## BATES HERE ON SATURDAY.

### Team From Maine a New Opponent for Trinity.

Trinity will meet a newcomer on her schedule next Saturday, October 9, when Bates comes to Trinity Field.

Not much is known about the visiting team, as it has played only one game this season, that of last Saturday against Fort McKinley, a fairly strong team composed of soldiers from one of the Maine military posts. Bates won 6 to 0. In past seasons Bates has turned out teams which have been of about average weight and speed, although not exceptionally far advanced in the finished points of football. Among the smaller of the small colleges Bates has always made a creditable showing, but has never done much against those institutions which are noted for good football teams. Consequently, the game on Saturday will probably be in the nature of a good hard workout for the Amherst game the following week, although Bates is not to be taken too lightly, for, as Haverford did last year, the Maine team may show unlooked-for strength.

Bates seems this year to be emphasizing the open game. Against Ft. McKinley last Saturday it used double passes for frequent gains, with fullback Drew carrying the ball. The open field running of Kennedy at left halfback was noticeable. These two men look to be the stars of the Bates team, and appear to be the ones Trinity will have to watch the most.

## DANCE AT THE I. K. A. LODGE.

The I. K. A. fraternity entertained at their lodge on Monday evening, October 4th. The early part of the evening was spent at charades. The dancing began after a chafing-dish supper.

The chaperones were Mrs. Benjamin Knower, Mrs. Ernest deF. Miel, Mrs. Charles E. Taft, Mrs. John Humphrey Barbour, Mrs. Thomas Brownell Chapman. The Misses Grace Allen, Sara Miel, Priscilla Chapman, Elizabeth Taft, Constance Smith, Alice Brockway, Ruth Daniels, Lisbeth Urban and Elizabeth Hotchkiss of New York were present; also Kenneth B. Case, '13, Walter Stuart Marsden, '13, the Rev. Paul H. Barbour, '09, and Percival Camp Platt, '15.

## BISHOP'S TEA PARTY.

According to a notice upon the college bulletin board, the class of 1919 is requested to present themselves on the campus in front of the Bishop's statue next Tuesday afternoon for the annual Bishop's Tea Party. A large attendance is expected.

## MANDOLIN CLUB TRIALS.

### Prospects Bright.

Trials for the Mandolin Club were held on Wednesday afternoon, October 6. There is promise of some very excellent material so that the prospects for the coming year are very bright. Mr. Knipfer, last year's director, has been again secured much to the satisfaction of the members. Several very fine trips are assured in company with the Glee Club. About nineteen men appeared for the first rehearsal. Of this number several may possibly be dropped in a few weeks while any good material which has not yet showed itself may be made a permanent part of the club.

The list of men who appeared for the first rehearsal are as follows: Brandt, '18, Hungerford, '17, Hatch, '17, De Witt, '17, Plummer, '16, Smeathers, '19, Cahill, '16, Fenton, '17, Spencer, '16, Mitchell, '16, Wooster, '17, Randall, '16, Wyse, '19, Pierce, '16, Wilson, '17, Holden, '18, Craig, '16, Perkins, '16, and Parsons, '18.

## Y. M. C. A. TRACK MEET.

### Trinity Men Entered.

On Saturday, October 9, the Y. M. C. A. will hold an A. A. U. sanctioned handicap meet for the Hartford Amateur Athletic championships at Colt's Park. The meet is to begin at 2.30 p. m. All High School, College, Y. M. C. A., and registered amateur athletes are eligible for entry. The entry fee of 25c covers all events on the program.

The handicap events are to be as follows: 100-yard dash; 220-yard dash; 440-yard dash; running high and running broad jumps.

The scratch events are: half-mile run, pole vault, and the relay race, six men to enter, four to compete, each man to run a quarter mile.

All entrants from Trinity are to run as "unattached" athletes. Among these are Bjorn, '18, Easland, '18, and Goldstein, '19.

In case of rain the meet will be held on the following Saturday.

## WESLEYAN REJOICES.

Deetjen, Wesleyan's former popular athlete and football star, has returned after a year's absence.

Trinity knew him as the man who helped the Red and Black win several games in the past few years. Coach Eustis and Dr. Fauver seem very sanguine over Wesleyan's prospects for the season with the ability of Deetjen on the team. He has displayed all of his former dash and go in the practices held this week.

## TENNIS TOURNAMENT

### NEAR CLOSE.

The Tennis Tournament for the college championship has advanced to the third round in all matches, both singles and doubles. The results to date are as follows:

The only match left in the second round is the Johnson and Pierce vs. Mitchell and Olmstead match.

## Y. M. C. A. MEETING.

At a meeting of the Y. M. C. A. held Wednesday, an effort was made to interest the men in the extra-collegiate activities of the college branch, teaching English to foreigners, boys' club and Boy Scout work, boys' Bible classes, and Sunday School teaching. Men were supplied with cards to be distributed among the different units, the cards to be returned with the men's names and what branch of work, if any, they care to take up. In this way the Y. M. C. A. hopes to secure for every man who wants it, a chance to do needed work, and work that will be adapted to their abilities.

## CALL FOR MANAGERS.

All freshmen who intend to try out for Assistant Manager of Track should report to Sidney D. Pinney at 84 Vernon Street. The track team has already begun work, so it is essential that candidates report at once.

## TRINITY MEN ARRESTED AS TRAMPS.

During the early part of August, F. L. Barnwell, '17, and J. M. Mitchell, '18, had the very unique experience of being arrested and locked up for the night on the charge of being hoboes, which indeed they were for the time being. This rather amusing incident happened in the little town of Dover in New Hampshire.

Barnwell and Mitchell were both councilors in the Y. M. C. A. camp at Lake Swanzey during the early part of the season, and when the camp was over they decided to take a walking tour through New Hampshire and Maine in company with H. C. Lindemuth of Pennsylvania State College. They started out with only the clothes they had on, and a frying pan, and begged their meals and lodgings from the farmers along the way.

The very tired and dusty trio arrived in Dover on a Tuesday morning about 1.30, after having walked over thirty miles the previous day. They were standing in the public square, wondering where they might get a little sleep at the least possible expense, when a husky officer of the law stepped up and relieved the situation by inviting them to spend the remainder of the night in the county jail.

After some persuasion, the vagrants prevailed upon the policeman to take them to a near-by restaurant for a bite to eat, in return for which favor they condescended to accompany him to the lock-up. All three were placed in one cell where they slept on boards about twelve inches thick and six inches from the ground; very uncomfortable beds indeed, but tramps must not be too particular.

In the morning the prisoners were offered a breakfast of bread and water, but they declined the favor, not wishing to cause their hosts any extra expense. They were taken before the magistrate, and severely reprimanded, and released; but before they were allowed to make their departure the authorities, not wishing to forget their young visitors, took their pictures, which they placed in the rogues' gallery, together with a description of their appearance.

The men left the jail about 7.00 a. m., and that day walked to York Beach. They were on the road for eight days, and in an interview with a *Tripod* reporter, Mr. Barnwell said he enjoyed the life of a tramp so much that he intends to make a tour through Canada next summer with a trick donkey.

### "NOW THEN TRINITY"

The inter-class baseball game last Monday brought before our mind the advisability of a change in the system of awarding class numerals. At present the number of students wearing the emblems of their class is remarkably large in proportion to the size of the college. The honor of winning numerals has become practically negligible due to the ease with which they are acquired. They may be worn by any member of the college who takes part for any length of time in a baseball, football, or basketball game between two classes, or who scores a point in the spring inter-class track meet, or wins first place in the fall freshman-sophomore meet. These requirements are surely not strict enough. A better system would be to require a man to play at least half a game or to win first place in any class track meet. The *Tripod* suggests that the Senate take the matter up, and perfect some scheme whereby the winning of numerals may not be cheapened by facility. Ambition aims at distinction.

There will be a college meeting tonight at 7 o'clock in the college Union. Let's have the whole college body there. There's another football game tomorrow and you've got to try out your voices just once beforehand. The cheering two weeks ago was poor. Now's your chance to come back.

#### PHI BETA KAPPA INITIATES.

At a meeting of the Beta of Connecticut of the Phi Beta Kappa Fraternity on Tuesday afternoon last, Richard Lush Maxon and Robert Barnard O'Connor, of the class of 1916 were initiated into the fraternity.

It is the earnest hope of the Beta of Connecticut that more men will become eligible in the future.

As there seems to be a lack of knowledge as to what the standard of election is it may be well to state it here.

First of all, election is based upon a man's scholastic standing. After 3 years of college work one must have obtained 54 out of a possible 60 points to be eligible. After four years' work the requirement is 70 out of a possible 80 points.

The points are computed in this way: An A counts 4, a B counts 3. The marks of five courses for each college year are counted. If a man takes more than five courses in one year, the highest five are taken.

Thus after three years' work there are 15 courses counted. If one should get A in each of these 15, one would have 60 points, the most possible. As the requirement for an eligibility is 54 points it is easily seen that one must get at least 9 A's and 6 B's. The points required in four years' work are computed in the same manner.

High standard of scholarship is, of course, the first consideration, at the same time no one would be elected who had done anything in any way dishonorable such as cheating in examinations, or anything of that kind.

#### COMMUNICATION.

To the Editor of the *Tripod*:

In about a month I should like to see in the *Tripod*, first, the per cent. of students by classes subscribing; second, the per cent. of alumni taking the paper. Could the Alumni Editor find time to work this out? Would a comparison of the different college units as to the per cent. of active and alumni subscribing be in violation of the cry "Trinity first"? I wish 75 per cent. of every graduated class took the *Tripod*. There is a lack of *continued* college spirit, that's sure!  
—'10.

#### TRACK PRACTICE.

Fall track practice was begun on Monday afternoon, with a squad of about twelve men, including several freshmen, some of whom show promise.

The following members of last season's team reported: Captain Crehore, Rock, Fenton, Johnston, McKay, Bjorn, Easland.

A relay team and a cross-country team will be chosen, and it is hoped to arrange a meet with the Y. M. C. A. team this fall.

At the college meeting tonight Coach Harmon will speak about the track prospects for this year.

#### INTERCOLLEGIATE NOTES.

Yale's chapel has been outgrown by the number of students which compulsory chapel necessary brings out. Freshmen next year will not attend the regular chapel services, but will meet in a different hall by themselves.

With condensed biographies of every student who ever enrolled in the university, the University of Illinois directory will appear sometime during the summer. The names of 32,000 students, alumni, and former faculty members will make up the list.

Smith College has instituted a system of advisors for Freshmen. One hundred advisors will be chosen, equally divided between the two upper classes. They will be given the responsibility of guiding next year's entering class along the right paths.

Harvard Freshmen will institute a class function this year which, it is expected, will become an annual affair. Interdormitory singing contests will be held, after which there will be a reception, buffet supper, and dance.

The University of Texas has installed something new in the way of gym apparatus in their gymnasium. A machine has been installed for cleaning and drying the athlete's uniforms, particularly the football togs.

Students at the University of Michigan who can think of no easier way of breaking their necks now have a course in aeronautics at their disposal. The university has procured an airplane for use in the instruction.

Students at Michigan Agricultural College are considering a Class Constitution, embodying all the present customs of class procedure and class traditions. This is calculated to do away with confusion and standardize procedure.

Coach Nickalls, of the Pennsylvania crew puts the blame for last year's defeat at the Child's regatta on the men and not on their coach. He says that the men lacked unity and fighting spirit.

Dartmouth has followed the leadership of Harvard in the establishment of a course in play writing. Instruction is given to a class of twelve who were selected by competition.

Samuel Gompers, president of the American Federation of Labor, addressed 600 students of the University of Pennsylvania in St. James' Hall, after the faculty had refused Mr. Gompers the right to speak on the campus.

Harvard realized \$300,000.00 from football season.

Through a cooperative arrangement of the students of Wisconsin with the Madison police force, every student purchasing liquor must sign a statement in the presence of witnesses that he is twenty-one years old.

### NEWS OF THE ALUMNI.

George Munson Curtis, '79, died at his home in Meriden on August 28, 1915, after a long illness. He was taken sick last November, and after spending several months in the Jefferson Hospital, Philadelphia, and the Clifton Springs Sanitarium, New York, returned to Meriden, where he died of heart failure.

Mr. Curtis entered college in the fall of 1875 with the class of 1879 and left in March. He re-entered the following fall with the class of '80, but left again in June, 1878, to go abroad. Mr. Curtis was a member of St. Anthony Hall.

He was born in Meriden, May 27, 1857, the son of George Redfield Curtis. His preparatory course was received from the Episcopal Military Academy. After five years as clerk in the Meriden Britannia Company, he was made assistant treasurer. He succeeded his father as treasurer of the International Silver Company. He was also a director in several other Meriden concerns.

Mr. Curtis took a great interest in the public library of Meriden, which was the gift of his mother. He wrote *Meriden's Early History*, a book of 400 pages in connection with the Meriden Centennial some years ago. Mr. Curtis was a member of the Highland Club, the Home Club, the Walpole Society, New York; the Grolier Club, New York, St. Anthony Club, New York, and the Society of Colonial Wars.

'74—In the *Tripod* of October 1, there is notice of the death of the Rev. Percy Whaley, '74, and also a column headed "In Memoriam" which was taken in toto from *Cathedral Notes*. Through some oversight of the compositor it was not indicated that the author was the Very Rev. Charles Elwell Craik, D.D., '74, Dean of Christ Church Cathedral, Louisville, Ky., and that the words were the expression of the deeply-felt sorrow of a classmate of the deceased.

'92—Isaac Daw Russell was recently elected treasurer by the directors of the American Hardware Corporation. Mr. Russell was formerly assistant treasurer and has been actively identified with the Russell & Erwin Division for a good many years. While in college Mr. Russell won an essay prize, but he is best known by his classmates as the man who received the Lemon Squeezer for his class in June, 1890.

'95—Rev. John M. McGann, formerly of Chicago, is now at 27 Chestnut St., Springfield, Mass., where he takes charge of Christ Church on Nov. 15.

'97—Born, June 24, 1915, a son to Dr. John R. Benton, Professor of Physics, University of Florida, Gainesville, Fla.

'05—John W. O'Connor is engaged in the real estate business at 43 Hamilton Avenue, New Rochelle, N. Y.

'12—Married, in Trinity Church, Portland, Conn., June 14, 1915, Oliver

### "IVY" MEETING.

At a meeting of the 1917 *Ivy* Board, William W. Macrum and James M. L. Cooley were elected to the business staff, while Kent S. Kirkby, John E. Bierck and John S. Kramer were elected to the editorial staff of the board. The board desires numerous cuts, snapshots and drawings. All those who take pictures should get busy and those talented in an artistic way will help the board a great deal by drawing for the *Ivy*.

### FRESHMAN ILL.

Frederick N. Olmstead, '19, has been very ill near his home at Pomfret, Conn., since Sunday. Wednesday the doctors decided that it was acute mastoiditis, and he was operated on in the afternoon. Mr. Olmstead is now doing as well as can be expected, but it is probable that he will not be able to return to college for a month.

### CHARLEY CHAPLIN AT PRINCETON.

Tuesday night, Princeton students were entertained by Charley Chaplin's familiar antics, the money taken in at the door being for the benefit of the Princeton Summer Camp for boys where about forty boys are given an outing each summer. Chaplin was ably assisted by the Hawaiian sextette and several of the students in furnishing an entertaining program for the evening.

Gildersleeve, '12, and Miss Anna Elizabeth DePeyster. Mr. Gildersleeve is the grandson of Alfred Hall, Trinity, '28.

'13—Thomas Gilbert Brown is in the editorial room of the *New York Tribune*. Mr. Brown was recently offered the position of Provincial Superintendent of the American Commission for Relief in Belgium, with headquarters in Brussels, which he refused. His address is 106 Morningside Drive, New York.

In spite of the above facts, the most important thing that Mr. Brown has planned to do this fall are three in number: the Trinity-N. Y. U., Trinity-Columbia, and the Trinity-Wesleyan football games. The rest of the time he expects "to remain normal and not act like a howling Indian."

'15—Hampton Bonner, who is now with the Penn Cement Company, Nazareth, Pa., will enter the New York office at 30 East 42nd Street., about the first of November.
