PRICE FIVE CENTS

SENATE MINUTES.

Regular meeting of the Senate was called to order by President Cole at 7 o'clock, October 25. Roll-call showed Messrs. Perkins and Gillooly absent.

Reports of committees: Mr. Rock, as chairman of the Union Committee, rendered a report. Mr. Shulthiess, as chairman of the Press Committee, rendered a report.

New business: It was moved and seconded that Mr. Cole be authorized to petition the faculty that single instead of double cuts be given on November 2, in order that students may attend the game with N. Y. U. The motion was carried. It was moved and seconded that names of members of Union and Press Committees be published in the *Ivy*. The motion was carried. Mr. Clement, chairman of the Junior Promenade Committee, read resolutions to the effect that the old order of Junior Week be returned to, in which case the prom. would be held on the Monday night after the examinations. It was moved and seconded that the resolutions be passed by the Senate. The motion was carried. It was moved and seconded that the sentiment of the Senate be in favor of holding the Junior Prom. in Alumni Hall. The motion was carried. It was moved and seconded that the secretary of the Senate present to the Athletic Committee the statement that the College Senate feels that the present eligibility system be retained with reference to the present controversy with Williams. The motion was carried. It was moved and seconded that a committee be appointed to look after the basketball situation. The motion was carried. It was moved and seconded that the sentiment of the Senate be that if a baseball game with Williams has been arranged, that it be not deliberately cancelled. The motion was carried.

Appointment of committees: Mr. Cole appointed committees as follows: As a committee to arrange for class football game, Messrs. Macrum and Castator; as a committee to formulate rules for Freshmen-Junior Banquet, Messrs. Griffith and Townsend; as a committee to look after change in commencement plans, Messrs. Cole and Morris; as a committee to look after basketball situation, Messrs. Coyle, Rock and Griffith.

RICHARD L. MAXON, Sec'y.

ALUMNI INVITED.

All alumni and their friends are invited to the Junior Assembly on Thursday of this week at 8 p. m. The committee desires that there be a large turnout of both undergraduates and alumni. Every one that can is urged to bring a lady. The party is strictly informal. Admission is \$1 per couple; 75 cents for stags.

TRINITY SWAMPS WILLIAMS.

EASY VICTORY OVER PURPLE.

Trinity had little difficulty in defeating Williams to the tune of 38 to 0 on Weston Field in Williamstown on Saturday. Trinity's powerful backfield tore Williams' line to shreds, while Williams could make but little impression on Trinity's defense.

Brickley was without doubt the star of the game. He scored three touchdowns on runs of 45, 19, and 35 yards, and averaged nine yards for every time he took the ball.

Kennedy also starred. He played his usual fast, steady game at quarter, ran back punts well, and in addition made two of the team's six touchdowns.

Vizner and Cole both played a good game, making consistent gains whenever they received the ball. Cole also made one of Trinity's touchdowns.

For Williams, Tompkins, the captain and fullback, played the best game. He was the most effective man on the offensive, and was the mainstay of the Purple's secondary defense. Williams made frequent attempts to use the forward pass, but out of 19 attempts only 5 were successful.

Trinity scored in the first, second, and fourth periods. Her first score came after three minutes of play. Lambert kicked off to Overton who ran the ball back to Williams' 27-yard line. After three line plunges had netted the Purple but four yards, Overton kicked to Kennedy on Trinity's 40-yard line, and the latter ran the ball to the middle of the field. Brickley then plunged through center for a yard, and on the next play circled left end for 45 yards and a touchdown. Nordstrom missed the goal.

The second period opened with the ball on Williams one-yard line. On the second play, Kennedy slid through center for another touchdown. Nordstrom again missed the goal. Later in the same period, after Overton had punted out of bounds on Trinity's 35-yard line, the Blue and Gold rushed the ball down the field, and on the fifth play sent Cole across the line. Lambert failed to kick the goal.

The third period was scoreless, but in the last Trinity's tallies came in quick succession. Brickley's runs of 19 and 37 yards around left end brought the first two, and Kennedy's circle of the right end for 35 yards brought in the third.

The game by periods: First Period:

Lambert kicked off to Overton who ran the ball back to the 27-yard line. On the first play Overton was thrown for three yards loss, and the next two plays netted Williams but four yards. Overton then kicked to Kennedy on Trinity's 40-yard line. The latter ran the ball back to the middle of the field. Brickley was then given the ball and made a yard through

center. On the next play he circled left end for 45 yards and a touchdown. Nordstrom missed the goal.

Lambert again kicked off to Overton who ran the ball back 37 yards before he was downed. Three drives through Trinity's line gave Williams first down, but they were unable to make the next ten yards, and the ball went to Trinity on downs. Brickley carried the ball 11 yards in two runs around the ends, giving the Blue and Gold first down. An end run by Cole and a plunge through center by Kennedy netted five and three yards respectively. On the next play, Vizner fumbled, but Trinity recovered the ball. Brickley then punted to Overton, and on the first play the latter was thrown for an 18-yard loss. Two more tries at Trinity's line brought the Purple no gain, and Overton punted to Kennedy who ran the ball back 18 yards. Two line plunges by Brickley made first down, and then Vizner made a 9-yard gain. Brickley again carried the ball for first down, and then for one yard, putting the ball on Williams' one-yard line at the close of the first period. Score: Trinity 6; Williams 0.

Second period—Vizner tried the Williams line with no success, but on the next play Kennedy slid through center for a touchdown. Nordstrom again missed the goal.

Lambert kicked off to Jones, who was able to run it back only 8 yards. Williams hit Trinity's line to good effect, making first down in four plays. Overton then got away for 20 yards around right end. Two more plays netted Williams only four yards. Tompkins then tried a forward pass to Wright, but it failed, and the ball went to Trinity on downs. Vizner made five yards, and then Brickley 15, and Kennedy five yards more. On the next play Cole was thrown for a loss. Trinity was then penalized 15 yards for holding. After a short gain by Vizner, Brickley punted, and the ball rolled over Williams' goal line. Williams' ball on the 20-yard line. After two attempts to gain, Overton punted and the ball went out of bounds on Trinity's 35-yard line. Brickley made 12 yards, and Cole 10, and then Brickley went through the Purple line for 6, 3, and 1 yards. On the next play Cole went over the Williams goal line for the third touchdown.

Lambert kicked off to Molthan, who ran it back 5 yards. On the next play Trinity was again penalized 15 yards for holding. After two more plays, Tompkins tried a forward pass to O'Brien, which was unsuccessful, and then Overton punted. Molthan ran down under the kick and recovered the ball after it had been touched by a

(Continued on page 3.)

UNDERCLASS MEET UNFINISHED Sophomores Lead by Wide Margin.

Owing to the late start and darkness, the freshmen-sophomore track meet was not completed Monday afternoon. With the relay race, pole vault, discus, and hammer still to be contested, the score stands 54½ to 26½ in favor of the class of 1918.

Many good finishes marked the events so far run, the closest being in the 3-mile run when Williams, '19, beat Blease, '18, by a fine spurt in the last 100 yards. Shulthiess, '18, was the leading scorer for his class, tallying a total of nineteen points, while Goldstein, '19, made 10½. In first places, the sophomores cleaned up, getting the 100-yard hurdles, broad jump, 600-yard run, 60-yard high hurdles, high jump, and shot put. The freshmen won the 60-yard dash, 300-yard dash, and the 3-mile run, totaling 6-3 for the sophomores. The sophomores should win the meet easily, as they are practically sure of places in all the remaining events, while the freshmen will have to win nearly all the remaining points to finish ahead.

The results:

60-yard dash: First heat, Goldstein, '19, Mitchell, '18; second heat, Easland, '18, Leeke, '19; final, Goldstein, '19, Mitchell, '18, Easland, '18; time, 6:4.

100-yard low hurdles—Shulthiess, '18, Jarvis, '19, Toll, '18; time, 13:2.

High jump—Bjorn, '18, and Shulthiess, '18, tied for first place at 5 feet 6 inches; Astlett, '18, and Goldstein, '19, tied for third place at 5 feet 4 inches.

60-yard high hurdles—Shulthiess, '18, Toll, '18, Wright, '18; time, 10:00.

600-yard run—Shulthiess, '18, Leeke, '19, Beers, '19; time, 1 min. 31 sec.

3-mile run—Williams, '19; Blease, '18, Wessels, '18; time, 18 min. 51 sec.

Broad jump—Bjorn, '18, K. Johnson, '18, Astlett, '18; distance, 20 feet 1½ in.

300-yard run—Goldstein, '19, Mitchell, '18, Leeke, '19; time, 32:2.

12-lb. shot put—Easland, '18, McGuffy, '19, Bjorn, '18; distance, 40 feet 1½ inches.

The judges were Rock, '17, Perkins, '16, Townsend, '16, and Mr. Adams.

Timers, Dr. Swan and Coach Harmon. Starter, De Ridder.

Clerk of course, Plummer, '16.

The remaining events are to be run off this afternoon at four o'clock.

MEETING OF THE JESTERS.

A meeting of the Jesters will be held in Alumni Hall to-day at four o'clock. It is earnestly requested that those men who desire to make the play and have not yet attended the tryouts will be on hand. Although a good showing has been made so far, yet there is room for improvement. Therefore any fellow who thinks he has any acting ability, however small, should come out and show it.

"NOW THEN TRINITY"

Trinity won an overwhelming physical victory over the Williams football team. That alone is enough to lighten the heart of every loyal supporter of the Blue and Gold, but it is not all. At the same time a great moral battle was being fought, and in this respect also Trinity proved itself superior. An idea seemed to prevail among the Williams' men that Trinity would not play fair—that the team was not composed of gentlemen. They do not think so now. Never did eleven men from any college put up a cleaner, more sportsmanlike game of football than did the Trinity men last Saturday. It was a trying situation, but they came through with flying colors. All hail, Trinity Gentlemen!

The action of the Williams Athletic Association last week in severing athletic relations with Trinity because of professionalism in Trinity's 'varsity football team calls for extended comment.

Williams, of course, has a perfect right to take what steps she pleases in regard to the amateur or professional status of men on teams which she opposes, and to act according to what she deems right. Trinity, in her turn, will most assuredly act according to what she, on her part, deems right. And Trinity has no

desire to meet any college in athletic competition against the latter's will. If competition with Trinity is distasteful to Williams, it is much better that the teams of the two colleges cease to meet.

The cause of the break with Williams, professionalism in college teams, is a matter that has been widely discussed lately, due to the action of the Yale Athletic Association in declaring ineligible several of its best football and baseball men because they had received a week's board free for playing summer baseball. Yale, with Williams and several other institutions, believes that, in order to be eligible for a college team, a man shall never have received compensation of any sort for participation in athletics. Other institutions believe that a man shall be eligible if he has not been in professional athletics under a signed contract. If he is a semi-professional, that is, if he has received money for his services but has signed no contract, he is eligible. Still other institutions, of which, Trinity is one, believe that if a man's scholastic standing is satisfactory and if he is a gentleman on the field, he is entirely eligible to take part in inter-collegiate sports.

According to the Yale and Williams standard a man may commercialize his athletic ability by acting as counselor or athletic director in a summer camp at a substantial salary and yet be a strict amateur, and therefore eligible for a college team. But if he receives money for actually playing in a game he has committed the heinous and unforgivable crime of professionalism and is ineligible. This is brilliant logic with a vengeance. It is so farcical as to be evident to a grammar school child. This system flatly deprives athletically gifted college students of the chance to realize excellent financial profits on the summer vacation through paid participation in clean, healthy, out-of-doors sports if they wish to represent their college on any of its teams.

As to a man's being ineligible if he receives money under a contract, but eligible if he receives the money without signing a contract, here also is a scintillating exhibition of distorted logic. According to this standard a man may receive \$25 a week during the summer for playing ball, and so long as he signs no contract he is eligible in the fall to represent his college on the athletic field. But if, during the summer he signs a contract calling for \$12 a week, he thereby becomes ineligible! Can anyone, even by a heroic stretch of the imagination, see any plain common sense, good old-fashioned horse-sense, in it all? Trinity certainly cannot. And Trinity will back up her convictions!

The main arguments against professionalism on college teams are that it introduces a rough element, and that it detracts from the interest in inter-collegiate athletics. At Trinity time has proven that this is not so. Student sentiment is powerful enough to keep rowdies off our teams, be they professionals or amateurs. All we require of our athletes is that they maintain a satisfactory scholastic standing and that on the field they be gentlemen. Never once has interest in our athletics suffered because some of our men were not strict amateurs. Our 'varsity athletes are free to make all the money in professional athletics that they can. They do not have to

NOTES FROM THE GEOLOGICAL DEPARTMENT.

Last Friday and Saturday Professor Barrows attended the 13th annual excursion of the New England geologists. There was a meeting in New Haven on Friday evening. On Saturday about fifty of the geologists motored from Waterbury to Winsted. The question under discussion concerned the origin of the topography of the region along the route which was travelled. All the leading New England colleges were represented at the meeting and excursion, as were also Columbia and Bryn Mawr.

With the money given by Mrs. Caswell for additions to the Caswell geological collection there have been purchased about 26 specimens. Some of these are minerals hitherto unrepresented in the college's collection. Others show new forms of crystallization and colors in minerals that are already represented. These minerals are all on temporary exhibition in Case 29 on the third floor of Boardman Hall.

Acting President Perkins has presented the geology museum with two fine specimens of trilobites, which were collected by him near Field, British Columbia. Trilobites are the fossil remains of a group of animals which lived in early geologic history. They were crustaceans, commonly of two body segments, and with a number of jointed legs.

PHILOSOPHY SEMINAR.

The first seminar of the season was held Thursday evening, October 21, with the unusually large attendance of nineteen. It was decided to use Plato's Phaedo and Euthyphyd as a basis for discussion. The meetings will be held every two weeks in the faculty room.

Professor Urban read a paper on the breakdown of mentality as a result of the shock received in the European War. The paper was strictly neutral in its views.

COLLEGE NOTES.

The Beta Beta Chapter of Psi Upsilon gave an informal dance at their house, 81 Vernon Street, last evening.

The first Junior Assembly will be held Thursday evening. Admission, \$1 per couple; 75 cents for tags.

The meeting of all men interested in joining the Machine Gun Company of the First Regiment will take place today at 1.20 p. m., in the Public Speaking Room.

be sneaky and underhanded about following, during vacations, an honest, wholesome calling. They know that the college rejoices in so many of them being good enough to command the salaries that they do. We do not believe in splitting hairs. Our conviction is that the student who turns his athletic ability into money by giving physical instruction in a summer camp, or by selling signed articles to newspapers, is just as much a professional as would be Christy Mathewson himself should he come to college. We believe in logical, common-sense reasoning and in a little fairness and broad mindedness. And we shall not change our convictions merely to keep on our schedules certain teams which may disagree with us.

TRINITY SWAMPS WILLIAMS.

(Continued from page 1.)

Trinity man. Williams then came out with three forward passes, of which only the third was successful, but which brought the Purple first down. Another forward pass netted seven yards. The next try was once too many, however, for Brickley intercepted Tompkins' forward pass, and the ball was Trinity's. Brickley then punted and the ball rolled over the goal line. It was brought out and went to Williams on her 20-yard line. Tompkins made two gains of seven and six yards, making first down, but on the next play was thrown for a five-yard loss. Score: Trinity 18; Williams 0.

Third Period—Garfield kicked off to Cole who ran the ball back 15 yards. First down was made in two plays, and another first down in three more, and then Vizner made a 12-yard gain through right tackle. But on the next four plays Trinity was unable to make the required ten yards and the ball went to Williams on downs. Then Williams, using a combination of line plunges and a forward pass, went down the field for 33 yards before their progress was stopped by an incomplete forward pass. On the next play Welch was given the ball. Brickley tackled him, and recovered the ball when Welch fumbled. Kennedy was thrown for seven yards loss. Brickley gained six and five yards on the next two plays, and then punted to Jones on Williams' 20-yard line. Jones ran the ball back 15 yards. Three plays netted Williams seven yards and then Cochran punted to Kennedy. Brickley and Vizner ran the ball down the field for two first downs. Score: Trinity 18; Williams 0.

Fourth Period—Kennedy and Brickley carried the ball for eight yards, and then Cole made it first down. Vizner made six yards, and then Brickley fumbled and Williams recovered. Tompkins tried a forward pass to Hubbell, which was unsuccessful. Again he tried it, and this time Nordstrom intercepted it, and the ball was Trinity's. Cole then made seven yards, Lambert two, and then Kennedy made first down. After Cole had made two yards through right guard, Brickley took the ball and tore off 15 yards for a touchdown. Nordstrom kicked the goal.

Lambert kicked off to Tompkins on Williams' five-yard line. The latter ran it back to the 38-yard line before he was downed. After Tompkins had been thrown for a small loss, Williams tried a forward pass, which did not succeed. Cochran was thrown for a three-yard loss, and then he punted out of bounds at Trinity's 43-yard line. Kennedy made 18 yards around right end, and then Brickley tore around left end for 37 yards and a touchdown. Nordstrom kicked the goal, the ball crashing into and breaking the windshield of a Ford.

Lambert then kicked off to Cochran on Williams' 15-yard line. Cochran ran it back 15 yards. After an incomplete forward pass, and a run around right end which brought Williams no gain, Jones tried another forward pass. Vizner intercepted it, but fumbled. Trinity recovered. On the next play Kennedy made a 34-yard run around right end for a touchdown. Nordstrom missed the goal.

Lambert kicked off to Tompkins on Williams' five-yard line. Tompkins

ran it back to the 26-yard line. On the third play, Jones tried a forward pass which Cole intercepted. Cole fumbled, however, and Williams recovered the ball. Cochran punted to Trinity's 20-yard line. Craig then punted back to Williams. Jones tried a forward pass which Brickley intercepted and which he ran back 42 yards. Then Jones intercepted one of Brickley's forwards. Cochran made two yards, and then Williams tried two forwards, both of which failed. The whistle blew and ended the game, with the ball on Williams 23-yard line.

MEETING OF THE DEBATING ASSOCIATION.

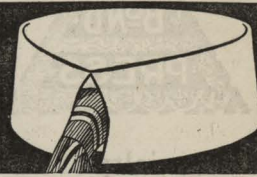

The Debating Association met in the Economics Room Friday, October 22, Russell Ziebell Johnson presiding. Plans were announced for the year. The triangular debate between Trinity College, New York University, and Rutgers' College was first discussed. Inter-class debates were also approved.

The Association plans to have debates between members at the meetings held semi-monthly. The initial debate is: *Resolved*, That college athletes should not be allowed to play professional baseball. The affirmative to be taken by Joseph A. Racioppi, '17, and Henry Beers, '19; the negative to be taken by Robert Harris, '18, and Frederick Paul Easland, '18.

SOPHOMORE HOP DATE.

The Sophomore Hop has been announced for November 10. There is much discussion over whether to hold it in Alumni Hall or at the Hartford Club.

JUNIOR SMOKER.

At a meeting of the Junior Smoker Committee it was decided to have smokers for the Junior Class between football and baseball seasons. Within that time each unit will entertain at their house. The unit giving the smokes will have charge of obtaining the speaker, smokes, and refreshments. The date set by the unit will be submitted to the chairman, and if agreeable, will be accepted at the time. The smokers were a feature last winter of 1916's doings. 1917 expects to make each one attractive and a well-spent evening to every junior.

TRINITY COLLEGE

HARTFORD, CONNECTICUT.

LIBRARY contains about 80,000 volumes and the more important periodicals. Open daily for consultation and study.

THE LABORATORIES — Physical, Chemical, Biological, and Psychological, are fully equipped with modern apparatus for work in these departments.

ATTENTION is given to work in preparation for Electrical Engineering, Civil Engineering, Industrial Chemistry, and for admission to Medical and Law Schools.

EXTENSIVE COURSES are offered for study in Mathematics, Ancient Languages, Modern Languages, Economics, History, Ethics, and Philosophy.

A large list of valuable scholarships and prizes may be found in the Annual Catalogue.

For Catalogues and Information address the President
or the Secretary of the Faculty.

PRESIDENT OF LEHIGH
INAUGURATED.

On Tuesday, October 19, and Wednesday, October 20, Professor Frederick Walton Carpenter represented Trinity College at the Inauguration Exercises at Lafayette College, where John Henry MacCracken, Ph.D., LL.D., was inaugurated as ninth president of Lafayette College.

The subject of President MacCracken's inaugural address was "College and the Commonwealth." After a short talk by Elbert Henry Gary, Sc.D., honorary degrees were conferred. Among those receiving the Degree of Doctor of Letters, was Martin Brumbaugh, Governor of Pennsylvania. Winston Churchill and Elbert Henry Gary received the honorary degrees of Doctor of Science.

After the Inauguration Exercises, a luncheon was given in honor of President MacCracken at which short addresses were made by Cyrus Hall McCormick, LL.D., and Winston Churchill, LL.D.

ANOTHER GIFT TO NATURAL
HISTORY DEPARTMENT.

Mr. J. J. Seinsoth, druggist at 19 Main Street, Hartford, recently presented the college museum with a live alligator about two and one-half feet long. The specimen is being prepared for exhibition in the museum.

A pretty girl,
A summer night,
A man,
And he'll succeed, O!

Because his pipe
Is filled with sweet
And mel-
Low, rich TUXEDO!

Get yourself properly Tux-ified and you'll make all rivals look as though they were tied to a post—'cause there's no tobacco made that rivals Tuxedo for speeding things up.

You just can't taste the savory flavor and whiff the snappy fragrance of "Tux" without feeling the spirit of hustle shooting through your whole system.

Tuxedo

The Perfect Tobacco for Pipe and Cigarette

And no wonder! For there's no tobacco leaf in the wide world so rich as the choice, ripe Burley that Tuxedo is made of. When this wonderful leaf is mellowed to perfect mildness and every last bit of bite taken out by the original "Tuxedo Process" you have a smoke that's packed full of life and joy and satisfaction. Try Tuxedo for a week.

YOU CAN BUY TUXEDO EVERYWHERE
