reception which will be given either the latter part of this week or early next week. Due notice of the exact date will be given through the columns of the Tripod.

The college board of the Y. M. C. A. has had numerous calls this year to take care of several boys' clubs and practically any man who wishes work of any nature in the city in the line of teaching either Bible, missionary or Sunday School classes, can find the same by communicating with either the president or the secretary of the college branch.

The so-called "Freshman Bible", a hand-book published annually by the Y. M. C. A., was late in going to press, but will appear in a few days. It will be practically similar to those published in former years, but will be larger and more comprehensive in scope.

Juniors Elect Officers.

At a meeting of the junior class held yesterday noon the following officers were elected: President, Bertram L. B. Smith of Oak Park, Ill. Smith was near-'varsity football material last year and bids fair to hold a place either at end or quarter this season. He is a member of the Beta Beta chapter of Psi Upsilon. Vice-president, Paul M. Swift of Yarmouthport, Mass. Swift is a member of the I. K. A. fraternity. Secretary-treasurer, Raymond L. Scofield of New Haven. Scofield is a member of the Delta Kappa Epsilon fraternity.

DR. URBAN RETURNS.

Resumes Chair of Philosophy after Year of Travel and Research.

Dr. Urban has resumed charge of the department of philosophy after a year's leave of absence spent in travel and research work abroad. The first half of the year Dr. Urban was engaged in study and writing in Munich. He had however, opportunity to hear very interesting lectures by such famous men as Brentano of the University of Berlin, and Maximillian Harden, of Berlin and to study the new developments in literature and art. Later in the year, Dr. Urban studied at the University of Graz and worked in collaboration with Prof. von Meinong in the Theory of Value. He also coöperated in the translation into German of his own work, "Valuation: Its Nature and Laws," to be published by G. B. Teubner (Leipzig). At Vienna, Dr. Urban met a number of men famous in the field of economics and philosophy, among whom were Professors Böhm-Bauwerk, von Wieser, and Philipovitch.

The university is the second largest of the Austrian Empire. The city itself, although only slightly larger than Hartford, maintains a permanent opera and theatre with an annual subsidy of \$40,000. While in Vienna, Dr. Urban was present at a serious student riot between the Semitic and Anti-Semitic factions, where the police interfered after a great number of heads were broken. This disturbance, a not uncommon occurrence to Austria, was especially regretted at that time, according to one of the professors who spoke of the matter to Dr. Urban, because of the efforts that were being made to secure an athletic field for the University, and it was feared that it would prevent people from contributing. Athletics is growing rapidly in the University of Austria as well as Germany.

Everywhere scholars commented upon the remarkable occurrence of the election of a college president to the presidency of the United States, which indicated that we are not wholly a commercial people.

Dr. Urban returned in August from Trieste where he ended his continental tour.

Schuyler Freshman President.

The freshmen met Saturday noon to elect their class officers. The following were chosen for the Christmas term: President, P. S. Schuyler of Utica, N. Y.; vice-president, H. H. Coffee of South Dakota; secretary-treasurer, Albert N. Rock of Washington, D. C.

GLEE CLUB WORK.

HAR

Tryouts to Be Held Thursday Night. Mr. Weyhe Again Trainer.

The prospects for a good glee club are as bright as they were last year, if not brighter. Almost all of the men who were in the organization last year are still in college, as very few of last year's seniors were in the club. There is the added advantage that the men have worked together a great deal. Also the fact that Mr. Weyhe, who now is well acquainted with the ability and limitations of the men, will once more assume the role of trainer, will go a long way towards assuring success.

The tryouts for the club will be held Thursday night at 94 Vernon Street. Horace Fort, leader, and Mr. Weyhe will listen to the musical talent of the freshmen and of any others who aspire to places on the club. The members of last year's organization will not be required to report, but Fort expects to make several changes, and a great many who sang last year will doubtless have to content with places in the audience. As a nucleus, Fort has the following men: First tenors, C. A. Bennett '15, A. Harding, Jr., '16, E. G. Schmitt '16, D. S. Squire '15, E. P. Wroth '14, E. J. Myers '14; Second tenors, H. Fort '14 V. F. F. Di Nezzo '16, G. G. Nilsson '15, L. O. de Ronge '14, N. R. Sage '15; first basses, C. E. Craik '14, J. A. Moore '14, J. G. N. Mitchell '16, W. B. Pressey '15, I. B. Shelley '15, W. B. Spofford '14; second basses, H. L. Brainerd '15, T. W. Little '14, and A. W. Walker '14.

SENATE MEETING.

Committee Appointed to Draw up Rules for Bloody Monday.

The first meeting of the college senate was held on Friday last, September 26, in the Tripod room. President Fitzpatrick called the meeting to order at 7.00 p. m. The following members were present: Messrs. Fitzpatrick, Burgwin, Haaser, Levin, Livermoore, Meyers, Perkins, and de Ronge. The object of the meeting was to draw up rules for the bulletin board and rope rushes of Monday, September 29. It was moved and seconded and carried that the president appoint a committee to draw up these rules. Messrs. Burgwin and Stites were appointed to serve with the president. Remarks by president Fitzpatrick concerning the advisability of keeping order downtown on Bloody Monday night. On motion the meeting adjourned.

"NOW THEN TRINITY"

Concerning Our Advertisers.

If it were not for the men who put advertisments in these columns, there would be no more *Tripod*. All papers depend on advertising to meet their expenses. As a rule general a man will not advertise unless he believes that he is using a good medium. We say as a general rule because we realize very well that many of our advertisements are kindnesses. On the other hand, some of the merchants here in town advertise in the *Tripod* because they expect to get some results, and unless they do get results one year, they are unwilling to advertise the next.

Now it often happens that Trinity men do patronize our advertisers. It hardly ever happens, however, that when they do patronize them they think to mention the Tripod. The Hartford merchants cannot be expected to spot a Trinity man on sight, however distinctively collegiate the Trinity man may consider his appearance. Consequently our advertisers remain blissfully ignorant that "the students" are casting any money in their direction. It would be very little trouble and a great deal of help to us if you would mention the Tripod when you go into a store downtown. It would also help materially if you made it a point to deal exclusively with our advertisers.

The Alumni Supplement.

Last year the Alumni Supplement was issued with what we believe was a fair degree of success. It was hard at times to get enough news together to fill the two sheets, but on the whole the alumni responded well to the appeal for news. It is perfectly evident, of course, that unless the alumni do send information about themselves, there can be no supplement at all. A great many alumni there are who gladly send all they can; but the big majority leave the work for "somebody else." There lies the whole trouble; the lack of interest on the part of all the alumni. We have the support of some-the minority,-whereas we should have the hearty coöperation of every man who ever went to Trinity. A very good way to show not merely a passive but an active interest in the college is to let the college know what you and other Trinity men in your vicinity, are doing. The supplement is issued largely for the alumni. Surely we have a right to the alumni's help. We want to make the Supplement a permanent thing, but at present we cannot feel absolutely confident that it will be.

RELIGION IN A COLLEGE.

Dr. Luther Chooses This as Text For Sunday Sermon.

At the first Sunday Service of the college year, Dr. Luther touched briefly on "Religion in a College." He said, in part, that no state could hope to stand without religion. History shows the result of cases in which this has been tried. And that, as no state could succeed without the aim and impulse imparted by religion, so no college could flourish and do its work acceptably without that same guidance. And the college that was not doing its work had no right to exist. This fact had been recognized at Trinity and had resulted in the college services.

That there were faults in the compulsory chapel system. Dr. Luther said, no one recognized more clearly than himself, but in all it was the best system that could be devised, no perfect system as yet being known. And that in the very fact that we were compelled to do as we ought lay the seed of a great good; for in time we might learn to love to do those things which we had to do, and so learn the spirit of contentment.

But, Dr. Luther added, necessary as chapel was in the life of the college student, it could not by any possible chance be stretched to fit any of the graduation requirements, as some would have it. Although chapel was an aid, a great aid, in our daily life, it could not take the place of our daily work. Dr. Luther reminded us that as Solomon was presented a chance to choose his course, so we, when we came to college, were given a chance to choose our own aims in life. That as Solomon had prayed for wisdom and understanding, so might we choose well. That if we did so, just as surely would the Lord bless us also. And so, he concluded, we should hold to the right and keep up the standard of the other Trinity men who had gone forth to aid and to uplift the world.

NEW TRINITY SONG.

Mr. Weyhe Setting Sophomore's Poem to Music.

One of the members of the sophomore class-whose name is withheld by request-has written a new Trinity song, the words of which are printed below. It has a rather martial swing to it, and should be popular if set to a good tune. In all probability the tune will be a very good one, as Mr. Weyhe, the glee club trainer, is at present working on its composition. The song

Trinity Forever.

and I

When rush on rush, far down the field, Rolls on the Red and Black: And when the team, hard pressed, fights on

The goal posts at its back; Then is the time for each true man To aid in their endeavor; And rising in the stands pledge faith To Trinity forever.

And when, our studies laid aside. To lighter thoughts we turn: And in our merriment to none The future gives concern: To bring our evening to a close, We stand, and drink this ever, "That come what may, we pledge our faith To Trinity forever."

And when our college life is past, And in the world we move; And when the stress of business Our heart and gameness prove: When pleasure, or society. Old bonds of love would sever: Then let us once again pledge faith To Trinity forever.

And when, in turn, our sons must choose,

Their Alma Mater's name; May none of them be led astray By any other's fame. But when that time shall come, God grant

That each of them shall ever Renew the pledge we give tonight, "To Trinity forever."

Tournament Starts Tomorrow.

The Tripod made a mistake in announcing the date of the commencement of the annual fall tennis tournament. Instead of the twenty-seventh of September, as was predicted, the actual date is Wednesday the first of October. It is safe to say that the tournament will be unusually interesting because a very large entry list has been turned in, and also from the fact that from those who made the best showing the present tennis team will be picked. The tennis team is to play a match with the Hartford Golf Club team this fall.

1916 Class Meeting.

At a meeting of the class of 1916 Monday afternoon, officers were elected for the fall term and plans were discussed for the several rushes.

The election for the presidency narrowed down to G. M. Ferris and C. B. Spofford. Ferris was eventually returned the winner. He was first string pitcher on the baseball team last spring, and late Historian of the Class. He is a member of the Alpha Chi Rho fraternity.

The vice-presidency was a contest between L. Woolley, and R. S. Martin, in which Martin won out. Martin is assistant manager of the baseball team and a member of the Alpha Delta Phi fraternity.

The office of secretary-treasurer was won by H. Spencer with E. G. Schmitt as runner-up. Spencer was one of the track squad last year and is a member of the Alpha Chi Rho fraternity.

The meeting then proceeded to the election of the class captains. Gillooly was unanimously elected to the captaincy of baseball. No mention need be made of his ability to those who saw the team in action last year. He is a member of the Neutral Body.

The election of a track captain was as easy, no opposition being made to the nomination of E. G. Schmitt. Schmitt was a valuable man in the interclass meet last fall. He is a member of the Psi Upsilon fraternity.

Football was more difficult, as three men were nominated. As the hour was now late the matter was settled by a rising vote, the candidates remaining outside. The election was won by L. T. Lyon, a member of last year's track team, and a prominent candidate for 'varsity football this year, but for conditions. Lyon is a member of the Alpha Delta Phi fraternity.

The meeting was then adjourned until after the bulletin board rush.
