## INTERCOLLEGIATE TENNIS.

### Edsall of Trinity Runner-Up in the Singles.

(Owing to the fact that complete information was not available at the time of its last issue, the *Tripod* was able to make only a bare announcement of the result. In this issue a more detailed account is given.)

Trinity College now has one and one-half points on the New England Intercollegiate Lawn Tennis Championship cup, owing to the fact that Captain Edsall of the Trinity team was runner-up in the singles, held last week at Longwood. Captain Cutler of Williams was the winner of the singles, and Cutler and Maynard of Williams were the winners of the doubles. The doubles were won last year by Burgwin and Edsall of Trinity.

In the first round of the singles, Captain Edsall of Trinity defeated Larmon of Dartmouth, 10-8, 6-1; in the second round Woodbridge of M.I.T., went down before Edsall, 6-3, 10-8; and in the semi-finals, Edsall beat Hoffman of Wesleyan, 6-4, 12-10. All of these matches were hard. In the finals Edsall was defeated by Cutler of Williams, 6-2, 6-4, 6-2. Mitchell of Trinity was put out in the first round by Stewart of M. I. T., 6-3, 9-7.

In the doubles, Edsall and Niles of Trinity were defeated by Cutler and Maynard of Williams, 6-1, 8-6, in the first round, after a very hard fought match.

E. A. Niles, '16, was elected secretary-treasurer of the New England Intercollegiate Tennis Association at the meeting held just before the tournament. The summary of the tournament follows:

#### Singles.

First round—Maynard, Williams, defeated J. L. Snyder, Amherst, 6-1, 3-6, 6-3; Larrabee, Bowdoin, defeated Woodbridge, M. I. T., by default; Edsall, Trinity, defeated Larmon, Dartmouth, 10-8, 6-1; Cutler, Williams, defeated Richards, Wesleyan, 12-10, 4-6, 6-3; Stewart, M. I. T., defeated Mitchell, Trinity, 6-3, 9-7; Pray, Dartmouth, defeated Card, Bowdoin, 6-3, 6-4.

Second round—Hoffman, Wesleyan, defeated Maynard, Williams, 9-7, 9-7; Edsall, Trinity, defeated Woodbridge, M. I. T., 6-3, 10-8; Cutler, Williams, defeated Cady, Amherst, 6-1, 7-5; Stewart, M. I. T., defeated Pray, Dartmouth, 7-5, 6-4.

Semi-finals—Cutler, Williams, defeated Stewart, M. I. T., 6-0, 6-2; Edsall, Trinity, defeated Hoffman, Wesleyan, 6-4, 12-10.

Finals—Cutler, Williams, defeated Edsall, Trinity, 6-2, 6-4, 6-2.

#### Doubles.

First round—Cutler and Maynard, Williams, defeated Edsall and E. A. Niles, Trinity, 6-1, 8-6; Woodbridge and Stewart, M. I. T., defeated Hoffman and Richards, Wesleyan, 6-3, 6-3; Cady and McCloy, Amherst, defeated Larmon and R. B. Livermore, Dartmouth, 6-1, 6-1.

(Continued on page 3.)

## DARTMOUTH WINS N. E. I. A. A. MEET.

### Bjorn Breaks Record in Broad Jump.

Dartmouth, hard pressed by Maine, won the annual track and field meet of the New England Intercollegiate Athletic Association, held in Cambridge, Friday and Saturday of last week.

H. L. Worthington, of Dartmouth, set a new broad jump record at 23 feet, 10½ inches. L. A. Whitney, also of Dartmouth, made a new shot-put record of 47 feet, 10½ inches. I. T. Howe, of Colby, equalled the 100-yard dash record, which is 10 seconds.

The only Trinity man to place was Bjorn, who took fourth place in the broad jump with a jump of 22 feet, 7 inches, breaking the college record of 22 feet, 5¼ inches, made by H. C. Van Welden in 1903.

The scores: Dartmouth 36 1-3; Maine 31; Bowdoin 20 5-6; M. I. T., 17½; Holy Cross 14; Colby 13; Brown 7½; Williams 7; Wesleyan 3; Trinity 1; Tufts, 1; Massachusetts State 1; and Amherst 1.

Dartmouth thus gains permanent possession of the cup, given for winning the meet five times.

## FRESHMAN ORATIONS.

### Stedman Awarded First Place.

The six Freshman orators delivered their orations on Monday morning at 8.45 in the Public Speaking room. Dr. Luther presided over the meeting. The judges were Dr. Ferguson, Dr. McCook and Dr. Adams.

The six speakers and their subjects were as follows: Joseph Buffington, Jr., of Pittsburgh, Pa., "Our Opportunities in South America"; Charles Fenner Ives, of Detroit, Mich., "The Peril of the Phillipines"; John McKenney Mitchell, of Centerville, Md., "Pensions—Past, Present, and Future"; Martin Brown Robertson of Hartford, "The Tramp of Today"; Abraham Meyer Silverman, of Hartford, "Napoleon and Lincoln"; and Nathan Parker Stedman of Aurora, Ind., "Christianity in Japan."

After the speeches had been delivered, the judges retired. Their decision was later posted on the bulletin board, announcing Mr. Stedman as winner. Mr. Buffington was accorded honorable mention.

## ONE ON DR. URBAN.

William Gillette talked to the Drama League a short time ago, but he evidently labored under a misapprehension as to the quality of his audience. When he entered Center Church House—tall, thin, and sartorially perfect—to him came Professor Wilbur M. Urban with greetings. "Let me take your hat and coat," quoth the professor.

The actor relinquished them somewhat doubtfully.

"Put them where I can see them," he anxiously requested the chairman of the meeting.

## TRACK REVIEW.

### Results of Season's Work on Cinder Paths and in the Field.

The track season of 1915 was not a successful one, because no meets were won, but it was gratifying from the viewpoint of the spirit shown by the men in giving all that was in them for the good of the team.

The squad with which Captain Furnivall and Coach Harmon had to work was not large, and it contained only a handful of men of more than average ability. The team was not particularly strong in any events. Captain Furnivall was entered at various times during the season in three events: the 440, 220, and half-mile. His work in all three events marked him as the individual star of his team, yet he was not quite up to the form which has won him fame during the past three years. The team was greatly handicapped by the loss of Crehore during most of the season. If a bad leg had not disabled him the season's record would undoubtedly have been much better. Young, the veteran sprinter, did fairly good work, but he too was not quite up to the form of previous seasons. The freshman class furnished a new star in Bjorn, who specializes in the broad jump. For a freshman he displayed remarkable form. He captured his event consistently, and was the only Trinity man to place in the intercollegiate, where he got fourth. After much hard luck due to injuries for the past two seasons and for a part of this season, Perkins finally came to the fore in the hurdles and won his "T". His work gave Trinity some degree of strength in an event in which she promised to be weak. Castator and Edsall also won their letters in the weights. Such "ATA" men as Johnson, Rock, Shultheiss, George, Cole, Maxon, Castator and Howell, all did fair work in their respective events, and showed much improvement.

The team met Worcester Tech., Wesleyan, and Springfield Y. M. C. A. College, losing to all, yet with another season, more material, and the added experience of the veterans, there is hope for a better record.

## FRESHMAN ELECTIONS.

### Shultheiss Elected Senator, Buffington Chairman Rules Committee.

At a meeting of the Freshman Class held last Friday at 12.45, Melville Shultheiss of Hartford, was elected class representative on the college Senate for next year.

Joseph Buffington, Jr., of Pittsburgh, Pa., was elected chairman of the Freshman Rules Committee. He announces his committee as follows: W. McA. Pollock, of Chicago, Ill.; W. G. Smyth, of New York, N. Y.; N. P. Holden, of Detroit, Mich.; N. B. Holmes, of Hartford; S. D. Pinney, of Hartford; W. Grime, of Hartford; F. P. Easland, of Hartford; E. C. Carroll, of Hartford; and R. C. Phillips, Jr., of Middletown, Ohio.

## NO GAMES PLAYED SATURDAY.

### Baseball Record to Date. Games to Be Played.

Friday and Saturday the baseball team enjoyed a most futile trip down to South Orange, N. J., and New York City. All the time they were away it rained so hard that the scheduled games with Seton Hall and with Columbia could not be played. Much disappointment was felt by the players, as they had hoped to add a few more scalps to their already heavy belts. Many of them lay their hard luck to the fact that for the first time in years they left on the trip in a parlor-car.

The record of the team to date is as follows:

Trinity 5, Holy Cross 6.  
Trinity 4, Massachusetts Aggies 10.  
Trinity 1, Bowdoin 0 (thirteen innings.)  
Trinity 4, Stevens Tech. 1.  
Trinity 9, New Hampshire State 0.  
Trinity 8, N. Y. U., 3.  
Trinity 6, Williams 1.  
Trinity 14, Norwich 0.  
Trinity 2, Wesleyan 1.  
Total scores: Trinity 53, Opponents 25.

The games on the schedule still to be played are:

May 26—Springfield Y. M. C. A., at Hartford.  
May 29—Worcester Polytechnic Institute at Hartford.  
May 31—Wesleyan at Middletown.  
June 2—Holy Cross at Worcester.  
June 5—Tufts at Medford.  
June 19—Wesleyan at Middletown.  
June 22—Wesleyan at Hartford.

## TROUBLE IN STORE FOR COURANT; TRIPOD WILL SUE.

Trinity College has been aflame with indignation during the past week at the vicious attack by the *Courant* upon the most esteemed editor of the *Tripod*. In the most libelous manner possible, the *Courant* actually insinuated that Mr. Pressey was an escaped convict. What else could have been meant when last Wednesday there appeared in bold-faced type on the third page of Hartford's leading daily, a picture of a villainous-looking fellow recently escaped from Wethersfield? Underneath the photograph was the title, "William B. Pressey, Commencement speaker, and editor of the *Tripod*."

Such an affront could not be overlooked, and after consultation with Alfred Harding, Jr., the *Tripod* has placed the matter in the hands of its lawyers. The *Courant* will be sued at once.

## NO TENNIS SATURDAY.

Owing to the heavy rains, the tennis match with the Connecticut Agricultural College scheduled for Saturday, was not played.

## One Week Sale of Auto Goggles.

## "NOW THEN TRINITY"

We wish at this time to apologize to our readers for the printing of a very undignified and totally uncalled-for remark that recently appeared in our columns in regard to an official of the German Empire. The *Tripod* is a thoroughly neutral paper, and intends hereafter to refrain from saying anything that may be construed as offensive to either side, in the present conflict. We are most sorry for our offense.

Commencement Week at Trinity has never been the success that it ought to be. There has always been a lack of that vital "pep" which is so necessary for any undertaking. The reason may be traced to the alacrity with which the various undergraduates, not immediately involved in the proceedings, leave town as soon as their last examination is over. Thus the burden of Commencement is placed upon the shoulders of the seniors who surely have too much responsibility already. The consequence is that our alumni are getting dissatisfied. They do not feel like giving up their valuable time for an event for which their younger brothers care so little. Let's show a little life this year. Stick around and help make the 1915 Commencement a hummer. Also don't forget that last Wesleyan game on June 22nd.

## INTERCOLLEGIATE NOTES.

Down at the Frisco Frisk they furnish the Boy Scouts, otherwise known as official guides, with photograph passes, admitting them into the main entrance, and most of the family entrances as well. One of the University at Oregon's representatives on the force the other day bestrode his Pegasus and composed the following panegyric to the magic bit of paste-board. Although the poem was not intended for publication, here it is:

"My face is my fortune," the saying's quite old;

(And also the come-back, with meaning so cold):

"You're starving to death if that be the case!"

But I have at last found some worth in my face.

My photo is pasted upon a pass-book;

The man at the gate simply gives it a look,

Then gives me the once-over, slants at my dial,

And nods—something clicks—and I'm through the turnstile.

Sometimes the stile lets me into the Expo,

And then it admits me to see a good show

'Twould cost eighty bucks to go all through the Zone,

But I, with my photo, need not spend a bone.

My face is my fortune. I soon would go broke,

If it were not here to support me—no joke.

No gateman would pass me with nod or with look.

Should I lose the photo upon my pass-book.

I'll carry the book back to college with me;

And then, when I take my exams, it may be

My Profs, like the gate-man, who tends the turnstile,

Will glance at it—nod—and I'll pass with a smile.

By the time the end of the Senior year is reached at Harvard, the men find it necessary each year to beg enough money from the Freshmen to pay for their annual class picnic. Last week the class assembled on the library steps, each provided with a tin cup, and pleaded on bended knees for aid from the first year men. Each Freshman who contributed five dollars or over was given a cheer with his name on the end of it.

A recent edition of the *University of Washington Daily* appears modeled after the *New York Evening Journal*, as a note at the bottom of the sheet states. This was carried out even to the last page with its large type editorials, Advice to the Lovelorn, by Gwendolyn Fairfax, and its cartoon. Scare heads were also used on the front page. The paper, labeled the "8th" edition, also contained a thrilling love story by Virginia Terhune Van de Bogart.

At Northwestern University, all students who maintain an average of "B" or better in a subject are excused from taking the final examination in that study.

A statistician at University of California who had nothing better to do compiled the following statistics:

Since the women's swimming pool has been opened this spring, red ranks first as the favorite color of bathing caps, with green and blue close behind.

For some time, the Dartmouth has been advocating the abolition of compulsory chapel in Dartmouth College.

The culmination of their efforts came a short while ago when a strike was called on chapel for all those who were in favor of abolishing this ancient tradition. Only 100 men stayed away, but a protest was raised that many of the men had forgotten the day set apart for the strike. A new strike day was announced, but was no more successful than the first and in fact the singing in chapel on that day was better than at any previous chapel for years. Compulsory chapel at Dartmouth is evidently destined to stay for quite a while yet.

Minnesota's athletic board has provided for dancing after basketball games. This action was taken to stimulate interest in the game. The plan was tried several years ago and worked successfully.

Roller skating has become the craze of the hour at Northwestern University. Co-eds and men alike may be seen and heard on the long stretches of concrete walk. They are even worn between classes to shorten time and distance.

Swarthmore College has originated a new form of notice requesting people to keep on the paths. It reads "Please Make for a Trackless Campus."

A feature at the University of Washington is a co-ed bowling league.

All men who intend to sit in the rooters' section in the grand stands at the University of California are provided with special distinctive hats before the game starts. This is a new institution, started this spring.

About 40 per cent. of the students at Kansas State Agricultural College get their college education without any support from home. Several novel forms of employment are found among the students. Several men club together and each buy a cow. For the milk received from this herd they are given their room and board.

## INTERCOLLEGIATE TENNIS.

(Continued from page 1.)

Semi-finals—Stewart and Woodbridge, M. I. T., defeated Cady and McCloy, Amherst, 6-3, 13-11; Cutler and Maynard, Williams, defeated Larrabee and Flint, Bowdoin, 6-1, 6-0.

Finals—Cutler and Maynard defeated Stewart and Woodbridge, M.I.T., 6-2, 6-2, 6-2.

The race for the cup now stands as follows: Amherst has five and one-half points; Williams has two and one-half; Wesleyan has two points; Trinity has a point and a half; and Massachusetts Tech. has half a point. Eight points are necessary for the permanent possession of the cup.

## BIG LEAGUE STUFF.

Neutrals Trim A. X. P.

The Neutral Body are champions of Division B of the Intra-mural League by virtue of their 11-10 victory over Alpha Chi Rho on Thursday of last week. Furnivall's line drive into Reiner's hands in the ninth, with two men on bases, nipped in the bud Alpha Chi Rho's chances of winning. Making runs in bunches of three and five was the favorite pastime of both teams.

The work of Pinney who pitched the last three innings for A. X. P., was the feature of the game. He had a good curve and the errors behind him were largely responsible for the Neutral's runs.

Score by innings:  
Neutrals.....0 0 0 3 5 3 0—11  
A. X. P.....0 0 5 0 0 5 0—10

Batteries: Vizner and Phillips, Tiger, Pinney and Kyle.

This game puts Alpha Chi Rho out of the running, with Alpha Delta Phi and the Neutrals still to battle for the intra-mural cup.

## '90, QUARTER CENTURY RE-UNION.

The class of '90 will celebrate its 25th anniversary of graduation on June 21st at 8 p. m., with a dinner at the home of the class president, Col. W. E. A. Bulkeley, 11 Sycamore Road, Hartford. All who were at any time members of the class are invited to join with the sixteen surviving graduates in the celebration.

Arthur E. Cushman, President

## INTERCOLLEGIATE NOTES.

Five one-hundred-dollar bills fell out of a letter to the President of the University of Virginia recently. The letter was headed "The Loan Fund of The Seven Society." It was stated that this money was lent for the use of needy and deserving students.

At the University of Illinois, the Freshman Class has resorted to tags to secure payment of class dues. Green tags are given to each man as a receipt. On one side is printed "Class Dues", while on the reverse side the word "Paid" appears.

Journalism students at the Kansas State Agricultural College taking the course in copy reading are required to edit and write heads for the entire United Press news service each day. This copy, amounting to about 25,000 words a day, is furnished free on the condition that none of it is used outside of the class room.

By autumn it will be difficult to sell imitation gems and precious stones to Columbia University summer students. A new course in the study of gems, arranged by Professor James C. Egbert, for the summer session, is said to be the only course of its kind given at any American university.

Yale, Harvard, and Princeton will no longer hold separate entrance examinations in the spring as they have done in former years. At a conference of the three colleges it was decided to adopt the examinations given by the College Entrance Examination Board. Exams will still be conducted in the fall for conditional or doubtful students.

At a mass meeting of the student body of Cornell, a proposal to establish a Student Council at that University was almost unanimously approved. Among the speakers favoring the plan were two of the professors. A constitution for such a body is now being drawn up for approval. The number of representatives has not been definitely decided, but it has been suggested that it be made proportional to the number of fraternities.

LIBRARY contains about 80,000 volumes and the more important periodicals. Open daily for consultation and study.

THE LABORATORIES—Physical, Chemical, Biological, and Psychological, are fully equipped with modern apparatus for work in these departments.

ATTENTION is given to work in preparation for Electrical Engineering, Civil Engineering, Industrial Chemistry, and for admission to Medical and Law Schools.

EXTENSIVE COURSES are offered for study in Mathematics, Ancient Languages, Modern Languages, Economics, History, Ethics, and Philosophy.

*A large list of valuable scholarships and prizes may be found in the Annual Catalogue.*

For Catalogues and Information address the President or the Secretary of the Faculty.

### MORITURI SALUTAMUS.

My friends I hesitate,  
Let me deliberate—  
I fear to try my fate  
Before the Finals.

From ponies I can borrow  
Naught to relieve my sorrow—  
I dread the coming morrow  
When come the Finals.

My days of joy are gone  
My heart grieves forlorn  
Here in the chill of dawn  
I wait the Finals.

Could but my mortal stuff  
Make one last desperate bluff,  
"C minus" were well enough  
To pass the Finals

Then full of learning's lore  
I'd walk the campus o'er  
As a great Sophomore  
—And damn the Finals!

—Columbia Spectator.

### COLLEGE NOTES.

In accordance with an announcement on the official bulletin board all classes will be suspended on Monday, May 31st.

Several valuable scholarships are now without holders. Information concerning them may be obtained from Dr. Luther.

## George Randolph Chester

Famous Author, says:

*"Why shouldn't a man be willing to recommend a tobacco which gives as cool, sweet and satisfying a smoke as Tuxedo?"*

## For Mentally Alert Men—Tuxedo

George Randolph Chester's "Get-Rich-Quick Wallingford" stories have delighted thousands through the mental alertness, good humor and keen mind shown by the wily promoter.

When George Randolph Chester writes of things typically American he knows what he is talking about; and when he endorses Tuxedo—the typically American tobacco—his endorsement carries great weight with the keen-minded, alert and brainy smokers of this country.

# Tuxedo

*The Perfect Tobacco for Pipe and Cigarette*

is made especially to maintain the American spirit of good humor. Its constant use benefits a man in mind and body, by keeping him happy and physically fit.

Tuxedo is the finest Kentucky Burley—the world's premier smoking-tobacco leaf—made absolutely non-biting by the original "Tuxedo Process" that has never been successfully imitated. Tuxedo is delightfully mild, fragrant, rich, and gives a cool and satisfying smoke. Tuxedo is in a class by itself.
