## WESLEYAN TURNS TABLES.

Trinity Defeated by Score of 10 to 6 in Loosely-Played Game.

The baseball teams of Trinity and Wesleyan met for the second game of this year's series at Andrus Field, Middletown, last Wednesday afternoon, and Trinity lost by a 10 to 6 score. Both teams showed a complete reversal of the form they displayed last week at Trinity field. Trinity for the worse and Wesleyan for the better. The Blue and Gold team was clearly off form, and did not play with its accustomed speed and precision. The batters seemed unable to get their eyes on the ball for consistent and bunched hitting, and in the box both Ferris and Baker had an off day. The former yielded three passes and a hit in the one inning he worked, and was replaced by Baker, who was pounded for 15 safeties.

The Wesleyan nine showed a big improvement in every department of the game. Its fielding was sharp and clean. Hayward, who made four errors last week at Trinity Field, redeeming himself by accepting nine out of ten chances, many of them difficult. Both Stanley and Lanning pitched good ball, the former having great speed which had Trinity baffled. Nearly all the Wesleyan players took part in the hit fest, Martin and Markthaler with four and three safe ones respectively, carrying off the batting honors. E. Winchester and Hayward were in evidence with some clever stops which featured the fielding for Wesleyan. For Trinity McKay and Carpenter were steady and sure. Gillooly choked off a couple of extra base hits with difficult stops which held the wallops to singles.

The Trinity delegation which accompanied the team backed it splendidly. The cheering was continuous, and did not stop until the last man was out in the ninth, notwithstanding the lead which Wesleyan maintained.

Shelley walked to start the game, and was forced by Murray who stole and scored on a timely two-bagger by McKay. Kinsman let a ball go through him, and McKay scored the second run for Trinity, which made the Blue and Gold chances seem bright. But Trinity was never again in the lead, although four more runs were tallied. Baker singled in the third and Carpenter was there with the hit needed to score him. Smith's single brought Gillooly across the plate in the sixth, and McKay got aroused again in the seventh. In the ninth Trinity made a game try for a telling rally, and another run came in. Baker was hit by a pitched ball. Shelley got one and then McKay did likewise by means of an error. There was one out, but only Baker could score, as Fanning got another strike out to his credit and Gillooly grounded out after hitting a terrific drive to left which the umpire called foul.

Wesleyan tied up the score in the first inning. Winchester and Fanning

## CHAMPIONSHIP FOR TRINITY.

Burgwin and Edsall Intercollegiate Doubles Champions.

Burgwin and Edsall, representing Trinity in the New England Intercollegiate Tennis Tournament at the Longwood courts near Boston, were put out of the singles, but are still in the doubles.

In the forenoon of Wednesday, L. Shumway of Amherst defeated Captain Burgwin, 6-4, 7-5. F. Cady, also of Amherst, defeated Edsall, 6-3, 7-5. However, in the doubles against Amherst, Trinity retrieved itself by defeating the Massachusetts men, 6-4, 6-3. The defeat of Amherst was a decided upset for the Amherst supporters.

As a result of the semi-final matches on Wednesday afternoon, when Rowell and Richards of Wesleyan defeated Gordon and Stewart of the Massachusetts Institute of Technology, 6-4, 4-6, 6-3, and Burgwin and Edsall defeated Weber and Doyle of Dartmouth, 6-3 6-4, the deciding double match will be played between Wesleyan and Trinity.

Under the scoring system the cup will be awarded to the first college that wins eight points.

As the *Tripod* goes to press news has been received that Burgwin and Edsall won the intercollegiate doubles tennis championship, defeating Rowell and Richards.

walked and scored on singles by Beeman and Martin. In the third Wesleyan went into the lead by getting two runs across. Hits by Stanley, Lanning and Hayward accounted for them. Kinsman scored another in the fourth, and in the fifth two poor throws by Gillooly permitted Wesleyan to register two more. A combination of hits and errors scored Martin in the sixth, and in the next inning the same player singled with the bases full and brought two more Red and Black runners across the plate. The score:

WESLEYAN.

## PROFESSOR GETTELL LEAVES.

To Head Department of Government at University of Texas.

Professor Raymond Garfield Gettell, so well known to Trinity men as the coach of her football teams, has decided to accept the government appointment as head of the Department of Government at the University of Texas, situated at Austin. Professor Gettell will have but three courses there, and will be able to drop all history work entirely. His courses will be "Comparative Government," an elementary course; the "Theory of Political Science," and "American Diplomatic and Colonial Policies," for more advanced students.

The University of Texas has about 3750 students and so Professor Gettell will also have an associate professor in the department of government of which he is to be the head.

Since coming to Trinity, Professor Gettell has made an extremely enviable reputation in the realm of Political Science and on the football field. In the former three text-books have appeared which have marked him as an unusually brilliant and logical thinker. His first book, published in 1910, three years after coming to this college, was an "Introduction to Political Science." A year later a supplementary course of "Readings in Political Science" appeared, and but recently a third book, "Problems in Political Science" has been published.

Applying the same clear analysis and logical deduction to the problem of building up a winning football team, Professor Gettell has attained equally happy results. In the last seven years, Trinity has become famed as the greatest exponent of the new football among the smaller colleges. With a smaller student body than any of her rivals, Trinity has turned out teams that have been consistent winners. And much of this has been due to Professor Gettell's genius.

As a professor his courses have been unusually popular and it is not solely as a football coach that Trinity men will regret his departure.

Before coming to this college, Professor Gettell had been graduated from Ursinus College, Pennsylvania, in 1903, with the degree of bachelor of arts. Here he first came into prominence on the football field for he played quarterback on the team. From 1902 to 1905 he was instructor of history there. The next collegiate year, 1906-1907, found him professor of history and economics at Bates College, in Maine, from whence he came to Trinity as Northam professor of history and political science in 1907.

Professor Gettell received the degree of Master of Arts from the University of Pennsylvania in 1906. At Ursinus he was a member of the Phi Beta Kappa. He is also a member of the American Academy of Political and Social Science, of the American Political Science Association and of the University Club.

## INTERCOLLEGIATE TRACK MEET.

Trinity to Have Four Representatives at Boston Today and Tomorrow.

This morning Captain Wessels, Hudson, Furnivall, Young, Manager Hill, and Coach Riley left for Boston to represent Trinity at the New England Intercollegiate track meet which takes place today and tomorrow. The meet, which is held at the Harvard Stadium, will be extremely interesting and it is expected that some very fast times will be made in the various events.

Trinity's men are in wonderful condition and should make a showing of which Trinity may be justly proud. Captain Wessels runs in the half-mile trials today and has a very good chance of qualifying. It is to be noted that up to this time he has run the half-mile after having run the mile, and therefore has not been fresh and has not made as good time as he is capable of making. Running when he is fresh, and being pushed as he will be, he may run the race in two minutes; in which case it is practically sure that he will qualify.

Hudson is slated to win second place in the hammer throw. Baily of Maine, who made the phenomenal throw of over 161 feet in the Maine College's meet last week will probably take first. Hudson, however, will push him to his limit. Hudson will also run the low hurdles. Considering the time he makes on a curved track and that he can make at least two fifths of a second better on a straight-away, it is expected that he may place.

Furnivall also has good chances of placing. As yet he has not run himself out in any of his races, and therefore if he uses all his speed he should come out well.

Young is expected to make a good showing. Although his times have not been exceptionally fast, he has shown evidence of marked ability.

Dartmouth, Boston "Tech," and Maine are booked to be the heaviest scorers. It is expected that Dartmouth will win by a slight margin.

To the publication of the former society he has contributed several reviews and has written for the "American Political Science Review." From his pen has also come an "Article on Political Science," in the "Encyclopedia of Education," published in 1912.

The college body regrets to lose Mrs. Gettell, for she has shared in the popularity of her husband. With them go the best wishes of all with whom they have come in contact.

## Men's Mesh Union Suits

Saturday, we will place on sale two cases Men's Mesh Unions in ecru color, ankle or knee lengthwith, closed crotch and short sleeves. Good grade fabric, well worth 75c, for

## "NOW THEN TRINITY"

It is with keen regret that we announce, elsewhere in this issue, the news of Professor Gettell's resignation. It would be futile to attempt to express in these columns the real sense of loss experienced by the whole college at the impending departure of Professor and Mrs. Gettell. The *Tripod* extends to them its heartiest wishes for their success and happiness in their new college home.

## TO RAISE MONEY FOR PROJECT. Freshman on Committee Commons and College Union Meets.

The committee on the Freshman Commons and College Union held a meeting on Tuesday night at which plans were made for immediate action upon the project. A resolution was accepted empowering a sub-committee to raise funds through subscriptions from the college body.

The reports of the representatives of the various fraternities revealed the fact that practically the entire college body is behind the movement, there being but two units that do not stand solidly for it. That the present fraternity system of isolation is unsatisfactory was acknowledged by all. The results of the present system are

unfortunate rushing methods and a general lack of acquaintance among the men which lasts throughout the larger part of their first two years at college.

Doctor Luther stated it as his opinion that if the college body shows by promise of financial support that it really wants the new commons and union, the trustees of the college will feel obliged to accept the project.

A sub-committee was empowered to collect fifteen hundred dollars by voluntary contributions from the college body. This is an average of less than ten dollars per man and the subscriptions are not to be due until after summer vacation. A meeting of the college body was called for Thursday night for the signing of the subscription list. If the college body succeeds in raising the money, the committee will immediately petition the Board of Trustees in behalf of the project.

The tentative plans locate the freshman commons in the present library reading room, the kitchen in the first floor of the south stack room and the union on the floor above. Entrance to the latter is through the door leading to the French and German class-rooms and the room is on a level with the college walk.

A provision in the plans allows each fraternity to keep enough of its own table to make up the number of fifteen men, the minimum number required to support the average fraternity house table.

## SOUTH AMERICAN SEMINAR.

Professor Kleene Talks on Economic Conditions in South America.

The Seminar on South America under the direction of Prof. Briggs was held at the Alpha Chi Rho house on Monday evening. Prof. Kleene gave a most interesting and instructive talk on the economic conditions in South America. Chapters four, five and six of Speer's text-book on South America were discussed by Messrs. J. A. Mitchell, '15, N. George, O'Connor, Bissell and Prof. Briggs. Mr. Wroth, '14, was the chaplain. Friday evening Prof. Galpin will speak at the seminar at St. Anthony Hall.

### D. K. E. DEFEATS NEUTRALS.

Ninth Inning Rally Turns Tie  
Score into 8 to 2 Victory.

The Delta Kappa Epsilon team won a closely contested game from the Neutrals Wednesday morning, when a big batting rally in the last inning changed the score from a 2 to 2 tie to an 8 to 2 victory. The game was devoid of interesting features except in the last inning when the "Dekes" showed a reversal of form which fairly swamped their opponents. Bradley and Craig were the batteries for D.K.E., while Moran and O'Conner represented the Neutrals.

Score by innings:

D. K. E.,	1 1 0 0 0 6—8
Neutrals,	1 0 1 0 0 0—2

### WILLIAMS TOMORROW.

(Continued from page 2.)

this season having defeated, among others, Princeton, Dartmouth, and Wesleyan, and having given Yale a hard fight for a 1 to 0 victory.

As Hodge, Williams' premier boxman, was used in yesterday's game against Amherst, he will probably not be used tomorrow. The Trinity men will have

### ALPHA DELTA PHI WINS.

Defeats I. K. A. Team by Score of  
11 to 4 in Intramural Game.

The Alpha Delta Phi team won its first intramural game Monday afternoon when they defeated the I. K. A. nine, 11 to 4. The score stood about even until the fourth inning, when the Alpha Delta Phi team forged ahead for an easy victory. Two accidents, one of rather serious nature, occurred during the game, Edgelow receiving a broken nose and several bad cuts about the eye when a ball struck him in the face, breaking his glasses. Lyon was hit in the head while up at bat. The batteries were: Elder and Lyon for the Alpha Delta Phi team and Chapin and Myers for I. K. A.

Score by innings:

Alpha Delta Phi,	2 0 1 3 0 2 2 1—11
I. K. A.,	1 1 0 0 2 0 0 0—4

to face Clute, the star freshman twirler.

Among Williams' heavy batsmen are Toolan at short and Ainslee at second.

Ferris will start in the box for Trinity. If he is in good form, his team-mates' heavy hitting gives assurance of a contest between two very evenly matched teams.

The greatest game in the world  
is to succeed—be it sport  
or occupation!

When we evolved the  
Fatima Cigarettes we  
made them of the purest

Velvet THE SMOOTHEST TOBACCO

OFt in the moony night with pipe and Velvet —that's enjoyment enough for some of us.

Velvet tobacco—the finest leaf in this great tobacco country—hung in big warehouses for over 2 years—a mellowing process impossible to counterfeit—only time, little by little, can change the leaf—eliminate the harshness (you call it bite!). Every puff of Velvet takes over 2 years to produce—no wonder it's good.

Leggett & Myers Tobacco Co.

Full Two Ounce Tins 10c

One ounce bags 5 cents—convenient for cigarette smokers.

WHAT PROFESSION ARE YOU CHOOSING ?

If it is either Medicine, Dentistry, Pharmacy, or Chemistry, do not fail to learn the advantages of

THE MEDICO - CHIRURGICAL COLLEGE OF PHILADELPHIA.

It is in the city which has been and still is the American Center of Education in these Sciences. It has Departments of and grants Degrees in all four of them. It has its own buildings, comprising well-planned and well-equipped Laboratories, a large and Modern Hospital, and the finest Clinical Amphitheatre extant. Its Courses in each Department are carefully graded. It has abundant and varied Clinical Material. Its Faculties are renowned and of high Pedagogic ability. Its Training is essentially and thoroughly practical.

Special Features are Personal Instruction and Individual Work; Free Quizzes; Ward Classes limited in size; Practical Clinical Conferences; Modern and Modified Seminar Methods; Special Lectures by Eminent Authorities; Practice and Training in Technique, etc., etc.

Write today to the Dean of the Department in which you are interested for announcement describing the course and containing full information as to fees. Compare the advantage this college offers before making a final decision.
